Item 7.01. Regulation FD Disclosure.

On August 16, 2010, Windstream Communications, Inc. (Windstream or the Company) and Q-Comm Corporation (Q-Comm), a privately held regional fiber transport and competitive local exchange carrier based in Overland Park, Kansas, entered into an agreement and plan of merger (the Merger Agreement) pursuant to which Windstream has agreed to acquire all of the issued and outstanding shares of Q-Comm common stock. The transaction includes Q-Comm's wholly owned subsidiaries Kentucky Data Link, Inc., a fiber services provider in 22 states, and Norlight, Inc., a competitive local exchange carrier serving approximately 5,500 access lines. The boards of directors of both Windstream and Q-Comm have approved the transaction, which is expected to close in the fourth quarter of 2010, subject to certain conditions, including necessary approvals from federal and state regulators.

Under the terms of the Merger Agreement, Windstream will pay approximately \$278 million in cash consideration and issue approximately 20.6 million shares of Windstream Common Stock valued at approximately \$237 million, based on Windstream's closing stock price on August 17, 2010. Windstream also will repay estimated net debt of approximately \$267 million. The Company expects that cash on hand, together with amounts available under its revolving line of credit, will be sufficient to finance the cash portion of the purchase price and debt repayment, but it may choose to raise additional debt financing to fund all or a portion of these cash requirements.
