* The Group Executive Management Committee consists of a number of representative executive officers and, via Board of Directors resolutions, decides important business matters including the issuance of stock acquisition rights.

1. Stock Acquisition Rights to be Issued

1.1 Stock Acquisition Rights No. 15 (for executives and employees of the Company)¹

1.2 Stock Acquisition Rights No. 16 (for executives and employees of subsidiaries of the Company)²

1.3 Stock Acquisition Rights No. 17 (for executives and employees of subsidiaries of the Company)²

2. Types of Stock Acquisition Rights to be Issued and Reasons for Issuance

Stock Acquisition Rights No. 15 and Stock Acquisition Rights No. 16 are to be issued to employees and executives of the Company and employees and executives of subsidiaries of the Company, respectively, and the value of assets to be rendered upon the exercise of stock acquisition rights (Exercise Price) shall be determined based on the market price of the Company's common stock at the time the Stock Acquisition Rights are granted.

The Exercise Price of Stock Acquisition Rights No. 17 will be one (1) yen per share and will be granted mainly to executives and employees of new subsidiaries of Nomura Group overseas in lieu of a portion of cash compensation.

The Stock Acquisition Rights are expected to have the following benefits by restricting the exercise of the rights for two years after they are granted.

1. Retain talented personnel for longer terms by introducing deferred payment rather than paying compensation entirely in cash.
2. Align the interests of executives and employees with those of shareholders by reflecting changes in shareholder value in compensation packages.
3. Create a common objective for Nomura Group in terms of improving performance and trust by sharing a common incentive plan for executives and employees working in different business divisions and regions.

Edgar Filing: NOMURA HOLDINGS INC - Form 6-K
