RECENT EVENTS: DEREGISTRATION

This Post-Effective Amendment relates to the Registration Statement on Form S-8 (registration number 333-53652) filed with the Securities and Exchange Commission on January 12, 2001 (the Registration Statement), which registered 5,268,044 shares of common stock (accompanied by Rights to purchase Preferred Stock), par value \$0.005 per share (the Common Stock), of Vintage Petroleum, Inc. (the Company), which includes 5,208,044 shares of Common Stock issuable pursuant to the Company s 1990 Stock Plan, as amended, and 60,000 shares of Common Stock issuable pursuant to the Company s Non-Management Director Stock Option Plan.

The Company, Occidental Petroleum Corporation (Occidental) and Vintage Petroleum, LLC, formerly known as Occidental Transaction 1, LLC (Merger Sub), entered into an Agreement and Plan of Merger dated as of October 13, 2005 (the Merger Agreement), pursuant to which, among other things, the Company would be merged with and into Merger Sub, a wholly-owned subsidiary of Occidental and all outstanding shares of Company Common Stock (and associated Rights to purchase Preferred Stock) would be converted into the right to receive \$20.00 in cash plus 0.42 of a share of common stock, par value \$0.20 per share, of Occidental (these actions are collectively referred to as the Merger).

On January 26, 2006, the Company held a special meeting of stockholders at which the stockholders adopted the Merger Agreement and the transactions contemplated thereby.

In connection with the closing of the Merger, the Company has terminated all of its offerings of its Common Stock, Preferred Share Purchase Rights and related participation interests pursuant to its existing registration statements, including the Registration Statement. In accordance with an undertaking made by the Company in the Registration Statement to remove from registration, by means of a post-effective amendment, any securities of the Company which remain unsold at the termination of the offering, the Company hereby removes from registration all Common Stock and Preferred Share Purchase Rights registered under the Registration Statement which remain unsold as of the date hereof.
