NOTICE OF 2009 ANNUAL MEETING OF STOCKHOLDERS

TO OUR STOCKHOLDERS:

The 2009 Annual Meeting of Stockholders of Natus Medical Incorporated will be held on Tuesday, June 16, 2009, at 9:30 a.m., Pacific Time, at our headquarters located at 1501 Industrial Road, San Carlos, California 94070 for the following purposes:

1. To elect two directors to serve for a term of three years;
2. To ratify the appointment of Deloitte & Touche LLP, an independent registered public accounting firm, as our auditors for the year ending December 31, 2009; and
3. To transact such other business as may properly come before the Annual Meeting, including any motion to adjourn to a later date to permit further solicitation of proxies.

This year in accordance with new U.S. Securities and Exchange Commission rules, we are using the Internet as our primary means of furnishing proxy materials to stockholders. Consequently, most stockholders will not receive paper copies of our proxy materials. We will instead send these stockholders a notice with instructions for accessing the proxy materials and voting via the Internet. The notice also provides information on how stockholders may obtain paper copies of our proxy materials if they so choose. We believe this new rule will make the proxy distribution process more efficient, less costly and help in conserving natural resources.

The foregoing items of business are more fully described in the Proxy Statement accompanying this Notice. Stockholders who owned shares of our stock at the close of business on Friday, April 17, 2009, are entitled to attend and vote at the meeting. A complete list of these stockholders will be available during normal business hours for ten days prior to the meeting at our headquarters located at 1501 Industrial Road, San Carlos, California 94070. A stockholder may examine the list for any legally valid purpose related to the meeting. The list will also be available during the annual meeting for inspection by any stockholder present at the meeting.

INTERNET AVAILABILITY OF PROXY MATERIALS

This year, in accordance with new U.S. Securities and Exchange Commission rules, we are using the Internet as our primary means of furnishing proxy materials to stockholders. Consequently, most stockholders will not receive paper copies of our proxy materials. We will instead send these stockholders a Notice of Internet Availability of Proxy Materials with instructions for accessing the proxy materials, including our proxy statement and annual report, and voting via the Internet. The Notice of Internet Availability of Proxy Materials also provides information on how stockholders may obtain paper copies of our proxy materials if they so choose. We believe this new rule will make the proxy distribution process more efficient, less costly, and help in conserving natural resources. If you previously elected to receive our proxy materials electronically, these materials will continue to be sent via email unless you change your election.

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Q: Why am I receiving these materials?

A: The Board of Directors (the *Board*) of Natus Medical Incorporated, (the *Company*, *we*, *our*), a Delaware corporation, is providing these proxy materials to you in connection with the annual meeting of stockholders of Natus that will take place on June 16, 2009. As a stockholder as of the record date, April 17, 2009, you are invited to attend the annual meeting, and are entitled, and requested, to vote on the items of business described in this proxy statement. We are sending the proxy materials on or about May 7, 2009 to all our stockholders as of the record date.

Q: What information is contained in this proxy statement?

A: The information included in this proxy statement relates to the proposals to be voted on at our annual meeting, the voting process, the compensation of directors and executive officers, and certain other required information.

Q: How may I obtain Natus Form 10-K?

A: A copy of our 2008 Annual Report on Form 10-K is enclosed. Stockholders may request an additional free copy of the 2008 Form 10-K from:

Natus Medical Incorporated

Attn: Investor Relations

1501 Industrial Road

San Carlos, CA 94070

(650) 802-0400

Our 2008 Annual Report on Form 10-K is also available on our website at www.natus.com and at the website of the Securities and Exchange Commission at www.sec.gov.

We will also furnish any exhibit to our 2008 Annual Report on Form 10-K if specifically requested in writing.

Q: What items of business will be voted on at the annual meeting?

A: The following items will be voted on at the annual meeting:

The election of two directors for a term of three years;

Edgar Filing: NATUS MEDICAL INC - Form DEF 14A

The ratification of Deloitte & Touche LLP, an independent registered public accounting firm, as auditors for the year ending December 31, 2009; and

Other business that properly comes before the annual meeting.

Q: *How does the Board recommend that I vote?*

A: Our Board recommends that you vote your shares **FOR** each of the nominees to the Board and **FOR** the ratification of Deloitte & Touche LLP, an independent registered public accounting firm, as auditors for the year ending December 31, 2009.

Q: *What shares can I vote?*

A: Each share of Natus common stock issued and outstanding as of the close of business on April 17, 2009, the *Record Date*, is entitled to be voted on all items being voted upon at the annual meeting. You may vote all shares owned by you as of that date, including (1) shares held directly in your name as the *stockholder of record* and (2) shares held by you as the *beneficial owner* through a broker, trustee or other nominee, such

Table of Contents

as a bank. More information on how to vote these shares is contained in this proxy statement. On the *Record Date* we had approximately 27,981,581 shares of common stock issued and outstanding, and each outstanding share is entitled to one vote.

Q: *What is the difference between holding shares as a stockholder of record and as a beneficial owner?*

A: Rather than holding shares in their own name, as a stockholder of record, most Natus stockholders hold their shares beneficially through a broker, trustee or other nominee. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If your shares are registered directly in your name with our transfer agent, Wells Fargo Shareowner Services, you are considered, with respect to those shares, the *stockholder of record* and these proxy materials are being sent directly to you by Natus. As the *stockholder of record*, you have the right to grant your voting proxy directly to Natus or to vote in person at the meeting. Natus has enclosed or sent a proxy card for you to use.

Beneficial Owner

If your shares are held in a brokerage account or by another nominee you are considered the *beneficial owner* of shares held *in street name*, and these proxy materials are being forwarded to you together with a voting instruction card by your broker, trustee or other nominee. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote and are also invited to attend the annual meeting.

Since a beneficial owner is not the *stockholder of record*, you may not vote these shares in person at the meeting unless you obtain legal proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.

Q: *How can I vote my shares in person at the annual meeting?*

A: Shares held in your name as the stockholder of record may be voted in person at the annual meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the annual meeting, you may also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.

Q: *How can I vote my shares without attending the annual meeting?*

A: Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the meeting. If you are a stockholder of record, you may vote by submitting a proxy. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, trustee or nominee. The Notice of Internet Availability of Proxy Materials provides instructions on how to access your proxy card, which contains instructions on how to vote via the Internet or by telephone. For those stockholders who receive a paper proxy card, directions on how to vote are set forth below and included on your proxy card. For shares held beneficially in street name, the voting instruction card provided by your broker, trustee or nominee will include instructions on how to vote by telephone, Internet or by mail.

By Internet Stockholders of record of Natus common stock with Internet access may submit proxies by following the Vote by Internet instructions on their proxy cards. Most Natus stockholders who hold shares beneficially in street name may direct the voting of their shares by accessing the website specified on the voting instruction cards provided by their broker, trustee or nominee. Please check the voting instruction card for Internet voting availability.

Table of Contents

By Telephone Stockholders of record of Natus common stock who live in the United States or Canada may submit proxies by following the **Vote by Phone** instructions on their proxy cards. Most Natus stockholders who hold shares beneficially in street name and live in the United States or Canada may direct the voting of their shares by phone by calling the number specified on the voting instruction cards provided by their broker, trustee or nominee. Please check the voting instruction card for telephone voting availability.

By Mail Stockholders of record of Natus common stock may submit proxies by completing, signing and dating their proxy cards and mailing them in the accompanying pre-addressed envelopes. Natus stockholders who hold shares beneficially in street name may vote by mail by completing, dating and signing the voting instruction cards provided and mailing them in the accompanying pre-addressed envelopes.

Q: *Can I change my vote or otherwise revoke my proxy?*

A: You may change your vote at any time prior to the vote at the annual meeting. If you are the stockholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes your earlier proxy), by providing a written notice of revocation to our Corporate Secretary prior to your shares being voted, or by attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker, trustee or nominee giving you the right to vote your shares, by attending the annual meeting and voting in person.

Q: *Is my vote confidential?*

A: Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Natus or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, and (3) to facilitate a successful proxy solicitation.

Q: *How many shares must be present or represented to conduct business at the annual meeting?*

A: A majority of shares of our common stock entitled to vote must be present in person or represented by proxy to meet the quorum requirement for holding the annual meeting and transacting business. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

Q: *Will my shares be voted if I do not return my proxy card?*

A: If your shares are held in street name, your broker may, under certain circumstances, vote your shares. Brokerage firms have authority to vote client's unvoted shares on some routine matters. If you do not give a proxy to vote your shares, your broker may either (1) vote your shares on routine matters, such as the election of directors and the ratification of auditors, or (2) leave your shares unvoted. In addition, the terms of the agreement with your broker may grant your broker discretionary authority to vote your shares.

Q: *What is the voting requirement to approve each of the proposals?*

A: In the election of directors, the two nominees receiving the highest number of **FOR** votes at the annual meeting will be elected. Our Corporate Governance Principles and Practices provide that if a nominee for election to the Board of Directors had a greater number of votes withheld than the number of votes cast for his or her election, such director shall tender his or her resignation from the Board and the

Edgar Filing: NATUS MEDICAL INC - Form DEF 14A

Nominating and Governance Committee will determine the action to be taken with respect to such tendered resignation.

Table of Contents

The proposal for ratification of the independent auditors requires a **FOR** vote by a majority of those shares present in person or represented by proxy and entitled to vote on that proposal at the annual meeting. If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute broker non-votes. Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owners and instructions are not given. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal. Thus, broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained. Abstentions have the same effect as votes against the matter.

Q: How are votes counted?

A: In the election of directors, you may vote **FOR** all of the nominees or your vote may be **WITHHELD** with respect to one or more of the nominees.

For the other items of business, you may vote **FOR**, **AGAINST** or **ABSTAIN**. If you **ABSTAIN**, the abstention has the same effect as a vote **AGAINST**. If you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (**FOR** all of Natus's nominees to the Board and **FOR** ratification of the independent auditors).

Q: Is cumulative voting permitted for the election of directors?

A: Yes. Every stockholder voting to elect a director may cumulate such stockholder's votes and give to one of the candidates to be elected a number of votes equal to the number of directors to be elected multiplied by the number of votes to which such stockholder is entitled, or distribute the stockholder's votes on the same principle among as many candidates as the stockholder thinks fit, provided that votes cannot be cast for more than the number of directors to be elected. In their discretion, the proxy holders may, when voting for directors, cumulate the votes represented by the proxies received. No stockholder shall be entitled to cumulate votes for a candidate unless such candidate's name has been properly placed in nomination prior to the voting and the stockholder, or any other stockholder, has given notice at the annual meeting, prior to the voting, of the intention to cumulate the stockholder's votes. The candidates receiving the highest number of votes, up to the number of directors to be elected, shall be elected.

Q: What happens if additional matters are presented at the annual meeting?

A: Other than the two items of business described in this proxy statement, we are not aware of any other business to be acted upon at the annual meeting. If you grant a proxy using the enclosed form, the persons named as proxy holders, James B. Hawkins and Steven J. Murphy, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any unforeseen reason any of our nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates that may be nominated by the Board of Directors.

Q: What should I do if I receive more than one set of voting materials?

A: You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive. This year, a number of brokers with account holders who beneficially own our common stock will be householding our annual report and proxy materials, including the Notice of Internet Availability of Proxy Materials. A single Notice of Internet Availability of Proxy Materials and, if applicable, a single set of annual reports and other proxy materials will be delivered to

Edgar Filing: NATUS MEDICAL INC - Form DEF 14A

multiple stockholders sharing an address unless contrary instructions have been received from the affected

stockholders. Once you have received notice from your broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. Stockholders may revoke their consent at any time by contacting Broadridge ICS, either by calling toll-free (800) 542-1061, or by writing to Broadridge ICS, Household Department, 51 Mercedes Way, Edgewood, New York 11717.

Any stockholders who share the same address and currently receive multiple copies of our Notice of Internet Availability of Proxy Materials or annual report or other proxy materials who wish to receive only one copy in the future can contact their bank, broker or other holder of record to request information about householding.

Q: How may I obtain an additional set of voting materials?

A: If you wish to receive an additional set of proxy materials now or in the future, you may write or call us to request a separate copy of these materials from our principal executive offices at:

Natus Medical Incorporated

Attn: Investor Relations

1501 Industrial Road

San Carlos, CA 94070

650-802-0400

Q: Who will bear the cost of soliciting votes for the annual meeting?

A: Natus is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. If you choose to access the proxy materials and/or vote over the Internet, you are responsible for Internet access charges you may incur. If you choose to vote by telephone, you are responsible for any telephone charges you may incur. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees who will not receive any additional compensation for such solicitation activities. Upon request, we will also reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy and solicitation materials to stockholders.

Q: Where can I find the voting results of the annual meeting?

A: We intend to announce preliminary voting results at the annual meeting and publish final results in our quarterly report on Form 10-Q for the second quarter of 2009.

Q: What is the deadline to propose actions for consideration or to nominate individuals to serve as directors?

A: Although the deadline for submitting proposals or director nominations for consideration at the 2009 annual meeting has passed, you may submit proposals and director nominations for consideration at future stockholder meetings.

Stockholder Proposals: For a stockholder proposal to be considered for inclusion in the Natus proxy statement for the annual meeting next year, the written proposal must be received by the Corporate Secretary of Natus at our principal executive offices no later than January 7, 2010. If the date of next year's annual meeting is moved more than 30 days before or after the anniversary date of this year's annual meeting, the

Edgar Filing: NATUS MEDICAL INC - Form DEF 14A

deadline for inclusion of proposals in the Natus proxy statement is instead a reasonable time before we begin to print and mail our proxy materials. Such proposals also will need to comply with Securities and Exchange Commission regulations under Rule 14a-8 regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Proposals should be addressed to:

Recommendation and Nomination of Director Candidates: The Nominating and Governance Committee will consider recommendations for candidates to be considered for nominations to the Board from stockholders who are entitled to vote in the election of directors at the annual meeting. A stockholder that desires to recommend a candidate for election to the Board should see the section entitled "Corporate Governance Principles and Board Matters; Policy for Director Recommendations and Nominations" below in this proxy statement

Table of Contents**Proposal No. 2 Ratification of Appointment of Independent Registered Public Accounting Firm**

The Audit Committee of the Board has appointed Deloitte & Touche LLP, an independent registered public accounting firm, to audit Natus's consolidated financial statements for the year ending December 31, 2009.

Stockholder ratification of the selection of Deloitte & Touche LLP as our independent auditors is not required by applicable law, our certificate of incorporation, our Bylaws or otherwise. However, the Board is submitting the selection of Deloitte & Touche LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain Deloitte & Touche LLP. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of Natus and its stockholders.

Representatives of Deloitte & Touche LLP are expected to attend the annual meeting, where they are expected to be available to respond to appropriate questions and, if they desire, to make a statement.

Some understanding of the medical device market is also helpful.
