EXPLANATORY NOTE

We are filing this Amendment No. 1 (this Amendment) to our Annual Report on Form 10-K for the fiscal year ended December 31, 2010, filed with the Securities and Exchange Commission (the SEC) on March 16, 2011 (the Original Report), for the sole purpose of disclosing management's annual report on internal control over financial reporting under Item 9A of Part II of Form 10-K. This Amendment amends and restates in its entirety Item 9A of the Original Report. Except as set forth above, we have not changed or updated other information included in the Original Report. This Amendment does not reflect events occurring after the date of the Original Report or modify or update any of the other disclosures contained therein in any way other than as required to reflect the amendments discussed above. Accordingly, this Amendment should be read in conjunction with the Original Report and the Company's other filings with the SEC.

PART II

ITEM 9A. CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures

Flag Intermediate. As of December 31, 2010, an evaluation was carried out under the supervision and with the participation of the management of Flag Intermediate Holdings Corporation and its subsidiaries (Flag Intermediate), including its President and Chief Executive Officer and Chief Financial Officer, of the effectiveness of the disclosure controls and procedures of Flag Intermediate. Based on that evaluation, the CEO and CFO of Flag Intermediate have concluded that the disclosure controls and procedures of Flag Intermediate are effective to ensure that the information required to be disclosed in reports it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the Securities and Exchange Commission's rules and forms, and that such information is accumulated and communicated to its management, including the CEO and CFO, as appropriate, to allow timely decisions regarding required disclosure.

Metals USA. As of December 31, 2010, an evaluation was carried out under the supervision and with the participation of the management of Metals USA, Inc. and its subsidiaries (Metals USA), including its President and Chief Executive Officer and Chief Financial Officer, of the effectiveness of the disclosure controls and procedures of Metals USA. Based on that evaluation, the CEO and CFO of Metals USA have concluded that the disclosure controls and procedures of Metals USA, are effective to ensure that the information required to be disclosed in reports it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the Securities and Exchange Commission's rules and forms, and that such information is accumulated and communicated to its management, including the CEO and CFO, as appropriate, to allow timely decisions regarding required disclosure.

Flag Intermediate: Management's Annual Report on Internal Control over Financial Reporting

The management of Flag Intermediate is responsible for establishing and maintaining adequate internal control over financial reporting. Flag Intermediate's internal control system was designed to provide reasonable assurance to management and the Board of Directors of Flag Intermediate regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

All internal control systems, no matter how well designed, have inherent limitations. Even those systems determined to be effective can provide only reasonable assurance with respect to financial statement presentation and preparation. Further, because of changes in conditions, the effectiveness of internal control may vary over time.

Management of Flag Intermediate conducted an evaluation of the effectiveness of Flag Intermediate's internal control over financial reporting based on the framework in *Internal Control - Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission. Based on this evaluation, management of Flag Intermediate concluded that Flag Intermediate's internal control over financial reporting was effective as of December 31, 2010.

Metals USA: Management's Annual Report on Internal Control over Financial Reporting

The management of Metals USA is responsible for establishing and maintaining adequate internal control over financial reporting. Metals USA's internal control system was designed to provide reasonable assurance to management and the Board of Directors of Metals USA regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

All internal control systems, no matter how well designed, have inherent limitations. Even those systems determined to be effective can provide only reasonable assurance with respect to financial statement presentation and preparation. Further, because of changes in conditions, the effectiveness of internal control may vary over time.

Management of Metals USA conducted an evaluation of the effectiveness of Metals USA's internal control over financial reporting based on the framework in *Internal Control - Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission. Based on this evaluation, management of Metals USA concluded that Metals USA's internal control over financial reporting was effective as of December 31, 2010.

Table of Contents

Changes in Internal Control over Financial Reporting

Each of Flag Intermediate and Metals USA maintains a system of internal control over financial reporting that is designed to provide reasonable assurance that its books and records accurately reflect the transactions of the Flag Intermediate and Metals USA, respectively, and that its policies and procedures are followed. There have been no changes in the internal control over financial reporting of Flag Intermediate or Metals USA during the fourth quarter that have materially affected, or are reasonably likely to materially affect such controls since the most recent evaluation of these controls as reported in the Form 10-Q for the period ended September 30, 2010, including any corrective actions with regard to significant deficiencies or material weaknesses in its internal controls.
