Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On December 4, 2008, GSI Group Inc. (the Company) announced that it has identified errors in the recognition of revenue related to sales to a customer in the first and second fiscal quarters of 2008 in the Company's Semiconductor Systems Segment. The Company has identified revenue of approximately \$8,982,000 recognized in the first fiscal quarter ended March 28, 2008 and revenue of approximately \$7,194,000 recognized in the second fiscal quarter ended June 27, 2008 that should have been deferred until the delivery of additional equipment in accordance with EITF 00-21 *Revenue Arrangements with Multiple Deliverables*. As a result, on December 3, 2008, the Audit Committee of the Board of Directors (the Audit Committee) concluded, upon the recommendation of management, that the range of potential adjustments resulting from the required adjustments to revenue and costs are material to the financial statements of the Company for the periods indicated resulting in a restatement of such quarterly financial statements. Accordingly, the Audit Committee determined that the previously issued financial statements contained in the Company's Quarterly Reports on Form 10-Q for the periods ended March 28, 2008 and June 27, 2008 should no longer be relied upon.

The Company's Audit Committee is currently conducting a review of sales transactions in the Company's Semiconductor Systems Segment along with other sales transactions that contain arrangements with multiple deliverables for fiscal years 2007 and 2008. The Audit Committee has retained independent legal counsel and forensic accountants to assist it in its review. The Audit Committee's review is ongoing and additional adjustments to the Company's historical financial statements may be required as a result of the review.

The Company intends to file its restated financial statements for the first and second fiscal quarters of 2008 together with the filing of the Company's Quarterly Report on Form 10-Q for the period ended September 26, 2008 once the Audit Committee's review is completed.

The Audit Committee has discussed with its independent registered public accounting firm, Ernst & Young LLP, the matters disclosed in this Current Report on Form 8-K.
