**INFORMATION CIRCULAR**

(Containing information as at March 26, 2007 unless indicated otherwise)

**SOLICITATION OF PROXIES**

This Information Circular is furnished in connection with the solicitation of proxies by the management of New Gold Inc. (the Company) for use at the Annual General Meeting of Shareholders of the Company (and any adjournment thereof) to be held on Thursday, May 3, 2007 (the Meeting) at the time and place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone by the directors, officers and regular employees of the Company at nominal cost. All costs of solicitation by management will be borne by the Company.

The contents and the sending of this Information Circular have been approved by the directors of the Company.

**APPOINTMENT OF PROXYHOLDER**

The individuals named in the accompanying form of proxy are directors and/or officers of the Company. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY STRIKING OUT THE NAMES OF THOSE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY AND INSERTING THE DESIRED PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER FORM OF PROXY. A proxy will not be valid unless the completed form of proxy is received by COMPUTERSHARE INVESTOR SERVICES INC. (the Transfer Agent), Proxy Department, 4<sup>th</sup> Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof.** Proxies delivered after that time will not be accepted.

**REVOCATION OF PROXIES**

A shareholder who has given a proxy may revoke it by an instrument in writing executed by the shareholder or by his attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Company, at 601-595 Howe Street, Vancouver, V6C 2T5, British Columbia, at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

**INFORMATION FOR NON-REGISTERED SHAREHOLDERS**

**Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are non-registered shareholders because the shares they own are not registered in their names but are instead registered in the names of a brokerage firm, bank or other intermediary or in the name of a clearing agency. Shareholders who do not hold their shares in their**

---

**own name (referred to herein as Beneficial Shareholders ) should note that only registered shareholders may vote at the Meeting.** If common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those common shares will not be registered in such shareholder's name on the records of the Company. Such common shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which company acts as nominee for many Canadian brokerage firms). Common shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided by the Company to the registered shareholders. However, its purpose is limited to instructing the registered shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to ADP Investor Communications Services ( ADP ). ADP typically prepares a machine-readable voting instruction form, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the forms to ADP, or otherwise communicate voting instructions to ADP (by way of the internet or telephone, for example). ADP then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of common shares to be represented at the Meeting. **A Beneficial Shareholder who receives an ADP voting instruction form cannot use that form to vote common shares directly at the Meeting. The voting instruction form must be returned to ADP (or instructions respecting the voting of common shares must be communicated to ADP) well in advance of the Meeting in order to have the common shares voted.**

This Information Circular and accompanying materials are being sent to both registered shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories—those who object to their identity being known to the issuers of securities which they own ( Objecting Beneficial Owners , or OBOs ) and those who do not object to their identity being made known to the issuers of the securities they own ( Non-Objecting Beneficial Owners , or NOBOs ). Subject to the provision of National Instrument 54-101 Communication with Beneficial Owners of Securities of Reporting Issuers ( NI 54-101 ) issuers may request and obtain a list of their NOBOs from intermediaries via their transfer agents. Pursuant to NI 54-101, issuers may obtain and use the NOBO list for distribution of proxy-related materials directly (not via ADP) to such NOBOs. If you are a Beneficial Shareholder, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of common shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the common shares on your behalf.

The Company has decided to take advantage of the provisions of NI 54-101 that permit it to deliver proxy-related materials directly to its NOBOs. By choosing to send these materials to you directly, the Company (and not the intermediary holding common shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. As a result if you are a NOBO of the Company, you can expect to receive a scannable Voting Instruction Form ( VIF ) from the Transfer Agent. Please complete and return the VIF to the Transfer Agent in the envelope provided or by facsimile. In addition, telephone voting and internet voting can be found in the VIF. The

Transfer Agent will tabulate the results of the VIF's received from the Company's NOBO's and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIF's they receive.

The Company's OBOs can expect to be contacted by ADP or their brokers or their broker's agents as set out above.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the common shares in that capacity. **Beneficial shareholders who wish to attend the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder should enter their own names in the blank space on the proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

All references to shareholders in this Information Circular and the accompanying form of Proxy and Notice of Meeting are to shareholders of record unless specifically stated otherwise.

### **VOTING OF PROXIES**

The shares represented by a properly executed Proxy in favour of persons proposed by Management as proxyholders in the accompanying Form of Proxy will:

- (a) be voted or withheld from voting in accordance with the instructions of the person appointing the proxyholder on any ballot that may be taken; and
- (b) where a choice with respect to any matter to be acted upon has been specified in the form of proxy, be voted in accordance with the specification made in such proxy.

**ON A POLL SUCH SHARES WILL BE VOTED IN FAVOUR OF EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED OR WHERE BOTH CHOICES HAVE BEEN SPECIFIED BY THE SHAREHOLDER.**

The enclosed Form of Proxy when properly completed and delivered and not revoked confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed Form of Proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Information Circular, the management of the Company knows of no such amendment, variation or other matter which may be presented to the Meeting.

### **VOTING SHARES AND PRINCIPAL HOLDERS THEREOF**

Authorized Capital:	An unlimited number of common shares without par value
Issued and Outstanding:	24,164,717 <sup>(1)</sup> common shares without par value without special rights or restrictions.

(1) As at March 26, 2007

On a show of hands, every individual who is present and is entitled to vote as a shareholder or as a representative of one or more corporate shareholders, or who is holding a proxy on behalf of a shareholder who is not present at the Meeting, will have one vote, and on a poll every shareholder present in person or represented by a proxy and every person who is a representative of one or more corporate shareholders, will have one vote for each common share registered in his name on the list of shareholders, which is available for inspection during normal business hours at Computershare Investor Services Inc. and will be available at the Meeting.

To the knowledge of the directors and senior officers of the Company, no person or company beneficially owns, directly or indirectly, or exercise control or direction over, shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company.

**ELECTION OF DIRECTORS**

The Board of Directors presently consists of six directors and it is intended to determine the number of directors at six and to elect six directors for the ensuing year.

The term of office of each of the present directors expires at the Meeting. The persons named below will be presented for election at the Meeting as management's nominees and the persons named in the accompanying Form of Proxy intend to vote for the election of these nominees. Management does not contemplate that any of these nominees will be unable to serve as a director. ### Termination of Employment, Change in Responsibilities and Employment Contracts

Except as noted below, as at December 31, 2006 there were no employment contracts between the Company and any Named Executive Officer and no compensatory plan, contract or arrangement where a Named Executive Officer is entitled to receive more than \$100,000 from the Company, including periodic payments or instalments, in the event of the resignation, retirement or other termination of the Named Executive Officer s employment with the Company, a change of control of the Company or a change in the Named Executive Officer s responsibilities following a change in control.

The Company currently has the following arrangements in place with respect to remuneration received or that may be received by the Named Executive Officers or directors of the Company to compensate such officer or director in the event of termination of employment (as a result of resignation, retirement, change of control, etc.) or a change in responsibilities following a change of control, where the value of such compensation exceeds \$100,000 per officer or director:

1. On October 12, 2004 the Company entered into an employment agreement with Mr. Christopher Bradbrook, the President and Chief Executive Officer of the Company, which provides for a base salary of \$250,000 and a discretionary bonus of up to 40% of his base salary. The actual bonus, if any, earned will be based upon the achievement of the individual and corporate targets. In the event of termination, without cause, or a change of control by merger or purchase of the Company, Mr. Bradbrook is entitled to receive a payment equal to three times his annual compensation. Effective January 1, 2006, Mr. Bradbrook s base salary was increased to \$300,000 and the 40% restriction on the payment of a discretionary bonus was removed.

2. On April 15, 2005, the Company entered into an employment agreement with Mr. Paul Martin, the Vice President Finance and Chief Financial Officer of the Company, which provides for a base salary of \$225,000 and a discretionary bonus. The actual bonus, if any, earned will be based upon his individual performance and that of the Company. In the event of termination, without cause, or a change of control by merger or purchase of the Company, Mr. Martin is entitled to receive a payment equal to two times his annual compensation. Effective January 1, 2006, Mr. Martin's base salary was increased to \$250,000.
  
3. On November 5, 2005, the Company entered into an employment agreement with Mr. Kevin J. The actual bonus, if any, will be based upon his individual performance and that of the Company. In the event of termination, as a result of change of control of the Company, Mr. Ross is entitled to receive a payment equal to two times his annual compensation. Mr. Ross' employment contract was amended by an amending agreement dated June 5, 2006 to: (a) reduce his annual gross compensation to \$192,827 which includes salary and a monthly housing allowance in an amount to be agreed upon (\$3,000 per month for 2006); (b) obligate the Company to pay 29.65% of his annual gross compensation and 22.87% of any discretionary bonus to a Custodian of a Retirement Compensation Arrangement established for Mr. Ross benefit and described above under Pension Plans; and (c) provide that in the event of termination of his employment without cause he is entitled to receive a payment equal to two times his annual compensation.

#### **Composition of the Compensation Committee**

The overall purpose of the Compensation Committee is to implement and oversee human resources and compensation policies approved by the Board of Directors (the Board) of the Company.

The Company appointed a Compensation Committee for the first time in 2005. The Compensation Committee is comprised of three unrelated directors, Messrs. Mike Muzylowski, as Chairman, Clifford Davis and R. Gregory Laing.

#### **Report on Executive Compensation**

##### *Compensation Philosophy*

The Company's executive compensation philosophy is founded on two basic objectives: (1) to attract, motivate and retain individuals with the appropriate skills; (2) to provide incentives to management to meet the Company's strategic objectives and which align the interests of management with those of the shareholders through long term executive compensation. In considering adjustments to an executive's base salary, awarding of options or granting of additional stock options, the Company takes into account his individual performance and that of the Company.

##### *Executive Compensation*

The Company's executive compensation has evolved since 2004 when the Company commenced the underground exploration program which will form the basis for a feasibility study on the New Afton Copper-Gold project (Project). As a result of this program, the Company has significantly expanded its executive and staffing levels as the Company attempts to develop the Project into an operating mine. As a

result, the Company has adopted a compensation philosophy consisting of two main components: (1) base salaries plus bonus; and (2) long term incentives in the form of stock options. Generally, executive compensation has been designed to be competitive with the executive compensation offered by companies comparable to the Company in terms of size, assets and stage of development within the base and precious metals mining industry. The Company has targeted total compensation to be at or slightly above the median for those junior mining companies of comparable project development stage and market capitalization, with the relative importance of salary and stock options being equal. The Board is satisfied that the total level of compensation is competitive with that of comparable companies; however, given the buoyant marketplace for metals, compensation packages for qualified executives and staff are ever evolving.

#### *Chief Executive Officer's Compensation*

In determining the annual base salary of the Chief Executive Officer, the Compensation Committee will review industry surveys and public information regarding base salaries paid to chief executive officers of public companies of comparable size and complexity.

#### *Base Salary and Bonus*

To ensure that the Company will continue to attract and retain qualified and experienced executives, base salaries are reviewed and adjusted annually, in order to ensure that they remain at a level at or above the median for comparable companies. Bonuses are based upon a combination of individual and Company performances and are weighted more against Company performance for senior executives. In 2006, the Company paid bonuses to the President and Chief Executive Office and the Chief Financial Officer in the amounts of \$100,000 and \$90,000, respectively. The Company paid no bonuses in 2005 or 2004.

#### *Long Term Incentives - Stock Options*

The purpose of the Company's current stock option plan (the Plan) is to ensure that an incentive exists to maximize shareholder value by linking executive compensation to share price performance and to reward those executives making a long-term commitment and contribution to the Company. The Board has established a formal guideline for the granting of options. Options granted under the Plan expire not later than the tenth anniversary of the date the options were granted. The Company has traditionally limited the expiry to five years and vesting provisions for issued options are determined at the discretion of the Board. See Securities Authorized for Issuance under Equity Compensation Plans, Equity Compensation Plan Information .

#### *Report Submitted By the Compensation Committee*

The foregoing report is submitted to the Board by the Compensation Committee, Messrs. Mike Muzykowski, as Chairman, Clifford Davis and R. Gregory Laing.

**PARTICULARS OF MATTERS TO BE ACTED UPON**

**Amendment to Stock Option Plan**

The Company currently has an incentive stock option plan in place (the Plan) which provides for the number of shares reserved for issuance under such Plan not to exceed 10% of the Company's issued and outstanding share capital at the time of any stock option grant on an evergreen (reloading) basis. The amended Plan was approved by the Shareholders on May 4, 2005.

At the Meeting, Shareholders will be asked to approve a resolution authorizing an amendment to the Plan, including amendments to the title of the Plan, subsection 2.7, paragraphs 4.4(a), 4.4(c) and 6.4 of the Plan, and Schedule A to the Plan.

The title of the Plan currently reads as New Gold Inc. Stock Option Plan 2005.

Section 2.7 of the Plan currently reads as follows:

2.7 Expiry Date means the date set by the Board under section 3.1 of the Plan, as the last date on which an Option may be exercised.

Paragraph 4.4(a) of the Plan currently reads as follows:

4.4 (a) Death or Disability

If the Optionee ceases to be a director, officer or Service Provider of the Company or a subsidiary of the Company, due to his or her death or Disability or, in the case of an Optionee that is a company, the death or Disability of the person who provides management or consulting services to the Company or to any entity controlled by the Company, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of:

(i) 365 days after the date of death or Disability; and

(ii) the Expiry Date;

Paragraph 4.4(c) of the Plan currently reads as follows:

4.4 (c) Early Retirement, Voluntary Resignation or Termination Other than For Cause

If the Optionee or, in the case of an Option granted to an Optionee who falls under the definition of Service Provider set out in subparagraph 2.19 (c), the Optionee's employer, ceases to be a director, officer or Service Provider of the Company or a subsidiary of the Company due to his or her retirement at the request of his or her employer earlier than

the normal retirement date under the Company's retirement policy then in force, or due to his or her termination by the Company other than for cause, or due to his or her voluntary resignation, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of the Expiry Date and the date which is 30 days, or such shorter period as may be prescribed by the policies of the Exchanges, after the Optionee or, in the case of an Option granted to an Optionee who falls under the definition of Service Provider set out in subparagraph 2.19 (c), the Optionee's employer, ceases to be a director, officer or Service Provider of the Company or a subsidiary of the Company.

Paragraph 6.4 of the Plan currently read as follows:

6.4 Amendments to the Plan

The Directors may from time to time, subject to applicable law and to the prior approval, if required, of the Exchanges or any other regulatory body having authority over the Company or the Plan, suspend, terminate or discontinue the Plan at any time, or amend or revise the terms of the Plan or of any Option granted under the Plan and the Option Agreement relating thereto, provided that no such amendment, revision, suspension, termination or discontinuance shall in any manner adversely affect any Option previously granted to an Optionee under the Plan without the consent of that Optionee. Any amendments to the Plan or options granted thereunder will be subject to the approval of the shareholders.

Schedule A to the Plan contains the form of Option Agreement (as defined in the Plan) and the initial recital currently reads as follows:

This Option Agreement is entered into between DRC Resources Corporation (the Company) and the Optionee named below pursuant to the Company Stock Option Plan (the Plan), a copy of which is attached hereto, and confirms that:

Shareholders will be asked at the Meeting to amend these provisions as set out in the form of the resolutions below (the Amendments). The existing options which are outstanding under the current Plan will be incorporated into the amended Plan and will be governed by the amended Plan.

Pursuant to the rules and policies of the TSX all insiders of the Company entitled to receive a benefit under the Plan are not eligible to vote their securities in respect of the Amendments unless the securities available to insiders under the Plan and the number of securities issuable to insiders within any one-year period do not exceed 10% of the Company's total issued and outstanding securities (when combined with any other security-based compensation arrangements of the Company). As the Plan currently does not meet the requirements of this exception, the Amendments require disinterested security holder approval meaning the approval of shareholders who are not restricted from voting under the policies of the TSX as described above.

A copy of the Plan, as amended by the Amendments, is available for viewing up to the date of the Meeting at the Company's offices at Suite 601, 595 Howe Street, Vancouver, British Columbia, V6C 2T5 and at the Meeting. In addition, a copy of the amended Plan will be mailed free of charge, to any holder of common shares who requests a copy from the Secretary of the Company. Any such requests should be mailed to the Company, at its head office, to the attention of the Secretary. In accordance with TSX policy, the Plan will require the approval of the Company's shareholders every three years.

As at the date of this Information Circular, an aggregate of 1,731,500 (representing 7.1% on an undiluted basis) common shares of the Company remain outstanding and unexercised and 684,971 common shares

of the Company are available for future grants. Additional stock options may be granted as the outstanding capital of the Company increases to the 10% level and the percentage amounts of options exercised will automatically be reloaded into the 10% eligible under the Plan. The Plan is intended to provide the board of directors with the ability to issue options to provide the employees, consultants, officers and directors of the Company with long-term equity-based performance incentives which are a key component of the Company's executive compensation strategy. The Company believes it is important to align the interests of management and employees with shareholder interests and to link performance compensation to enhancement of shareholder value. This is accomplished through the use of stock options whose value over time is dependent on market value. Accordingly the shareholders of the Company will be asked to approve the following ordinary resolution:

BE IT RESOLVED as an ordinary resolution of the disinterested shareholders, that:

1. The Company is hereby authorized to delete the title of the Company's incentive stock option plan (the Plan) in its entirety and replace it with the following:  
New Gold Inc. Stock Option Plan 2005 (As Amended on May 3, 2007)

2. The Company is hereby authorized to delete subsection 2.7 of the Company's Plan in its entirety and replace it with the following;

4. The Company is hereby authorized to delete paragraph 4.4(c) of the Company's Plan in its entirety and replace it with the following:  
4.4(c) Early Retirement, Voluntary Resignation or Termination Other than For Cause

acquire Vested Unissued Option Shares at any time up to but not after the Expiry Date or such earlier date as may be prescribed by (i) the Board on the Grant Date; or (ii) the policies of the Exchanges, after the Optionee or, in the case of an Option granted to an Optionee who falls under the definition of Service Provider set out in subparagraph 2.19(c), the Optionee's employer, ceases to be a director, officer or Service Provider of the Company or a subsidiary of the Company.

Except as otherwise stated below, in this Section 6.4, any amendments to the Plan or options granted thereunder will be subject to the approval of the shareholders.

Notwithstanding any other provision of the Plan and this Section 6.4, subject to applicable law and to the prior approval, if required, of the Exchanges or any other regulatory body having authority over the Company or the Plan, the Board (or any committee thereof) may, at any time, amend or revise the terms of the Plan or any Option granted hereunder and the Option Agreement relating thereto, without further action by its shareholders, so as to:
