**PART II**

**INFORMATION REQUIRED IN THE REGISTRATION STATEMENT**

**Item 3. Incorporation of Documents by Reference.**

The following documents, as filed by Owens Corning (the Registrant) with the Securities and Exchange Commission (the Commission), are incorporated by reference in this Registration Statement and made a part hereof:

- (a) the prospectus of the Registrant filed pursuant to Rule 424(b)(1) under the Securities Act of 1933, as amended, on October 30, 2006; and
- (b) the description of the common stock, par value \$0.01 per share, of the Registrant contained in the Registrant's registration statement on Form 8-A filed with the Commission on October 19, 2006 under the Securities Exchange Act of 1934, as amended (the Exchange Act), including any amendment thereto or report filed for the purpose of updating such description.

All reports and other documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act, prior to the filing of a post-effective amendment which indicates that all securities offered hereby have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference herein and to be part hereof from the date of filing of such documents (such documents, and the document referenced in the preceding paragraph, being hereinafter referred to as Incorporated Documents).

Any statement contained in an Incorporated Document shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed Incorporated Document modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

**Item 4. Description of Securities.**

Not applicable.

**Item 5. Interests of Named Experts and Counsel.**

Not applicable.

**Item 6. Indemnification of Directors and Officers.**

Article X of the Registrant's amended and restated certificate of incorporation eliminates the personal liability of the Registrant's directors to the fullest extent permitted by the Delaware General Corporation Law (DGCL). Such section eliminates or limits the personal liability of a director to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Registrant or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit.

Article IX of the Registrant's amended and restated bylaws provides that the Registrant shall indemnify any and all persons who may serve or who have served at any time as a director or officer of the Registrant or is or was serving at the request of the Registrant as a director, manager, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, and any directors or officers of the Registrant who at the request of the Registrant may serve or at any time have served as agents or fiduciaries of an employee benefit plan of the Registrant or any of its subsidiaries, from and against any and all of the expenses, liabilities or other matters referred to in or covered by law, whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee or agent or in any other capacity while serving as a director, manager, officer, employee or agent, to the fullest extent authorized or permitted by the DGCL. The Registrant may also indemnify any and all other persons whom it shall have power to indemnify under any applicable law, to the extent authorized or permitted by such law.

The Registrant has also entered into an indemnity agreement with each current member of its Board of Directors and expects to enter into an indemnity agreement with each future member of its Board of Directors. These agreements generally provide that, if the director or potential director becomes involved in a claim (as defined in the terms and conditions of such agreement) by reason of an indemnifiable event (as defined in the agreement), the Registrant will indemnify the director or potential director to the fullest extent authorized by the Registrant's bylaws, notwithstanding any subsequent amendment, repeal or modification of the bylaws, against any and all expenses, judgments, fines, penalties and amounts paid in settlement of the claim.

**Item 9. Undertakings.**

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*Provided, however,* that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is

contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
