In addition to the above, Mitsubishi UFJ Trust and Banking Corporation, a subsidiary of MUFG, expects to recognize losses of 31.0 billion yen on write-down of marketable domestic equity securities for the three months ended December 31, 2008.

Because MUFG Group uses a reversal method for recording losses on write-down of marketable domestic equity securities at quarter ends, the amount of losses on write-down of marketable domestic equity securities for the fiscal year ending March 31, 2009 may fluctuate depending on the share prices at March 31, 2009 and other factors.

MUFG's financial results other than the above are currently being prepared and will be announced at the earnings release for the third quarter ended December 31, 2008.
