Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

As a corporation incorporated under Delaware law, the Company's indemnification of its directors and officers is governed by the Delaware General Corporation Law (the "DGCL"). The Company's Certificate of Incorporation and Bylaws provide indemnification to its directors and officers to the fullest extent permitted by the DGCL, as discussed in greater detail below. In addition, the Company has entered into indemnification agreements with each of its officers and directors. The Company also purchases and maintains insurance on behalf of any person who is or was a director or officer against any loss arising from any claim asserted against him or her and incurred by him or her in any such capacity, subject to certain exclusions.

Section 102(b)(7) of the DGCL allows a corporation to eliminate the personal liability of a director to the corporation or to any of its stockholders for monetary damages for a breach of fiduciary duty, except for liability (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit. Article VII of the Company's Certificate of Incorporation contains such a provision.

In addition, Section 145 of the DGCL authorizes a court to award, or a corporation's board of directors to grant, indemnity to directors and officers under certain circumstances for liabilities incurred in connection with their activities in such capacities (including reimbursement for expenses incurred). Article VI of the Company's Bylaws provides that, to the fullest extent permitted by the DGCL, the Company shall indemnify and hold harmless each person who was or is a party to or threatened to be made party to an action, suit, or proceeding, whether civil, criminal, administrative or investigative, because he or she is or was a director or officer of the Company. This indemnification under Article VI of the Company's Bylaws also includes the right to be advanced certain expenses incurred in defending any such proceeding, provided, as required under the DGCL, that the indemnified person undertakes to repay all amounts advanced to him or her if he or she is determined by final adjudication to not have been entitled to such expenses.

The Company has entered into an indemnification agreement with each of its directors and officers, which, subject to certain procedures and conditions, provides that the Company will indemnify the individual, to the fullest extent permitted by Delaware law, against certain amounts actually and reasonably incurred if, by reason of his or her status as a director or officer of the Company, he or she was or is a party or is threatened to be made a party to certain legal proceedings, or if she or he is a witness or required to give evidence in certain proceedings.

The foregoing is only a general summary of certain aspects of (1) Delaware law, (2) the Company's Certificate of Incorporation, (3) the Company's Bylaws, and (4) the Company's indemnity contract with each director and officer, as each addresses the indemnification of directors and officers. This general summary does not purport to be complete and is qualified in its entirety by reference to the relevant provisions of each item referenced, the last three of which are on file with the Commission.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Pursuant to the requirements of the Securities Act, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Lafayette, State of Louisiana, on August 20, 2010.
