Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) Compensatory Arrangements of Certain Officers

On March 23, 2010, the Compensation Committee of the Company established (i) the classes and number of employees (which includes the Company's executive officers) eligible to receive an award under the Company's Annual Incentive Plan (the "AIP") for the 2010 performance year, (ii) the aggregate target award for each employee class for the 2010 performance year and (iii) the maximum award payable to any employee class under the AIP for the 2010 performance year.

In addition, the Compensation Committee determined that the Financial Target (as such term is defined in the AIP) for the 2010 performance year will be expressed in terms of one metric, namely Operating Income, for either the Company or one of its operating units, as applicable. The term "Operating Income" is defined as operating income (or loss) as it appears on the Company's consolidated statement of operations for 2010, increased or decreased by certain specified items.

The named executive officers' target bonuses under the AIP for 2010 (expressed as a percentage of salary) are as follows: Mr. Drendel 115%, Mr. Leonhardt 70%, Mr. Garrett 85%, Mr. Edwards 85%, Mr. Hally 75% and Mr. Crenshaw 75%. Amounts payable under the AIP for the 2010 performance year can range from 0% to 200% of the targeted awards, based on the extent to which actual Operating Income meets, exceeds or is below the applicable Financial Target.

With respect to the Company's Policy on Discretionary Performance Compensation (the "Policy"), on March 23, 2010, the Compensation Committee of the Company established the 2010 Percentage (as defined in the Policy) for payment of Discretionary Performance Compensation (also as defined in the Policy). For the 2010 fiscal year, Percentages payable under the Policy can range from 0% to 2% of annualized base salary as of December 31, 2010, based on the Company's Operating Income (as defined for purposes of the Company's 2010 AIP Financial Targets). For the Company's executive officers, the Compensation Committee set the percentage at 2% for the 2010 fiscal year if the Company's Operating Income equals or exceeds 100% of the target set forth in the AIP. That percentage decreases as the percent of target reached decreases, down to 0% if less than 50% of the AIP Adjusted Operating Income target is reached.
