CORPORATE GOVERNANCE

Director Independence

The Board of Directors analyzed the independence of each director and determined that the following directors meet the standards of independence of applicable NASDAQ Stock Market (NASDAQ) listing standards: Robert Acri, Jerry Grace, Jack Calloway and Larry Willis. In making this determination, the Board considered that Mr. Willis is an executive officer of an insurance agency which is used by the Company to obtain commercial property and liability insurance. Richard L. Browdy, who is an employee and officer of the Company; Wendy Mitchler, who serves as outside counsel for the Company; and Sam Borek, who serves as a consultant to the Company, are not considered independent directors.

The Board of Directors Meetings and Committees

OptimumBank Holding's Board of Directors met 13 times during 2009. The Board of OptimumBank, which during 2009 included all the members of the Board of Directors of the Company, met a total of 17 times. The independent directors met in executive session without management one time during 2009. Each of the current members of the Board of Directors attended at least 75% of the meetings of the Board and committees on which he or she served. The Company's Board of Directors has established several standing committees, including the Audit and Compensation Committees.

Compensation Committee. The Compensation Committee currently consists of four directors: Larry Willis, Chair, and Jack Calloway, Robert Acri and Jerry Grace, all of whom are independent under the NASDAQ listing standards. The Compensation Committee reviews and recommends to the Board of Directors the compensation arrangements for executive management and non-employee directors. The Compensation Committee met three times during 2009 and operates under a written charter adopted in 2009. A copy of the current Compensation Committee Charter can be viewed on our Web site at www.optimumbank.com/corpgovernance.html.

In 2009, the Compensation Committee considered the recommendations and proposals of the former CEO in establishing executive compensation, including CEO compensation. No executive officer had a role in determining or recommending the amount or form of outside director compensation. The Compensation Committee does not delegate its authority to any other persons. The Compensation Committee does not use compensation consultants to determine or recommend the amount or form of compensation arrangements. However, in 2009, senior management retained Clark Consulting, a compensation consultant, to provide a presentation to the committee for retirement plans for Messrs. Browdy and Finch. In 2009, senior management also retained Amalfi Consulting, a compensation consultant, to provide the committee with a compensation review and peer group analysis of executive officer compensation. The Compensation Committee also reviewed a tally sheet that detailed each executive officer's historical earnings, equity awards, and benefits and perquisites.

Nominating Committee. The Company has no formal nominating committee or nominating committee charter but, rather, the four independent members of the Board, perform the functions of a nominating committee. Pursuant to the Corporate Governance Guidelines adopted by the Board of Directors, the independent directors are responsible for recommending for the full Board's selection the slate of director nominees for election. These guidelines also provide for the independent directors to evaluate new candidates and current directors, and recommend candidates to the Board to fill vacancies occurring between annual shareholder meetings. All of the director nominees of the Company set forth in the Proposal entitled "Election of Directors and Management Information" were recommended by a majority of the independent directors of the Company. The independent directors in their capacity as the nominating committee held two meetings during 2009. The Board of Directors believes it is appropriate for the Company's independent directors, and not a separate nominating committee, to recommend nominees and evaluate candidates due to its belief that all directors should participate in the nomination process. A copy of our current Corporate Governance Guidelines can be viewed on our Web site at www.optimumbank.com/corpgovernance.html.

The Board initially looks to nominating its existing directors for re-election to the Board as appropriate or to other Director nominees proposed, as appropriate, by the directors, and in doing so considers each director's independence, if required, share ownership, skills, performance and attendance at a minimum of 75% of the Board and respective committee meetings. In evaluating any candidates for potential director nomination, the Board of Directors, and specifically the independent directors, will consider candidates that are independent, if required, who possess personal and professional integrity, have good business judgment, relevant experience and skills, including financial, real estate and/or legal expertise, who would be effective as a Director in conjunction with the full Board, who would commit to attend Board and committee meetings, and whose interests are aligned with the long-term interests of the Company's shareholders.

Shareholders have previously elected each of the directors submitted at the 2010 annual meeting, except for Robert Acri, Jack Calloway and Jerry Grace. Nominee Robert Acri was recommended by a non-management director and security holder. Nominees Jerry Grace and Jack Calloway were recommended by an investment banking consultant to the Company.

The Board, including its independent directors, will consider director candidates recommended by shareholders, provided the recommendation is in writing and delivered to the President of the Company at the principal executive offices of the Company not later than January 28, 2011. The nomination and notification must contain the nominee's name, address, principal occupation, total number of shares owned, consent to serve as a director, and all information relating to the nominee and the nominating shareholder as would be required to be disclosed in solicitation of proxies for the election of such nominee as a director pursuant to the SEC's proxy rules. It is the general policy of the Company to re-nominate qualified incumbent directors, and that, absent special circumstances, the Board will not consider other candidates when a qualified incumbent consents to stand for re-election.

Audit Committee. The Audit Committee of the Board of Directors is responsible for the oversight of the Company's financial and accounting reporting processes and the audits of the Company's financial statements. The Audit Committee is currently composed of three non-employee directors and operates under a written charter adopted and approved by the Board of Directors. Jerry Grace, Chair, Larry Willis and Robert Acri make up the Board's Audit Committee. A copy of the current Audit Committee Charter can be viewed on our Web site at www.optimumbank.com/corpgovernance.html.

The Board has determined that each member of the Audit Committee is financially literate and independent in accordance with the more stringent NASDAQ listing standards applicable to audit committee members. The Board considered that Mr. Willis is an executive officer of an insurance agency which is used by the Company to obtain commercial property and liability insurance. The Board determined that such payments are not indirect compensatory fees to Mr. Willis, and Mr. Willis is therefore independent under the standards applicable to audit committee members. The Board also has determined that Jerry Grace is an audit committee financial expert as defined by SEC rules. The Audit Committee met ten times during 2009. A Report from the Audit Committee is included on page 8.

Attendance by Directors at Annual Shareholders Meetings. The Company expects its directors to attend the Annual Meeting. All of the directors attended last year's Annual Meeting.

Shareholder Communications with the Board of Directors. The Board of Directors has adopted a formal process by which shareholders may communicate with the Board. Shareholders who wish to communicate with the Board may do so by sending written communications addressed to: Board of Directors, OptimumBank Holdings, Inc. at 2477 East Commercial Boulevard, Fort Lauderdale, Florida 33308, attention: Richard L. Browdy, President. All communications will be compiled by the President and submitted to the members of the Board. Concerns about accounting or auditing matters or possible violations of our Senior Financial Officer Code of Ethics should be reported under the procedures outlined in our Whistleblower Policy. Our Whistleblower Policy is available on our Web site at www.optimumbank.com/corpgovernance.html.

DIRECTOR COMPENSATION

Mr. Browdy, and our former Chief Executive Officer, Albert J. Finch, as salaried employees, received no compensation for serving as directors, except that they, like all directors, were eligible to receive reimbursement of reasonable expenses incurred in attending Board and committee meetings. Each non-employee director receives compensation for serving on the Board of Directors and committees of the Board as follows:

A fee of \$500 for each Company regularly scheduled monthly meeting attended. Since the Boards of the Company and the Bank generally meet on the same day for their regularly scheduled monthly meetings, no meeting fees are paid for attendance by Bank directors at Bank board meetings. No meeting fees are paid for attendance at special Board or Board committee meetings.

Termination of Employment Agreement. The Company is a party to a stock purchase agreement with Richard Browdy and Albert Finch which provides for the purchase and ownership by Mr. Browdy of a \$500,000 life insurance policy on Albert Finch, with the annual premiums for such policy reimbursable by the Company. Upon Mr. Finch's death, Mr. Browdy is required to purchase with the proceeds of the policy any of the Company's common shares held in Mr. Finch's estate at the greater of \$6.75 per share or the fair market value of the shares. The agreement does not prevent Mr. Finch from transferring any of his Company stock prior to his death. In the event that the aggregate purchase price is less than the death benefit, Mr. Browdy is entitled to the excess proceeds. Mr. Browdy vests in the shares over his five-year period of employment following Mr. Finch's death, with 40% vesting after the first year, and 15% each year thereafter. For a period of five years after Mr. Finch's death, if Mr. Browdy's employment is terminated for cause or voluntarily by Mr. Browdy, the Company has the right to purchase any non-vested shares from Mr. Browdy for \$1,000.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2009 and selected Hacker, Johnson & Smith PA as the Company's independent auditor for 2010.

PROPOSAL 2: RATIFICATION OF INDEPENDENT AUDITOR

The Audit Committee has selected Hacker, Johnson & Smith PA (Hacker Johnson) as the Company's independent auditor for fiscal year 2010, and the Board asks shareholders to ratify that selection. Although current law, rules, and regulations, as well as the charter of the Audit Committee, require the Audit Committee to engage, retain, and oversee the Company's independent auditor, the Board considers the selection of the independent auditor to be an important matter of shareholder concern and is submitting the selection of Hacker Johnson for ratification by shareholders as a matter of good corporate practice.

The affirmative vote of holders of a majority of the shares of common stock cast in person or by proxy at the meeting is required to approve the ratification of the selection of Hacker Johnson as the Company's independent auditor for the current fiscal year.

The Board of Directors recommends a vote FOR the proposal.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The following are transactions since January 1, 2009, or proposed transactions in which the Company was or is a party, in which the amount involved exceeded \$120,000, and in which a director, director nominee, executive officer, holder of more than 5% of our Common Stock or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest.

The Company offers loans in the ordinary course of business to its directors and employees, including executive officers, their related interests and immediate family members. Applicable law and Company policy require that these loans be on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with unrelated parties, and must not involve more than the normal risk of repayment or present other unfavorable features. Loans

to individual employees, directors and executive officers must also comply with the Company's lending policies and statutory lending limits, and directors with a personal interest in any loan application are excluded from the consideration of such loan application. Seth Goldstein and Carrie Goldstein, the son-in-law and daughter of Albert J. Finch, former Chairman of the Board and Chief Executive Officer, and former directors H. David Krinsky and Gordon Deckelbaum had loans outstanding from the Company during 2009.

In 2009 and 2008, the Company retained Wendy Mitchler, Attorney at Law, as outside counsel. Wendy Mitchler, a director of the Company, is the owner of the law firm of Wendy Mitchler, Attorney at Law. During 2009 and 2008, the Company paid the law firm approximately \$104,500 and \$84,000, respectively, in legal fees for various legal matters. In addition, payments totaling approximately \$900 and \$27,000 in 2009 and 2008, respectively, were made by borrowers to the law firm in connection with loan closings for OptimumBank. In 2010, Ms. Mitchler's firm continued to represent the Company in various legal matters.

In 2009 and 2008, the Company retained the Law Offices of Carrie Goldstein, Esq., as corporate counsel. The owner of the firm, Carrie Goldstein, is the daughter of Albert J. Finch, former Chairman of the Board and Chief Executive Officer of the Company. Payments totaling approximately \$43,800 and \$85,000 in 2009 and 2008, respectively, were made by borrowers to Ms. Goldstein's law firm in connection with loan closings for OptimumBank. In addition, during 2009 and 2008, the Company paid Ms. Goldstein's law firm approximately \$21,990 and \$10,200, respectively, in legal fees for various legal matters. No fees were paid by the Company to Ms. Goldstein's law firm in 2010.

Seth Goldstein, the husband of Carrie Goldstein and son-in-law of former Chairman of the Board and Chief Executive Officer Albert J. Finch, is employed by the Company as a Vice President, Administration, for OptimumBank. He was paid approximately \$90,640 and \$91,000 for his services during 2009 and 2008, respectively. His current annual base salary in 2010 is \$90,640.

Michel Vogel, son-in-law of Company director and President, Richard Browdy, is employed by OptimumBank as Vice President, Lending, and Senior Relationship Manager. He was paid approximately \$90,640 and \$92,000 for his services during 2009 and 2008, respectively. In September 2010, Mr. Vogel's annual base salary was increased to \$135,000.

Since December 2009, the Company has paid Sam Borek, Chairman of the Board, a \$14,000 monthly consulting fee in consideration of Mr. Borek's assumption of increased responsibilities due to Mr. Finch's retirement as Chief Executive Officer with no other individual assuming that position. Amounts paid as consulting fees to Mr. Borek in 2009 were \$14,000 and such fees totaled \$126,000 in the nine months ended September 30, 2010. There is no written agreement between the Company and Mr. Borek regarding the amount or continuation of such fees.

CONSENT ORDER AND OTHER REGULATORY ACTION

As previously disclosed, on April 16, 2010, OptimumBank entered into a Consent Order (the "Consent Order") with the FDIC and the State of Florida Office of Financial Regulation (collectively, the "Regulatory Agencies"). Among other things, OptimumBank agreed with the Regulatory Agencies that (i) its board of directors will continue to increase its participation in the affairs of OptimumBank and establish a Directors Committee to oversee OptimumBank's compliance with the Consent Order, (ii) it will continue to have and retain qualified management and notify the Regulatory Agencies of changes in directors or senior executive officers, and (iii) within 90 days it will have and maintain a Tier 1 capital ratio of at least 8% and a total risk based capital ratio of at least 12%. OptimumBank also agreed that it will (i) continue to charge off assets classified loss and 50% of those classified doubtful, (ii) undertake over a two-year period a scheduled reduction of the balance of loans classified substandard and doubtful in its recent examination by at least 75%, (iii) reduce the volume of adversely classified private label mortgage backed securities under a plan; (iv) restrict extensions of additional credit to certain borrowers whose loans have been classified by the Bank, (v) perform a risk segmentation analysis with respect to concentrations of credit listed in its recent examination report, (vi) prepare a business/strategic plan, (vii) prepare and implement a plan to improve and/or sustain Bank earnings, (viii) maintain an adequate allowance for loan losses, (ix) revise, implement and incorporate recommendations of the Regulatory Agencies for the following policies or plans: Lending and Collection

Policies, Investment Policy, Liquidity, Contingency Funding and Funds Management Plan, Interest Rate Risk Management Policy, Internal Loan Review and Grading System, and a Policy for Internal Routine and Control, (x) develop an internal audit program; (xi) not declare or pay dividends without the prior approval of the Regulatory Agencies, (xii) not accept, renew or rollover any brokered deposits except in accordance with applicable FDIC regulations, (xiii) notify the Regulatory Agencies prior to undertaking asset growth of 10% or more per annum, and (xiv) submit quarterly progress reports relating to the Consent Order to the Regulatory Agencies.

We have implemented comprehensive plans to address all of the requirements of the Consent Order. We believe that the Bank is currently in substantial compliance with the requirements of the Consent Order except for the Bank's failure to attain the regulatory capital ratio requirements. We are actively pursuing strategic alternatives intended to result in attaining such capital ratios, including the planned issuance of the Company's common stock in a private offering. However, we are uncertain as to whether the Company will be able to raise sufficient capital, if any, to achieve material compliance with these ratios.

As previously disclosed, the Company is also subject to a Written Agreement with the Federal Reserve Bank of Atlanta dated June 22, 2010. Among other things, the Company agreed with the Reserve Bank that its board of directors will take appropriate steps to fully utilize the Company's financial and managerial resources to serve as a source of strength to the Bank, including, but not limited to, taking steps to ensure that the Bank complies with the Consent Order and any other supervisory action taken by the Bank's state or federal regulator. The Company also agreed that, without prior approval of the Reserve Bank, it will not (i) declare or pay dividends (ii) directly or indirectly take dividends or any other form of payment representing a reduction in capital from the Bank, (iii) make any distributions of interest, principal, or other sums on subordinated debentures or trust preferred securities, (iv) incur, increase, or guarantee any debt or purchase or redeem any shares of its stock, or (v) appoint any new director or senior executive officer, or change the responsibilities of any senior executive officer so that the officer would assume a different senior executive officer position. The Company also agreed that it will (i) comply with the regulations applicable to indemnification and severance payments, and (ii) submit quarterly progress reports relating to the Written Agreement to the Reserve Bank. Management of the Company believes that it is in substantial compliance with the terms of the Written Agreement, except for the Bank's failure to attain the capital ratios required under the Consent Order.
