ATTENTION REORGANIZATION/CORPORATE ACTIONS DEPARTMENT MANAGERS:

Please note the following important issues concerning the U.S. Offer described above:

The successful completion of the U.S. Offer is contingent on, among other things, more than 95% of OJSC VimpelCom s outstanding shares being tendered into the Offers.

There is no guarantee period.

ADSs traded in regular way transactions on April 13, 14 or 15, 2010 will not settle in time to be validly tendered into the U.S. Offer.

Any shares held by your customers that are on loan will need to be recalled by April 15, 2010 in order to be validly tendered into the U.S. Offer by you on behalf of your customers.

After the successful completion of the Offers, VimpelCom Ltd. DRs will commence regular way trading on April 21, 2010 on the NYSE.

Prior to April 21, 2010, VimpelCom Ltd. will seek to have its DRs traded on a when-issued basis on the NYSE as early as April 16, 2010.

Customers who wish to receive VimpelCom Ltd. DRs for their OJSC VimpelCom ADSs must take action and provide tender instructions to participate in the U.S. Offer prior to the Expiration Date.

Customers who do not tender into the U.S. Offer will **NOT** receive VimpelCom Ltd. DRs.

If the U.S. Offer is successful, any unexchanged OJSC VimpelCom ADSs will be delisted from the NYSE, and will be bought in a mandatory squeeze-out at a later stage at a price to be determined under Russian law.

In order to tender into the U.S. Offer your customers must have fully settled trades in OJSC VimpelCom ADSs by the close of the U.S. Offer on April 15 2010. Any ADSs not fully settled by this date will not be eligible for the tender. It is crucial to make sure your customers are aware of this fact and can take appropriate action in a timely manner in order to be eligible to tender the ADSs they hold or plan to acquire.

The Board of Directors of OJSC VimpelCom has unanimously recommended that OJSC VimpelCom ADS holders tender their ADSs in the U.S. Offer, but not elect the nominal cash consideration alternative (equal to approximately US\$0.000017 per ADS), which is offered solely to comply with Russian law requirements and is not intended to represent fair value.

Please notify your customers and your brokers or customer representatives of these important provisions.
