Accordingly, the filing fee wired to the SEC in connection with this Registration Statement is \$10,187.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Robert J. LaForest, Esq., who has rendered an opinion as to the validity of the common stock being registered by this registration statement, is an officer of the registrant and holds restricted stock equivalents and options to purchase shares of the registrant's common stock.

Item 6. Indemnification of Directors and Officers.

The Delaware General Corporation Law and the Certificate of Incorporation of the Company provide for the indemnification of any person who was or is made a party or is threatened to be made a party to or is involved in any action, suit, or proceeding by reason of the fact that such individual is or was a director or officer of the Company or serves or served another enterprise (including the plan) at the request of the Company against all expense, liability, and loss (including attorney's fees, judgments, fines, Employee Retirement Income Security Act of 1974 (ERISA) excise taxes or penalties, and amounts paid or to be paid in settlement) reasonably incurred or suffered in connection therewith, to the fullest extent authorized by the Delaware General Corporation Law, and also generally provides for mandatory advancement by the Company of defense-related expenses. Furthermore, pursuant to Section 102(b)(7) of the Delaware General Corporation Law, the Company has included in its Certificate of Incorporation a provision eliminating or limiting the personal liability of a director to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director, except in cases where the director breached his duty of loyalty to the Company or its stockholders, failed to act in good faith, engaged in intentional misconduct or a knowing violating of the law, willfully or negligently authorized the unlawful payment of a dividend or approved an unlawful stock redemption or repurchase or obtained an improper personal benefit.

Both the Delaware General Corporation Law and the Certificate of Incorporation of the Company provide that the Company may maintain insurance to cover losses incurred pursuant to liability of directors and officers of the Company. The Company has obtained directors' and officers' insurance coverage, which insurance covers certain liabilities of directors and officers of the Company arising under the Securities Act.

The Company has entered into indemnification agreements with each of its non-employee directors and certain officers providing for the indemnification of such directors and officers. The indemnification agreements provide for indemnification by the Company of each person subject to an indemnification agreement to the fullest extent permitted by law against expenses and damages if the person is, or is threatened to be made, a party to or participant in a legal proceeding by reason of his or her status as a director or officer of the Company or by reason of the fact that he or she is or was serving at the request of the Company as a director, officer, trustee, general partner, managing member, fiduciary, employee or agent. The indemnification agreements provide that the Company will advance the expenses the person incurred in any such proceedings prior to final disposition of the claim. In determining a person's entitlement to indemnification, the person will be presumed entitled to indemnification, and the Company will have the burden of proving otherwise.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

The exhibits filed as part of this registration statement are listed on the Exhibit Index that follows the signature page of this registration statement.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

i. to include any prospectus required by Section 10(a)(e) of the Securities Act of 1933;

ii. to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; and

iii. to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i) and (ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by us pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the registrant undertakes that in a primary offering of securities of the registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

i. any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

- ii. any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
 - iii. the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - iv. any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
