EXPLANATORY NOTE

Infinity Pharmaceuticals, Inc., a Delaware corporation (formerly named Discovery Partners International, Inc.) (the Registrant), entered into an Agreement and Plan of Merger and Reorganization (the Merger Agreement), dated as of April 11, 2006, by and among the Registrant, Darwin Corp., a Delaware corporation and a direct and wholly-owned subsidiary of the Registrant (Merger Sub), and Infinity Discovery, Inc., a Delaware corporation (formerly named Infinity Pharmaceuticals, Inc.) (Old Infinity), pursuant to which Merger Sub merged with and into Old Infinity, with Old Infinity being the surviving corporation and a direct and wholly-owned subsidiary of the Registrant (the Merger).

Pursuant to the Merger Agreement, at the effective time of the Merger, the Registrant assumed each outstanding stock option that remained unexercised under the Infinity Pharmaceuticals, Inc. Pre-Merger Stock Incentive Plan (formerly named the Infinity Pharmaceuticals, Inc. 2001 Stock Incentive Plan), as amended (the Old Infinity Plan), such that each such assumed option is now exercisable for shares of common stock, par value \$0.001 per share (the Common Stock), of the Registrant. The Registrant is filing this Registration Statement with respect to the shares of the Registrant's Common Stock issuable pursuant to the Old Infinity Plan.

In addition, the Registrant is also filing this Registration Statement on Form S-8 to register an aggregate of 2,124,615 additional shares of Common Stock reserved for issuance under the Infinity Pharmaceuticals, Inc. 2000 Stock Incentive Plan (formerly named the Discovery Partners International, Inc. 2000 Stock Incentive Plan), as amended.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Wilmer Cutler Pickering Hale and Dorr LLP (WilmerHale) has opined as to the legality of the securities being offered by this registration statement. A partnership in which interests are owned directly and/or beneficially by partners and employees of WilmerHale owns 9,455 shares of the Registrant's Common Stock.

Item 6. Indemnification of Directors and Officers.

Section 145 of the General Corporation Law of Delaware empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation or another enterprise if serving such enterprise at the request of the corporation. Depending on the character of the proceeding, a corporation may indemnify against expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding if the person indemnified acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. In the case of an action by or in the right of the corporation, no indemnification may be made in respect to any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine that despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses that the court shall deem proper. Section 145 further provides that to the extent a director or officer of a corporation has been successful in the defense of any action, suit or proceeding referred to above, or in defense of any claim, issue or matter therein, he or she shall be indemnified against expenses (including attorney's fees) actually and reasonably incurred by him or her in connection therewith.

The Registrant's Certificate of Incorporation and Bylaws, each as amended, provide that the Registrant shall, to the fullest extent authorized by the General Corporation Law of Delaware, indemnify its directors and executive officers; provided, however, that the Registrant may limit the extent of such indemnification by individual contracts with its directors and executive officers; and, provided, further, that the Registrant shall not be required to indemnify any director or executive officer in connection with any proceeding (or part thereof) initiated by such person or any proceeding by such person against the Registrant or its directors, officers, employees or other agents unless (i) such indemnification is expressly required to be made by law, (ii) the proceeding was authorized by the board of directors, and (iii) such indemnification is provided by the Registrant, in its sole discretion, pursuant to its powers under the General Corporation Law of Delaware.

Pursuant to the terms of the Merger Agreement, for six years from the closing of the merger, the Registrant and IDI, as the surviving corporation in the merger, must advance expenses to and indemnify each former director and officer of the Registrant against costs and damages incurred as a result of such director or officer serving as a director or officer of the Registrant to the fullest extent permitted under the General Corporation Law of Delaware. The Registrant must also purchase an insurance policy, for six years from the closing of the merger, which maintains the current directors' and officers' liability insurance policies maintained by the Registrant prior to the closing of the merger.

The Registrant entered into agreements to indemnify certain of its directors, former directors and former executive officers. These agreements, among other things, provide for indemnification of such individuals for expenses specified in the agreements, including attorneys' fees, judgments, fines and settlement amounts incurred by such in any action or proceeding arising out of that person's services as a director or executive officer of the Registrant, any subsidiary of the Registrant or any other entity to which the person provides services at the Registrant's request.

The Registrant's Bylaws, as amended, also permit the Registrant to maintain insurance to protect itself and any director, officer, employee or agent against any liability with respect to which the Registrant would have the power to indemnify such persons under the General Corporation Law of Delaware. The Registrant maintains an insurance policy insuring its directors and officers against certain liabilities.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

The Exhibit Index immediately preceding the exhibits is incorporated herein by reference.

Item 9. Undertakings.

1. Item 512(a) of Regulation S-K. The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i) and (ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. Item 512(b) of Regulation S-K. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

3. Item 512(h) of Regulation S-K. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
