GENERAL INFORMATION CONCERNING SOLICITATION AND VOTING

This proxy statement and the accompanying proxy card and notice of annual meeting are provided in connection with the solicitation of proxies by and on behalf of the board of directors of Arbor Realty Trust, Inc., a Maryland corporation, for use at the annual meeting of stockholders to be held on May 25, 2005, at 1:00 p.m., local time, and any adjournments or postponements thereof. We, our, us, and the Company each refers to Arbor Realty Trust, Inc. The Company conducts substantially all of its operations through Arbor Realty Limited Partnership which we refer to as our operating partnership. References to operating partnership units refer to partnership interests in Arbor Realty Limited Partnership.

The mailing address of our executive office is 333 Earle Ovington Boulevard, Uniondale, New York 11553. This proxy statement, the accompanying proxy card and the notice of annual meeting are first being mailed to holders of our common stock, par value \$0.01 per share, and special voting preferred stock, par value \$0.01 per share, on or about April 26, 2005. Our common stock and special voting preferred voting stock are the only securities entitled to vote at the annual meeting, and we refer to those securities together as our voting securities. Along with this proxy statement, we are also sending our Annual Report to Stockholders for fiscal year ended December 31, 2004.

A proxy may confer discretionary authority to vote with respect to any matter presented at the annual meeting. As of the date of this proxy statement, management has no knowledge of any business that will be presented for consideration at the annual meeting and that would be required to be set forth in this proxy statement or the related proxy card other than the matters set forth in the Notice of Annual Meeting of Stockholders. If any other matter is properly presented at the annual meeting for consideration, it is intended that the persons named in the enclosed proxy card and acting thereunder will vote in accordance with their discretion on any such matter.

Matters to be Considered at the Annual Meeting

At the annual meeting, our stockholders will act upon:

- (1) a proposal to elect three Class II directors, each to serve until the 2008 annual meeting of stockholders and until their respective successors are duly elected and qualify and to elect Walter K. Horn, to serve until the 2006 annual meeting of stockholders and until his successor is duly elected and qualifies;
- (2) a proposal to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2005;
- (3) a proposal to amend the Company's 2003 Omnibus Stock Incentive Plan, as amended and restated on July 29, 2004 (the "Stock Incentive Plan"), to authorize for issuance an additional 250,000 shares of the Company's common stock;
- (4) a proposal to amend the Company's Articles of Incorporation (together with the Articles Supplementary, the Charter) to lower each of the aggregate stock ownership limit and the common stock ownership limit from 9.6 percent to 8.3 percent; and
- (5) any other business that may properly come before the annual meeting or any adjournment or postponement of the annual meeting.

This proxy statement, form of proxy and voting instructions are being mailed starting on or about April 26, 2005.

Solicitation of Proxies

The enclosed proxy is solicited by and on behalf of our board of directors. The expense of preparing, printing and mailing this proxy statement and the proxies solicited hereby will be borne by the Company. In addition to the use of the mail, proxies may be solicited by officers and directors, without additional remuneration, by personal interview, telephone, telegraph or otherwise. The Company will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of voting securities held of record on April 12, 2005 and will provide reimbursement for the cost of forwarding

Table of Contents

the material. In addition, we have engaged The Altman Group to assist in soliciting proxies from brokers, banks and other nominee holders of our common stock at a cost of approximately \$5,500, plus reasonable out-of-pocket expenses.

Stockholders Entitled To Vote

As of the close of business on April 12, 2005, there were 16,741,122 shares of our common stock and 3,776,069 shares of our special voting preferred stock outstanding and entitled to vote. Each share of our common stock and special voting preferred stock entitles the holder to one vote. Stockholders of record at the close of business on April 12, 2005 are entitled to vote at the annual meeting or any adjournment or postponement thereof.

Required Quorum/ Vote

A quorum will be present if stockholders entitled to cast a majority of all the votes entitled to be cast at the annual meeting are present, in person or by proxy. If you have returned a valid proxy or, if you hold your shares of our voting securities in your own name as holder of record and you attend the annual meeting in person, your shares will be counted for the purpose of determining whether there is a quorum. If a quorum is not present, the annual meeting may be adjourned by the chairman of the meeting or the stockholders entitled to vote at the annual meeting, present in person or by proxy, to a date not more than 120 days after the record date without notice other than announcement at the meeting.

Abstentions and broker non-votes will be counted in determining the presence of a quorum. Broker non-votes occur when a bank, broker or other nominee holding shares for a beneficial owner does not vote on a particular proposal because it does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Under the rules of the New York Stock Exchange, banks, brokers and other nominees who hold shares in street name may have the authority to vote on certain matters when they do not receive instructions from beneficial owners. Banks, brokers and other nominees that do not receive instructions are entitled to vote on the election of directors and the ratification of the appointment of the independent registered public accounting firm.

Election of the director nominees named in Proposal No. 1 requires the affirmative vote of a plurality of the votes cast in the election of directors at the annual meeting by holders of our voting securities. The candidates receiving the highest number of affirmative votes of the shares entitled to be voted will be elected directors. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the board of directors nominees named in Proposal No. 1. Votes may be cast in favor of or withheld with respect to all of the director nominees, or any of them. Broker non-votes, if any, will not be counted as having been voted and will have no effect on the outcome of the vote on the election of directors. Stockholders may not cumulate votes in the election of directors. A vote withheld from a director nominee will have no effect on the outcome of the vote because a plurality of the votes cast at the annual meeting is required for the election of each director.

Ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2005, as specified in Proposal No. 2, requires the affirmative vote of a majority of the votes cast on the proposal at the annual meeting by holders of our voting securities. If this selection is not ratified by holders of our voting securities, the audit committee and board may reconsider its appointment and endorsement, respectively. Abstentions and broker non-votes, if any, will not be counted as having been voted and will have no effect on the outcome of the vote for this proposal. Even if the selection is ratified, the audit committee of the Company's board of directors in its discretion may direct the appointment of different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Approval of the amendment to the Stock Incentive Plan as specified in Proposal No. 3, requires the affirmative vote of a majority of the votes cast on the proposal at the annual meeting by holders of our voting securities; provided that the total vote cast on the proposal represents over 50% in interest of all securities entitled to vote on the proposal. For purposes of the vote on the Stock Incentive Plan, abstentions will have the

Table of Contents

same effect as votes against the proposal and broker non-votes will have the same effect as votes against the proposal, unless holders of more than 50% in interest of all securities entitled to vote on the proposal cast votes, in which event broker non-votes will not have any effect on the result of the vote.

Approval of the amendment to the Company's Charter, as specified in Proposal No. 4, requires the affirmative vote of a majority of the votes entitled to be cast on the proposal at the annual meeting by holders of our voting securities. For purposes of the vote on the Charter, abstentions and broker non-votes will have the same effect as votes against the proposal.

If the enclosed proxy is properly executed and returned to us in time to be voted at the annual meeting, it will be voted as specified on the proxy unless it is properly revoked prior thereto. If no specification is made on the proxy as to any one or more of the proposals, the shares of our voting securities represented by the proxy will be voted as follows:

- (1) **FOR** the election of three Class II directors, each to serve until the 2008 annual meeting of stockholders and until their respective successors are duly elected and qualify and to elect Walter K. Horn, to serve until the 2006 annual meeting of stockholders and until his successor is duly elected and qualifies;
- (2) **FOR** the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2005;
- (3) **FOR** the amendment to the Stock Incentive Plan to authorize for issuance an additional 250,000 shares of the Company's common stock;
- (4) **FOR** the amendment to the Company's Charter to lower each of the aggregate stock ownership limit and the common stock ownership limit from 9.6 percent to 8.3 percent; and
- (5) in the discretion of the proxy holder on any other business that properly comes before the annual meeting or any adjournment or postponement thereof.

As of the date of this proxy statement, we are not aware of any other matter to be presented at the annual meeting.

Voting

If you hold your shares of our voting securities in your own name as a holder of record, you may instruct the proxies to vote your shares by signing, dating and mailing the proxy card in the postage-paid envelope provided. In addition, you may vote your shares of our voting securities in person at the annual meeting.

If your shares are held on your behalf by a broker, bank or other nominee, you will receive instructions from such individual or entity that you must follow in order to have your shares voted at the annual meeting.

Right to Revoke Proxy

If you hold shares of our voting securities in your own name as a holder of record, you may revoke your proxy instructions through any of the following methods:

send written notice of revocation, prior to the annual meeting, to our General Counsel and Corporate Secretary, at 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York 11553;

sign and mail a new, later dated proxy card to our General Counsel and Corporate Secretary at the address specified above; or

attend the annual meeting and vote your shares in person.

If your shares are held on your behalf by a broker, bank or other nominee, you must contact it to receive instructions as to how you may revoke your proxy instructions.

Table of Contents**BOARD OF DIRECTORS****General**

Our board of directors presently consists of seven members. Pursuant to our charter, the board of directors is divided into three classes of directors, each serving for three years after election and until his or her successor is duly elected and qualifies, with one class up for election at each annual meeting. At this year's annual meeting, the term of our three Class II directors will expire. In addition, because Walter K. Horn was appointed to our board of directors in November 2003 in order to fill a vacancy created when the size of our board of directors was increased from five to seven, Mr. Horn is also a nominee for election at the annual meeting as a Class III director, to serve until the 2006 annual meeting of stockholders and until his successor is duly elected and qualified. Our other directors will remain in office for the remainder of their respective terms, as indicated below.

At the annual meeting, stockholders will vote on the election of Messrs. Ivan Kaufman, C. Michael Kojaian and Melvin F. Corporate Governance Profile

We are committed to good corporate governance practices and, as such, we have adopted formal corporate governance guidelines to enhance our effectiveness. The guidelines govern, among other things, board member qualifications, responsibilities, education and management succession. A copy of the corporate governance guidelines may be found at the corporate website at www.arborrealtytrust.com under the heading Investor Relations Corporate Governance.

The board of directors met on ten occasions and acted by written consent on seven occasions during 2004.

Senior Officer Code of Ethics and Code of Business Conduct and Ethics

We have adopted a senior officer code of ethics applicable to our Chief Executive Officer, Chief Financial Officer, Chief Credit Officer and Controller (or persons performing similar functions to the aforementioned officers regardless of whether such persons (1) are employed directly by the Company or (2) are employed by Arbor Commercial Mortgage, our manager pursuant to a management agreement). We have also adopted a code of business conduct and ethics applicable to all employees, officers and directors. Both codes are available on our website at www.arborrealtytrust.com under the heading Investor Relations Corporate Governance. Amendments to, and waivers from, the senior officer code of ethics and the code of business conduct and ethics for a director or officer will be disclosed at the same website address and heading provided above.

Director Independence

Of our seven directors, four have been determined by our board of directors to be independent for purposes of the New York Stock Exchange listing standards. In determining director independence, the board of directors reviewed, among other things, whether any transactions or relationships exist currently or, since our incorporation existed, between each director and the Company and its subsidiaries, affiliates and equity investors or independent registered public accounting firm. In particular, the board reviewed current or recent business transactions or relationships or other personal relationships between each director and the Company, including such director's immediate family and companies owned or controlled by the director or with which the director was affiliated. The purpose of this review was to determine whether any such transactions or relationships failed to meet any of the objective tests promulgated by the New York Stock Exchange for determining independence or were otherwise sufficiently material as to be inconsistent with a determination that the director is independent.

The board also examined whether there were any transactions or relationships between each director and members of the senior management of the Company or their affiliates. In reviewing the independence of Dr. Helmreich, the board carefully reviewed whether (1) Mr. Kaufman's and Dr. Helmreich's current and prior participation on the boards of North Shore Hebrew Academy, North Shore Hebrew Academy High School and NSH Affordable Housing of Indiana, Inc., a not-for-profit organization, (2) Dr. Helmreich's engagement since the summer of 2000 as an external consultant by North Shore Hebrew Academy in the capacity of chairman of Academic Affairs of North Shore Hebrew Academy and (3) Dr. Helmreich's prior receipt of consulting fees from Arbor Management, LLC should, based upon the totality of the circumstances, be deemed to be material so as to preclude a finding that Dr. Helmreich is independent. The board, in particular, reviewed the materiality of the transactions to the parties involved, the compensation and timing of Dr. Helmreich's advisory role with North Shore Hebrew Academy and Arbor Management, LLC and the absence of any employment or compensatory capacity by Dr. Helmreich with NSH Affordable Housing of Indiana, Inc. In reviewing the independence of Mr. Kojanian, the board carefully reviewed whether Mr. Kaufman and Mr. Kojanian's proposed co-investment in a real estate venture and Mr. Kojanian's investment in 500,000 shares of common stock of the Company through Kojanian Ventures, L.L.C., should, based upon the totality of the circumstances, be deemed to be material so as to preclude a finding that Mr. Kojanian is independent. In reviewing the independence of Mr. Bernstein, the board carefully reviewed whether the \$150,000 investment by Mr. Kaufman and the \$25,000 investment by Mr. Herbst in a private company of which Mr. Bernstein is the chairman of the board should, based on the totality of the

Table of Contents

circumstances, be deemed to be material so as to preclude a finding that Mr. Bernstein is independent. The board, in particular, reviewed the materiality of the transactions to the parties involved.

As a result of its review, the board affirmatively determined at a meeting held on April 14, 2005, that Messrs. Bernstein, Kojaian and Lazar and Dr. Helmreich were independent under the New York Stock Exchange listing standards.

Director Compensation

Each of our independent directors is paid a director's fee of \$25,000 per year. Each independent director who serves as chairman of the audit committee is paid an additional fee of \$10,000 per year, each independent director who serves as chairman of the compensation committee is paid an additional fee of \$5,000 per year and each independent director who serves as chairman of the nominating/corporate governance committee is paid an additional fee of \$3,000 per year. Each independent director is also paid a fee of \$2,000 for each board or committee meeting that he or she attends in person. Each independent director is also paid a fee of \$1,000 for each telephone board or committee meeting that he attends. In addition, we reimburse all directors for reasonable out of pocket expenses incurred in connection with their services on the board of directors.

Grants of restricted stock and other equity based awards with respect to our common stock are provided for under the Stock Incentive Plan. On July 1, 2003, Messrs. Bernstein, Kojaian, Martello and Dr. Helmreich each received 1,000 restricted shares of our common stock. Upon their appointment to the board in November 2003, Messrs. Horn and Lazar each received 1,000 restricted shares of our common stock. Two-thirds of the restricted stock granted to each of these directors vested immediately upon the date of grant and the remaining one-third will vest ratably over three years from the date of grant at a rate of 33.33% on each of the subsequent three anniversary dates of the date of grant. Board Committees

Our board has established four standing committees, the principal functions of which are briefly described below. Matters put to a vote at any one of our four committees must be approved by a majority of the directors on the committee who are present at a meeting at which there is a quorum or by unanimous written consent of the directors on that committee. Our board of directors may from time to time establish certain other committees to facilitate the management of the Company.

Audit Committee

Our board of directors has established an audit committee, which is composed of three of our independent directors, Messrs. Bernstein, Lazar and Dr. Helmreich. During 2004, the audit committee met on five occasions. The audit committee assists the board in overseeing (1) the integrity of the Company's financial statements, (2) the Company's independent registered public accounting firm's qualifications and independence, (3) the performance of the Company's independent registered public accounting firm and the Company's internal audit function and (4) the Company's compliance with legal and regulatory requirements.

Mr. Lazar currently serves as chairman of the audit committee. The board has determined that Mr. Lazar qualifies as an audit committee financial expert as defined by the rules of the SEC and that each member of the audit committee is financially literate. The audit committee is governed by a charter that has been adopted by the board of directors. A copy of the audit committee charter is available on our website, www.arborrealtytrust.com, under the heading Investor Relations Corporate Governance.

The nominating/corporate governance committee is responsible for seeking, considering and recommending to the board qualified candidates for election as directors and recommending a slate of nominees for election as directors at each annual meeting of stockholders. The nominating/corporate governance committee is also responsible for (1) preparing and submitting to the board for adoption the committee's selection criteria for director nominees; (2) reviewing and making recommendations on matters involving general operation of the board and our corporate governance; and (3) annually recommending to the board nominees for each committee of the board. In addition, the committee annually facilitates the assessment of the board of directors' performance as a whole and of the individual directors and reports thereon to the board.

Independent Director Committee

Our board of directors has established an independent director committee, which is composed of all of our independent directors, Messrs. Bernstein, Kojaian and Lazar and Dr. Helmreich. During 2004, the independent director committee met on two occasions. The independent director committee is responsible for, among other things, considering and voting upon matters as to which the board of directors determines Arbor Commercial Mortgage or its affiliates (other than the Company or its subsidiaries) or any of our directors (other than an independent director) or officers has a conflict of interest, including the approval of transactions between the Company and Arbor Commercial Mortgage. The individual who serves as the chair of the independent director committee rotates each year among the chairs (if such chair is not a member of management) of the committees of the board of directors.

Stockholder Communications with Directors

The board of directors has established a process to receive communications from stockholders. Stockholders may contact any member (or all members) of the board by mail. To communicate with the board of directors, any individual directors or any group or committee of directors, correspondence should be addressed to the board of directors or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent in care of General Counsel and Corporate Secretary at Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553.

All communications received as set forth in the preceding paragraph will be opened by the office of our General Counsel and Corporate Secretary for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service or patently offensive material will be forwarded promptly to the addressee. In the case of communica-

tions to the board or any group or committee of directors, the office of the General Counsel and Corporate Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope is addressed.

Director Nomination Procedures

The nominating/corporate governance committee generally believes that, at a minimum, candidates for membership on the board of directors should have demonstrated an ability to make a meaningful contribution to the board of directors oversight of our business and affairs and have a record and reputation for honest and ethical conduct. The nominating/corporate governance committee recommends director nominees to the board of directors based on, among other things, its evaluation of a candidate's experience, knowledge, skills, expertise, integrity, ability to make independent analytical inquiries, understanding of our business environment and a willingness to devote adequate time and effort to board responsibilities. In making its recommendations to the board of directors, the nominating/corporate governance committee also seeks to have the board nominate candidates who have diverse backgrounds and areas of expertise so that each member can offer a unique and valuable perspective.

In the future, the nominating/corporate governance committee intends to identify potential nominees by asking current directors and executive officers to notify the committee if they become aware of persons who meet the criteria described above, especially business and civic leaders in the communities in which we operate. The nominating/corporate governance committee also, from time to time, may engage firms, at our expense, that specialize in identifying director candidates. As described below, the nominating/corporate governance committee will also consider candidates recommended by stockholders.

The nominating/corporate governance committee anticipates that once a person has been identified by the committee as a potential candidate, the committee will collect and review publicly available information regarding the person to assess whether the person should be considered further. If the nominating/corporate governance committee determines that the candidate warrants further consideration, the chairman or another member of the committee will contact the person. If the person expresses a willingness to be considered and to serve on the board of directors, the nominating/corporate governance committee will request information from the candidate, review the person's accomplishments and qualifications, including in light of any other candidates that the committee might be considering and conduct one or more interviews with the candidate. In certain instances, members of the nominating/corporate governance committee may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments.

In addition to stockholder proposals of director nominees submitted in accordance with our bylaws, as summarized below under Stockholder Proposals for 2006, the nominating/corporate governance committee will consider written recommendations from stockholders of potential director candidates. Such recommendations should be submitted to the nominating/corporate governance committee in care of General Counsel and Corporate Secretary at Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553. Director recommendations submitted by stockholders should include the following:

the name, age, business address and residence address of the individual(s) recommended for nomination;

the class, series and number of any shares of our stock that are beneficially owned by the individual(s) recommended for nomination;

the date such shares of our stock were acquired by the individual(s) recommended for nomination and the investment intent of such acquisition; and

all other information relating to such candidate that would be required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the Exchange Act), including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected.

Table of Contents

The stockholder recommendation and information described above must be delivered to the General Counsel and Corporate Secretary not earlier than the 120th day and not later than the close of business on the 90th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting of stockholders; provided, however, that if the date of mailing of the notice for the annual meeting is advanced more than thirty days prior to or delayed by more than thirty days after the anniversary of the mailing of the notice for the preceding year's annual meeting, the stockholder recommendation and information described above must be delivered not earlier than the 120th day prior to the mailing of the notice for the upcoming annual meeting and not later than the close of business on the later of (1) the 90th day prior to the mailing of the notice for the upcoming annual meeting of stockholders and (2) the 10th day following the date on which public announcement of the mailing of the notice for the upcoming annual meeting is first made.

The nominating/corporate governance committee expects to use a similar process to evaluate candidates to the board of directors recommended by stockholders as the one it uses to evaluate candidates otherwise identified by the committee.

Director Attendance at Annual Meeting

We do not currently maintain a policy requiring our directors to attend the annual meeting; however, attendance by our directors is encouraged. All of our directors attended the 2004 annual meeting.

In addition, the Audit Committee discussed with the independent registered public accounting firm the registered public accounting firm's independence from the Company and its management, and the independent registered public accounting firm provided to the Audit Committee the written disclosures and letter required from the independent registered public accounting firm by the Independence Standards Board Standard No. 1 (*Independence Discussions With Audit Committees*).

The Audit Committee met with the internal and independent registered public accounting firm, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

Based on the review and discussions referred to above, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in Arbor's Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the SEC.

Table of Contents**EXECUTIVE COMPENSATION**

Because our management agreement provides that our manager, Arbor Commercial Mortgage, assumes principal responsibility for managing our affairs, certain of our executive officers, who are employees of our manager, do not receive compensation from us for serving as our executive officers. However, in their capacities as officers or employees of our manager or its affiliates, they devote such portion of their time to our affairs as is required for the performance of the duties of our manager under the management agreement. Mr. Ivan Kaufman, our chairman of the board of directors, president and chief executive officer, serves as the chief executive officer of Arbor Commercial Mortgage. Mr. Frederick C. Herbst, our chief financial officer, also serves as chief financial officer of our manager. Walter K. Horn, our general counsel, director of compliance and corporate secretary, also serves as secretary of Arbor Commercial Mortgage and served as general counsel of Arbor Commercial Mortgage until March 2005. Each of Messrs. Kaufman, Herbst and Horn receives his compensation from our manager. Our manager has informed us that, because the services to be performed by its officers or employees in their capacities as such is not performed exclusively for us, it cannot segregate and identify that portion of the compensation awarded to, earned by or paid to our executive officers by the manager that relates solely to their services to us.

Management Agreement

Since we currently employ only three executive officers and 21 employees in total, we rely to a significant extent on the facilities and resources of our manager to conduct our operations. For performing services under the management agreement, Arbor Commercial Mortgage receives a base management fee and incentive compensation based on our performance. Our manager uses the proceeds from its base management fee in part to pay compensation to its officers and employees who, notwithstanding that some of them are also our officers, receive no direct compensation from us, other than restricted stock that may be granted pursuant to our Stock Incentive Plan. Our compensation committee will evaluate annually the fees paid to our manager in light of its performance.

Base Management Fee

Our manager receives an annual base management fee based on the equity (as defined in the management agreement) of our operating partnership. The amount of the base management fee does not depend on the performance of the services provided by our manager or the types of assets its selects for our investment, but the value of our operating partnership's equity will be affected by the performance of these assets. The base management fee is payable monthly in arrears in cash, calculated monthly as a percentage of our equity and equal to 0.75% per annum of the equity up to \$400 million, 0.625% per annum of the equity between \$400 million and \$800 million and 0.50% per annum of the equity in excess of \$800 million. We incurred \$2.0 million in base management fees to Arbor Commercial Mortgage for management services rendered for the year ended December 31, 2004. All amounts incurred have been paid to date.

Incentive Compensation

Our manager is entitled to receive incentive compensation in installments each fiscal quarter in an annual amount equal to the product of:

(1) 25% of the dollar amount by which:

the sum of: (i) our operating partnership's Funds From Operations (as determined in accordance with the management agreement) for such quarter and (ii) gains (or losses) from debt restructuring and sales of property per operating partnership unit (as determined in accordance with the management agreement) for such quarter; exceeds

the product of (i) the weighted average (based on shares of our common stock and operating partnership units) of (a) the per operating partnership unit book value of the net assets contributed by Arbor Commercial Mortgage, (b) the \$15.00 offering price per share of our common stock in our private placement of units in July 2003, (c) the offering price per share

Table of Contents

(including shares of common stock issued upon exercise of warrants or options) of any subsequent offerings by us of our common stock (adjusted for any prior capital dividends or distributions), and (d) the issue price per operating partnership unit for subsequent contributions to our operating partnership, and

(ii) the greater of (x) 9.50% per annum and (y) the Ten Year U.S. Treasury Rate plus 3.50% per annum; multiplied by

(2) the weighted average number of our operating partnership units outstanding, including operating partnership units issued to us equal to the number of shares of our common stock issued by us.

Subject to the ownership limitations in our charter, at least 25% of this incentive compensation is payable to our manager in shares of our common stock having a value equal to the average closing price per share for the last twenty days of the fiscal quarter for which the incentive compensation is being paid. Our manager earned \$1.6 million in incentive compensation for the year ended December 31, 2004, all of which was paid in shares of our common stock per the election of Arbor Commercial Mortgage. The incentive compensation is measured over a full fiscal year, subject to recalculation and potential reconciliation at the end of each fiscal year.

Compensation Committee Report on Executive Compensation

The following report of the compensation committee (the Compensation Committee) of the board of directors (the Board of Directors) of Arbor Realty Trust, Inc., a Maryland corporation (Arbor or the Company), does not constitute soliciting material and should not be considered filed or incorporated by reference into any other filing by the Company under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this report by reference therein.

The following report describes Arbor's compensation policy, practice and philosophy, specifically regarding Arbor's chief executive officer and directly compensated executive officers. We, the members of the Compensation Committee, are presenting this report, which provides an overview of compensation paid to executive officers for fiscal year ended December 31, 2004.

Committee Membership and Organization

The Compensation Committee currently consists of Messrs. Kojanian (Chair), Bernstein and Lazar and Dr. Helmreich. The Board of Directors has determined that the members of the Compensation Committee meet (1) the independence requirements of the New York Stock Exchange, (2) the non-employee director definition of Rule 16b-3 promulgated under Section 16 of the Exchange Act and (3) the outside director definition in Section 162(m) of the Internal Revenue Code.

Purpose

The principal functions of the Compensation Committee are to:

evaluate the performance of Arbor's officers;

review the compensation payable to Arbor's officers and non-employee directors;

evaluate the performance of Arbor Commercial Mortgage, LLC, Arbor's outside manager;

review the compensation and fees payable to Arbor Commercial Mortgage under Arbor's management agreement; and

administer the issuance of any stock to Arbor's employees or the employees of Arbor Commercial Mortgage who provide services to Arbor.

Compensation Philosophy

The key components of compensation for Arbor's directly employed executive officers and chief executive officer are salary, bonuses and restricted stock awards. Salary is generally based on factors such as an individual officer's level of responsibility, comparison to compensation of other officers in the Company and compensation provided at competitive companies and companies of similar size. Bonuses and restricted stock awards are intended to reward exceptional performances. Benchmarks for determining base salary and bonus levels include targeted funds from operations levels, strength of the balance sheet and creation of stockholder value. Restricted stock awards are also intended to increase an officer's interest in the Company's long-term success as measured by the market and book value of Arbor's common stock.

Arbor's chief executive officer makes recommendations to the Compensation Committee with respect to the compensation of all Arbor's directly-employed executive officers. In addition, the Compensation Committee bases its decisions on the most recent publicly available compensation data for senior executive officers of comparable real estate investment trusts, as well as various compensation studies and surveys, to ensure that compensation packages are in line with the Company's peer group and the real estate industry in general. While benchmarks and comparative market data are valuable tools to assist the Compensation Committee in setting reasonable and fair compensation for its directly-employed executive officers, the stated philosophy of the Company's executive compensation program is to recognize individual contributions to the performance of

Table of Contents

the Company and to create a link between the performance of the Company's stock and executive compensation.

The base salary of Arbor's directly employed executive officers was negotiated at the time each of those officers joined the Company. The Compensation Committee approves changes to those executive officer's base salary. The Compensation Committee considers individual performance, scope of responsibility, prior experience, breadth of knowledge and competitive pay practices. The weight given to each of these factors differs from individual to individual, as the Compensation Committee deems appropriate.

Pursuant to its charter, the Compensation Committee may retain, at the Company's expense, a compensation consultant to assist the committee in fulfilling its responsibilities. The Compensation Committee is currently evaluating the merits of engaging a third-party compensation consulting firm to study the Company's executive compensation practices and to ensure that overall compensation for officers, employees and non-management directors is both competitive and designed to suit Arbor's objectives.

Chief Executive Officer Compensation

Because Arbor's management agreement with Arbor Commercial Mortgage provides that Arbor Commercial Mortgage assumes principal responsibility for managing the Company's affairs, certain of Arbor's executive officers, who are employees of its manager, do not receive compensation from the Company for serving as its executive officers. However, in their capacities as officers or employees of Arbor's manager, or its affiliates, they devote such portion of their time to Arbor's affairs as is required for the performance of the duties of the Company's manager under the management agreement. Mr. Ivan Kaufman, Arbor's chairman of the board of directors, president and chief executive officer serves as the chief executive officer of Arbor Commercial Mortgage. Accordingly, Mr. Kaufman receives his compensation from Arbor's manager.

Messrs. Bernstein and Lazar and Dr. Helmreich served as members of our compensation committee during 2004.

Dr. Helmreich has been retained as a part-time consultant in the capacity of chairman for Academic Affairs by North Shore Hebrew Academy since 2000. Prior to 2000, Dr. Helmreich was the president of North Shore Hebrew Academy. Our chairman and chief executive officer, Mr. Kaufman, and Dr. Helmreich are both members of the board of trustees of North Shore Hebrew Academy.

As of December 31, 2004, we had a \$7.75 million first mortgage loan and a \$1.2 million second mortgage loan, each of which bears interest at a variable rate of one month LIBOR plus 4.25% and matures in March 2006, outstanding to NSH Affordable Housing of Indiana, a not-for-profit corporation that holds and manages investment property from the endowment of North Shore Hebrew Academy High School. Each of Mr. Kaufman and Dr. Helmreich are members of the board of trustees of North Shore Hebrew Academy High School and NSH Affordable Housing of Indiana, Inc.

Mr. Bernstein serves as chairman of the board of directors of a private company in which Mr. Kaufman and Mr. Herbst made a \$150,000 investment and a \$25,000 investment, respectively, in 2004.

Concurrently with our initial public offering in April 2004, we sold 500,000 shares of our common stock to Kojaian Ventures, L.L.C., of which the sole members are Mr. Kojaian and Kojaian Ventures MM, Inc., of which Mr. Kojaian is the sole stockholder, pursuant to a subscription agreement with Kojaian Ventures, L.L.C. that contained certain customary representations and warranties.

Equity Compensation Plan Information

The following table presents information as of December 31, 2004 regarding the Stock Incentive Plan and the incentive compensation provisions of our management agreement with Arbor Commercial Mortgage, which are our only equity compensation plans:

| Plan Category | Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants and Rights | Weighted Average Exercise Price of Outstanding Options, Warrants and Rights | Number of Securities Remaining Available for Future Issuance |
|--|--|--|---|
| Equity compensation plans approved by security holders: | | | |
| 2003 Omnibus Stock Incentive Plan | 0 | N/A | 283,901 |
| Incentive Compensation pursuant to Management Agreement(1) | 0 | N/A | (2) |
| Equity compensation plans not approved by security holders | N/A | N/A | N/A |
| Total | 0 | N/A | 283,901(2) |

(1) Pursuant to the terms of our management agreement with Arbor Commercial Mortgage, at least 25% of the incentive compensation earned by our manager is payable in shares of our common stock having a value equal to

the average closing price per share for the last twenty days of the fiscal quarter for which the incentive compensation is being paid. Arbor Commercial Mortgage has the right to elect to receive 100% of the incentive compensation in shares of our common stock. See Executive Compensation Management Agreement for information regarding the terms of our management agreement and the incentive compensation payable to Arbor Commercial Mortgage thereunder. Our sole stockholder immediately prior to the date we entered into the management agreement with Arbor Commercial Mortgage approved the issuance of shares of our common stock to Arbor Commercial Mortgage pursuant to the incentive compensation provisions of the management agreement.

- (2) The number of securities remaining available for future issuance to Arbor Commercial Mortgage as incentive compensation pursuant to the management agreement depends on the amount of incentive compensation earned by Arbor Commercial Mortgage in the future and therefore is not yet determinable.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table indicates how many shares of our common stock are beneficially owned by:

each of our directors and each nominee for director;

each of our executive officers; and

all of our directors and executive officers as a group.

The following table also indicates how many shares of our common stock are beneficially owned by each person known to the Company to be the beneficial owner of more than five percent (5%) of the outstanding shares of our common stock, in each case, based solely on, and as of the date of, such person's filing of a Schedule 13D or Schedule 13G with the SEC.

Unless otherwise indicated, the persons named in the following table have sole voting and investment power with respect to all shares of common stock shown as beneficially owned by them.

The following table does not list the 3,776,069 outstanding shares of our special voting preferred stock that are currently held by Arbor Commercial Mortgage as a separate class of our voting securities. These 3,776,069 shares of special voting preferred stock entitle the holder to one vote on all matters submitted to a vote of our stockholders and are paired with an equal number of operating partnership units, each of which is currently redeemable for cash or, at our option, shares of our common stock, generally on a one-for-one basis. Each share of special voting preferred stock will be redeemed and cancelled by us upon the redemption of its paired operating partnership unit for cash or shares of our common stock. In accordance with SEC beneficial ownership rules, the following table attributes to Arbor Commercial Mortgage (and to Mr. Kaufman, as the controlling owner of Arbor Commercial Mortgage) beneficial ownership of the 3,776,069 shares of common stock that may be issued upon redemption of the 3,776,069 operating partnership units currently held by Arbor Commercial Mortgage. Therefore, the following table deems the 3,776,069 shares of special voting preferred stock currently held by Arbor Commercial Mortgage to have been redeemed and cancelled by us. Based on Arbor Commercial Mortgage's ownership of the 3,776,069 shares of special voting preferred stock and its ownership of 66,208 shares of our common stock, it has 18.7% of the voting power of our currently outstanding voting securities. If Arbor Commercial Mortgage redeemed the 3,776,069 operating partnership units and we issued an equivalent number of shares of common stock to Arbor Commercial Mortgage upon such redemption, Arbor Commercial Mortgage would also have approximately 18.7% of our then outstanding voting securities.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act, requires our executive officers and directors, and persons who own more than 10% of a class of our equity securities registered pursuant to Section 12 of the Exchange Act, to file reports of ownership on Forms 3, 4 and 5 with the SEC. Officers, directors and greater than 10% stockholders are required to furnish us with copies of all Forms 3, 4 and 5 they file.

Based solely on the Company's review of the copies of such forms received by it, or written representations from certain reporting persons that no filings were required for those persons, the Company believes that during and with respect to the fiscal year ended December 31, 2004 all filings required by Section 16(a) of the Exchange Act were timely made except for a late filing on Form 3 by Gene Kilgore with respect to his appointment to the position of executive vice president structured securitization in October 2004 and a late filing on Form 5 by Daniel Palmier, a former executive vice president of the Company with respect to 2,334 shares of restricted stock granted under the Company's Stock Incentive Plan that were forfeited upon Mr. Palmier's resignation on June 11, 2004.

Table of Contents**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS****Conflicts of Interest with Our Manager**

At the consummation of our private placement of units in July 2003, Arbor Commercial Mortgage contributed the majority of its structured finance portfolio and related liabilities to our operating partnership in exchange for 3,146,724 operating partnership units and 629,345 warrants to purchase additional operating partnership units for \$15 per operating partnership unit. Each of these warrants has since been exercised for an equal number of operating partnership units. Arbor Commercial Mortgage currently has an approximately 19% limited partnership interest in our operating partnership.

Mr. Ivan Kaufman, our chairman and chief executive officer, is also the chief executive officer of Arbor Commercial Mortgage. Mr. Kaufman and entities controlled by Mr. Kaufman collectively own 90% of the outstanding membership interests in Arbor Commercial Mortgage. Mr. Frederick C. Herbst, our chief financial officer, is also the chief financial officer of Arbor Commercial Mortgage. Mr. Herbst owns a 0.5% interest in Arbor Commercial Mortgage. Mr. Joseph Martello, one of our directors, currently serves as the chief operating officer of Arbor Management, LLC, the managing member of Arbor Commercial Mortgage. Mr. Martello owns a 1.3% interest in Arbor Commercial Mortgage and is also the sole trustee of the Ivan and Lisa Kaufman Family Trust for the benefit of Mr. Kaufman's family, which owns a 59% interest in Arbor Commercial Mortgage, and a co-trustee, along with Mr. Kaufman, of the Ivan Kaufman Grantor Retained Annuity Trust which also owns an equity interest in Arbor Commercial Mortgage. Mr. Walter Horn, our general counsel, director of compliance and corporate secretary and one of our directors, currently serves as the secretary of Arbor Commercial Mortgage and served as the general counsel of Arbor Commercial Mortgage until March 2005. Mr. Horn owns a 2.0% interest in Arbor Commercial Mortgage. Mr. Fred Weber, our executive vice president of structured finance, was responsible for overseeing Arbor Commercial Mortgage's structured finance and principal transactions group from 1999 until July 1, 2003. Mr. Weber owns a 0.9% interest in Arbor Commercial Mortgage. Mr. Gene Kilgore, our executive vice president structured securitization, owns an interest in Arbor Commercial Mortgage which represents less than 0.1% of the outstanding membership interests. Each of Messrs. Kaufman, Herbst, Martello, Horn and Kilgore is a member of Arbor Commercial Mortgage's executive committee.

Formation Transactions***Asset Contribution and Guaranty***

Arbor Commercial Mortgage contributed the majority of its structured finance portfolio to our operating partnership pursuant to a contribution agreement. The contribution agreement contains representations and warranties concerning the ownership and terms of the structured finance assets it contributed and other customary matters. Arbor Commercial Mortgage agreed to indemnify us and our operating partnership against breaches of those representations and warranties.

At the time of Arbor Commercial Mortgage's origination of three investments that it contributed to us on July 1, 2003, each of the property owners granted Arbor Commercial Mortgage participating interests that share in a percentage of the cash flows of the underlying properties. Arbor Commercial Mortgage also made one of the contributed bridge loans to a joint venture in which it had a 50% non-controlling interest. Upon contribution of the structured finance assets, Arbor Commercial Mortgage retained these participating and joint venture interests. In connection with its asset contribution, Arbor Commercial Mortgage agreed that if any portion of the outstanding amount of any of these four contributed assets is not paid at its maturity or repurchase date, Arbor Commercial Mortgage will pay us, subject to the limitation described below, the portion of the unpaid amount of the contributed asset up to the total amount then received by Arbor Commercial Mortgage due to the realization of any profits on its retained interests associated with any other of the four contributed assets. Arbor Commercial Mortgage will no longer be obligated to make such payments to us when the remaining accumulated principal amount of the four contributed assets, collectively, falls below \$5 million and none of the four contributed assets is in default.

Arbor Commercial Mortgage Registration Rights

We have granted Arbor Commercial Mortgage shelf registration rights, or, if such rights are not available, demand registration rights with respect to shares of our common stock that may be issued upon redemption of operating partnership units. Holders of our operating partnership units are entitled to participate in primary or secondary offerings of our common stock with respect to such shares. We have also agreed to certain restrictions on the registration rights that we may grant to any other holder or prospective holder of our securities without the prior written consent of the holders of the majority of the shares of common stock and common stock equivalents representing or underlying the then outstanding securities that are registrable under the registration rights agreements.

Special Voting Preferred Stock

Each of the 3,776,069 operating partnership units currently held by Arbor Commercial Mortgage are paired with one share of our special voting preferred stock, each of which entitles the holder to one vote on all matters submitted to a vote of our stockholders. Combined with its ownership of shares of our common stock, Arbor Commercial Mortgage is currently entitled to a number of votes representing approximately 18.7% of the voting power of our outstanding voting securities.

Management and Services Agreements

We and our operating partnership have entered into a management agreement with Arbor Commercial Mortgage, pursuant to which Arbor Commercial Mortgage provides for the day to day management of our operations. Arbor Commercial Mortgage is also required to provide us with a right of first refusal with respect to all structured finance investment opportunities identified by Arbor Commercial Mortgage or its affiliates. We have agreed not to pursue, and to allow Arbor Commercial Mortgage to pursue, any real estate opportunities other than structured finance transactions. We are required to pay Arbor Commercial Mortgage a base management fee and an incentive management fee, as well as reimburse Arbor Commercial Mortgage for certain of its expenses. We incurred \$2.0 million in base management fees to Arbor Commercial Mortgage for management services rendered for the year ended December 31, 2004. All amounts incurred have been paid to date. Our manager earned \$1.6 million in incentive compensation for the year December 31, 2004.

We and our operating partnership have also entered into a services agreement with Arbor Commercial Mortgage pursuant to which our asset management group provides asset management services to Arbor Commercial Mortgage. In the event that the services provided by our asset management group pursuant to the agreement exceed by more than 15% per quarter the level of activity anticipated by our board of directors, we will negotiate in good faith with our manager an adjustment to our manager's base management fee under the management agreement, to reflect the scope of the services, the quantity of serviced assets or the time required to be devoted to the services by our asset management group. As of December 31, 2004, there have been no such adjustments pursuant to the services agreement.

Non-Competition Agreement

We have entered into a non-competition agreement with Mr. Kaufman pursuant to which he has agreed not to pursue any structured finance opportunities, unless our independent board members affirmatively approve the pursuit by Arbor Commercial Mortgage or one of its affiliates of such opportunities that they have rejected on our behalf.

Pursuant to his non-competition agreement with us, Mr. Kaufman has also agreed:

not to pursue any structured finance investment opportunities, except if our independent board members affirmatively approve the pursuit by Arbor Commercial Mortgage or one of its affiliates of structured finance opportunities that they have rejected on our behalf;

if he is no longer an affiliate of Arbor Commercial Mortgage and, within the first five years of the term of the management agreement, he is no longer our chief executive officer other than by certain reasons,

Table of Contents

he will not engage in the structured finance lending business for a period of one year after the earlier of his departure from us or the regular expiration of the one year origination period; and

if there is a change of control of Arbor Commercial Mortgage within the first three years of the term of the management agreement, and he is no longer an affiliate of Arbor Commercial Mortgage and leaves us without good reason during that three year period, he will not engage in the structured finance lending business for one year after the date of his departure from us.

Mr. Kaufman's non-competition agreement also prohibits Mr. Kaufman from soliciting our customers or employees during its term.

Benefits Participation Agreement

We have also entered into a benefits participation agreement with Arbor Commercial Mortgage, pursuant to which our employees are able to participate in any employee benefit plans maintained by Arbor Management for the benefit of Arbor Commercial Mortgage employees. Arbor Management charges us an amount equal to its cost of providing benefits to each of our employees.

Related Party Loans and Investments

Arbor Commercial Mortgage has a 50% non-controlling interest in a joint venture, which was formed to acquire, develop and/or sell real estate assets. At December 31, 2004, Arbor Commercial Mortgage's investment in this joint venture was approximately \$2.6 million. All loans outstanding to this joint venture were repaid in full in 2004. At December 31, 2003, we had a \$16 million bridge loan outstanding to the joint venture, which was collateralized by a first lien position on a commercial real estate property. This loan was funded by Arbor Commercial Mortgage in June 2003 and was purchased by us in July 2003. The loan required monthly interest payments based on one month London Inter-Bank Offered Rate (LIBOR) and was repaid in full in 2004. We had agreed to provide the borrower with additional mezzanine financing in the amount of up to \$8.0 million. The mezzanine financing required interest payments based on one month LIBOR and was repaid in full in 2004. Interest income recorded from these loans for the period ended December 31, 2004 was approximately \$0.8 million.

At the time of Arbor Commercial Mortgage's origination of three of the structured finance assets that it contributed to us on July 1, 2003 at book value, which approximates fair value, each of the property owners related to these contributed assets granted Arbor Commercial Mortgage participating interests that share in a percentage of the cash flows of the underlying properties. Upon contribution of the structured finance assets, Arbor Commercial Mortgage retained these participating interests and its 50% non-controlling interest in the joint venture to which it had made the \$16.0 million bridge loan. Arbor Commercial Mortgage agreed that if any portion of the outstanding amount of any of these four contributed assets is not paid at its maturity or repurchase date, Arbor Commercial Mortgage will pay to us, subject to the limitation described below, the portion of the unpaid amount of the contributed asset up to the total amount then received by Arbor Commercial Mortgage due to the realization of any profits on its retained interests associated with any other of the four contributed assets (which had an aggregate balance of \$48.3 million as of December 31, 2003). However, Arbor Commercial Mortgage will no longer be obligated to make such payments to us when the remaining accumulated principal amount of the four contributed assets, collectively, falls below \$5 million and none of the four contributed assets are in default. In 2004, two of these investments matured and the borrowers paid the amount due in full. The remaining two investments have an aggregate balance of \$22.3 million as of December 31, 2004.

As of December 31, 2004, approximately \$0.3 million of interest payments from borrowers due from Arbor Commercial Mortgage was included in other assets. These payments were remitted in January 2005. As of December 31, 2004, approximately \$0.6 million of interest reserve payments due to Arbor Commercial Mortgage was included in other liabilities. These payments were remitted in January 2005.

In 2003, Arbor Commercial Mortgage received a brokerage fee for services rendered in arranging a loan facility for a borrower. A portion of the loan facility was provided by us. We were credited \$0.1 million of this

Table of Contents

brokerage fee which represented our proportionate share of the loan facility provided to the borrower and was included in other assets at December 31, 2003, which was received in January 2004.

Every transaction entered into between us and an entity in which Arbor Commercial Mortgage holds equity interests raises a potential conflict of interest. Conflicts of interest with respect to these investments include, among others, decisions regarding (1) whether to waive defaults of such borrower, (2) whether to foreclose on the investment and (3) whether to permit additional financing on the properties securing our investments other than financing provided by us.

As of December 31, 2004, we had a \$7.75 million first mortgage loan and a \$1.2 million second mortgage loan, each of which bears interest at a variable rate of one month LIBOR plus 4.25% and matures in March 2006, outstanding to NSH Affordable Housing of Indiana, a not-for-profit corporation that holds and manages investment property from the endowment of North Shore Hebrew Academy High School. Two of our directors, Mr. Kaufman and Dr. Helmreich, are members of the board of trustees of North Shore Hebrew Academy High School and NSH Affordable Housing of Indiana, Inc.

Arbor Commercial Mortgage may from time to time provide permanent mortgage loan financing to clients of ours, which will be used to refinance bridge financing provided by us. We and Arbor Commercial Mortgage may also make loans to the same borrower or to borrowers that are under common control. Additionally, our policies and those of Arbor Commercial Mortgage may require us to enter into intercreditor agreements in situations where loans are made by us and Arbor Commercial Mortgage to the same borrower.

In addition, we may enter into future transactions with Arbor Commercial Mortgage with the approval of our independent directors.

Equity Investments in Our Borrowers

In December 2003, we originated a \$30 million mezzanine loan to 450 Partners Mezz III LLC and a \$15 million mezzanine loan to 450 Partners Mezz II LLC. The \$30 million loan bears interest at a fixed rate and the \$15 million loan requires monthly interest payments based on one month LIBOR. Both loans mature in January 2006. At the closing of the loans, we made a \$3 million investment in the entity that controls the borrowers and arranged for an additional \$12 million of equity to be invested by third parties. In exchange for making the loans and arranging the equity investments, we received an approximately 24% profits participation in the property and we were designated the co-managing member of the entity that controls the property. We sold our \$3 million equity investment in January 2004 and retained our profits participation and position as co-managing member.

In December 2003, we originated a \$35 million mezzanine loan to Prime Outlets Member LLC (POM). The loan requires monthly interest payments based on one month LIBOR and matures in January 2006. We also acquired, for a total consideration of \$2.1 million, indirect equity interests in Prime Outlets Acquisition Company LLC, the indirect parent of POM, consisting of (1) 8.3% capital interest, (2) 25% carried profits interest after specified returns are achieved, and (3) a preferred distribution that when added to the interest paid by POM on the mezzanine loan, results in a combined return of 12.5%. The interests described in (2) and (3) are held through AR Prime Holdings LLC, in which we hold two-thirds of the ownership interests. Third parties own the remaining one-third.

In June 2003, Arbor Commercial Mortgage invested approximately \$818,000 in exchange for a 12.5% preferred interest in a joint venture which owns and operates the properties located at 80 Evergreen and 930 Flushing Avenue in New York City. We purchased this investment from Arbor Commercial Mortgage in August 2003. The Company contributed an additional \$297,000 to the investment in 2004. As of December 31, 2004, we held the \$4.7 million 80 Evergreen bridge loan, maturing in November 2006, and the \$3.5 million 930 Flushing Avenue mezzanine loan, maturing in June 2006, outstanding to affiliates of these joint ventures.

However, the board is submitting the appointment of Ernst & Young to the stockholders for ratification as a matter of good corporate governance. Ratification of the selection of Ernst & Young as our independent registered public accounting firm for fiscal year 2005 requires the affirmative vote of a majority of the shares of our voting securities cast on the proposal at the annual meeting.

If this selection is not ratified by our stockholders, the audit committee and the board may reconsider its recommendation and endorsement, respectively. Abstentions and broker non-votes, if any, will not be counted as having been voted and will have no effect on the outcome of the vote for this proposal. Even if the selection is ratified, the audit committee in its discretion may direct the appointment of different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of Arbor and its stockholders.

Audit Committee Pre-Approval Policy

The audit committee also reviews and pre-approves all audit

services. In some cases, pre-approval of a particular category or group of services, such as tax consulting services and audit services, is provided by the full audit committee for up to a year and is subject to a specific budget. In other cases, the chairman of the audit committee has the delegated authority from the full audit committee to pre-approve additional services, and such pre-approvals are then communicated to the full audit committee. The tax fees included in the table entitled "Independent Accountants' Fees" on the preceding page were pre-approved by our audit committee in accordance with its policies.

Change in Accountants

Grant Thornton LLP was previously the independent accounting firm engaged as the principal accountant to audit the consolidated financial statements of the structured finance business of Arbor Commercial Mortgage and its subsidiaries. On December 15, 2003, we dismissed Grant Thornton. The decision to change accountants was recommended by the audit committee of our board of directors and approved by our board of directors.

We were formed on June 24, 2003. From our formation until December 15, 2003, the date of Grant Thornton's dismissal, and in connection with the audit of the consolidated financial statements of the structured finance business of Arbor Commercial Mortgage and its subsidiaries as of December 31, 2002 and for the year ended December 31, 2002, there were no disagreements with Grant Thornton on any matter of accounting principles or practices, consolidated financial statement disclosure or auditing scope or procedures, which disagreements if not resolved to their satisfaction would have caused them to make reference in connection with their opinion to the subject matter of the disagreement. Also, during such periods there were no reportable events as set forth in Item 304(a)(1)(v) of Regulation S-K.

The audit report of Grant Thornton on the consolidated financial statements of the structured finance business of Arbor Commercial Mortgage and its subsidiaries as of December 31, 2002 and for the year ended December 31, 2002 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

**PROPOSAL NO. 3: AMENDMENT TO THE
COMPANY'S 2003 OMNIBUS STOCK INCENTIVE PLAN,
AS AMENDED AND RESTATED, TO AUTHORIZE FOR ISSUANCE
AN ADDITIONAL 250,000 SHARES OF OUR COMMON STOCK**

We are asking the Company's stockholders to approve an amendment to the Company's 2003 Omnibus Stock Incentive Plan, as amended and restated on July 29, 2004 (the "Stock Incentive Plan"), to increase the total number of shares of our common stock authorized and reserved for issuance under the Stock Incentive Plan by 250,000 shares. Following approval of the amendment to the Stock Incentive Plan, the total number of shares authorized and reserved for future issuance under the Stock Incentive Plan will not exceed 533,901 shares.

As of April 22, 2005, 151,099 shares of our common stock subject to restricted stock awards were outstanding and 283,901 shares remained available for future grants. The board of directors believes that the Company's stock incentive program is an important factor in attracting and retaining the high caliber employees and other service providers essential to the Company's success and in aligning those individuals' long-term interests with those of our stockholders. Therefore, the board of directors has approved an amendment to the Stock Incentive Plan, subject to the approval of the Company's stockholders, to increase the maximum aggregate number of shares of our common stock with respect to which awards may be granted under the Stock Incentive Plan by 250,000 shares. The amendment is intended to ensure that the Stock Incentive Plan will have available the number of shares necessary to meet these needs, and the board of directors believes that approval of the amendment to the Stock Incentive Plan is in the best interests of the Company and its stockholders.

The material features of the Stock Incentive Plan are summarized below. The following summary does not purport to be complete, and is subject to and qualified in its entirety by reference to the complete text of the Stock Incentive Plan.

General

Restricted stock awards may be granted under the Stock Incentive Plan. A total of 185,000 shares of the Company's common stock were originally reserved for issuance pursuant to awards under the Stock Incentive Plan, subject to adjustment upon certain corporate transactions. At the annual meeting of stockholders held on July 29, 2004, the stockholders approved an amendment to increase the total number of shares of our common stock authorized and reserved for issuance under the Stock Incentive Plan by 250,000 shares, bringing the total number of shares authorized and reserved for issuance under the Stock Incentive Plan to 287,834 (after giving effect to the 147,166 shares of restricted stock granted pursuant to the Stock Incentive Plan and outstanding as of July 29, 2004). Upon stockholder approval of the Stock Incentive Plan, the total number of shares reserved for issuance will be 533,901 (after giving effect to the 151,099 shares of restricted stock granted pursuant to the Stock Incentive Plan and outstanding as of April 22, 2005). If any shares subject to an award are forfeited, the forfeited shares that were subject to the award will become available for future grants under the Stock Incentive Plan. In June 2004, 2,334 shares of restricted stock were forfeited and became available for future grants. In September 2004, 67 shares of restricted stock were forfeited and became available for future grants.

As of April 22, 2005, the closing price of the Company's common stock was \$26 as reported on the New York Stock Exchange.

Purpose

The purpose of the Stock Incentive Plan is to enable the Company to attract and retain highly qualified personnel who will contribute to the Company's success and to provide incentives to employees and other service providers that are linked directly to increases in stockholder value, and will therefore inure to the benefit of all of the Company's stockholders.

Table of Contents

Administration

The Stock Incentive Plan is administered by the Company's board of directors or, at the board's discretion, by a committee appointed by the board (each, the plan administrator). The board of directors has designated its compensation committee as the plan administrator. The plan administrator has the authority to grant awards and otherwise administer the Stock Incentive Plan. All decisions made by the plan administrator pursuant to the provisions of the Stock Incentive Plan are final, conclusive and binding upon all persons.

Eligibility

Officers, directors, employees, consultants (including employees of Arbor Commercial Mortgage who provide services to the Company) and advisors of the Company, its parent or subsidiaries are eligible to receive awards under the Stock Incentive Plan. As of March 31, 2005, there were approximately 30 individuals eligible to receive awards under the Stock Incentive Plan.

Restricted Stock

A restricted stock award is an award of shares of common stock that is subject to restrictions on transferability and such other restrictions, if any, as the plan administrator may determine in its sole discretion. The restrictions may lapse separately or in combination at such times, under such circumstances, including, without limitation, a specified period of employment or the satisfaction of pre-established criteria, in such installments or otherwise, as the plan administrator may determine.

Restricted stock awards may be issued either alone or in addition to other awards granted under the Stock Incentive Plan. The recipient of a restricted stock award does not have any rights with respect to any such award until he or she has executed an award agreement evidencing the award and delivered an executed copy to the Company generally within a period of 60 days after the grant date.

Except to the extent restricted under the award agreement relating to the restricted stock, the recipient of a restricted stock award generally has all of the rights of a stockholder. The rights of a restricted stock award recipient upon termination of employment or service is as set forth in the award agreement governing such award and the terms of the award agreement may differ from award to award. The Company's restricted stock awards generally provide that upon cessation of employment with or service to the Company, shares of restricted stock and any and all accrued but unpaid dividends that at the time have not been released from restrictions will be forfeited.

Adjustments Upon Certain Corporate Transactions

In the event of any merger, reorganization, consolidation, recapitalization, stock dividend or other change in corporate structure affecting the Company's common stock, the plan administrator shall determine to what extent an equitable substitution or proportionate adjustment shall be made in (1) the aggregate number of shares of the common stock reserved for issuance under the Stock Incentive Plan, and (2) the kind, number and purchase price of shares of the common stock subject to outstanding awards of restricted stock granted under the plan. Other substitutions or adjustments shall be made as determined in the plan administrator's discretion, including the cancellation of any outstanding awards in exchange for payment in cash or other property.

Effect of a Change in Control

The treatment of restricted stock awards in the event of a change in control of the Company is as set forth in the award agreement governing such award, which treatment may vary from award to award. The Company's restricted stock agreements generally provide that all restrictions lapse as of the date of the change in control. The definition of a change in control is provided in the restricted stock agreement and may vary

Table of Contents

from award to award. Generally a change in control will occur upon the occurrence of one of the following events:

a person is or becomes the owner of 25% or more of the voting stock of the Company;

directors serving on the board on the date of the award agreement and any new directors whose election or nomination is approved or recommended by at least a two-thirds vote of the directors then still in office who either were directors on the date of the award agreement or whose election or nomination was previously so approved or recommended, cease to constitute a majority of directors;

consummation of a merger or consolidation of the Company or any subsidiary with any other corporation; or

approval by the Company's stockholders of a plan of complete liquidation or dissolution of the Company or there is consummated an agreement for the sale or disposition of all or substantially all of the Company's assets.

Amendment and Termination

The Company's board of directors may amend, alter or discontinue the Stock Incentive Plan but cannot take any action that would impair the rights of an award recipient without such recipient's consent. To the extent necessary and desirable, the board of directors must obtain approval of the stockholders for any amendment that would: (a) other than through adjustment as provided in the Stock Incentive Plan, increase the total number of shares of our common stock reserved for issuance under the Stock Incentive Plan; or (b) change the class of officers, directors, employees, consultants and advisors eligible to participate in the Stock Incentive Plan. The plan administrator may amend the terms of any award granted under the Stock Incentive Plan, prospectively or retroactively but generally may not impair the rights of any award recipient without his or her consent.

The Stock Incentive Plan will terminate on June 25, 2013, provided that any awards then outstanding under the Stock Incentive Plan may extend beyond that date.

New Plan Benefits

The Company cannot determine the number of restricted stock awards under the Stock Incentive Plan, if approved, that will be granted in 2005 because these grants will be made at the discretion of the plan administrator and, accordingly, are not yet determinable.

Vote Required for Approval of the Amendment to the Stock Incentive Plan

Approval of the amendment to the Stock Incentive Plan requires the affirmative vote of a majority of the votes cast on the proposal at the annual meeting by holders of our voting securities; provided that the total vote cast on the proposal represents over 50% in interest of all securities entitled to vote on the proposal. For purposes of the vote on the Stock Incentive Plan, abstentions will have the same effect as votes against the proposal and broker non-votes will have the same effect as votes against the proposal, unless holders of more than 50% in interest of all securities entitled to vote on the proposal cast votes, in which event broker non-votes will not have any effect on the result of the vote. If stockholder approval of the amendment to the Stock Incentive Plan is not obtained, then no issuances pursuant to the Stock Incentive Plan will be made that, when combined with the number of shares previously issued pursuant to the Stock Incentive Plan and not otherwise forfeited, exceeds in the aggregate 435,000 shares of our common stock.

Table of Contents**PROPOSAL NO. 4: APPROVAL OF AN AMENDMENT TO THE COMPANY S CHARTER TO LOWER EACH OF THE AGGREGATE STOCK OWNERSHIP LIMIT AND THE COMMON STOCK OWNERSHIP LIMIT FROM 9.6 PERCENT TO 8.3 PERCENT**

The Company s Board of Directors has determined that the proposal to amend the Articles of Incorporation of the Company (together with the Articles Supplementary of the Company, the Charter) to lower each of the aggregate stock ownership limit and the common stock ownership limit contained in the Charter from 9.6 percent to 8.3 percent is advisable and in the best interests of the Company and its stockholders and has directed that the proposed Articles of Amendment to lower such limits, the form of which is attached hereto as Appendix A (the Charter Amendment) be submitted for consideration and approval by the Company s stockholders. The relevant provisions of, and the proposed amendments to, the Charter are summarized below.

Current REIT Stock Ownership Limitations in the Charter

The current Charter provides for limitations on the transfer and ownership of the Company s capital stock. Such restrictions are intended to assist the Company in maintaining and monitoring its qualification as a real estate investment trust (a REIT) for federal income tax purposes. The requirements under the Internal Revenue Code of 1986, as amended (the Code) for qualification as a REIT include certain rules relating to the ownership of the REIT s capital stock. One such requirement is that, in general, no five or fewer individuals, which term includes certain types of entities, may directly or constructively own more than 50% of the value of a REIT s capital stock.

In order to ensure compliance with the foregoing tax law requirement, the Charter currently includes an aggregate stock ownership limit, which generally restricts any individual, corporation or any other entities and includes a group as such term is defined under the SEC s beneficial ownership rules (each, a Person) from beneficially owning or, constructively owning , as each term is defined in the Charter more than 9.6% of the aggregate value of the Company s capital stock. The Charter also contains a common stock ownership limit, which generally restricts a Person from beneficially owning or, constructively owning , as each term is defined in the Charter more than 9.6% of either the number or value of shares of the Company s common stock. Purported transfers or ownership of stock in violation of these limits are void, and may result in the affected shares being transferred by operation of law to a trust for a charitable beneficiary and not to the intended transferee or owner.

The REIT stock ownership limitations under the Code and in the Charter involve technical and complex attribution rules, pursuant to which shares of capital stock may be treated as owned by persons having specified relationships to the stockholder of record. In addition, shares of capital stock underlying outstanding options and warrants may, in certain circumstances, be treated for purposes of these rules as owned by the holder of the option or warrant.

The Company s Board of Directors is vested with broad discretion to interpret and apply the ownership limitations contained in the Charter, including the application of the attribution rules and the determination of values, and to resolve any ambiguities. In addition, the Board of Directors has authority to grant, and has granted, exemptions for certain of the Company s stockholders from the ownership limitations contained in the Charter, upon determining that granting such exemption will not adversely affect the Company s ability to maintain its qualification as a REIT, and subject to such terms and conditions as prescribed by Charter and such other terms and conditions that the Board of Directors has deemed appropriate. Such terms and conditions may include establishing a special excepted holder limit that applies to the recipient of the exemption.

Effect of Recent CDO Transaction on Company s REIT Compliance

As the Company has previously disclosed, Arbor Realty Mortgage Securities Series 2004-1, Ltd. (the CDO Issuer), an indirect subsidiary of the Company issued and sold approximately \$305.3 million principal amount of notes evidencing a collateralized debt obligation (the CDO Notes) on January 19, 2005. The CDO Notes are secured by a portfolio of collateral debt securities, consisting primarily of real estate-related

Table of Contents

bridge loans, mezzanine loans and junior participating interests in first mortgage loans that the CDO Issuer acquired from other indirect subsidiaries of the Company as described below (the Collateral Debt Securities).

The CDO Issuer is a direct, wholly-owned subsidiary of Arbor Realty SR, Inc., a Maryland corporation (SR Inc.). Shortly before issuance of the CDO Notes, the Company formed SR Inc. as a direct, wholly-owned subsidiary of the Company's operating partnership, Arbor Realty Limited Partnership (the OP) and intends to cause SR Inc. to elect to be taxed as a REIT, beginning with the year ending December 31, 2005. In connection with the issuance of CDO Notes, the OP transferred all of its assets to SR Inc. which in turn transferred a substantial majority of such assets to the CDO Issuer to serve as the Collateral Debt Securities for the CDO Notes.

The nature of the Collateral Debt Securities and the liabilities of the CDO Issuer cause it to be classified as a taxable mortgage pool (a TMP) under the Code. In general, TMPs are treated as separate taxable corporations. However, the Code exempts a TMP from this treatment if it is comprised of all or a portion of the assets of a REIT (or of a wholly-owned subsidiary of a REIT, the separate existence of which is disregarded for tax purposes). Since the Company conducts its operations and holds its assets through the OP and the OP's lower tier subsidiaries, and not through wholly-owned subsidiaries, the Company formed SR Inc. as a subsidiary of the OP, will cause it to elect to be taxed as a REIT and formed the CDO Issuer as a wholly-owned subsidiary of SR Inc. in order to avert the adverse tax consequences that the Company would have otherwise suffered if, as a TMP, the CDO Issuer were treated as a separate taxable corporation.

Effect of SR Inc.'s REIT Compliance on the Company's REIT Stock Ownership Limitations

For purposes of the REIT stock ownership limitations under the Code, ownership of SR Inc.'s capital stock is treated as more heavily concentrated than that of the Company. In order to determine ownership of SR Inc.'s capital stock for purposes of the REIT stock ownership limitations in the Code, the holders of the SR Inc.'s capital stock are looked through until individuals are identified. Since SR Inc. is currently a wholly-owned subsidiary of the OP, the ownership of partnership interests in the OP (the OP Units) represent indirect ownership interests in SR Inc.'s capital stock. Therefore, Arbor Commercial Mortgage, primarily through its ownership of approximately 19% of the outstanding OP Units, and Ivan Kaufman, as the controlling owner of Arbor Commercial Mortgage, are deemed to own approximately 19% of the outstanding capital stock of SR Inc. for purposes of the REIT stock ownership limitations in the Code. Conversely, such OP Units are generally not taken into account for purposes of determining the Company's compliance with the REIT stock ownership limitations. The remaining 81% of the OP Units owned by the Company represent an indirect ownership interest in approximately 81% of the outstanding capital stock of SR Inc. Therefore, Persons who have beneficial ownership or constructive ownership of the Company's capital stock are deemed to own that percentage of SR Inc.'s capital stock equal to their percentage ownership in the Company's capital stock multiplied by 81% for purposes of the REIT stock ownership limitations in the Code.

Since Arbor Commercial Mortgage, and Ivan Kaufman, as its controlling owner, are deemed to own approximately 19% of the SR Inc.'s capital stock, if Persons were to continue to be able to have or acquire beneficial ownership or constructive ownership of up to 9.6% of the Company's capital stock under the Charter, SR Inc. might not be able to comply with the Code's requirement that no five or fewer individuals may directly or constructively own more than 50% of the value of a REIT's capital stock.

In order to ensure that the deemed ownership of SR Inc.'s capital stock, including through the Company's capital stock, does not adversely affect SR Inc.'s compliance with the REIT stock ownership limitations, the Company's stockholders are asked to consider an amendment to the Company's Charter that would reduce the aggregate stock ownership limit from 9.6% to 8.3% of the aggregate value of the Company's stock, and the common stock ownership limit from 9.6% to 8.3% of the number or value of the Company's common stock.

The Board of Directors has determined that ensuring SR Inc.'s qualification as a REIT is desirable, not only in minimizing SR Inc.'s tax burdens, but also in maintaining the Company's qualification as a REIT

Table of Contents

because of the effect that the Company's indirect interest in SR Inc.'s capital stock has on the Company's compliance with the income and asset requirements to which REITs are subject under the Code.

The REIT stock ownership limitations under the Code do not apply until the second year that an entity operates as a REIT. In the case of SR Inc., which commenced operations in 2005, these limitations will not take effect until 2006. Accordingly, the Charter Amendment, if approved, would become effective on January 1, 2006 (the Amendment Effective Date).

To the extent that any Person's current beneficial ownership or constructive ownership of the Company's capital stock exceeds the new aggregate or common stock ownership limits that would apply if the Charter Amendment is approved by the Company's stockholders, the Company expects to work with such persons to determine if granting any such Persons an exemption from the new limitations would not adversely affect the Company's or SR Inc.'s qualification as a REIT and, if the Board of Directors makes a favorable determination in that regard, to grant exemptions to such Persons from the new limitations prior to the Amendment Effective Date, subject to such terms and conditions prescribed by the Charter and such terms and conditions that the Board of Directors deems appropriate.

If the REIT stock ownership limitations contained in the Charter are reduced in the manner described above following approval of the Charter Amendment, this may make it more difficult for a stockholder to accumulate substantial stock holdings of the Company, and thereby may delay, defer or prevent a change in control of the Company or other transactions by a third party without the consent of our Board of Directors.

The Board of Directors has determined that the proposed reduction of the Charter's aggregate stock ownership limit and the Charter's common stock ownership limit pursuant to the Charter Amendment are advisable and in the best interests of the Company and its stockholders in light of the desire to continue to maintain the Company's and SR Inc.'s qualification as a REIT.

Vote Required for Approval of the Charter Amendment

Approval of the Charter Amendment requires the affirmative vote of a majority of the votes entitled to be cast on the proposal at the annual meeting by holders of our voting securities. For purposes of the vote on the Charter Amendment, abstentions and broker non-votes will have the same effect as votes against the proposal.
