**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On March 17, 2011, Robert B. Heisler, Jr. and Terrence R. Ozan were elected to the Board of Directors of TFS Financial Corporation (the Company), filling two vacant board positions. The Board has affirmatively determined that Mr. Heisler and Mr. Ozan are independent of the Company and its management, consistent with the criteria established by the NASDAQ Stock Market.

Mr. Heisler serves as the Dean of Kent State University's Business School, a position he has held since October 2008. Prior to that appointment, he served as a Special Advisor to the University President. Mr. Heisler retired as Chairman of KeyBank, N.A. in August 2007, after 37 years in the banking industry. Prior to his role as Chairman, Mr. Heisler served as Senior Managing Director of Key Capital Partners and held various positions throughout the organization, overseeing investment banking, brokerage, asset management, private banking, and investment research. Mr. Heisler is a Director of First Energy Corporation and holds leadership positions for many Northeast Ohio community organizations.

Mr. Ozan serves on the Board of Directors of Capgemini, Cohesant Inc., and a privately held chemical manufacturer and supplier. Capgemini is an \$11 billion company providing consulting, technology and outsourcing services around the world and is listed on the Paris Stock Exchange. Cohesant is a pink sheet-listed company providing water infrastructure rehabilitation products and services. Prior to his retirement in 2003, Mr. Ozan served as CEO of North American operations and was an executive member of the Capgemini Global Management Committee. Prior to the formation of Capgemini in 2000, Mr. Ozan was the CEO of worldwide consulting services for Ernst & Young and served on various boards and governance committees. In his nearly 30 year career at Ernst & Young, Mr. Ozan also directed many different US business units of the organization.

Directors Heisler and Ozan bring extensive business and banking experience to the Board and will enhance the risk management and oversight functions of the Board. Each of the new directors will serve until our next annual meeting of shareholders and until his successor is elected and shall qualify.
