PROXY STATEMENT

For the Annual Meeting of Shareholders to be held on October 27, 2010

SOLICITATION

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of SPARTON CORPORATION, an Ohio corporation (the Company), of proxies for use at the 2010 Annual Meeting of Shareholders of the Company (the Annual Meeting) to be held at 425 North Martingale Road, Schaumburg, Illinois 60173-2213, at the 425 Executive Conference Center on Wednesday, October 27, 2010, at 10:00 a.m., Local Time, and at any and all adjournments thereof. The cost of solicitation will be paid by the Company. The Company has retained Morrow & Company, Inc. to assist in the solicitation of proxies at an estimated cost of \$12,500, plus expenses. In addition, officers and employees of the Company and its subsidiaries may solicit proxies personally, by telephone, facsimile or other means, without additional compensation. This Proxy Statement and the form of proxy card are expected to be mailed to shareholders on or about September 27, 2010.

At the meeting, the Company's shareholders will act upon five proposals. The first proposal is the election of three directors, each to serve for a three-year term until the annual meeting held in the year 2013 or until their successors are qualified and elected. The second proposal is the ratification of the appointment of independent auditors. The third proposal is the approval and adoption of the Second Amended Articles of Incorporation. The fourth proposal is the approval and adoption of the Amended and Restated Code of Regulations. The fifth proposal is the approval of the compensation of the Named Executive Officers (defined below) by a non-binding vote. The proposals are described in more detail in this Proxy Statement.

OUTSTANDING STOCK AND VOTING RIGHTS

In accordance with the Code of Regulations of the Company, the Board of Directors has fixed the close of business on September 21, 2010 as the record date for determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. Only shareholders of record on that date will be entitled to vote. As of the record date for the Annual Meeting, the Company had outstanding 10,200,534 shares of common stock, each entitled to vote at the Annual Meeting. Votes cast at the meeting and votes submitted by proxy are counted by the inspectors of the election, who are appointed by the Company.

Voting by Proxy

If a shareholder is a corporation or partnership, the accompanying proxy card should be signed in the full corporate or partnership name by a duly authorized person. If the proxy card is signed pursuant to a power of attorney or by an executor, administrator, trustee or guardian, the signer's full title should be given and a certificate or other evidence of appointment should be furnished.

You can vote in one of four ways. You can vote by mail, you can authorize the voting of your shares over the Internet, you can authorize the voting of your shares by telephone or you can vote in person at the Annual Meeting.

If you choose to vote by mail, you may vote by completing and signing the proxy card that accompanies this Proxy Statement and promptly mailing it in the enclosed postage-prepaid envelope. You do not need to put a stamp on the enclosed envelope if you mail it in the United States. The shares you own will be voted according to the instructions on the proxy card you mail. If you return the proxy card, but do not give any instructions on a

Table of Contents

particular matter described in this Proxy Statement, the shares you own will be voted in accordance with the recommendations of the Company's Board of Directors. If you choose to vote by mail, your duly signed proxy card must be received by 11:59 p.m., Central Daylight Time, on October 26, 2010.

If you choose to vote over the Internet or by telephone, instructions for a shareholder of record to vote by telephone or the Internet are set forth on the enclosed proxy card. The telephone and Internet voting procedures are designed to authenticate votes cast by use of a personal identification number that appears on the proxy card. These procedures, which comply with Ohio law, allow shareholders to appoint a proxy to vote their shares and to confirm that their instructions have been properly recorded. If you vote over the Internet or by telephone, you do not have to mail in your proxy card, but your vote must be received by 11:59 p.m. Central Daylight Time on October 25, 2010.

Morrow & Company, Inc. may solicit your proxy up to the date and time of the meeting.

If you participate in the Company's 401(k) retirement savings plan (the 401(k) Plan) and hold shares in your plan account, you may give voting instructions as to the number of shares credited to your account as of the record date. You may provide voting instructions (or a change or revocation in voting instructions) to the plan trustee, SunTrust Banks, Inc. (SunTrust), through any of the voting methods described above, except that you may not vote your plan shares in person at the Annual Meeting. Only the trustee of the 401(k) Plan, SunTrust, may vote your plan shares. Your voting instructions (or change or revocation in voting instructions) must be received before 11:59 p.m. Central Daylight Time on October 25, 2010.

If you are not the record holder of the shares you own because they are held in street name by a bank or brokerage firm, your bank or brokerage firm is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your bank or brokerage firm provides you. Many banks and brokerage firms also offer the option of voting over the Internet or by telephone, instructions for which would be provided by your bank or brokerage firm on your vote instruction form. Under the rules of The New York Stock Exchange (NYSE), if you do not give instructions to your brokerage firm, it may still be able to vote your shares with respect to certain discretionary items that are deemed by the NYSE to be routine (e.g., the ratification of the appointment of independent auditors), but it will not be allowed to vote your shares with respect to certain non-discretionary items. Effective January 1, 2010, the election of directors is no longer considered to be a routine matter, and your broker will not have discretionary authority with respect to election of directors. If you do not provide voting instructions to your broker with respect to non-discretionary items such as election of directors, your shares will not be voted for any such proposal. In such case, the shares will be treated as broker non-votes.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted. Proxies may be revoked by (i) filing a written notice of revocation with the Chairman or Secretary of the Company, at or before the Annual Meeting, (ii) duly executing a subsequent proxy relating to the same shares and delivering it to the Chairman or Secretary of the Company either signed and returned by mail or transmitted using the telephone or Internet procedures at or before the Annual Meeting subject to deadlines set forth above or (iii) attending the Annual Meeting and voting in person with adequate notification (although attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy). Unless revoked, the shares represented by the enclosed proxy will be voted at the meeting in accordance with any specification made thereon, if the proxy is returned properly executed and delivered in time for voting in accordance with the deadlines set forth above. Unless otherwise specified, the proxy will be voted FOR the election of the three director nominees, FOR the ratification of the appointment of independent auditors, FOR the approval and adoption of the Second Amended Articles of Incorporation, and FOR the approval and adoption of the Amended and Restated Code of Regulations.

Management does not intend to present, and does not know of anyone who intends to present, any matters at the meeting to be acted upon by the shareholders not referred to in the Notice and this Proxy Statement. If any other matters should properly come before the meeting, it is the intention of the persons named in the proxy to vote in accordance with their judgment on such matters.

CORPORATE GOVERNANCE AND BOARD MATTERS

Independent Directors

The listing requirements under Section 303A.01 of the NYSE Listed Company Manual (the "Manual") provide that a majority of the members of a listed company's board of directors must be independent. The question of independence is determined with respect to every director pursuant to standards set forth in the Manual. The Manual also requires that certain committees be composed entirely of independent directors. The committees covered by this requirement are the Audit, Compensation, and Nominating and Corporate Governance Committees. Based upon the standards set forth in the Manual, as of the date of this Proxy Statement, eight of the Board's nine members, being more than a majority of the Board, are independent. All current members of the Audit, Compensation, and Nominating and Corporate Governance Committees are independent in that those directors do not have a material relationship with the Company directly or as a partner, shareholder or affiliate of an entity that has a relationship with the Company.

In making such determinations, the Board considered (i) whether a director had, within the last three years, any of the relationships under Section 303A.02(b) of the Manual with the Company that would disqualify a director from being considered independent, (ii) whether the director had any disclosable transaction or relationship with the Company under Item 404 of Regulation S-K of the Securities and Exchange Act of 1934, as amended ("Exchange Act"), which relates to transactions and relationships between directors and their affiliates, on the one hand, and the Company and its affiliates (including management), on the other, and (iii) the factors suggested in the NYSE's Commentary to Section 303A.02, such as commercial, industrial, banking, consulting, legal, accounting, charitable or familial relationships, among other relationships, or other interactions with management that do not meet the absolute thresholds under Section 303A.02 or Item 404(a) but which, nonetheless, could reflect upon a director's independence from management. In considering the materiality of any transactions or relationships that do not require disqualification under Section 303A.02(b), the Board considered the materiality of the transaction or relationship to the director, the director's business organization and the Company and whether the relationship between (i) the director's business organization and the Company, (ii) the director and the Company and (iii) the director and his or her business organization interfered with the relevant director's business judgment.

Based on the foregoing, the Company has determined that the following directors are independent:

James D. Fast Chairman, Compensation Committee

Joseph J. Hartnett Chairman, Audit Committee

David P. Molfenter Chairman of the Board and Chairman, Executive Committee

William I. Noecker

Douglas R. Schrank Chairman, Nominating and Corporate Governance Committee

W. Peter Slusser

James R. Swartwout

Lynda J.-S. Yang, M.D.

James N. DeBoer (1)

(1) Mr. DeBoer did not stand for re-election at the annual shareholders meeting held on October 27, 2009.

Meetings of Independent Directors

The Independent Directors schedule meetings in executive sessions without the presence of the Company's management. The Chairman presides over the sessions during the year.

The Independent Directors met four times during the last fiscal year.

Shareholders wishing to communicate directly with the Independent Directors may send correspondence addressed as follows:

Chairman

Mr. David P. Molfenter has been elected by the directors as the Chairman. The Chairman provides leadership to enhance the Board's effectiveness, presides over meetings of the directors, and serves as a liaison between the Board and management. The Chairman is responsible for determining when to hold, and who shall preside over, executive sessions held by the Independent Directors. If a shareholder, employee, or third party prefers not to communicate directly with the entire Board of Directors or management, communications may be sent to the Chairman, in care of the Corporate Secretary, using the above address.

Board Leadership Structure and Board and Committee Information

The Company's Board of Directors consists of eight Independent Directors, including the Chairman of the Board, Mr. Molfenter, and one Management Director, Mr. Cary B. Wood, the President and Chief Executive Officer of the Company. The Board has established four committees, being the Audit, Compensation, Executive and Nominating and Corporate Governance, as further detailed below. Each of the committees, other than the Executive Committee, is comprised solely of Independent Directors, and each committee has a different chair. The Company believes that its predominantly independent Board, mixed with the experience of its management director, constitutes a leadership structure that is most appropriate for the Company and its shareholders.

The Board of Directors, which had ten meetings, including the 2009 Annual Meeting, during the past fiscal year, has standing Audit, Compensation, Executive, and Nominating and Corporate Governance Committees.

Audit Committee

The Audit Committee met four times during fiscal year 2010 and is comprised of Messrs. Joseph J. Hartnett (Chairman), William I. Noecker and Douglas R. Schrank. The Audit Committee operates under a written charter and oversees auditing, financial reporting and internal control matters regarding accounting and financial controls. It also selects the firm that the Company retains as its independent auditors and recommends the ratification of their selection by the shareholders. The Audit Committee consults with the independent auditors and oversees their audit and other work. The Audit Committee also consults with the Chairman of the Board, President and Chief Executive Officer, and Chief Financial Officer and oversees those individuals who review the Company's internal controls and compliance with policies. Each member of the Audit Committee is independent, as defined under the NYSE listing standards. Each of Mr. Hartnett (Chairman) and Mr. Noecker, in addition to being independent, qualifies as an audit committee financial expert as defined in the Securities and Exchange Commission's (SEC) Regulation S-K, Item 407(d)(5)(ii). Mr. Hartnett's relevant financial experience includes that he is a licensed Certified Public Accountant in the State of Illinois since 1982, and has advised multiple boards and audit committees with respect to accounting matters. Mr. Hartnett has a B.S. in Accounting from the University of Illinois - Chicago, served with Grant Thornton LLP from 1978 to 2000, and was an audit partner with Grant Thornton LLP from 1992 to 2000. Mr. Hartnett served as the Chief Financial Officer of U.S. Robotics Corporation, an Internet communications products company. Mr. Noecker's relevant financial experience includes that he received his Masters of Business Administration from the University of Michigan in 1973, was licensed as a Certified Public Accountant by the State of Michigan in 1976 and was an accountant at Touche Ross & Co. (now Deloitte & Touche USA LLP) from October 1973 until March 1978. For

Table of Contents

additional detail, see the table below beginning on page 10 describing the members of the Board of Directors and their respective experience, qualifications, attributes and skills. The independent auditors have access to the Audit Committee without any other members of management being present. The Audit Committee met with management and the independent auditors before the announcement of earnings each quarter. The Audit Committee also met with the independent auditors without management present on two occasions during fiscal 2010. The Audit Committee also reviewed the annual consolidated financial statements and annual report on Form 10-K and the Audit Committee report in this Proxy Statement before each was filed with the SEC.

Compensation Committee

The Compensation Committee, which held nine meetings during fiscal year 2010 and is comprised of Messrs. James D. Fast (Chairman), W. Peter Slusser and James R. Swartwout, monitors the remuneration, including restricted stock and stock options, for the Company's management, including the Named Executive Officers. The Compensation Committee is not authorized to delegate its authority to others, with the exception of the delegation to the Chief Executive Officer of the formulation of proposed compensation amounts to executives and proposed compensation plans and processes. The Compensation Committee does not, as a matter of regular practice, employ compensation consultants to determine the amount or form of executive compensation. In fiscal 2010, however, the Compensation Committee authorized management to engage a consultant to review base salary, and short-term and long-term awards for certain members of management, including the Named Executive Officers. For further detail regarding the engagement, see page 26 below under the heading *Compensation Consultants*. The compensation philosophy, the compensation components, and their application as described in the Compensation Discussion and Analysis, which appears below, are generally employed by the Compensation Committee in connection with the compensation for all of the executives of the Company.

Executive Committee

The Executive Committee, which is comprised of Messrs. David P. Molfenter (Chairman), James D. Fast, Cary B. Wood, and James R. Swartwout met three times during fiscal 2010. With certain limitations, the Executive Committee generally is empowered to act for the full Board of Directors in intervals between Board meetings, with the exception of certain matters that by law may not be delegated. The Executive Committee meets as necessary, and all actions by the Executive Committee are reported at the next Board of Directors meeting.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee, which is comprised of Messrs. Douglas R. Schrank (Chairman), Joseph J. Hartnett and Lynda J-S Yang, M.D., held four meetings during fiscal year 2010. Additionally, the Nominating and Corporate Governance Committee held informal working sessions to discuss the changes to the Second Amended Articles of Incorporation and the Amended and Restated Code of Regulations, described below in proposals 3 and 4. The Nominating and Corporate Governance Committee reviews the makeup of the existing Board of Directors and the tenure of its members, consistent with appropriate principles of corporate governance and applicable regulations, and reviews and recommends director remuneration to the full Board of Directors. The Nominating and Corporate Governance Committee also receives candidate resumes, and considers and recommends candidates for election to the Board consistent with the needs of the Company, regulatory requirements, and the qualifications of the candidates. The Nominating and Corporate Governance Committee has implemented a formal process for consideration of candidates, which is described under *Director Qualifications* below.

Board Role in Risk Oversight

The Company's management team is responsible for identifying and monitoring the material risks facing the Company, and the Board is responsible for oversight of management's efforts with respect to risk, which oversight occurs at both the Board and the committee level. The Audit Committee is charged with reviewing the

Table of Contents

adequacy and effectiveness of the accounting and financial controls, including the Company's systems to monitor, assess and manage financial, business, legal and compliance risk. Management provides regular updates throughout the year regarding the management of the risks they oversee.

The Company's risk structure allows the Company's Independent Directors to exercise effective oversight of the actions of management, led by Mr. Wood as Chief Executive Officer and President, in identifying risks and implementing effective risk management policies and controls.

Corporate Governance

The Board of Directors has adopted Corporate Governance Guidelines applicable to the Company. The Nominating and Corporate Governance Committee reviews the Guidelines annually to determine whether to recommend changes to the Board of Directors to reflect new laws, rules and regulations and developing governance practices. The Guidelines address several key areas of corporate governance, including the Company's governance philosophy, director responsibilities, Board composition, Board meetings and committees, director independence, and director compensation. The Guidelines are available on the Company's website, www.sparton.com.

In addition to the Guidelines, the Board adopted charters for the Compensation, Audit, Executive, and Nominating and Corporate Governance Committees addressing corporate governance issues. These charters address issues such as independence of the committee members, committee organization and powers, member qualifications, duties and responsibilities, and corporate governance. As of June 30, 2010, all members of the Audit, Compensation, and Nominating and Corporate Governance Committees were Independent Directors. Copies of the charters for each of these committees are located on the Company's website, www.sparton.com. The Company continues to develop and refine its Corporate Governance policies and practices and their place within the committee structure of the Board of Directors.

Code of Business Conduct and Ethics

The Company's Code of Business Conduct and Ethics sets forth the Company's corporate values and expresses the dedication of the Company to its employees, officers and members of the Board of Directors as to the Company's principles and goals. The Code of Business Conduct and Ethics governs the actions and working relationships of the Company's employees, officers and directors, and sets forth the standard of conduct of the Company's business at the highest ethical level and in compliance with all applicable laws and regulations.

To the extent any waiver is granted with respect to the Code of Business Conduct and Ethics that requires disclosure under applicable SEC rules, such waiver will also be posted on the Company's website, as will any amendment that may be adopted from time to time.

Additionally, the Company has established the following statement of its Corporate Values :

We demand performance excellence in all that we do.

We demand integrity of ourselves, our products, and our services.

We foster growth and success in an environment of teamwork, collaboration, empowerment, and accountability.

We develop long term, trusting relationships to ensure mutually profitable growth.

We will maintain a safe and environmentally sound workplace.

We will be good corporate citizens in the communities in which we reside.

Whistleblower Provisions

It is the Company's policy to encourage its employees and other persons to disclose improper activities, and to address complaints alleging acts of reprisal or intimidation resulting from disclosure of improper activities. Individuals wishing to report improper activities may call the Company's Whistleblower service at 1-866-393-7585. Activities may be reported anonymously if desired.

Director Attendance at Meetings

All directors attended at least 75% of the aggregate total number of meetings of the Board and committees on which they serve (during the period that each director served). In addition, the directors are expected to attend the Annual Shareholders' Meeting. At the Company's fiscal 2009 Annual Meeting, ten of the directors were in attendance (including the two directors who did not stand for re-election). During fiscal 2010, under the auspices of the Nominating and Corporate Governance Committee, the Board of Directors conducted a program for director education which was facilitated by the National Association of Corporate Directors.

Director Qualifications

The Nominating and Corporate Governance Committee is responsible for reviewing with the Board of Directors, from time to time, the appropriate qualities, skills and characteristics desired for members of the Board of Directors in the context of the current make-up of the Board. This assessment includes consideration of the following summary of qualifications that the Nominating and Corporate Governance Committee believes must be met by all directors, as well as the following considerations for the composition of the Board of Directors as a whole.

Essential Qualities

Relevant and substantial business experience, with an understanding of what is involved in leading a company

Sound business instincts and judgment, with the ability to make informed and strategic decisions

Professional and personal reputation and integrity consistent with the Company's Code of Business Conduct and Ethics

Strong interpersonal skills evidencing the ability to work as part of a group and express views that are both challenging to and supportive of management

Commitment and availability to the Company to perform necessary and desired duties, with the ability to accept accountability for their role in decisions of the Board of Directors

Genuine interest in the Company, its business, and its people, with a willingness to remain committed over a period of several years

Board Composition Considerations

Strategic mix of directors allowing for diverse expertise and experience fitting the specific needs of the Company, now and anticipated in the future

Multiple directors possessing understanding and expertise in the area of accounting and finance

Edgar Filing: SPARTON CORP - Form DEF 14A

Multiple directors with specific experience and knowledge of the risks and challenges unique to the industry in which the Company operates

Visionaries with the ability to lead, manage change, and assist in the continued growth of the Company

Familiarity and ability to relate to, and deal with, the media and various financial markets

While Sparton does not have a formal written diversity policy, the Board considers diversity of director nominees in an effort to promote balanced deliberation and consideration of matters presented to the Board

Table of Contents

These factors and others are considered useful by the Board of Directors, and are considered in an assessment of the perceived needs of the Board of Directors at a particular point in time.

Process for Identifying and Evaluating Director Nominees

The Board of Directors is responsible for selecting its own members. The Board of Directors delegates the evaluation, selection and nomination process to the Nominating and Corporate Governance Committee, with the expectation that other members of the Board of Directors and management will be requested to take part in the process as appropriate.

Once candidates have been identified, the Nominating and Corporate Governance Committee confirms that the candidates meet all of the qualifications for director nominees established by the Nominating and Corporate Governance Committee. Potential candidates for directors are generally suggested to the Committee by current members of the Board of Directors and the shareholders, and are evaluated at meetings of the Committee. Based on the results of the evaluation process, the Nominating and Corporate Governance Committee recommends candidates for the Board's approval as director nominees for election to the Board of Directors. The Nominating and Corporate Governance Committee also recommends candidates for the Board's appointments to the committees of the Board.

Procedure for Recommendation of Director Nominees by Shareholders

The Nominating and Corporate Governance Committee will consider director candidates who are recommended by shareholders of the Company. As required by Article VIII of the Company's Code of Regulations, to recommend a nominee, a shareholder should write to the Company's Corporate Secretary at 425 N. Martingale Road, Suite 2050, Schaumburg, Illinois 60173-2213. Under the current Code of Regulations, to be considered by the Nominating and Corporate Governance Committee for nomination and inclusion in the Company's Proxy Statement for its 2011 Annual Meeting of Shareholders, a shareholder recommendation for a director must be received by the Company's Secretary no later than 60 days prior to the Annual Meeting. Any recommendation must include (i) the name and address of the candidate, (ii) a brief biographical description, including his or her occupation for at least the last five years, and a statement of the qualifications of the candidate, taking into account the qualification requirements summarized above, (iii) a consent signed by the candidate agreeing to be named in the Proxy Statement and to serve as a director if elected, (iv) a representation by the nominating shareholder that such shareholder is a holder of record of shares of capital stock of the Company, (v) a representation by the nominating shareholder that such shareholder will continue to hold such shares through the date of the Annual Meeting, and (vi) a representation by the nominating shareholder that such shareholder intends to appear in person or by proxy at the Annual Meeting to nominate the candidate. Further information regarding shareholder recommendation of director candidates is contained in the Nominating and Corporate Governance Committee Charter, which is available at the Company's website at www.sparton.com.

Assuming the appropriate biographical and background material is provided for candidates submitted by shareholders, the Nominating and Corporate Governance Committee will evaluate those candidates by following the same process, and applying the same criteria, as for candidates submitted by members of the Board of Directors. All director nominees recommended for election at the 2010 Annual Meeting are current members of the Board of Directors.

This procedure will change if proposal 4 of this Proxy Statement is approved by the shareholders at the Annual Meeting. See the discussion of the proposed changes below under the heading "Proposal 4 Approval and Adoption of the Amended and Restated Code of Regulations."

PROPOSAL 1

ELECTION OF DIRECTORS

Director Nominees

Mr. David P. Molfenter, Mr. W. Peter Slusser and Dr. Lynda J.-S. Yang, current directors whose terms of office expire at the Annual Meeting, are nominees for election to a three year term expiring in 2013. The nominations were made by the Nominating and Corporate Governance Committee and approved by the Board of Directors. However, if proposal 4 is approved, the term of each director serving as of and immediately prior to the 2011 Annual Meeting of the Shareholders will expire as of the date of the meeting, subject to election and qualification of his or her successor, and all directors will be elected annually for one year terms.

Each share of common stock is entitled to one vote for each of the three director positions being filled at the Annual Meeting. A plurality of the votes cast at the meeting is required to elect the nominees as directors of the Company. As such, the three individuals who receive the greatest number of votes cast by the holders of common stock will be elected as directors. Shares not voted at the Annual Meeting, whether by abstention, broker non-vote, or otherwise, will not be treated as votes cast at the meeting.

It is believed that all three nominees are, and will be at the time of the Annual Meeting, available for election; and, if elected, will serve. However, in the event one or more of them is or should become unavailable, or should decline to serve, it is intended that the proxies will be voted for the balance of the nominees and for such substitute nominee or nominees as the proxy holders may in their discretion select.

Board Recommendations

The Board of Directors recommends a vote FOR the election of each of the three nominees, David P. Molfenter, W. Peter Slusser and Dr. Lynda J.-S. Yang.

Unless otherwise directed by marking the accompanying proxy, the proxy holders named therein will vote FOR the election of the three nominees.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Relationship with Independent Auditors

The Audit Committee appoints the independent registered public accounting firm to serve as the Company's independent auditor. BDO USA, LLP (BDO USA) is currently the independent auditor for the Company. In addition to performing the audit of the Company's consolidated financial statements, BDO USA provided various other services during fiscal 2010. The Audit Committee has considered the provision of all non-audit services performed by BDO USA during fiscal 2010 with respect to maintaining auditor independence. The Audit Committee reviewed and pre-approved all professional services requested of, and performed by, BDO USA. The aggregate fees billed for fiscal 2010 and 2009 for each of the following categories of services are set forth below.

Pursuant to the Pre-Approval Policy, the Audit Committee annually reviews and pre-approves the services that may be provided by the independent auditor without obtaining specific pre-approval from the Audit Committee, and such services are considered approved through the next annual review. The Audit Committee revises the list of pre-approved services from time to time based on subsequent determinations. The Audit Committee may delegate

pre-approval authority to one or more of the members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. All Other Fees		
Total	\$ 644	\$ 478

Audit-Related Fees

These fees primarily relate to audits of employee benefit plans and, in fiscal 2010, accounting consultation for contemplated transactions.

Tax Fees

These fees relate to tax compliance, tax advice and tax planning and, in fiscal 2010, also included fees for federal tax loss carry-back elections.

All Other Fees

There were no other fees for the years ended June 30, 2010 and 2009.

Auditor Independence

The Audit Committee is required to consider the independence of BDO USA when engaging the firm to perform audit-related and other services. In 2010, it was determined by the Audit Committee that audit-related and other services provided and the fees paid for those services were consistent with maintaining the independence of BDO USA.

Vote Required for Approval

At a meeting on August 25, 2010, the Audit Committee of the Board of Directors took action to approve the appointment of the accounting firm of BDO USA as the independent auditors for the Company for the fiscal year ending June 30, 2011. The Board of Directors is asking the shareholders to ratify the appointment of BDO USA.

Each share of common stock is entitled to one vote for this proposal. In order to be adopted, this proposal must be ratified by the holders of a majority of the shares entitled to vote thereon present in person or represented by proxy at the Annual Meeting. If the shareholders do not ratify the appointment, the Audit Committee will consider the selection of other auditors.

PROPOSAL 3

APPROVAL AND ADOPTION OF THE SECOND AMENDED ARTICLES OF INCORPORATION

Board Authorization

On August 26, 2010, the Board of Directors, upon the recommendation of its Nominating and Corporate Governance Committee, approved the Second Amended Articles of Incorporation, subject to shareholder approval.

Reasons for the Proposed Second Amended Articles of Incorporation

The changes included in the Second Amended Articles of Incorporation are being made in connection with the Nominating and Corporate Governance Committee's determination to: (i) update, remove inconsistencies and correct grammatical errors in the Company's Amended Articles of Incorporation and (ii) adopt majority voting in the election of directors.

Updating

In connection with updating, Article II of the current Amended Articles of Incorporation provides that the Corporation is to be located at Cleveland, in Cuyahoga County, Ohio. The Corporation, however, does not have offices in Cleveland, but does have offices in Strongsville, Ohio. Accordingly Article II is being proposed to be revised as follows: The Corporation is to be located at Strongsville, in Cuyahoga County, Ohio.

Similarly, Article III of the current Amended Articles of Incorporation includes a list of purposes of the Company which are no longer applicable, including, for example, the production, extraction, distribution and marketing of coal, oil, gas, etc. Article III is being proposed to update the purposes to include the Company's current purposes. Accordingly, Article III is being proposed to be revised as follows: The Corporation is formed to engage in any lawful act or activity for which corporations may be formed under sections 1701.01 to 1701.98, inclusive, of the Ohio Revised Code and any amendments heretofore or hereafter made thereto, including, without limitation, design and electronic manufacturing services and products for medical/scientific instrumentation, government, aerospace and other industries, and any and all incidental acts or activities.

Similarly, Article IV, relating to the authorized but unissued Serial Preferred Stock references payment of any redemption price to any bank or trust company located in New York, New York, Cleveland, Ohio, Chicago, Illinois or Grand Rapids, Michigan. Article IV is being proposed to be revised to reference any financial institution or trust company without restriction on location.

Majority Voting

The Company and the Board of Directors are committed to good corporate governance, which is why the Board of Directors has voluntarily determined to propose a new Article VII that would implement majority voting in uncontested elections of directors. Current Article VII would be renumbered as Article VIII. Prior to 2008, Ohio

Table of Contents

law required Ohio corporations to use a plurality voting standard for director elections. Under a plurality voting standard, nominees receiving the greatest number of votes are elected. Effective January 1, 2008, Ohio law was amended to permit Ohio corporations to adopt alternative standards for director elections by amending their articles of incorporation. The Board believes that the adoption of a majority voting standard will give shareholders a greater voice in determining Board composition.

Proposed Article VII would provide that in an uncontested election of directors, a candidate will be elected as a director only if the votes cast for the candidate exceed the votes cast against the candidate. Abstentions and broker non-votes will not be counted as votes cast for or against a candidate. If, however, the Board determines that the number of candidates in any one year exceeds the number of directors to be elected in that year, a plurality voting standard will apply and the candidates receiving the greatest number of votes will be elected.

The Board has determined that the adoption of a majority voting standard in uncontested director elections will give shareholders a greater voice in determining the composition of the Board. In addition, the proposed majority voting standard is consistent with the Board's belief that it is accountable to the interests of a majority of the Company's shareholders.

The Board believes, however, that plurality voting should continue to apply in situations where the number of candidates to be elected exceeds the number of directors to be elected. It is possible that more nominees could be elected than the number of Board seats since the number of "for" votes could exceed the number of "against" votes for each director nominee without regard to voting for other candidates.

If the Second Amended Articles of Incorporation is approved and implemented, the Board will, effective as of such approval, adopt and implement a director resignation policy to address the situation in which one or more incumbent directors fail to receive the required majority vote for re-election in an uncontested election. Under Ohio law, an incumbent director who is not re-elected would remain in office as a "holdover" director until his or her successor is elected. This policy would provide that an incumbent director who is not re-elected will be expected to tender to the Board his or her resignation as a director promptly following the certification of the election results. The Nominating and Corporate Governance Committee would then consider each tendered resignation and recommend to the Board whether to accept or reject each such tendered resignation. The Board would act on each tendered resignation, taking into account its fiduciary duties to the Company and its shareholders and the Nominating and Corporate Governance Committee's recommendation, within 90 days following the certification of the election results. The Nominating and Corporate Governance Committee, in making its recommendation, and the Board in making its decision, may consider any factors or other information that they consider appropriate with respect to any tendered resignation, including, without limitation: (i) the stated reason for such director's failure to receive the approval of a majority of votes cast; (ii) the percentage of votes cast against such director; and (iii) the performance of the director.

Following the Nominating and Corporate Governance Committee's recommendation and the Board's decision, the Board would promptly publicly disclose its decision whether to accept or reject each tendered resignation and, if applicable, the reasons for rejecting a tendered resignation. If a director's tendered resignation is rejected, he or she would continue to serve until his or her successor is elected, or until his or her earlier resignation, removal from office or death. If a director's tendered resignation is accepted, then the Board would have the sole discretion to fill any resulting vacancy or decrease the number of directors, in each case pursuant to the provisions of and to the extent permitted by the Code of Regulations. Any director who tenders his or her resignation pursuant to this policy would abstain from the Nominating and Corporate Governance Committee's recommendation or the Board's action regarding whether to accept or reject the tendered resignation. While this description reflects the terms of the director resignation policy that the Board expects to adopt and implement, the Board will retain the power to amend and administer the policy as the Board in its sole discretion determines is appropriate.

Table of Contents

Shareholder Approval

Approval of the Second Amended Articles of Incorporation requires the affirmative vote of the holders of at least sixty-six and two thirds percent (66-2/3%) of all outstanding shares of the Company's common stock entitled to vote as of the Record Date. Accordingly, the Second Amended Articles of Incorporation will be approved if it receives the vote of 6,800,356 shares of the Company's common stock. Abstentions, broker non-votes, and shares not in attendance and not voted at the annual meeting will have the same effect as votes against this proposal 3. Unless otherwise directed, shares of common stock represented by proxy will be voted **FOR** the approval of this proposal 3.

Effective Date

If approved by shareholders, the Company intends, immediately following the shareholder vote, to file the Second Amended Articles of Incorporation with the Ohio Secretary of State.

Board Recommendation

A copy of the proposed Second Amended Articles of Incorporation, marked to show changes from the Amended Articles of Incorporation, is included as Appendix A to this Proxy Statement.

The Board of Directors recommends a vote FOR the approval and adoption of the Second Amended Articles of Incorporation.

PROPOSAL 4

APPROVAL AND ADOPTION OF THE AMENDED AND RESTATED CODE OF REGULATIONS

Board Authorization

On August 26, 2010, the Board of Directors, upon the recommendation of its Nominating and Corporate Governance Committee, approved the Amended and Restated Code of Regulations (the Amended and Restated Code), subject to shareholder approval.

Reasons for the Proposed Amended and Restated Code

The Nominating and Corporate Governance Committee determined to: (i) update and remove inconsistencies in the Company's Code of Regulations, (ii) de-classify the Board of Directors and (iii) permit the Company's Board of Directors to adopt amendments to the Amended and Restated Code to the extent permitted by Ohio law.

To this end, the Company determined to incorporate the proposed provisions described below and its current By-Laws into the Amended and Restated Code, thereby making the Company's current By-Laws unnecessary. If the Amended and Restated Code is approved, the current By-Laws of the Company would be terminated. The proposed Amended and Restated Code also incorporates certain provisions of Ohio law. Accordingly, the proposed Amended and Restated Code provides in one document much of the relevant body of law and regulation governing the Company, by incorporating the proposed provisions described below, the current By-Laws and certain other provisions consistent with Ohio law.

The proposed Amended and Restated Code includes the following differences from the current Code of Regulations:

Article I, Section 10 of the proposed Amended and Restated Code provides advance notice and other requirements (as disclosed in more detail in the table below) with respect to shareholder nominations of directors. Currently, such notice must be made not later than 60 days in advance of the date of a shareholders' meeting. Under the proposed

Table of Contents

Amended and Restated Code, notice must be provided generally not less than 120 days nor more than 240 days prior to the one year anniversary of the preceding year's annual meeting. Both the Nominating and Corporate Governance Committee and the Board of Directors believe that the nomination of directors is a significant matter and that shareholders would be best served by providing the Company with sufficient time to do its due diligence and review the qualifications of proposed nominees. The proposed change set forth in Article I, Section 10, among other things, is designed to allow the Company sufficient time to determine the qualifications of proposed nominees and allow it time to make reasoned recommendations to shareholders. Similarly, the proposed Amended and Restated Code in Article I, Section 10, provides that the same notice time deadlines must be provided with respect to shareholder proposals with respect to Company business. There are no deadlines with respect to proposals of other business by shareholders under the current Code of Regulations. Again, both the Nominating and Corporate Governance Committee and the Board of Directors believe that shareholders are better served if the Company has sufficient time to review and perform applicable due diligence on shareholder proposals and allow it time to make reasoned recommendations to shareholders.

Article II, Section 2 of the proposed Amended and Restated Code provides that all directors are to be elected or appointed for a one year term, with no separate classes. The current Code of Regulations provides for three separate classes of directors with three year staggered terms. The Company and the Board of Directors are committed to good corporate governance, and examined the arguments for and against continuation of a classified board. While it can be argued that a classified board provides stability, enhances long-term planning and ensures that there are directors serving on a board who are familiar with the Company, it can also be argued that a classified board can make it more difficult for shareholders to change a majority of directors even if a majority of shareholders are dissatisfied with the performance of incumbent directors. The Board understands that many investors believe that the election of directors is the primary means for shareholders to influence policies and to hold management accountable for implementing these policies. The Board is also cognizant that many U.S. public companies have eliminated their classified board structures in recent years in favor of the annual election of directors. After weighing all of these considerations, the Board has voluntarily determined to propose the elimination of its classified board structure.

If proposal 4 is approved, the Board's classified structure will terminate effective as of the date of the Company's 2011 Annual Meeting of Shareholders and, at and after that annual meeting, directors will be elected annually for one year terms. In this case, the term of each director serving as of and immediately prior to the 2011 Annual Meeting of Shareholders will expire as of the date of the meeting, subject to election and qualification of his or her successor. Under Ohio law, directors of our classified board may be removed for cause only by the affirmative vote of shareholders of record holding at least a majority of the outstanding shares of the Company. The proposed Amended and Restated Code similarly provides that directors may be removed for cause only by the affirmative vote of shareholders of record holding at least a majority of the outstanding shares of the Company.

Article II, Section 7 of the proposed Amended and Restated Code provides that a majority of the directors then holding office shall be necessary to constitute a quorum for the transaction of business. Formerly, this provision was in the Company's By-Laws. Under Ohio law, unless the articles of incorporation or code of regulations provide otherwise, a majority of the whole authorized number of directors is necessary to constitute a quorum for the transaction of business.

The current Code of Regulations provides for an executive committee, and generally authorizes the Board of Directors to exercise all powers and do all such things as may be lawfully exercised and done. In connection therewith, the Board has established an executive committee, and a nominating and corporate governance committee, a compensation committee and an audit committee in conformance with NYSE regulations. In recognition of the creation of such additional committees, both the Board and the Nominating and Corporate Governance Committee have proposed Article II, Section 10 of the Amended and Restated Code providing for the establishment of an executive committee, nominating and corporate governance committee, compensation committee and audit committee and such other committees as may be deemed to be advisable by the Board of Directors.

Table of Contents

Article IV, Section 1 of the proposed Amended and Restated Code provides for mandatory indemnification of directors and officers. The Company is given the discretion to indemnify employees, agents and others. Under the current Code of Regulations, there is mandatory indemnification for directors, officers and employees of the Company or any person who is serving or has served at its request as a director, officer or employee of another corporation. Both the Nominating and Corporate Governance Committee and the Board of Directors believe that mandatory indemnification should be limited to a select group, and that the indemnification of other persons should be made solely in the discretion of the Board of Directors.

Article VII, Section 1 of the proposed Amended and Restated Code provides that the Code of Regulations may be altered, amended, added to or repealed by the Board of Directors (to the extent permitted by Ohio law), by the affirmative vote of shareholders of record holding at least a majority of the outstanding shares of the Company or by written consent of the shareholders of record holding 66-2/3% of the outstanding shares. The Board of Directors is not currently permitted to amend the Code of Regulations. Ohio law was amended in October 2006 to allow the Board of Directors to amend the Code of Regulations without shareholder approval, within certain statutory limitations, thus bringing Ohio law into line with the law of most other states. However, Ohio law requires shareholder approval for the Board to make future amendments to the Code of Regulations.

If the proposed amendment to Article VII, Section 1 is adopted, the Board would be able to address certain ministerial and administrative provisions in the Code of Regulations, including changing officer titles and duties, changing the order of business at the annual shareholders meeting and adopting an advance notice provision for the introduction of matters at the annual shareholders meeting. Other Ohio corporations have made the change to allow their Codes of Regulations to be updated by the board.

The Board would not be able to amend the Code of Regulations in a manner that would adversely affect the fundamental rights of the Company's shareholders. Specifically, the Board may not amend the Code of Regulations to do any of the following: (1) change the authority of the shareholders themselves; (2) establish or change the percentage of shares that must be held by shareholders in order to call a shareholders meeting or change the time period required for notice of a shareholders meeting; (3) establish or change the quorum requirements at shareholder meetings; (4) prohibit the shareholders or directors from taking action by written consent without a meeting; (5) change directors' terms of office or provide for the classification of directors; (6) require more than a majority vote of shareholders to remove directors; (7) change the quorum or voting requirements at directors meetings; or (8) remove the requirement that a control share acquisition of an issuing public corporation must be approved by the shareholders of the corporation to be acquired. Nor is the Board permitted to delegate to a Board Committee the authority to amend the Code of Regulations. This proposal does not seek to change in any way these limitations placed on the Board under Ohio law with respect to amendments of the Code of Regulations. If the Board so amends the Amended and Restated Code, it is required to notify the shareholders of such amendment under federal securities laws. Under Ohio law, the shareholders can always override amendments made by the Board, and the Code of Regulations may never divest the shareholders of the power to adopt, amend or repeal the Code of Regulations.

Shareholder Approval

Approval of the Amended and Restated Code requires the affirmative vote of the holders of a majority of the outstanding shares of the Company's common stock entitled to vote as of the Record Date. Accordingly, the Amended and Restated Code will be approved if it receives the favorable vote of 5,100,268 shares of the Company's common stock. Abstentions, broker non-votes, and shares not in attendance and not voted at the annual meeting will have the same effect as votes against this proposal 4. Unless otherwise directed, shares of common stock represented by proxy will be voted **FOR** the approval of this proposal 4.

Effective Date

The Amended and Restated Code will go into effect immediately upon approval by shareholders.

Board Recommendation

A copy of the proposed Amended and Restated Code, marked to show changes from the current Code of Regulations, is included as Appendix B to this Proxy Statement.

The Board of Directors recommends a vote FOR the approval and adoption of the Amended and Restated Code.

PROPOSAL 5

NON-BINDING VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

The Company is committed to excellence in governance and is aware of the significant interest in executive compensation matters by its shareholders. We have determined that providing our shareholders with an advisory vote on executive compensation (referred to as a "say on pay" vote) may give us useful information on the views of our shareholders with regard to the Company's executive compensation philosophy, policies, and procedures. As you may be aware, recent legislation requires that public companies implement "say on pay" proposals for the first annual meeting after January 2011. However, the Board of Directors has been proactive in adopting the proposal sooner than required.

The Company has designed its executive compensation program to attract, motivate, retain and reward its senior management in order to achieve the Company's corporate objectives and increase value for our shareholders. The Company believes that its compensation policies and procedures are centered on a pay-for-performance philosophy and are aligned with the long-term interests of our shareholders.

The Company is presenting the following proposal, which gives each shareholder the opportunity to have a voice and endorse or not endorse the Company's executive pay program by voting for or against the following resolution:

RESOLVED, that the shareholders approve the compensation of the Company's Named Executive Officers, as disclosed in the Compensation Discussion and Analysis, the compensation tables, and the related disclosure contained in the proxy statement.

As discussed in the Compensation Discussion and Analysis contained in this Proxy Statement, the Compensation Committee of the Board of Directors believes that the executive compensation for fiscal 2010 is justified by the performance of the Company in an extremely difficult environment, it is reasonable and it is the result of a carefully considered approach.

In deciding how to vote on this proposal, the Company urges you to consider the various factors regarding compensation matters as discussed in the Compensation Discussion and Analysis.

Table of Contents

Because your vote is advisory, it will not be binding upon the Board of Directors. However, our Board values your opinion and the Board of Directors and the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

Approval of the proposal requires the affirmative vote of a majority of the shares of our common stock present in person or represented by proxy and entitled to be voted on the proposal at the annual meeting.

Board Recommendation

The Board recommends a vote FOR approval of the compensation of the Company's Named Executive Officers as set forth in proposal 5.

As such, the Company had determined to disclose certain information regarding the Key Managers the same as would have been required had they met the definition of Named Executive Officer for the 2009 fiscal year. For fiscal 2010, the management team has been substantially consistent and the Company does not feel disclosure with respect to members of management other than those who meet the definition of Named Executive Officers is necessary or appropriate.

EXECUTIVE OFFICER AND DIRECTOR COMPENSATION

Compensation Discussion and Analysis

The Compensation Committee (referred to in this Section as the Committee) is authorized (i) to assist management with compensation policies and programs for the Company's executive officers and management, including the Named Executive Officers; (ii) to review and approve the performance goals established for the executive officers and management, including the Named Executive Officers; and (iii) to recommend, after considering the results of the executives' performance and the Company's profitability, the salaries and incentive bonuses for the executive officers and management, including the Named Executive Officers.

The Committee is comprised of three independent directors. Their responsibilities are carried out pursuant to authority delegated by the Board of Directors and in accordance with the federal securities laws and other applicable laws and regulations. The Committee is governed by a written charter which can be found on the Company's website at www.sparton.com.

Compensation Philosophy

The Company has formulated a compensation philosophy with the objective of fair, competitive and performance-based compensation of its executive officers and management, including the Named Executive Officers. The philosophy reflects the belief that the total compensation of the executive officers and management should be aligned with the Company's performance. While the specific programs may be modified from year to year, the compensation philosophy has remained consistent for many years. The Committee seeks to reward performance with cost-effective compensation that aligns employee efforts with the Company's business strategy through adherence to the following compensation policies:

Total compensation should strengthen the relationship between pay and performance by including and emphasizing variable, at-risk compensation that is dependent on achieving specific corporate, business function, and/or individual performance goals.

An element of pay for Named Executive Officers should be comprised of long-term incentives to align management interests with those of its shareholders.

The incentive components of pay should be weighted toward long-term factors.

Table of Contents

Total compensation opportunities should enhance the Company's ability to attract, retain and develop knowledgeable and experienced executives.

Base salary should be set based on review of comparable compensation paid to executives of similarly sized manufacturers. In devising and maintaining the Company's executive compensation programs, the Committee reviews published data relevant to the compensation of executives in publicly owned competitor companies which operate in the manufacturing industry. The Committee also consults with management, and outside accounting and legal advisors as appropriate.

Compensation Consultants

The Committee authorized management to engage compensation consultants during fiscal 2010 as part of its review of the Company's compensation programs and in making recommendations to the Committee for its consideration. The Company engaged Pearl Meyer & Partners (PM&P) during fiscal 2010 to review compensation for certain members of management. The Company requested that PM&P provide survey benchmark information on compensation for management based upon marketplace trends and similar companies. The review focused on base salary, short-term, and long-term incentive compensation for management (which included thirteen employees, including Named Executive Officers). Management used the information from PM&P on base salary, short-term, and long-term incentive compensation in making recommendations to the Committee as to the scope and amount of awards for fiscal 2010. The Committee's recommendations are subject to approval by the Board of Directors.

Components of Compensation

The key elements of the Company's executive compensation program are base salary, short-term (annual) incentive and long-term incentive compensation. These elements are addressed separately below.

The Committee does not use mathematical formulas exclusively to determine compensation. In setting each component of compensation, the Committee considers all elements of an executive's total compensation package, including base salary, incentive compensation, and the value of benefits.

Base Salaries

A competitive base salary provides the foundation for a total compensation package required to attract, retain, and motivate executive officers and members of management, including the Named Executive Officers, in alignment with the Company's business strategies. Generally, the Committee reviews the proposed annual base salaries for executive officers and management (including the Named Executive Officers other than the Chief Executive Officer) with the Chief Executive Officer and approves his recommendations, with modifications considered appropriate. The Committee independently reviews and sets base salary for the Chief Executive Officer, subject to the approval of the Board of Directors.

Base salaries are initially premised upon the responsibilities of each Named Executive Officer and may be further adjusted based on industry surveys and related data, including performance judgments as to the past and expected future contributions of the applicable Named Executive Officer. The Committee reviews each Named Executive Officer's base salary annually.

Short-Term Incentives

STIP

On June 26, 2009, the Board of Directors approved and adopted the Sparton Short-Term Incentive Plan (the STIP). The STIP did not require shareholder approval. The purpose of the STIP is to increase shareholder value and ensure the success of the Company by motivating participants to achieve all defined financial and

Table of Contents

operating goals and strategic objectives of the business. The STIP is further intended to attract and retain key employees essential to the success of the business and to provide competitive compensation programs consistent with market competitive pay practices.

The Committee has been appointed by the Board of Directors to administer the STIP. The Committee, with the approval of the Board of Directors, selects executive or key employees of the Company or its affiliates, including the Company's President and Chief Executive Officer, Chief Financial Officer and Named Executive Officers identified by the Committee to be participants in the STIP for any annual performance period. Participation in the STIP is in the sole discretion of the Committee, on an annual performance period by annual performance period basis. The first annual performance period for which awards under the STIP were made was fiscal 2010.

The Committee, subject to approval by the Board of Directors, establishes an individual potential award percentage for each participant equal to a percentage of such participant's salary. The Company determines and recommends, and the Committee, in its sole discretion, approves the performance goals and objectives applicable to any actual incentive award. The requirements may be on the basis of any factors the Committee determines relevant, and may be on an individual, business unit or Company-wide basis. Failure to meet the performance goals and objectives of the annual performance period will result in the participant's failure to earn the actual incentive award, except as otherwise determined by the Committee. Actual incentive award payments will be determined, based on verified achievement levels of established performance goals and objectives for the annual performance period, by the Committee and approved by the Board of Directors.

For each annual performance period, the Committee, subject to approval by the Board of Directors, establishes an incentive award pool. Payment of each actual incentive award is made as soon as practicable as determined by the Committee after the completion of the independent audit and filing of the annual report on Form 10-K for the annual performance period during which the actual performance award was earned. Unless otherwise determined by the Committee, to receive payment of an actual incentive award, a participant must be employed by the Company or any affiliate on the last day of the annual performance period, and, subject to certain exceptions in the event of a participant's death or disability, on the date of payment of the actual incentive award. Actual incentive awards are paid from the incentive award pool in cash in a single lump sum.

The Committee may, in its sole discretion, grant an award for an extraordinary individual contribution which substantially benefits the Company but is not reflected in the achievement of a participant's individual goals.

The Board of Directors, in its sole discretion, may amend or terminate the STIP, or any part thereof, at any time and for any reason. The amendment, suspension or termination of the STIP will not, without the consent of the participant, alter or impair any rights or obligations under any actual incentive award earned by such participant. No award may be granted during any period of suspension or after termination of the STIP. The STIP will remain in effect until terminated.

The Committee, with the approval of the Board of Directors, selected certain employees, including the Named Executive Officers, to be participants in the STIP for the annual performance period ending June 30, 2010 and established target awards for that period. The individual target award percentages for these participants ranged from 10% to 85% of a participant's base salary. The performance goals and objectives were based upon various components, including consolidated financial results, business unit financial results and measured personal objectives. These components were weighted separately for each participant. Awards were payable on a graduated scale ranging from a threshold of 50% of the target award for each component up to a maximum of 200% of the target award for that component. No award for a component was payable if performance was below the threshold. The funds available for award under the STIP for fiscal 2010 were \$1,222,000, assuming a payment of 100% of the target award for each selected participant. For each Named Executive Officer, the potential award was determined solely based upon the Company's consolidated financial results (which includes consideration of earnings before tax and cash generated by operations, as set by the Compensation Committee).

Table of Contents

The target awards for each of Messrs. Wood, Slome and Madlock as a percentage of their base salaries were 85%, 35% and 40%, respectively. The actual awards granted under the 2010 STIP to the Named Executive Officers for fiscal 2010 are set forth in the Summary Compensation Table.

Bonuses

The Committee may recommend bonuses in addition to or in lieu of bonuses earned under the plans described above based on the Committee's evaluation of the individual performance and level of responsibility of the Named Executive Officers. In determining discretionary annual incentive bonuses for the Named Executive Officers, the Committee evaluates the Chief Executive Officer's recommendations based on individual performance. The Committee independently evaluates the individual performance of the Chief Executive Officer. The results of those evaluations are used by the Committee to award the short-term incentive bonuses to the Named Executive Officers. There were no discretionary bonuses awarded to the Named Executive Officers in fiscal 2010.

Long-Term Incentives

2001 SIP

In keeping with the Company's philosophy of providing a total compensation package that includes long-term incentives, a Named Executive Officer's total compensation package may include stock options, restricted stock, stock units and/or cash under the Sparton Corporation Stock Incentive Plan, as amended in October 2001 (the 2001 SIP). The Company may make awards under the 2001 SIP until October 2011. These incentives are designed to motivate and reward Named Executive Officers for maximizing shareholder value and encourage the long-term employment of key employees. The current remaining number of shares of the Company's common stock available for award under the 2001 SIP is 57,195.

When awarding long-term incentives, the Committee considers a Named Executive Officer's overall level of responsibility, Company performance and individual performance criteria, as well as the compensation practices of the peer group of companies used to evaluate total compensation.

The number of shares awarded through stock option grants can be impacted by the per share price on the date of the award. As a result, the number of shares underlying stock option awards may vary from year to year, as it is dependent in part on the price of the Company's common stock on the date of grant. The size of the award can also be adjusted based on individual factors.

Because the exercise price of these options is equal to or exceeds the fair market value of the Company's common stock as of the close of the stock market on the day preceding the date of grant (as specified in the plan), these stock options will only deliver a reward if the stock price appreciates from the price on the date the stock options were granted.

It should also be noted that during fiscal 2010, no outstanding stock options were re-priced, on either an individual or collective basis, consistent with the Company's long established policy of not re-pricing stock options.

The Company annually reviews the long-term incentive elements of its compensation package, including the beneficial and detrimental aspects of particular compensation components such as stock options, to determine the continuing efficacy of such programs.

In fiscal 2010, the Company granted options to purchase up to 111,250 shares of common stock of the Company to certain members of management and executive officers, including the Named Executive Officers. The options are exercisable for \$5.00 per share and are 100% vested as of issuance. Also in fiscal 2010, the Company granted 27,000 shares of common stock to the directors in payment of their annual stock grants.

Table of Contents*2010 LTIP*

A Named Executive Officer's total compensation package may also include stock options, stock appreciation rights, restricted stock, restricted stock units, performance awards and other stock-based awards under the 2010 LTIP. These incentives are designed to motivate and reward Named Executive Officers for maximizing shareholder value and encourage the long-term employment of key employees.

The maximum number of shares of the Company's common stock currently remaining available under the 2010 LTIP is 777,973. To the extent that any award is forfeited, terminates, expires or lapses without exercise or settlement, the shares subject to such awards forfeited or not delivered as a result thereof will again be available for awards under the 2010 LTIP.

In fiscal 2010, the Company granted 222,027 restricted shares to certain members of management and executive officers, including the Named Executive Officers, which vest in four equal installments commencing on the first anniversary of the grant date, subject to achievement of certain performance metrics.

Other Compensation

The Named Executive Officers receive a variety of modest miscellaneous benefits, the value of which is presented for the Named Executive Officers under the caption "All Other Compensation" in the Summary Compensation Table. These benefits include the Company's qualified pension plan, relocation benefits, matching contributions under the Company's 401(k) Plan and other miscellaneous benefits.

Elements of Compensation Which Are Performance-Based**Non-Equity Incentive Plan Compensation**

The Board adopted the STIP, pursuant to which it established a short term incentive pool for fiscal 2010 ("2010 Pool") based on income before provision for income tax (EBT). The Board of Directors approved individual incentive plans based on EBT and other personal objectives, the funding for which came from the 2010 Pool, for the 22 key employees, including Named Executive Officers, who were participants in the STIP as of June 30, 2010. After three years of substantial losses, a modest, but not easily achieved, EBT target for 2010 was established at \$3,100,000.

Edgar Filing: SPARTON CORP - Form DEF 14A

A sliding scale was established so that the 2010 Pool would be \$0 for EBT of less than \$2,480,000; \$569,000 for EBT of \$2,480,000; \$1,222,000 for EBT of \$3,100,000 (being the EBT target for 2010); and a maximum of \$2,444,000 for EBT of \$8,560,000 or more. Accordingly, the STIP awards are based on performance. Because the Company achieved EBT of \$5,524,000 in fiscal 2010, the 2010 Pool was calculated to be \$1,690,000. Aggregate STIP awards of \$1,671,000 were earned in fiscal 2010 by the participating employees.

Table of Contents

The Named Executive Officer's STIP awards were based on two components, being EBT and cash generated from operations (CGO). The target for EBT was \$3,100,000, with actual achievement of \$5,524,000. The target for CGO, as set by the Compensation Committee, was \$10,346,000, with actual achievement of \$20,597,000. The amounts paid to the Named Executive Officers, as shown below in the Summary Compensation Table, reflect the significant over achievement of EBT and CGO.

Option Awards

In November 2009, the Board granted non-qualified options to acquire 111,250 shares of the Company's common stock to 9 key employees, including the Named Executive Officers, after considering the results of fiscal 2009. The reported value of the options granted, as shown in the Summary Compensation Table, was determined using the Black Scholes model. The value of the options is related to stock performance, as the options were granted with an exercise price of \$5.00 per share (the fair market value on the date of grant was \$4.59 per share) and expire three years after the grant date.

Stock Awards

In October 2009, the shareholders approved the 2010 LTIP. In June 2010, the Board awarded 222,027 shares of restricted stock to 11 key employees of the Company, including the Named Executive Officers, valued at the market price of the Company's common stock (at the time of grant). Vesting of the shares occurs over four years, provided the Company achieves certain defined financial performance measures. An index will be calculated based on a formula determined by the Compensation Committee, which includes cash flow, earnings, the average net debt and the weighted average shares outstanding. It is expected that the index will correlate to, though not be predictive of, the value of a share of the Company's common stock. The value of the restricted stock awards is directly related to the Company's financial performance, as the restricted stock will not vest unless the target index levels are achieved.

Compensation Committee Interlocks and Insider Participation

None of Messrs. Fast, Slusser or Swartwout is an officer or employee, or former officer or employee of the Company or any of its subsidiaries. No interlocking relationship exists between members of the Company's Board of Directors or the Committee and the board of directors or compensation committee of any other company, nor has such an interlocking relationship existed in the past.

Other Benefit Plans

401(k) Retirement Plan

The Company maintains a 401(k) Plan that is available to substantially all U.S. employees. The Company matches 50% of each participant's voluntary contribution up to 6% of the participant's compensation and a participant will vest ratably over a 5-year period in the matching contributions. At the election of the participant, both employer and employee contributions may be invested in any of the available investment options under the plan, which election options include the Company's common stock. However, an employee's total investment in the Company's common stock is subject to a 20% limitation of the total value of the employee's fund balance. Effective April 1, 2009 through February 1, 2010, the Company suspended employer contributions to the plan.

Qualified Defined Benefit Plan

The pension plan is a defined benefit plan covering substantially all of the domestic employees of the Company. In fiscal 2010, the Company made contributions to the pension plan in the aggregate amount of \$1,956,630 in order to satisfy funding requirements. Effective April 1, 2009, the Company notified employees that it would freeze participation and the accrual of benefits in the plan.

The defined benefit plan provides a basic benefit of \$2.25 per month for each year of credited service up to a maximum of \$90 per month. In addition, for those participants who contributed 5% of their monthly compensation (excluding bonuses) per month, the defined benefit plan provides for an additional monthly pension amount equal to 1 1/2 % of the participant's final five-year average monthly compensation (excluding bonuses) times the participant's years of contributory credited service to a maximum of 30 years. Effective April 1, 2000, the Company amended its defined benefit plan to determine benefits by a cash balance formula. Under the cash balance formula, each participant has a benefit equal to their cash balance account which is credited yearly with 2% of their salary, as well as the interest earned on their previous year-end cash balance. Service under the Company's prior salary based formula was frozen as of March 31, 2000, and the benefit formula amended to calculate the monthly pension based upon the participant's five year average earnings.

The Named Executive Officers are not participants in the Company's defined benefit plan because participation and the accrual of benefits were frozen as of April 1, 2009, prior to the time that they would have become eligible to participate.

In addition, the employment agreements for the following Named Executive Officers contain additional provisions upon termination and/or a change-in-control:

Cary B. Wood. Mr. Wood's employment agreement provides that the Company will pay eighteen months of Mr. Wood's base salary (approximately \$600,000), twelve months of COBRA premiums (approximately \$10,344) and one and one-half times the maximum amount of the bonus for which Mr. Wood is eligible during the then current fiscal year in the event the Company terminates Mr. Wood's employment without Cause (as defined in the agreement) or Mr. Wood terminates his employment for Good Reason (as defined in the agreement) ("Wood Termination Payment"). All such payments would be payable in a lump sum. The Wood Termination Payment is subject to Mr. Wood's adherence to certain terms of the employment agreement, including a covenant not to disclose confidential information, a covenant not to compete for a period of twelve months, a covenant prohibiting the solicitation of customers for a period of twelve months from date of termination, and a covenant prohibiting the solicitation of employees.

Gregory A. Slome. Mr. Slome's employment agreement provides that the Company will pay severance equal to six months of Mr. Slome's salary (approximately \$117,500) payable as part of the Company's standard payroll over a six month period and six months of COBRA premiums (approximately \$2,549) after termination of Mr. Slome's employment in the event the Company terminates his employment for reasons other than death, Disability (as defined in the agreement) or Cause (as defined in the agreement), or if Mr. Slome terminates his employment within sixty days after a Change in Control (as defined in the agreement) or after a material change in Mr. Slome's duties that continues uncurbed after the Company receives twenty days written notice of Mr. Slome's objection to such material change ("Slome Termination Payment"). The Slome Termination Payment is subject to Mr. Slome's execution of a general release of claims and his adherence to certain provisions of the employment agreement, including the covenants not to compete, solicit customers or solicit employees.

Gordon B. Madlock. Mr. Madlock's employment agreement provides that the Company will pay Mr. Madlock severance in a lump-sum amount equal to twelve weeks salary (approximately \$45,000) if the Company terminates his employment for any reason other than just cause (as defined in the agreement), death or disability, subject to Mr. Madlock's delivery of a signed release of all claims against the Company arising out of his employment and the return of all property in Mr. Madlock's possession or control that belongs to the Company.

Target Stock Ownership for Management

In fiscal 2010, the Board of Directors approved target stock ownership guidelines for management, including Named Executive Officers, of 250% of base salary in excess of \$100,000, to be attained within five years.

Director Compensation

For fiscal 2010, total compensation payable to the Independent Directors other than the Chairman is as follows: the annual retainer is \$30,000, being \$15,000 in cash payable quarterly and \$15,000 in an annual stock grant (the "Annual Grant"). The number of shares of stock granted pursuant to the Annual Grant is determined based on

Table of Contents

fair market value two days after the later of: (i) the date of the annual shareholder meeting and (ii) the date of the earnings release for the first quarter. The Annual Grants for fiscal 2010 were granted under the 2001 SIP and are described in the Director Compensation table below. The number of shares awarded pursuant to the Annual Grant is limited to 3,000 shares per year. If the value of the 3,000 shares of common stock is less than \$15,000, then the remainder will be paid in cash. For example, if the market price of the Company's common stock on the valuation date is \$2.50 per share, 3,000 shares at that value would be equal to \$7,500 and the remaining \$7,500 would be paid in cash at the time the Annual Grant is made.

Directors serving on Board committees will be paid \$800 for each regularly scheduled committee meeting, other than the Audit Committee, for which each member will be paid \$1,000 for each regularly scheduled meeting. The higher Audit Committee fees reflect the additional time the committee spends on Company matters. An annual retainer in the amount of \$4,000, \$3,000 and \$3,000 will be paid in quarterly installments to the Chairman of each of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee, respectively.

Mr. Molfenter's compensation as Chairman consists of an annual retainer of \$60,000, being \$40,000 in cash payable in quarterly installments and \$20,000 in an annual stock grant. The numbers of shares awarded pursuant to Mr. Molfenter's annual grant is limited to 4,000 shares per year. If the value of the 4,000 shares is less than \$20,000, then the remainder will be paid in cash.

Additionally, the directors are required to achieve a Company common stock ownership target, within five years, of a market value of three times the annual board retainer. The target ownership includes shares paid as a portion of the Board retainer.

Members of the Board of Directors of the Company who are not Named Executive Officers received the following compensation during the fiscal year ended June 30, 2010. Mr. Cary B. Wood did not receive compensation in fiscal 2010 in his capacity as a member of the Board of Directors.

Such dividends shall be cumulative, in the case of shares of each particular series, from and after the date or dates fixed with respect to such series. No dividends may be paid upon or declared and set apart for any of the Serial Preferred Stock for any quarterly dividend period unless at the same time a like proportionate dividend for the same quarterly dividend period, ratably in proportion to the respective annual dividend rates fixed therefore, shall be paid upon or declared or set apart for all Serial Preferred Stock of all series then outstanding and entitled to receive such dividend.

books of the Corporation, not less than thirty (30) nor more than sixty (60) days prior to the date fixed for such redemption. At any time before or after notice has been given as above provided, the Corporation may deposit the aggregate redemption price of the shares of Serial Preferred Stock to be redeemed, together with accrued and unpaid dividends thereon to the redemption date, with any bankfinancial institution or trust company ~~in New York, New York, Cleveland, Ohio, Chicago, Illinois, or Grand Rapids, Michigan,~~ having capital and surplus of more than Five Million Dollars (\$5,000,000); named in such notice, directed to be paid to the respective holders of the shares of Serial Preferred Stock so to be redeemed, in amounts equal to the redemption price of all shares of Serial Preferred Stock so to be redeemed, together with accrued and unpaid dividends thereon to the redemption date, on surrender of the stock certificate or certificates held by such holders, and upon the giving of such notice and the making of such deposit such holders shall cease to be shareholders with respect to such shares, and after such notice shall have been given and such deposit shall have been made such holders shall have no claim against the Corporation with respect to such shares except only to receive such money from such bankfinancial institution or trust company without interest or the right to exercise, before the redemption date, any unexpired rights of conversion. In case less than all of the outstanding shares of Serial Preferred Stock are to be redeemed, the Corporation shall select by lot the shares so to be redeemed in such manner as shall be prescribed by its Board of Directors.

If the holders of shares of Serial Preferred Stock which shall have been called for redemption shall not, within six years after such deposit, claim the amount deposited for the redemption thereof, any such bankfinancial institution or trust company shall, upon demand, pay over to the Corporation such unclaimed amounts and thereupon such bankfinancial institution or trust company and the Corporation shall be relieved of all responsibility in respect thereof and to such holders.

(~~e~~iii) Any shares of Serial Preferred Stock which are redeemed by the Corporation pursuant to the provisions of this Section 4 of this Subdivision (b) and any shares of Serial Preferred Stock which are purchased and delivered in satisfaction of any sinking fund requirements provided for shares of such series and any shares of Serial Preferred Stock which are converted in accordance with their express terms shall be cancelled and not reissued. Any shares of Serial Preferred Stock otherwise acquired by the Corporation shall be restored to the status of authorized and unissued shares of Serial Preferred Stock without serial designation.

Section 5.

(~~e~~i) The holders of Serial Preferred Stock of any series shall, in case of liquidation, dissolution or winding up of the Corporation, be entitled to receive in full out of the assets of the Corporation, including its capital, before any amount shall be paid or distributed among the holders of ~~common stock~~Common Stock or any other shares ranking junior to the Serial Preferred Stock, the amounts fixed with respect to shares of such series in accordance with Section 1 of this Subdivision (b), plus in any such event an amount equal to all dividends accrued and unpaid thereon to the date of payment of the amount due pursuant to such liquidation, dissolution or winding up of the Corporation. In case the net assets of the Corporation legally available therefore are insufficient to permit the payment upon all outstanding shares of Serial Preferred Stock of the full preferential amount to which they are respectively entitled, then such net assets shall be distributed ratably upon outstanding shares of Serial Preferred Stock in proportion to the full preferential amount to which each such share is entitled.

After payment to holders of Serial Preferred Stock of the full preferential amounts as aforesaid, holders of Serial Preferred Stock as such shall have no right or claim to any of the remaining assets of the Corporation.

(~~b~~ii) The merger or consolidation of the Corporation into or with any other corporation, or the merger of any other corporation into it, or the sale, lease, or conveyance of all or substantially all of the property or business of the Corporation, shall not be deemed to be a dissolution, liquidation or winding up of the Corporation for the purposes of this Section 5 of this Subdivision (b).

Section 6.

(~~a~~i) The holders of Serial Preferred Stock shall be entitled to one vote for each share of such stock upon all matters presented to shareholders; and, except as otherwise provided herein or required by law, the holders of Serial Preferred Stock and the holders of ~~common stock~~ Common Stock shall vote together as one class on all matters.

If, and so often as, the Corporation shall be in default in the payment of the equivalent of six quarterly dividends (whether or not consecutive) on any series of Serial Preferred Stock at any time outstanding, whether or not earned or declared, the holders of Serial Preferred Stock of all series voting separately as a class and in addition to all other rights to vote for Directors shall thereafter be entitled to elect, as herein provided, two members of the Board of Directors of the Corporation; provided, however, that the special class voting rights provided for herein when the same shall have become vested shall remain so vested until all accrued and unpaid dividends on the Serial Preferred Stock of all series then outstanding shall have been paid, whereupon the terms of the Directors elected by the holders of Serial Preferred Stock shall terminate and the holders of Serial Preferred Stock shall be divested of their special class voting rights in respect of subsequent elections of Directors, subject to the revesting of such special class voting rights in the event hereinabove specified in this Section 6(~~a~~i).

In the event of default entitling the holders of Serial Preferred Stock to elect two Directors as above specified, a special meeting of the shareholders for the purpose of electing such Directors shall be called by the Secretary of the Corporation upon written request of, or may be called by, the holders of record of at least 10% of the shares of Serial Preferred Stock of all series at the time outstanding, and notice thereof shall be given in the same manner as that required for the annual meeting of shareholders; provided, however, that the Corporation shall not be required to call such special meeting if the annual meeting of the shareholders shall be held within ninety (90) days after the date of receipt of the foregoing written request from the holders of Serial Preferred Stock. At any meeting at which the holders of Serial Preferred Stock shall be entitled to elect Directors, the holders of not less than one-third of the outstanding shares of Serial Preferred Stock of all series, present in person or by proxy, shall be sufficient to constitute a quorum, and the vote of the holders of a majority of such shares so present at any such meeting at which there shall be a quorum shall be sufficient to elect the members of the Board of Directors which the holders of Serial Preferred Stock are entitled to elect as hereinbefore provided.

The two Directors who may be elected by the holders of Serial Preferred stock pursuant to the foregoing provisions shall be in addition to any other Directors then in office or proposed to be elected otherwise than pursuant to such provisions, and nothing in such provisions shall prevent any change otherwise permitted in the total number of Directors of the Corporation or require the resignation of any Director elected otherwise than pursuant to such provisions.

(~~b~~ii) The affirmative vote or consent of the holders of at least two-thirds of the then outstanding shares of Serial Preferred Stock, given in person or by proxy, either in writing or at a meeting called for the purpose at which the holders of Serial Preferred Stock shall vote separately as a class, shall be necessary to effect any one or more of the following (but insofar as the holders of Serial Preferred Stock are concerned, such action may be effected with such vote or consent):

(~~i~~l) Any amendment, alteration or repeal of any of the provisions of the Articles of Incorporation or of the Regulations of the Corporation which affects adversely the voting powers, rights or preferences of the holders of Serial Preferred Stock; provided, however, that for the purpose of this clause (i) only, neither the amendment of the Articles of Incorporation of the Corporation to authorize, or to increase the authorized or outstanding number of shares of, Serial Preferred Stock or of any shares of any class ranking on a parity with or junior to the Serial Preferred Stock, nor the increase by the shareholders pursuant to the Regulations of the number of Directors of the Corporation shall be deemed to affect adversely the voting powers, rights or

preferences of the holders of Serial Preferred Stock; and provided further, that if such amendment, alteration or repeal affects adversely the rights or preferences of one or more but not all then outstanding series of Serial Preferred Stock, only the affirmative vote or consent of the holders of a least two-thirds of the number of the then outstanding shares of the series so affected shall be required;

(~~ii~~) The authorization, or the increase in the authorized number of any shares of any class ranking prior to the Serial Preferred Stock; or

(~~iii~~) The purchase or redemption (whether for sinking fund purposes or otherwise) of less than all the then outstanding shares of Serial Preferred Stock except in accordance with a purchase offer made to all holders of record of Serial Preferred Stock, unless all dividends on all Serial Preferred Stock then outstanding for all previous quarterly dividend periods shall have been declared and paid or funds therefore set apart and all accrued sinking fund obligations applicable to all Serial Preferred Stock shall have been complied with.

(~~iii~~) The affirmative vote or consent of the holders of at least a majority of the then outstanding shares of Serial Preferred Stock, given in person or by proxy, either in writing or at a meeting called for the purpose at which the holders of Serial Preferred Stock shall vote separately as a class, shall be necessary (but insofar as the holders of Serial Preferred Stock are concerned such action may be effected with such affirmative vote or consent) to authorize any shares ranking on a parity with the Serial Preferred Stock or an increase in the authorized number of shares of Serial Preferred Stock.

Section 7. No holder of Serial Preferred Stock of any series shall be entitled as such as a matter of right to subscribe for or purchase any part of any issue of shares of the Corporation, of any class whatsoever, or any part of any issue of securities convertible into shares of the Corporation, of any class whatsoever, and whether issued for cash, property, services, or otherwise.

Section 8. For the purposes of ~~the~~ Subdivision (b):

(~~i~~) Whenever reference is made to shares " ~~ranking prior to the Serial Preferred Stock,~~" such reference shall mean and include all shares of the Corporation, if any, in respect of which the rights of the holders thereof as to the payment of dividends or as to distributions in the event of a voluntary or involuntary liquidation, dissolution or winding up of the Corporation are given preference over the rights of the holders of Serial Preferred Stock.

(~~ii~~) Whenever reference is made to shares " ~~on a parity with the Serial Preferred Stock,~~" such reference shall mean and include all shares of the Corporation in respect of which the rights of the holders thereof as to the payment of dividends and as to distributions in the event of a voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation rank on an equality with the rights of the holders of Serial Preferred Stock.

(~~iii~~) Whenever reference is made to shares " ~~ranking junior to the Serial Preferred Stock,~~" such reference shall mean and include all shares of the Corporation other than those referred to or defined under clauses (a) and (b) of this Section 8 as shares " ~~ranking prior to~~ ~~or~~ " ~~on a parity with~~ the Serial Preferred Stock.

ARTICLE V

No holder of shares of the Corporation of any class shall have any pre-emptive right to purchase or have offered to them for purchase or subscribe for any shares of the Corporation of any class or any part of any issue of securities convertible into shares of the Corporation of any class, whether issued or offered for cash, property, services or otherwise. If the shares are to be represented by certificates, then the Board of Directors shall provide for the issue and transfer of the certificates of capital stock of the Company, and shall prescribe the form of such certificates. Every owner of stock of the Company shall be entitled to a certificate of stock which shall be under the seal of the Company (which seal may be a facsimile, engraved or printed), specifying the number of shares owned by such owner, and which certificate shall be signed by the Chief Executive Officer or the President or Vice-President and by the Secretary or an Assistant Secretary or the Treasurer or an Assistant Treasurer of the Company. Said signatures may, wherever permitted by law, be facsimile, engraved or printed. In case any officer or officers who shall have signed, or whose facsimile signature or signatures shall have been used on any such certificate or certificates shall cease to be such officer or officers of the Company, whether because of death, resignation or otherwise, before such certificate or certificates shall have been delivered by the Company, such certificate or certificates may nevertheless be issued and delivered as though the person or persons who signed such certificate or certificates or whose facsimile signature or signatures shall have been used thereon had not ceased to be such officer or officers of the Company. The duties of the Transfer Agent and Registrar may be combined.

Section 3. Transfer of Shares. The shares of the Company shall be transferable only upon its books and by the holders thereof in person or by their duly authorized attorneys or legal representatives, and upon such transfer the old certificates shall be surrendered to the Company by the delivery thereof to the person in charge of the stock and transfer books and ledgers or to such other person as the Board of Directors may designate for such purpose, and new certificates shall thereupon be issued.

Section 5. Lost, Stolen and Destroyed Certificates. The Board of Directors may direct a new certificate or certificates of stock to be issued in the place of any certificate or certificates theretofore issued and alleged to have been lost, stolen or destroyed; but the Board of Directors when authorizing such issue of a new certificate or certificates, may in its discretion require the owner of the stock represented by the certificate so lost, stolen or destroyed or the shareholder's legal representative to furnish proof by affidavit or otherwise to the satisfaction of the Board of Directors of the ownership of the stock represented by such certificate alleged to have been lost, stolen or destroyed and the facts which tend to prove its loss, theft or destruction. The Board of Directors may also require such person to execute and deliver to the Company a bond, with or without sureties, in such sum as the Board of Directors may direct, indemnifying the Company against any claim that may be made against it by reason of the issue of such new certificate.
