S-3

Table of Contents

Risks related to the Plan

Neither we nor you will have any authority to direct the date, time, or price at which shares may be purchased by the Plan Administrator. You may therefore lose some date, time or price advantages that you would otherwise have.

Because the prices at which shares are purchased are determined as of specified dates or as of dates otherwise beyond your control under the Plan, you may lose some advantages otherwise available to you in being able to select the timing of your investments. For example, because the price charged to you for shares purchased on the open market is the average price paid by the Plan Administrator to obtain shares for all participants who acquire shares through the Plan on the same day, you may pay a higher price for shares purchased under the Plan than for shares purchased on the investment date outside of the Plan.

There is no guarantee the Plan Administrator will be able to sell your shares on desirable terms, or at all.

There can be no assurances with respect to the Plan Administrator's ability to sell your shares and no assurances as to the prices or timing of such sales, or the terms under which such sales may be transacted. Neither we nor the Plan Administrator has any obligation under the Plan, and assume no responsibility, to purchase whole shares credited to your Plan account if such shares cannot be sold by the Plan Administrator on favorable terms or at all.

Shares credited to your Plan account may not be assigned or pledged in any way.

Shares credited to your Plan account may not be assigned or pledged as collateral for a loan, or for any other purpose. If you wish to assign or pledge whole shares credited to your account, you must request that the Plan Administrator issue physical share certificates to you in your name. Certificates for fractional shares will not be issued under any circumstances.

The price or trading volume of our common stock may fluctuate due to transactions by financial intermediaries under the Plan

Financial intermediaries may purchase a significant portion of the shares of common stock issued under the Plan. We do not have any formal or informal understanding with any such organizations and, therefore, the extent of such financial intermediaries' participation under the Plan cannot be estimated as this time. From time to time, financial intermediaries, including brokers and dealers, may engage in positioning transactions in order to benefit from the discount from the market price, if any, of common stock acquired under the Plan. Such transactions may cause fluctuations in the price or trading volume of our common stock.

restrictions, please see **Supervision and Regulation** in Item 1 of our Form 10-K for the year ended December 31, 2008, and **22 Dividend Restrictions** and **23 Regulatory Capital Requirements** of the Notes to Consolidated Financial Statements contained in our Annual Report to Shareholders, incorporated by reference as Exhibit 13.1 to our Form 10-K for the year ended December 31, 2008, which has been filed with the SEC and is available as described under **Where You Can Find More Information and Incorporation of Certain Information by Reference**.

As of March 31, 2009, we had consolidated total assets of \$1.17 billion, net portfolio loans and leases of \$883.3 million, deposits of \$886.8 million and shareholders' equity of \$94.7 million. Unless expressly stated to the contrary herein, our Internet website and information contained in or linked to our website are not incorporated into, and are not a part of, this prospectus supplement nor the accompanying base prospectus.

USE OF PROCEEDS

To the extent that shares of common stock used to fund the Plan are purchased on the open market, there will be no proceeds to us from the purchase of those shares. The net proceeds to us from the sale of newly issued shares of common stock or treasury shares issued under the Plan will be used for general corporate purposes, which may include, but are not limited to, direct investments by us, investments in, or extensions of credit to, our banking subsidiaries, and funding possible acquisitions. The precise amounts and timing of the application of net proceeds will depend upon our funding requirements and the availability of other funds.

DESCRIPTION OF OUR DIVIDEND REINVESTMENT AND STOCK PURCHASE PLAN

The following questions and answers explain and constitute the Plan.

PURPOSE

1. What is the purpose of the Plan?

The purpose of the Plan is to provide both our existing shareholders and new investors with a simple, convenient, and economical means of purchasing shares of our common stock, including through new cash payments and the reinvestment of dividends on shares held in your Plan account. The Plan also provides us with an economical and flexible mechanism to raise equity capital through sales of our common stock. The shares available under the Plan will be acquired either directly from BMTC (as original issue or treasury shares), in the open market, through privately negotiated transactions, or through a combination of these methods.

ADVANTAGES AND DISADVANTAGES

2. What are the advantages of participation in the Plan?

You do not need to be a current shareholder, nor do you need to have a broker, to buy our common stock through the Plan.

You can start investing with a relatively small amount of money, or with a single larger investment whichever you prefer.

You may send a check to the Plan Administrator or arrange for funds to be deducted from your savings or checking account.

Table of Contents

Dividends and optional cash purchases can be fully invested in additional shares of our common stock because the Plan permits fractional shares to be credited to your account. Dividends on fractional shares may also be reinvested in additional shares.

There are no trading fees or brokerage commissions when dividends are reinvested through the Plan. Once you have enrolled in the Plan, your dividend will be reinvested to purchase our common stock in the manner you designate (either full reinvestment, partial reinvestment, or no reinvestment). For more information regarding your reinvestment options, see Question 7 later in this prospectus supplement.

If you are already a shareholder, you can consolidate all your holdings of our common stock into a single account. You can deposit your stock certificates into your Plan account or, if you hold shares with a broker, you can transfer those shares into your own name and deposit them into your Plan account.

The Plan offers you flexibility when you decide to sell your shares. You may request the sale of some or all of your shares through the Plan Administrator at any time. Or, if you prefer to have complete control over the timing and price at which you sell, you may withdraw your shares from the Plan, and sell them through a broker of your choice.

3. What are the disadvantages of participation in the Plan?

Because the prices at which shares are purchased are determined as of specified dates or as of dates otherwise beyond your control, you may lose some advantages otherwise available to you in being able to select the timing of your investments. For example, because the price charged to you for shares purchased on the open market is the average price paid by the Plan Administrator to obtain shares for all participants who acquire shares through the Plan on the same day, you may pay a higher price for shares purchased under the Plan than for shares purchased on the investment date outside of the Plan.

We will not pay interest on funds we hold pending investment.

Sales of shares for participants are irrevocable and will be made at market prices at the time of sale. You will not be able to control the timing of such sales or to place limit orders specifying the prices at which you are willing to sell your shares.

To sell your shares through a broker of your choice, you must first arrange to obtain a physical stock certificate from the Plan Administrator and have the certificate delivered to you, or ask the Plan Administrator to transfer shares held for you in the Plan directly to your broker. The Plan Administrator will promptly process your instructions. If your shares are not transferred directly to a broker, you should leave ample time for preparation and receipt of your stock certificate.

Shares held in the Plan by the Plan Administrator are not covered by the customer protection provisions of the Securities Investor Protection Act of 1970 relating to customers of failed securities broker-dealer firms.

ADMINISTRATION

4. Who administers the Plan for participants?

The Plan is administered by The Bank of New York Mellon, a corporation independent of, and not affiliated with, us. The Plan Administrator will, along with its affiliates, receive all cash investments, purchase and sell shares for Plan participants, maintain records, issue statements of account, and performs other duties related to the Plan.

Table of Contents

PARTICIPATION

5. Who is eligible to participate in the Plan?

Any person or legal entity is eligible to participate in the Plan. You do not have to be a current shareholder, nor do you have to reside or be located in the U.S. or be a U.S. citizen. However, you must become a shareholder of record in order to participate in the dividend reinvestment component of the Plan as described in Question 6. In all cases, optional cash purchases of shares through the Plan must be made in U.S. currency drawn on a U.S. bank account. In addition, before investing in our common stock, each participant who resides or is located outside the U.S. is responsible for reviewing the laws of his or her country of residence or other applicable laws to determine if there are any restrictions on his or her ability to invest through the Plan.

BMTC may refuse to offer the Plan to residents of any state that may require registration, qualification or exemption of the common stock to be issued under the Plan, or require registration or qualification of BMTC or any of its officers or employees as a broker-dealer, a salesperson or an agent, where we determine, in our sole discretion, that the number of shareholders or the number of shares held does not justify the expense that we may incur with respect to effecting sales of our common stock under the Plan in the state.

6. How can I participate in the Plan?

Current Shareholders of Record

If you already hold shares of our common stock registered in your name, you may join the Plan by enrolling online at www.bnymellon.com/shareowner/isd through Investor ServiceDirect® by telephone or by returning a completed enrollment form to the Plan Administrator. Your participation will begin promptly after your authorization is received. Once you have enrolled, your participation will continue automatically until either you elect to withdraw from the Plan or we terminate the Plan or your participation in the Plan.

New Investors

If you are not a current shareholder, you may join the Plan by returning to the Plan Administrator a completed enrollment form along with an initial investment of at least \$500, but not more than \$10,000.

You also may enroll online at www.bnymellon.com/shareowner through Investor ServiceDirect®. If you enroll online, you may either authorize a deduction from your bank account for your initial investment or send your initial investment by check payable to BNY Mellon/Bryn Mawr.

Beneficial Owners and Shares Held in Street Name

If you are a beneficial owner of BMTC common stock and your shares are registered in the name of a bank, broker, trustee or other agent, you may transfer your shares to a Plan account by instructing your bank, broker, trustee or agent to register your shares directly in your name and then enrolling in the Plan as described above under *New Investors*. You also may participate in the Plan by making arrangements with your bank, broker, trustee or agent to participate in the Plan on your behalf.

Please refer to Question 37 of this prospectus supplement for the Plan Administrator's web site, telephone numbers, and address.

Table of Contents

DIVIDEND REINVESTMENT

7. How does the reinvestment process work?

As a participant in the Plan, you may elect to reinvest all, part, or none of the dividends paid on your BMTC common stock, and your preference should be indicated on the enrollment form. If you complete and return an enrollment form without selecting one of these three options, all of your dividends will be automatically reinvested in shares of BMTC common stock.

Full dividend reinvestment: If you select this option, all of the cash dividends paid on the shares you enroll in the Plan will automatically be reinvested to purchase additional shares of BMTC common stock.

Partial dividend reinvestment: If you select this option, a portion of your cash dividends will be paid to you in cash, and the remaining portion of your dividends will be automatically reinvested to purchase additional shares of BMTC common stock. If you choose partial reinvestment, you must specify on the enrollment form the number of whole shares on which you wish to continue to receive cash dividends by check or to have directly deposited into your designated checking or savings account, as further described below. The remaining dividends will be automatically reinvested.

No dividend reinvestment: If you select this option, all of your dividends will be paid to you in cash. You may choose to have your cash dividends directly deposited into your designated checking or savings account or sent to you by check. You must be a current BMTC shareholder to choose this option. To arrange to have your dividends directly deposited into your designated bank account, you must complete and return a direct deposit authorization form. You may request an authorization form by calling the Plan Administrator at 1-877-238-6956, or you may authorize the direct deposit of dividends when you enroll in the Plan online, or access your account online at www.bnymellon.com/shareowner.

You may change your dividend reinvestment election at any time, regardless of the option you have chosen. To change your election, simply access your account online at www.bnymellon.com/shareowner/isd or complete a new enrollment authorization form and mail it to the Plan Administrator. Changes to your dividend reinvestment election must be received by the Plan Administrator at least one business day prior to the dividend record date in order to be applied to that dividend.

8. When will the reinvestment of my dividends begin?

Typically, we pay a quarterly cash dividend on or about the 1st day of March, June, September, and December to shareholders of record on or about the 5th day of the prior month in which the dividend is paid. The reinvestment of your dividends will begin with the first quarterly cash dividend that we pay following your enrollment, but only if your enrollment is received at least one business day prior to the record date for that dividend. If your enrollment is received between a dividend record date and a payable date, the reinvestment of your dividends will commence with the dividend payment in the following quarter.

9. Can I deposit stock certificates for safekeeping with the Plan Administrator?

You may deposit any or all of your BMTC common stock certificates with the Plan Administrator for safekeeping. This added feature relieves you of the worry associated with the possibility of loss, theft, or destruction of the certificates. This service is provided to Plan participants without charge.

All stock certificates sent to the Plan Administrator for safekeeping are automatically converted into book-entry form and will be credited to your Plan account. If you later wish to hold such shares in certificate form again, you must request the Plan Administrator to generate another certificate.

Table of Contents

INITIAL AND OPTIONAL CASH PURCHASES

10. When and how can I make initial or optional cash purchases?

New investors may make an initial cash purchase when enrolling in the Plan by enclosing a check with their enrollment form, or by authorizing an automatic debit from a designated bank account when enrolling online at the Plan Administrator's website. In both cases, the minimum initial cash purchase amount is \$500.

As a Plan participant, you may also make optional cash purchases of our common stock. The minimum cash purchase accepted is \$50. The maximum limit for both initial purchases and optional cash purchases is \$10,000 per transaction not to exceed a maximum of \$120,000 per calendar year, unless we grant a waiver of this amount. In the event you want to make an optional cash purchase of more than \$10,000, you will need to divide such purchase in separate transactions unless a waiver is granted (See Questions 16 and 17 for more information regarding waivers). Any payment received will be applied toward the purchase of shares for your account as promptly as practicable, usually within five (5) business days upon receipt of funds by the Plan Administrator.

Your cash purchases may be commingled by the Plan Administrator with dividends and with other participants' cash purchases for the purpose of buying shares of common stock. You cannot specify the prices or timing of purchases, nor can you make any other limitations on the purchase of shares other than those specified under these terms and conditions. No interest will be paid on optional cash purchases pending investment.

If you choose to submit a check, be sure to use the contribution form that appears on your Plan statement, and mail it to the address specified on the form. Alternatively, if you wish to make regular monthly purchases, you may authorize automatic deductions from your bank account. This feature enables you to make ongoing investments in an amount that is comfortable for you, without having to write a check. You also may authorize individual debits from your bank account.

11. Am I obligated to make cash purchases if I enroll in the Plan?

No. Cash purchases are entirely voluntary. You may supplement the reinvestment of your dividends with optional cash purchases as often as you like, or not at all. Or you may buy shares with optional cash purchases and choose not to reinvest any or all of your dividends.

FEES

12. What fees may I incur by participating in the Plan?

We will pay all service and trading fees associated with the reinvestment of dividends and initial and optional cash purchases.

A \$15.00 transaction fee, plus a trading fee of \$0.12 per share, will be charged each time Plan shares are sold on your behalf. There will also be a \$35.00 charge for any returned check or debit. These fees may change from time to time, but only with ninety (90) days prior written notice.

PURCHASE OF SHARES

13. What is the source of the common stock that may be purchased through the Plan?

At our discretion, share purchases will be made on the open market or directly from BMTC. Shares purchased from BMTC may come from our authorized but unissued shares or from our treasury shares. Share purchases on the open market may be made on any stock exchange where our common stock is traded or through negotiated transactions, on such terms as the Plan Administrator determines. Neither we nor you will have any authority to direct the date, time, or price at which shares may be purchased by the Plan Administrator.

Table of Contents

14. How will shares be purchased under the Plan?

Upon receipt of your funds, the Plan Administrator will invest initial and additional cash purchases as promptly as practicable, normally within five (5) business days.

Shares will be posted to your account in whole and fractional shares, computed to four decimal places. A confirmation of your transaction will be sent by e-mail or via a paper statement to the Internet or postal address you give us when you enroll in the Plan.

In the unlikely event that, due to unusual market conditions, the Plan Administrator is unable to invest the funds within thirty-five (35) calendar days, the Plan Administrator will return the funds to you by check. No interest will be paid on funds held by the Plan Administrator pending investment.

For automatic monthly purchases, the amounts you have authorized will be withdrawn from your bank account on the 10th day of each month or on the next succeeding business day if the 10th falls on a weekend or holiday. The funds will be credited to your Plan account and normally invested within five (5) business days after receipt by the Plan Administrator.

The Plan Administrator will use your cash to purchase as many full and fractional shares as possible.

15. How will the price for my shares be determined?

For shares purchased on the open market for optional cash purchases or reinvestment, the purchase price will be the average price that the Plan Administrator pays to obtain shares for all participants who acquire shares through the Plan on the same day.

For shares purchased directly from BMTC, the purchase price will be:

97% of the volume-weighted average price of our common stock, as reported in the NASDAQ Stock Market, on the investment date for reinvestment of dividends using new shares or treasury shares purchased directly from BMTC, or

100% of the purchase price of the volume weighted average price of our common stock, as reported in the NASDAQ Stock Market, on the investment date for optional cash purchases using new shares or treasury shares purchased directly from BMTC.

The discount described above for shares purchased directly from BMTC will continue until terminated or modified by action of the Board of Directors. If BMTC decides to terminate or modify the discount, a written notice will be sent to notify you of the changes.

16. Will shares be offered to Plan participants at a discount?

We will establish a waiver discount only for shares that are purchased directly from us pursuant to a waiver request. For each pricing period, we may establish a discount from the market price applicable to optional cash purchases and initial investments made pursuant to a request for waiver (please see Question 17). This waiver discount, if any, will range from 0% to 5% of the purchase price and may vary for each pricing period. The waiver discount, if any, will be established at our sole discretion after a review of current market conditions, the level of participation in the Plan, the attractiveness of obtaining additional funds through the sale of our common shares as compared to other sources of funds, and our need for additional funds. You may obtain information regarding the maximum waiver discount, if any, by contacting the Plan Administrator at (201) 680-5300 or waivers@bnymellon.com. Setting a waiver discount for a particular pricing period will not affect the setting of a waiver discount for any subsequent pricing period. The waiver discount, if any, will apply only to optional cash purchases and initial investments in excess of \$120,000, in which case, the waiver discount, if any, will apply to the entire optional cash purchase or initial investment made pursuant to a waiver, not just the portion in excess of \$120,000.

Table of Contents

17. May I invest more than the Plan maximum of \$120,000 per account per year?

Yes, we may grant waivers of the transaction and calendar year investment limitations in our discretion. Upon receipt of a written waiver form from an investor, we will consider waiving the maximum investment limit. We are not obligated to give a waiver and may decide to grant or refuse a waiver for any reason or no reason in our sole discretion.

Under regulations of the Federal Reserve Board, a non-individual holder of 25% or more of BMTC's outstanding common stock (or a holder of 5% or more if the holder otherwise exercises a controlling influence over BMTC) may then be obligated to register with the Federal Reserve Board and be subject to regulation as a bank holding company.

A bank holding company may be required to obtain Federal Reserve Board approval under the Bank Holding Company Act of 1954 to acquire 5% or more of BMTC's outstanding common stock.

Any foreign bank, and any company that controls a foreign bank that has certain types of U.S. banking operations, may be required to obtain prior Federal Reserve Board approval under the International Banking Act of 1978 to acquire 5% or more of that series of preferred stock.

Any person other than a bank holding company may be required to obtain Federal Reserve Board approval under the Change in Bank Control Act of 1978 to acquire 10% or more of BMTC's outstanding common stock.

Grants of waiver requests will be made in our sole discretion based on a variety of factors, which may include: our current and projected capital needs, prevailing market prices of our common stock and other securities, and general economic and market conditions. Shares purchased in excess of the Plan maximum investment amount will be priced as follows:

Investments for which a waiver has been granted will be made subject to a pricing period, which will generally consist of one (1) to fifteen (15) separate days during which trading of our common stock is reported on the NASDAQ Stock Market. Each of these separate days will be an investment date, and an equal proportion of the investment amount will be invested on each trading day during such pricing period, subject to the qualifications listed below. The purchase price for shares acquired on a particular investment date will be equal to 100% (subject to change as provided below) of the volume-weighted average price (less any applicable discount), rounded to four decimal places, of our common stock as reported by the NASDAQ Stock Market only, obtained from Bloomberg, LP for the trading hours from 9:30 a.m. to 4:00 p.m., Eastern Time, including the official market close, for that investment date. Funds for such investments must be received by the Plan Administrator not later than the business day before the first day of the pricing period.

We may establish a minimum or threshold price for any pricing period that the volume-weighted average price, rounded to four decimal places, of our common stock must equal or exceed during each trading day of the pricing period for investments made pursuant to a waiver request.

If we decide to establish a threshold price for a particular pricing period, the threshold price for any investments made pursuant to a request for waiver will be a stated dollar amount that the volume-weighted average price, rounded to four decimal places, of our common stock, as reported by the NASDAQ Stock Market for each trading day in the relevant pricing period, must equal or exceed. If the threshold price is not satisfied for a trading day in the pricing period, then that trading day and the trading prices for that day will be excluded from the pricing period.

We will only establish a threshold price if shares will be purchased directly from us in connection with the relevant pricing period (please see first bullet above). If we have established a threshold price with respect to the relevant pricing period, then we will exclude from the pricing period any trading day that the volume-weighted average price is less than the threshold price and refund that day's proportional

Table of Contents

investment amount. For example, if the threshold price is not met for two (2) of the trading days in a ten-day pricing period, then we will return 20% of the funds you submitted in connection with your waiver request, without interest, unless we have activated the pricing period extension feature for the pricing period, as described below. In the event the total investment falls below \$120,000 due to a portion of the investment being refunded for failure to meet a threshold price, the waiver will continue to be in effect, and the transaction will proceed as planned with respect to the non-refunded investment amount.

Neither we nor the Plan Administrator are required to notify you that a threshold price has been established for any pricing period.

We may elect to activate for any particular pricing period a pricing period extension feature which will provide that the initial pricing period be extended by the number of days that the threshold price is not satisfied, subject to a maximum of five (5) trading days. If we elect to activate the pricing period extension feature and the threshold price is satisfied for any additional day that has been added to the initial pricing period, that day will be included as one of the trading days for the pricing period instead of the day on which the threshold price was not met. For example, if the determined pricing period is ten (10) days, and the threshold price is not satisfied for three (3) out of those ten (10) days in the initial pricing period, and we had previously announced in the bid-waiver form that the pricing period extension feature was activated, then the pricing period will be automatically extended, and if the threshold price is satisfied on the next three (3) trading days (or a subset thereof), then those three (3) days (or subset thereof) will become investment dates in lieu of the three (3) days on which the threshold price was not met. As a result, because there were ten (10) trading days during the initial and extended pricing period on which the threshold price was satisfied, all of the funds that you include with your request for waiver will be invested.

Newly issued shares purchased pursuant to a request for waiver will be posted to participants' accounts within three (3) business days following the end of the applicable pricing period, or, if we elect to activate the continuous settlement feature, within three (3) business days of each separate investment date beginning on the first investment date in the relevant pricing period and ending on the final investment date in the relevant pricing period, with an equal amount being invested on each day, subject to the qualifications set forth above. During any month when we are proposing to grant requests for waiver for one or more investments, we may elect to activate the continuous settlement feature for such investments by announcing in the bid-waiver form that we will be doing so. The purchase price of shares acquired on each investment date will be equal to the volume-weighted average price obtained from Bloomberg, LP (unless such service is unavailable, in which case we will designate another service to be utilized before the beginning of the pricing period), rounded to four decimal places, for the trading hours from 9:30 a.m. to 4:00 p.m., Eastern Time, including the official market close, for each of the investment dates during the pricing period, assuming the threshold price is met on that day, less any discount that we may decide to offer. For each pricing period (assuming the threshold price is met on each trading day of that pricing period), we would have a separate settlement of each investment date's purchases, each based on the volume-weighted average price for the trading day relating to each of the investment dates during the pricing period.

Waiver request forms and information regarding the establishment of a threshold price, if any, may be obtained by contacting the Plan Administrator at (201) 680-5300 or waivers@bnymellon.com.

SALE OF PLAN SHARES

18. How can I sell the shares of common stock that are held in my Plan account?

You may request that the Plan Administrator sell some or all of the shares held in your Plan account. The Plan Administrator will process your sale order promptly following receipt and in no event later than five trading days after your order is received. The Plan Administrator will aggregate all shares for which requests to sell were received and will sell such shares on the open market through a registered broker-dealer selected at its sole

Table of Contents

discretion, including a broker-dealer affiliated with the Plan Administrator. The sale price for shares sold will not be known until the sale of all aggregated shares is completed and will be based on the weighted average price per share obtained in the open market for all such aggregated shares. The net proceeds of the sale less applicable fees will be sent to you by check following the sale. Fees for the sale of shares include a \$15.00 transaction fee plus a trading fee of \$0.12 per share and any required tax withholdings or transfer taxes. If you opt to sell all of the shares held for you in the Plan, your participation in the Plan will be automatically terminated.

Alternatively, you may choose to sell your shares through a broker of your choice, in which case you must request that the Plan Administrator either (a) electronically transfer your shares to your broker, or (b) issue the shares in physical certificate form for delivery to your broker before settlement of the sale.

The Plan Administrator may determine the price for the fractional shares either by (a) selling shares on the open market through a registered broker-dealer, or (b) using the current price of our common stock on the NASDAQ Stock Market, or as quoted by a registered broker-dealer on the date of the request.

19. If I request the sale of the shares held in my Plan account, when will they be sold?

If you request the sale of shares that are held for you in the Plan, the Plan Administrator will use its best efforts to sell your shares on the open market within five (5) business days after receipt of your sale instructions, or as soon as otherwise practicable. A check in payment of the net proceeds will be mailed to you as soon as practicable after the sale has taken place.

There can be no assurances with respect to the Plan Administrator's ability to sell your shares and no assurances as to the prices or timing of such sales, or the terms under which such sales may be transacted. Neither we nor the Plan Administrator has any obligation under the Plan, and assume no responsibility, to purchase whole shares credited to your Plan account if such shares cannot be sold by the Plan Administrator.

DIVIDENDS

20. How will I be credited with the dividends paid on the shares I have enrolled in the Plan and/or that are being held in my Plan account?

The Plan Administrator will receive the cash dividends (less the amount of any taxes withheld) paid by us on all whole and fractional shares that are enrolled and/or held in the Plan at the dividend record date, and will credit such dividends to your Plan account on the payable date. The dividends received by the Plan Administrator will automatically be reinvested in shares of our common stock in the manner you designate (either full reinvestment, partial reinvestment, or no reinvestment). For more information regarding your reinvestment options, see Question 7.

21. What if I decide that I would like to receive in cash some of the dividends paid on the shares enrolled or held in the Plan, rather than having them reinvested?

The Plan permits the partial reinvestment of dividends. If you would prefer to receive some or all of your dividends in cash, you may designate that preference on your enrollment form. For more information regarding these options, see Question 7.

REPORTS TO PARTICIPANTS

22. What reports will I receive as a participant in the Plan?

As soon as practicable after each transaction, you will receive a statement with information about your Plan account, including amounts invested, the purchase and/or sales prices, and the number of shares purchased and/or sold. This statement will provide a record of purchases and sales transacted on your behalf under the Plan and

Table of Contents

you should retain it for income tax purposes. As a shareholder, you also will receive various communications, including our annual report to shareholders, notices of shareholder meetings, proxy statements, and information for income tax reporting. Included with your first statement will be instructions to register your account online to view statements, transactions and other account options. The registration for online account access is optional.

ISSUANCE AND DEPOSIT OF STOCK CERTIFICATES

23. Will certificates be issued to me for shares of common stock purchased through the Plan?

Certificates for shares of common stock that are purchased through the Plan will not be issued to you unless you request that the Plan Administrator do so. All shares will be issued to the Plan Administrator or its nominee(s) as agent, and credited to your Plan account in book entry form. The number of shares credited to your Plan account will appear on your account statements. This convenient process protects against loss, theft, or destruction of stock certificates, and reduces our costs.

Shares credited to your Plan account may not be assigned or pledged in any way. If you wish to assign or pledge the whole shares credited to your account, you must request that certificates for those shares be issued to you in your name.

Upon receipt of your request, the Plan Administrator will issue you a certificate for any number of whole shares credited to your Plan account. Certificates for fractional shares will not be issued under any circumstances. If you elect to have shares issued to you in certificate form, those shares will be removed from your Plan account, and dividends issued on those shares will not be subject to the Plan, nor eligible for reinvestment under the Plan.

The name on your Plan account will be identical to the name that appears on the certificate(s) underlying the shares you have enrolled in the Plan and/or that are held for you in the Plan in book entry form. Certificates for whole shares issued to you under that same name.

24. How can I arrange for my stock certificate(s) to be held in safekeeping by the Plan Administrator?

If you wish to submit your stock certificate(s) to the Plan Administrator for safekeeping, you should mail them (unendorsed) by registered mail, with a note requesting that they be credited to your Plan account. All stock certificates sent for safekeeping are automatically converted into book-entry form and will be credited to your Plan account. If you later wish to hold such shares in certificate form again, you must request the Plan Administrator to generate another certificate.

If you are mailing certificates to the Plan Administrator, we recommend that you insure the certificate(s) for 1% of the current market value, as this is the amount you will be charged for surety protection should your certificate(s) be lost in the mail.

TERMINATION OF PLAN PARTICIPATION

25. How do I terminate my participation in the Plan?

Participation in the Plan is entirely voluntary. You may terminate your participation at any time by providing notice and instructions to the Plan Administrator. The Plan Administrator must receive your termination request at least one business day prior to the dividend record date for the dividend to be disbursed to you rather than reinvested pursuant to the Plan. In such notice, you must instruct the Plan Administrator to either (a) discontinue the reinvestment of the dividends paid on the shares enrolled and/or held in your Plan account, but continue to hold those shares in book form on your behalf; (b) issue a certificate for the whole shares credited to your Plan account and issue a cash payment for any cash in lieu of a fractional share; or (c) sell the whole shares credited to your Plan account and issue a cash payment for the proceeds plus any cash in lieu of a fractional share, less associated trading fees of \$0.12 per share and the \$15.00 transaction fee.

Table of Contents

26. May I later re-elect to participate in the Plan?

Generally, you may elect to re-enroll in the Plan at any time. However, BMTC and the Plan Administrator reserve the right to reject any re-enrollment application on grounds of excessive joining and withdrawing. This reservation is intended to minimize unnecessary administrative expense and encourage use of the Plan as a long-term shareholder investment service.

UNITED STATES FEDERAL INCOME TAX CONSEQUENCES

27. What are the U.S. federal income tax consequences of participation in the Plan?

The following is a summary of certain of the federal income tax consequences of participation in the Plan. This summary is for general information only and does not constitute tax advice. This summary does not reflect every possible tax outcome or consequence that could result from participation in the Plan. This summary does not discuss your tax consequences if you are not a United States citizen or a resident alien. You should consult your own tax advisor to determine the tax consequences particular to your situation, that may result from your participation in the Plan and your subsequent sale of shares acquired pursuant to the Plan. This summary does not describe any applicable state, local or foreign income tax or other tax consequences. Any state tax consequences will vary from state to state, and any tax consequences to you if you reside outside of the United States will vary from jurisdiction to jurisdiction.

Reinvestment of Dividends

If shares are purchased directly from BMTC, participants will be considered to have received a dividend for federal income tax purposes equal to the fair market value as of the dividend payment date of the shares purchased with the reinvested dividends. Until further notice, shares purchased for reinvestment by the Plan directly from BMTC with cash dividends will be purchased at 97% of the market value of the shares on the date of purchase. Therefore, the amount of taxable dividend income will include the discount. If shares are purchased through open market transactions, participants will be treated as having received a dividend equal to the cash dividend paid by BMTC increased by the amount of commissions and other brokerage expenses paid by BMTC in purchasing shares on the participant's behalf. Those dividend amounts will become your basis in the shares purchased, and your holding period of those shares will begin on the day following the date of purchase. Thus, if you reinvest cash dividends under the Plan, you will be treated for U.S. federal income tax purposes as having received dividend income on the dividend payment date. This may give rise to a tax payment obligation without providing you with immediate cash to pay such tax when it becomes due.

Optional Cash Purchases

Participants whose shares are purchased directly from BMTC pursuant to optional cash purchases will be treated for federal income tax purposes as having received a dividend equal to the excess (if any) of (i) the fair market value on the investment date of the shares purchased, over (ii) the optional cash payments made. You generally will not be deemed to have received a dividend with respect to shares acquired by purchases in open market transactions, except to the extent of commissions and other brokerage expenses paid by BMTC in purchasing shares on the participant's behalf. Your tax basis in the shares purchased will be equal to the cost paid by you in acquiring the stock, plus the amount treated as a dividend for federal income tax purposes. Your holding period for those shares will begin on the day following the date of purchase.

Additional Information Applicable to Reinvestment of Dividends and Optional Cash Payments

While the matter is not free from doubt, BMTC intends to take the position that the administrative expenses of the Plan, to be paid by BMTC, are not constructive dividends to Plan participants. Each Plan participant will receive from the Plan Administrator a Form 1099-DIV, which will show the total dividend income to the Plan participant.

Table of Contents

If a participant is subject to U.S. federal income tax withholding on dividends or a foreign participant's taxable income under the Plan is subject to U.S. federal income tax withholding, cash dividends are reinvested less federal tax withholding under applicable law.

The dividend income received by a corporate stockholder may be eligible for a 70% percent dividends-received deduction under current federal tax laws. You will not realize any taxable income upon the receipt of whole shares credited to your account, either upon your request for certificates or book-entry registration for those shares or upon withdrawal from or termination of the Plan. However, if you receive, upon withdrawal from or termination of the Plan, a cash payment for a fractional share credit in your account, you will be treated as having redeemed the fractional share of stock and accordingly will recognize gain or loss for tax purposes equal to the difference between the cash payment and your tax basis of that fractional share. You will realize gain or loss upon the sale or exchange of shares after withdrawal from the Plan. The amount of that gain or loss will be the difference between the amount that you receive for each whole share and your tax basis for the shares.

You should be aware that federal income tax provisions that are generally effective January 1, 2011 could affect the determination and allocation of the basis of shares held in the Plan as well as certain information reporting requirements related to such shares. You should consult your own tax advisor regarding the effect of these rules on your Plan shares.

OTHER INFORMATION

28. What happens if I decide to sell or transfer all of the certificated shares enrolled in the Plan but not the shares that are held in my Plan account?

If you sell or transfer all of the certificated shares enrolled in the Plan, but continue to hold shares in your Plan account, the cash dividends on the shares held in your Plan account will continue to be reinvested, unless you instruct the Plan Administrator to terminate your participation in the Plan.

29. How do I change the name on my account, transfer shares or give as a gift shares in my Plan account?

You may change the name of your Plan account, transfer shares or gift shares in your Plan account at any time by completing and submitting to the Plan Administrator a transfer of ownership form. Transfers may be made in book entry or certificated form. You can contact the Plan Administrator to request transfer instructions and a transfer of ownership form, or you can download the instructions and form online at www.bnymellon.com/shareowner/isd.

If you are submitting certificates for transfer, we recommend that you send them, properly insured, by certified or registered mail with return receipt requested or some form of traceable delivery. All participants in the existing Plan account need to sign the instructions, and their signatures need to be authenticated with a Medallion Signature Guarantee as described in the instructions on the transfer of ownership form.

30. If BMTC issues additional shares of common stock in connection with a stock dividend or a stock split, how will I receive the additional shares?

Any shares representing stock dividends or stock splits that we distribute on shares of our common stock that you have enrolled in the Plan and/or that are being held in your Plan account will be credited to your Plan account.

31. How will I be able to vote the shares held in my Plan account?

You will have the power to vote the shares of BMTC common stock held in your Plan account. If you are a registered holder, we will send you a proxy statement and a proxy card for any annual or special meeting of shareholders. The proxy card will cover both those shares registered in your name and those held in your Plan account. If you hold shares in street name and have arranged with a broker, bank or other nominee to participate in the Plan on your behalf as a record holder, the proxy card will be sent to your nominee and will include all shares held by the nominee, including those which it holds in the Plan as a record holder on your behalf.

32. What are the responsibilities of BMTC and of the Plan Administrator under the Plan?

Neither we nor the Plan Administrator or its nominee(s), in administering the Plan, will be liable for any act done in good faith. Neither we nor the Plan Administrator will be liable for any good faith omission to act, including, without limitation, any claims of liability arising out of: (a) failure to terminate a participant's account upon the participant's death before the receipt of notice in writing of the death; (b) the prices and times at which shares of common stock are purchased or sold for the participant's account or the terms under which such purchases or sales are made; or (c) fluctuations in the market value of our common stock. Neither we nor the Plan Administrator can assure you of a profit, or protect you against a loss, from the shares purchased or sold through the Plan. An investment in our common stock is subject to significant market fluctuations, as are all equity investments. We cannot control purchases by the Plan Administrator under the Plan and cannot assure you that dividends on our common stock will not be reduced or eliminated in the future.

33. Who interprets the Plan?

BMTC and the Plan Administrator are authorized to interpret the Plan, adopt regulations and take any other action reasonably designed to implement the Plan. Any action taken by BMTC or its agents in the good faith exercise of its judgment will be binding on all Plan participants. The Plan, and any related Plan documentation and Plan accounts, will be governed by, and construed in accordance with, the laws of the Commonwealth of Pennsylvania.

34. May the Plan be changed or discontinued?

While we currently expect to offer a dividend reinvestment and stock purchase plan indefinitely, we reserve the right to suspend, modify, or terminate the Plan at any time. You will receive notification of any such suspension, material modification, or termination. We and the Plan Administrator also reserve the right to change any administrative procedures of the Plan (including fees and expenses) at any time without notice to you, and any such changes shall not be deemed material modifications to the Plan.

If the Plan is suspended or terminated, the Plan Administrator will continue to hold your shares in book entry form unless you request a stock certificate to be issued or have your shares sold. If you request a certificate, the Plan Administrator will send to you a certificate for the whole shares and a check for any fractional share of common stock in your Plan account, less any applicable fees and transfer taxes. Alternatively, at your request, the Plan Administrator will sell all or a portion of such shares and remit to you the proceeds less any applicable fees and transfer taxes.

If we or the Plan Administrator terminate the Plan, or if we are involved in a reorganization or merger, your shares enrolled in the Plans as well as your current elections under the Plan may automatically roll over to a subsequent survivor or successor Plan.

35. Could the Plan Administrator change?

Yes. It is possible that the Plan Administrator may resign as administrator of the Plan at any time or discontinue offering its services as Administrator. Further, BMTC, in its sole discretion, may decide to replace the Plan Administrator. In any case, BMTC would appoint a successor administrator to administer the Plan.

36. Who bears the risk of market price fluctuations in BMTC's common stock?

You do. Your investment in shares of BMTC common stock under the Plan will be no different from an investment in directly-held shares of BMTC common stock. You will bear the risk of loss and may realize the benefits of gain from market price changes with respect to all BMTC shares held by you in the Plan or otherwise. The shares are not deposits and are not insured by the FDIC or any other government agency.

NOTE ABOUT FINANCIAL INTERMEDIARIES

Edgar Filing: BRYN MAWR BANK CORP - Form 424B2

We may grant requests for waiver of the Plan's maximum annual investment limit to financial intermediaries, including brokers and dealers, and other participants in the future. Grants of such waiver requests will be made in our sole discretion based on a variety of factors, which may include but are not limited to: our current and projected capital needs, the alternatives available to us to meet those needs, prevailing market prices for our common stock, general economic and market conditions, expected aberration in the price or trading volume of

S-18

Table of Contents

our common stock, the potential disruption of our common stock price that may be caused by a financial intermediary, the number of shares of common stock held by the participant seeking a waiver, the past actions of a participant under the Plan, the aggregate amount of investments for which such waivers have been submitted, and the administrative constraints associated with granting such waivers. If waiver requests are granted, a portion of the shares available for issuance under the Plan will be purchased by participants (including brokers or dealers) who, in connection with any resales of such shares, may be deemed to be underwriters within the meaning of the Securities Act of 1933, as amended (the Securities Act). Financial intermediaries may purchase a significant portion of the shares of common stock issued under the Plan. We do not have any formal or informal understanding with any such organizations and, therefore, the extent of such financial intermediaries' participation under the Plan cannot be estimated as this time. Participants that are financial intermediaries that acquire shares of our common stock under the Plan with a view to distribution of such shares or that offer or sell shares in connection with the Plan may be deemed underwriters within the meaning of the Securities Act. From time to time, financial intermediaries, including brokers and dealers, may engage in positioning transactions in order to benefit from the discount from the market price, if any, of common stock acquired under the Plan. Such transactions may cause fluctuations in the trading volume of our common stock. Financial intermediaries that engage in positioning transactions may be deemed to be underwriters within the meaning of the Securities Act. The Plan is intended for the benefit of our current and prospective investors and not for individuals or investors who engage in transactions that may cause aberrations in the price or trading volume of our common stock.

DESCRIPTION OF COMMON STOCK

For a description of the common stock being offered hereby, please see the section titled "DESCRIPTION OF OUR COMMON STOCK" in the accompanying base prospectus.

PLAN OF DISTRIBUTION

The Plan Administrator may purchase common stock for the Plan in the open market or directly from us. Our common stock is currently listed on the NASDAQ Global Market of the NASDAQ Stock Market.

There are no fees or commissions paid by Plan participants in connection with the reinvestment of dividends and initial and optional cash purchases under the Plan. All costs associated with those transactions under the Plan will be paid by BMTC.

Common stock may not be available under the Plan in all states. INDEMNIFICATION OF OFFICERS AND DIRECTORS

Pursuant to Sections 1741-1743 of the Pennsylvania Business Corporation Law of 1988 (Act of December 21, 1988, P.L. 1444) (PA BCL), we have the power to indemnify our directors and officers against liabilities they may incur in such capacities provided certain standards are met, including good faith and the belief that the particular action is in, or not opposed to, the best interests of the Corporation and, with respect to a criminal proceeding, that the director or officer had no reasonable cause to believe his or her conduct was unlawful. In general, this power to indemnify does not exist in the case of actions against a director or officer by or in the right of the Corporation if the person entitled to indemnification shall have been adjudged to be liable to the Corporation unless and to the extent that the person is adjudged to be fairly and reasonably entitled to indemnity. A corporation is required to indemnify directors and officers against expenses they may incur in defending actions against them in such capacities if they are successful on the merits or otherwise in the defense of such actions. Pursuant to Section 1745 of the PA BCL, the Corporation has the power to pay expenses (including attorneys' fees) incurred by a director or officer in a proceeding in advance of the final disposition of the proceeding upon receipt of an undertaking by or on behalf of the director or officer to repay the amount if it is ultimately determined that he or she is not entitled to be indemnified by the corporation.

Section 1746 of the PA BCL provides that the foregoing provisions shall not be deemed exclusive of any other rights to which a person seeking indemnification may be entitled under, among other things, any by-law provision, provided that no indemnification may be made in any case where the act or failure to act giving rise to the claim for indemnification is determined by a court to have constituted willful misconduct or recklessness.

Our amended and restated articles of incorporation (Articles) and our amended and restated bylaws (Bylaws) provide for the mandatory indemnification of directors and officers in accordance with and to the full extent permitted by the laws of the Commonwealth of Pennsylvania as in effect at the time of such indemnification unless the act or failure to act giving rise to the claim for indemnification is determined by a court to have constituted willful misconduct or recklessness. Our Bylaws also eliminate, to the full extent permitted by the laws of the Commonwealth of Pennsylvania, the personal liability of directors for monetary damages for any action taken, or any failure to take any action as a director, except in any case such elimination is not permitted by law.

Liability insurance covering certain liabilities that may be incurred by our directors and officers in connection with the performance of their duties has been purchased by the Bank.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or persons controlling the Corporation under the foregoing provisions, the Corporation has been informed that, in the opinion of the Securities and Exchange Commission, this indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Bryn Mawr Bank Corporation

The Bryn Mawr Trust Company received its Pennsylvania banking charter in 1889 and is a member of the Federal Reserve System. In 1986, Bryn Mawr Bank Corporation was formed and on January 2, 1987, and the Bank became our wholly-owned subsidiary. We are headquartered in Bryn Mawr, PA, a western suburb of Philadelphia, PA. We, together with our subsidiaries, offer a full range of personal and business banking services, consumer and commercial loans, equipment leasing, mortgages, insurance and wealth management services, including investment management, trust and estate administration, retirement planning, custody services, and tax planning and preparation from eight full-service branches and seven Life Care Community offices throughout Montgomery, Delaware and Chester counties.

Our primary source of liquidity is dividend payments from the Bank. The Bank is subject to certain legal restrictions on its ability to pay dividends or make loans or advances to us. For information about these restrictions, please see Regulatory Considerations in this prospectus, Supervision and Regulation in Item 1 of our Form 10-K for the year ended December 31, 2008, and 22 Dividend Restrictions and 23 Regulatory Capital Requirements of the Notes to Consolidated Financial Statements contained in our Annual Report to Shareholders, incorporated by reference as Exhibit 13.1 to our Form 10-K for the year ended December 31, 2008, which has been filed with the SEC and is available as described under Where You Can Find More Information.

As of March 31, 2009, we had consolidated total assets of \$1,169 million, net portfolio loans and leases of \$883.3 million, deposits of \$886.8 million and shareholders' equity of \$94.7 million. Our common stock is traded on the NASDAQ Global Market under the symbol BMTc. Our principal executive offices are located at 801 Lancaster Avenue, Bryn Mawr, Pennsylvania 19010, and our telephone number is (610) 525-1700. Our Internet website address is <http://www.bmtc.com>. Unless expressly stated to the contrary herein, our Internet website and information contained in or linked to our website are not incorporated into, and are not a part of, this prospectus.

Securities We May Offer

We have summarized the material terms and provisions of the securities in the sections Description of Our Common Stock, Description of Warrants, Description of Stock Purchase Contracts, and Description of Units, which descriptions are qualified in their entirety by reference to the applicable prospectus supplement, applicable provisions of Pennsylvania law and by the Corporation's articles of incorporation and bylaws. Complete copies of our amended and restated articles of incorporation and amended and restated bylaws are filed as exhibits to our November 21, 2007 current report on Form 8-K. You should read our articles of incorporation and bylaws for additional information before you buy our securities.

The summary description of the securities is not meant to be a complete description of what may be offered. The particular terms of the securities we offer will be described in the applicable prospectus supplement and other offering material. The applicable prospectus supplement may add, update or change the terms and conditions of the securities as described in this prospectus.

Table of Contents

Use of Proceeds

We intend to use the net proceeds from sales of the securities as set forth in *Use of Proceeds* and the applicable prospectus supplement relating to a specific issuance of securities. Additionally, some securities sold pursuant to this prospectus may be sold by the Selling Security Holder (as defined herein) and we will not receive the proceeds from such sales.

RISK FACTORS

Before making an investment decision, you should carefully consider the risks described below and those set forth under *Risk Factors* in the applicable prospectus supplement and in our most recent Annual Report on Form 10-K, and in our updates to those Risk Factors in our Quarterly Reports on Form 10-Q, together with all of the other information appearing in this prospectus or incorporated by reference into this prospectus and any applicable prospectus supplement. Our business, financial condition or results of operations could be materially adversely affected by any of these risks. The trading price of our common stock could decline due to any of these risks, and you may lose all or part of your investment.

Our stock price has been and is likely to be volatile.

The trading price of our common stock has been and is likely to be volatile and subject to fluctuations in price. This volatility is in response to various factors, many of which are beyond our control, including:

actual or anticipated variations in quarterly operating results from historical results or estimates of results prepared by securities analysts;

announcements of new services or products by us or our competitors;

announcements by us of significant acquisitions, dispositions and financings;

conditions or trends in the financial services industry;

additions or departures of key personnel;

general economic conditions and interest rates; and

sales of our common stock.

In addition, the stock market in general, and the NASDAQ Global Market and the market for commercial banks and other financial services companies in particular, has experienced significant price and volume fluctuations that sometimes have been unrelated or disproportionate to the operating performance of those companies. These broad market and industry factors may seriously harm the market price of our common stock, regardless of our operating performance. As a result of these and related events and factors, among others, the value of an investment in the securities may decline.

We rely on dividends from the Bank for substantially all of our revenue.

We receive substantially all of our revenue as dividends from the Bank. Federal regulations limit the amount of dividends that the Bank may pay to us. See *Regulatory Considerations*. In the event the Bank becomes unable to pay dividends to us, we may not be able to service our debt, pay our other obligations or pay dividends on our common stock. Accordingly, our inability to receive dividends from the Bank could also have a material adverse effect on our business, financial condition and results of operations and the value of your investment in the securities.

Table of Contents

Our common stock is subordinate to all of our existing and future indebtedness; regulatory and contractual restrictions may limit or prevent us from paying dividends on our common stock; and we are not limited on the amount of indebtedness we and our subsidiaries may incur in the future.

Our common stock ranks junior to all indebtedness and other non-equity claims on the Corporation with respect to assets available to satisfy claims on the Corporation, including in a liquidation of the Corporation. Additionally, unlike indebtedness, where principal and interest would customarily be payable on specified due dates, in the case of our common stock, (1) dividends are payable only when, as and if authorized and declared by our board of directors and depend on, among other things, our results of operations, financial condition, debt service requirements, other cash needs and any other factors our board of directors deems relevant, and (2) as a Pennsylvania corporation, under Pennsylvania law we are subject to restrictions on payments of dividends out of lawfully available funds. See Regulatory Considerations. Also, the Corporation's right to participate in a distribution of assets upon a subsidiary's liquidation or reorganization is subject to the prior claims of the subsidiary's creditors.

In addition, we are not limited by our common stock in the amount of debt or other obligations we or our subsidiaries may incur in the future. Accordingly, we and our subsidiaries may incur substantial amounts of additional debt and other obligations that will rank senior to the common stock or to which the common stock will be structurally subordinated.

There may be future sales of additional common stock or other dilution of our equity, which may adversely affect the market price of our common stock.

We are not restricted from issuing additional common stock or other securities. Additionally, our shareholders may in the future approve the authorization of additional classes or series of stock which may have distribution or other rights senior to the rights of our common stock, or may be convertible into or exchangeable for, or may represent the right to receive, common stock or substantially similar securities. The future issuance of shares of our common stock or any other such future class or series could have a dilutive effect on the holders of our common stock. Additionally, the market value of our common stock could decline as a result of sales by us of a large number of shares of common stock or any future class or series of stock in the market or the perception that such sales could occur.

USE OF PROCEEDS

We expect to use the net proceeds from the sales of the securities for general corporate purposes (other than proceeds from sales by the Selling Security Holder), which may include:

possible acquisitions;

possible dividend reinvestment or direct stock purchase plans;

investing in, or extending credit to, our operating subsidiaries;

investments at the holding company level;

reducing or refinancing existing debt;

other purposes as described in any prospectus supplement.

Pending such use, we may temporarily invest the net proceeds of any offering. The precise amounts and timing of the application of proceeds will depend upon our funding requirements and the availability of other funds. Except as indicated in a prospectus supplement, allocations of the proceeds to specific purposes will not have been made at the date of that prospectus supplement.

Table of Contents

In the event the sale of common stock is undertaken by the Selling Security Holder, we will not receive any proceeds from such sales.

We continually evaluate possible business combination opportunities. As a result, future business combinations involving cash, debt or equity securities may occur. Any future business combination or series of business combinations that we might undertake may be material, in terms of assets acquired, liabilities assumed or otherwise, to our financial condition.

REGULATORY CONSIDERATIONS

As a bank holding company, the Corporation is subject to regulation, supervision and examination by the Federal Reserve Board. For a discussion of elements of the regulatory framework applicable to the Corporation and its subsidiaries, please refer to our Annual Report on Form 10-K for the fiscal year ended December 31, 2008 and the other documents incorporated herein by reference as described under "Where You Can Find More Information." This regulatory framework is intended primarily for the protection of depositors and the federal deposit insurance fund and not for the protection of security holders, including holders of securities described in this prospectus. As a result of this regulatory framework, our results of operations and financial condition are affected by actions of the Federal Reserve Board and the FDIC, which insures the deposits of our subsidiary bank, the Bryn Mawr Trust Company.

Our ability to pay dividends on our common stock depends primarily on dividends we receive from the Bank. Under federal regulations, the dollar amount of capital distributions (including dividends) the Bank may make depends upon its capital position and recent net income. Generally, savings institutions, that before and after the proposed distribution remain well-capitalized, may make capital distributions during any calendar year equal to up to 100% of net income for the year-to-date plus retained net income for the two preceding years. However, an institution deemed to be in need of more than normal supervision by the Federal Reserve Board may have its dividend authority restricted by the Federal Reserve Board.

Under Pennsylvania law, the Corporation is generally prohibited from paying a dividend or making any other distribution if, after making such distribution, it would be unable to pay its debts as they become due in the usual course of business, or if its total assets would be less than the sum of its total liabilities plus the amount that would be needed if it were dissolved at the time of the distribution, to satisfy preferential rights on dissolution of holders of preferred stock ranking senior in right of payment to the capital stock on which the applicable distribution is made.

There are numerous other governmental requirements and regulations that affect our business activities. A change in applicable statutes, regulations or regulatory policy may have a material effect on our business and on our ability to pay dividends on our common stock. Depository institutions, like the Bank, are also affected by various federal laws, including those relating to consumer protection and similar matters.

In addition to the foregoing regulatory restrictions, we are and may in the future become subject to contractual restrictions that would limit or prohibit us from paying dividends on our common stock.

DESCRIPTION OF OUR COMMON STOCK

Authorized Common Stock

As of May 31, 2009, our authorized common stock, \$1.00 stated value per share, was 100,000,000 shares, of which 8,779,079 shares were issued and outstanding. Shares of our common stock, when issued against full payment of the purchase price, and shares of our common stock issuable upon conversion, exchange or exercise of any of the other securities offered by this prospectus, will be validly issued, fully paid and non-assessable.

Table of Contents

General

The holders of our common stock are entitled to

one vote for each share of common stock held;

receive dividends if and when declared by our board of directors from our unreserved and unrestricted earned surplus or our unreserved and unrestricted net earnings for the current fiscal year; and

share ratably in our net assets legally available to our shareholders in the event of our liquidation, dissolution or winding up, after payment in full of all amounts required to be paid to creditors and preferred shareholders, if any, or provision for such payment. Because we are a holding company, our rights and the rights of our creditors and shareholders to participate in the distribution of assets of a subsidiary on its liquidation or recapitalization may be subject to prior claims of the subsidiary's creditors, except to the extent that the Corporation itself may be a creditor having recognized claims against the subsidiary.

Holders of our common stock have no preemptive, subscription, redemption, conversion or cumulative voting rights. Our outstanding common stock is fully paid and nonassessable.

Our common stock is listed on the NASDAQ Global Market under the symbol **BMTC**. The transfer agent for our common stock is Mellon Investor Services LLC, 480 Washington Blvd., Newport Office Center VII, Jersey City, NJ. 07310.

Anti-Takeover Measures - Our Shareholder Rights Agreement and Pennsylvania Law

The Corporation has adopted a rights plan for its shareholders designed to protect the rights of the shareholders and discourage unwanted or hostile takeover attempts that are not approved by the Corporation's board of directors. The rights plan allows holders of the Corporation's common stock to purchase shares in either the Corporation or an acquirer of the Corporation at a discount to market value in response to specified takeover events that are not approved in advance by the Corporation's board of directors.

The Rights. On November 18, 2003, Corporation's board of directors declared a dividend of a right to acquire one one-fourths of a share of the Corporation's common stock for each share of the Corporation's common stock outstanding. The rights currently trade with and are inseparable from the Corporation's common stock.

Exercise Price. Each right allows its holder to purchase from the Corporation one one-fourths of a share of its common stock for \$22.50.

Exercisability. The rights will not be exercisable until the earlier of:

Ten business days (or such later date as may be determined by the Corporation's board of directors and publicly announced by the Corporation) after a public announcement by the Corporation that a person or group, has obtained beneficial ownership of 20% or more of the Corporation's outstanding common stock; or

Ten business days (or such later date as may be determined by the Corporation's board of directors and publicly announced by the Corporation) after a person or group begins a tender or exchange offer that, if completed, would result in that person or group becoming the beneficial owner of 20% or more of the Corporation's outstanding common stock.

The date when the rights become exercisable is referred to in the rights plan as the distribution date. After that date, the rights will be evidenced by rights certificates that the Corporation will mail to all eligible holders of its common stock. A person or a member of the group that has obtained beneficial ownership of 20% or more of the Corporation's outstanding common stock may not exercise any rights even after the distribution date.

Table of Contents

Consequences of A Person or Group Becoming an Acquiring Person. A person or group that acquires beneficial ownership of 20% or more of the Corporation's outstanding common stock is called an acquiring person.

Flip-In. When the Corporation publicly announces that a person has acquired 20% or more of its outstanding common stock, the Corporation can allow for rights holders, other than an acquiring person, to buy \$45.00 worth of its common stock for \$22.50. This is called a flip-in. Alternatively, the Corporation may elect to exchange one share of its common stock for each right, other than rights owned by an acquiring person, thus terminating the rights.

Flip Over. If after a person or group becomes an acquiring person, the Corporation merges or consolidates with another entity or 50% or more of the Corporation's consolidated assets or earning power are sold, all holders of rights, other than an acquiring person, may purchase shares of the acquiring company at 50% of their market value.

The Corporation's board of directors may elect to terminate the rights at any time before a flip-in occurs. Otherwise, the rights are currently scheduled to terminate in 2013.

The rights will not prevent a takeover of the Corporation. However, the rights may cause a substantial dilution to a person or group that acquires 20% or more of the Corporation's common stock, unless the board of directors first terminates the rights. Nevertheless, the rights should not interfere with a transaction that is in the Corporation's and its shareholder's best interest because the rights can be terminated by the board of directors before the transaction is completed.

The complete terms of the rights are contained in the Rights Agreement. The foregoing description of the rights and the Rights Agreement is qualified in its entirety by reference to the Rights Agreement.

Fiduciary Duties. The Pennsylvania Business Corporation Law of 1988 (Act of December 21, 1988, P.L. 1444) (PA BCL) explicitly provides that the fiduciary duty of directors does not require them to:

redeem any rights under, or to modify or render inapplicable, any shareholder rights plan;

render inapplicable, or make determinations under, provisions of the PA BCL relating to control transactions, business combinations, control-share acquisitions or disgorgement by certain controlling shareholders following attempts to acquire control; or

act as the board of directors, a committee of the board or an individual director, solely because of the effect such action might have on an acquisition or potential acquisition of control of the Corporation or the consideration that might be offered or paid to shareholders in such an acquisition.

DESCRIPTION OF WARRANTS

General

We may issue warrants in one or more series to purchase common stock. Warrants may be issued independently or together with the underlying common stock and may be attached to or separate from the underlying common stock. We will issue each series of warrants under a separate warrant agreement to be entered into between us and a warrant agent. The warrant agent will act solely as our agent in connection with the warrants of such series and will not assume any obligation or relationship of agency for or on behalf of holders or beneficial owners of warrants. The following outlines some of the general terms and provisions of the warrants. Further terms of the warrants and the applicable warrant agreement will be stated in the applicable prospectus supplement. The following description and any description of the warrants in a prospectus supplement are not complete and are subject to and qualified in their entirety by reference to the terms and provisions of the warrant agreement, which we will file with the SEC in connection with an issuance of any warrants.

Table of Contents

The applicable prospectus supplement will describe the terms of any warrants, including the following, as may be applicable:

the title of the warrants;

the total number of warrants to be issued;

the consideration for which we will issue the warrants, including the applicable currency or currencies;

anti-dilution provisions to adjust the number of shares of our common stock to be delivered upon exercise of the warrants;

the designation and terms of the underlying common stock purchasable upon exercise of the warrants;

the price at which and the currency or currencies in which investors may purchase the underlying common stock purchasable upon exercise of the warrants;

the dates on which the right to exercise the warrants will commence and expire;

the procedures and conditions relating to the exercise of the warrants;

whether the warrants will be in registered or bearer form;

information with respect to book-entry registration and transfer procedures, if any;

the minimum or maximum amount of warrants which may be exercised at any one time;

the date on and after which the warrants and common stock issued with the warrants will be separately transferable;

a discussion of material United States federal income tax considerations;

the identity of the warrant agent; and

any other terms of the warrants, including terms, procedures and limitations relating to the exchange, transfer and exercise of the warrants.

Warrant certificates may be exchanged for new warrant certificates of different denominations, and warrants may be exercised at the warrant agent's corporate trust office or any other office indicated in the applicable prospectus supplement. Prior to the exercise of their warrants, holders will not have any rights of holders of the common stock purchasable upon such exercise, including any rights to vote such shares of common

stock or to receive any distributions or dividends thereon.

Exercise of Warrants

A warrant will entitle the holder to purchase for cash an amount of common stock at an exercise price that will be stated in, or that will be determinable as described in, the applicable prospectus supplement. Warrants may be exercised at any time prior to the close of business on the expiration date and in accordance with the procedures set forth in the applicable prospectus supplement. Upon and after the close of business on the expiration date, unexercised warrants will be void and have no further force, effect or value.

Enforceability of Rights

The holders of warrants, without the consent of the warrant agent, may, on their own behalf and for their own benefit, enforce, and may institute and maintain any suit, action or proceeding against us to enforce, their rights to exercise and receive the common stock purchasable upon exercise of their warrants.

DESCRIPTION OF STOCK PURCHASE CONTRACTS

We may issue stock purchase contracts, including stock purchase contracts issued as part of a unit with one or more other securities, for the purchase or sale of our common stock. The price per share of common stock may be fixed at the time the stock purchase contracts are issued or may be determined by reference to a specific formula contained in the stock purchase contracts. We may issue stock purchase contracts in such amounts and in as many distinct series as we wish.

The applicable prospectus supplement may contain, where applicable, the following information about the stock purchase contracts issued under it:

whether the stock purchase contracts obligate the holder to purchase or sell, or both, our common stock and the nature and amount, or method of determining the amount;

whether the stock purchase contracts are to be prepaid or not;

whether the stock purchase contracts are to be settled by delivery, or by reference or linkage to the value, performance or level of our common stock;

any acceleration, cancellation, termination or other provisions relating to the settlement of the stock purchase contracts;

United States federal income tax considerations relevant to the stock purchase contracts; and

whether the stock purchase contracts will be issued in fully registered global form.

The applicable prospectus supplement will describe the terms of any stock purchase contracts. The preceding description and any description of stock purchase contracts in the applicable prospectus supplement does not purport to be complete and is subject to and is qualified in its entirety by reference to the stock purchase contract agreement and, if applicable, collateral arrangements and depositary arrangements relating to such stock purchase contracts.

DESCRIPTION OF UNITS

We may issue units consisting of any combination of one or more of the other securities described in this prospectus. The applicable prospectus supplement may contain, where applicable, the following information about the units issued under it:

the designation and the terms of the units and of any combination of the securities constituting the units, including whether and under what circumstances those securities may be held or traded separately;

any additional terms of the agreement governing the units;

any additional provisions for the issuance, payment, settlement, transfer or exchange of the units or of the securities constituting the units;

any applicable United States federal income tax consequences; and

whether the units will be issued in fully registered form.

The terms and conditions described under the description of the various securities registered hereby will apply to each unit that includes such securities and to the securities included in each unit, unless otherwise specified in the applicable prospectus supplement.

We may issue the units under one or more unit agreements to be entered into between us and a bank or trust company, as unit agent. We may issue units in one or more series, which will be described in the applicable prospectus supplement.

DESCRIPTION OF GLOBAL SECURITIES

Unless otherwise indicated in the applicable prospectus supplement, securities other than common stock will be issued in the form of one or more global certificates, or global securities, registered in the name of a depository or its nominee. Unless otherwise indicated in the applicable prospectus supplement, the depository will be The Depository Trust Company, commonly referred to as DTC. DTC has informed us that its nominee will be Cede & Co. Accordingly, we expect Cede & Co. to be the initial registered holder of all securities that are issued in global form. No person that acquires a beneficial interest in those securities will be entitled to receive a certificate representing that person's interest in the securities except as described herein or in the applicable prospectus supplement. Unless and until definitive securities are issued under the limited circumstances described below, all references to actions by holders of securities issued in global form will refer to actions taken by DTC upon instructions from its participants, and all references to payments and notices to holders will refer to payments and notices to DTC or Cede & Co., as the registered holder of these securities.

DTC has informed us that it is a limited-purpose trust company organized under the New York Banking Law, a banking organization within the meaning of the New York Banking Law, a member of the Federal Reserve System, a clearing corporation within the meaning of the New York Uniform Commercial Code, and a clearing agency registered pursuant to the provisions of Section 17A of the Exchange Act. DTC holds securities that DTC participants deposit with DTC. DTC also facilitates the settlement among DTC participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in DTC participants' accounts, thereby eliminating the need for physical movement of certificates. DTC participants include securities brokers and dealers, banks, trust companies and clearing corporations, and may include other organizations. DTC is a wholly owned subsidiary of the Depository Trust & Clearing Corporation, or DTCC. DTCC, in turn, is owned by users of its regulated subsidiaries. Indirect access to the DTC system also is available to others such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a participant, either directly or indirectly. The rules applicable to DTC and DTC participants are on file with the SEC.

Persons that are not participants or indirect participants but desire to purchase, sell or otherwise transfer ownership of, or other interests in, securities may do so only through participants and indirect participants. Under a book-entry format, holders may experience some delay in their receipt of payments, as such payments will be forwarded by our designated agent to Cede & Co., as nominee for DTC. DTC will forward such payments to its participants, who will then forward them to indirect participants or holders. Holders will not be recognized by the relevant registrar or agent as registered holders of the securities entitled to the benefits of our articles of incorporation or the applicable warrant agreement, unit agreement or stock purchase contract agreement. Beneficial owners that are not participants will be permitted to exercise their rights only indirectly through and according to the procedures of participants and, if applicable, indirect participants.

Under the rules, regulations and procedures creating and affecting DTC and its operations as currently in effect, DTC will be required to make book-entry transfers of securities among participants and to receive and transmit payments to participants. DTC rules require participants and indirect participants with which beneficial securities owners have accounts to make book-entry transfers and receive and transmit payments on behalf of their respective account holders.

Because DTC can act only on behalf of

participants, who in turn act only on behalf of participants or indirect participants, and

certain banks, trust companies and other persons approved by it, the ability of a beneficial owner of securities issued in global form to pledge such securities to persons or entities that do not participate in the DTC system may be limited due to the unavailability of physical certificates for these securities.

Table of Contents

DTC has advised us that DTC will take any action permitted to be taken by a registered holder of any securities under our articles of incorporation or the relevant warrant agreement, unit agreement or stock purchase contract agreement only at the direction of one or more participants to whose accounts with DTC such securities are credited.

Unless otherwise indicated in the applicable prospectus supplement, a global security will be exchangeable for the relevant definitive securities registered in the names of persons other than DTC or its nominee only if:

DTC notifies us that it is unwilling or unable to continue as depository for that global security or if DTC ceases to be a clearing agency registered under the Exchange Act when DTC is required to be so registered;

we execute and deliver to the relevant agent an order complying with the requirements of the applicable warrant agreement, unit agreement or stock purchase contract agreement that the global security will be exchangeable for definitive securities in registered form; or

there has occurred and is continuing a default in the payment of any amount due in respect of the securities.

Any global security that is exchangeable under the preceding sentence will be exchangeable for securities registered in such names as DTC directs.

Upon the occurrence of any event described in the preceding paragraph, DTC is generally required to notify all participants of the availability of definitive securities. Upon DTC surrendering the global security representing the securities and delivery of instructions for re-registration, the appropriate registrar or agent will reissue the securities as definitive securities, and then such persons will recognize the holders of such definitive securities as registered holders of securities entitled to the benefits of our articles or the relevant warrant agreement, unit agreement and/or stock purchase contract agreement.

Redemption notices will be sent to Cede & Co. as the registered holder of the global securities. If less than all of a series of securities are being redeemed, DTC will determine the amount of the interest of each direct participant to be redeemed in accordance with its then current procedures.

Except as described above, the global security may not be transferred except as a whole by DTC to a nominee of DTC or by a nominee of DTC to DTC or another nominee of DTC or to a successor depository we appoint. Except as described above, DTC may not sell, assign, transfer or otherwise convey any beneficial interest in a global security evidencing all or part of any securities unless the beneficial interest is in an amount equal to an authorized denomination for these securities.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that we believe to be accurate, but we assume no responsibility for the accuracy thereof. The policies and procedures of DTC may govern payments, transfers, exchanges and other matters relating to beneficial interests in a global security. None of the Corporation, any registrar, warrant or other relevant agent, or any agent of any of them, will have any responsibility or liability for any aspect of DTC's or any participant's records relating to, or for payments made on account of, beneficial interests in a global security, or for maintaining, supervising or reviewing any records relating to such beneficial interests.

SELLING SECURITY HOLDER

In April 2009, the Corporation sold 150,061 Shares of its common stock to Beneficial Mutual Bancorp, Inc (the Selling Security Holder) through a private placement of securities exempt from registration under Section 4(2) of the Securities Act of 1933, as amended. Pursuant to the terms of such private placement, the Selling Security

Holder was granted certain registration rights for the common stock it purchased in the transaction. All 150,161 shares of common stock currently held by the Selling Security Holder are included herein in connection with such registration rights.

A total of 150,061 shares of our common stock are to be offered under this prospectus for the account of the Selling Security Holder. For purposes of this prospectus, we have assumed that, after completion of the offering, none of the common stock covered by this prospectus will be held by the Selling Security Holder.

We do not know when or in what amounts the Selling Security Holder may offer the common stock for sale. The Selling Security Holder might not sell any or all of the common stock offered by this prospectus. Because the Selling Security Holder may offer all or some of the common stock pursuant to this offering, and because, to our knowledge, no sale of any of the common stock is currently subject to any agreements, arrangements or understandings, we cannot estimate the number of shares of common stock that will be held by the Selling Security Holder after completion of the offering.

Information about the Selling Security Holder may change over time and changed information will be set forth in supplements to this prospectus if and when necessary.

PLAN OF DISTRIBUTION

We may sell the securities in any of three ways (or in any combination):

through underwriters or dealers;

directly to a limited number of purchasers or to a single purchaser; or

through agents.

Each time that we use this prospectus to sell securities, we will also provide a prospectus supplement that contains the specific terms of the offering. Each prospectus supplement will include information regarding:

the name or names of any underwriters, dealers or agents and the amounts of securities underwritten or purchased by each of them;

the public offering price of the securities and the proceeds to us and any discounts, commissions or concessions allowed or reallocated or paid to dealers; and

any delayed delivery arrangements.

The offer and sale of the securities described in this prospectus by us, the underwriters or the third parties described above may be effected from time to time in one or more transactions, including privately negotiated transactions, either:

at a fixed price or prices, which may be changed;

at market prices prevailing at the time of sale;

at prices related to the prevailing market prices; or

at negotiated prices.

Any public offering price and any discounts or concessions allowed or reallocated or paid to dealers may be changed from time to time.

If underwriters are used in the sale of any securities, the securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions, including negotiated transactions,

at a fixed public offering price or at varying prices determined at the time of sale. The securities may be either offered to the public through underwriting syndicates represented by managing underwriters, or directly by underwriters. Generally, the underwriters' obligations to purchase the securities will be subject to certain conditions precedent. The underwriters will be obligated to purchase all of the securities if they purchase any of the securities.

We may sell the securities through agents from time to time. The prospectus supplement will name any agent involved in the offer or sale of securities and any commissions we pay to them. Generally, any agent will be acting on a best efforts basis for the period of its appointment.

We may authorize underwriters, dealers or agents to solicit offers by certain purchasers to purchase securities at the public offering price set forth in the prospectus supplement pursuant to delayed delivery contracts providing for payment and delivery on a specified date in the future. The contracts will be subject only to those conditions set forth in the prospectus supplement, and the prospectus supplement will set forth any commissions or discounts we pay for solicitation of these contracts.

Agents and underwriters may be entitled to indemnification by us against certain civil liabilities, including liabilities under the Securities Act of 1933, as amended, or to contribution with respect to payments which the agents or underwriters may be required to make in respect thereof. Agents and underwriters may be customers of, engage in transactions with, or perform services for us in the ordinary course of business.

The Selling Security Holder may sell all or a portion of the common stock beneficially owned by them and offered by this prospectus from time to time directly or through one or more underwriters, broker-dealers or agents. If common stock is sold through underwriters or broker-dealers, the Selling Security Holder will be responsible for underwriting discounts or commissions or agent's commissions. The common stock may be sold in one or more transactions at fixed prices, at prevailing market prices at the time of the sale, at varying prices determined at the time of sale, or at negotiated prices.

The Selling Security Holder may also sell common stock under Rule 144 under the Securities Act of 1933, if available, rather than under this prospectus.
