The information in this Form 8-K and the Exhibit attached hereto shall not be deemed filed for purposes of Section 18 of the Securities Act of 1934, as amended (the Exchange Act ), nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

**Use of Non-GAAP Financial Information**

Along with this information, we typically disclose and discuss certain non-GAAP financial information in our quarterly earnings releases, on investor conference calls and during investor conferences and related events. This non-GAAP financial information does not include the following types of financial measures that are included in GAAP: amortization of intangible assets related to acquisitions, in-process research and development, the net gain on the sale of investments or the impairment of investments, restructuring and other recoveries/charges, and stock-based compensation charges related to acquisitions. Management believes that this non-GAAP financial data supplements our GAAP financial information by providing investors with additional information which allows them to have a clearer picture of the company's core recurring operations. The presentation of this additional information is not meant to be considered in isolation or as a substitute for results prepared in accordance with GAAP. We believe that the non-GAAP information enhances the investors' overall understanding of our financial performance and the comparability of the company's operating results from period to period.
