Item 1.01 Entry into a Material Definitive Agreement.

On January 31, 2012, in connection with a new \$1.0 billion unsecured revolving credit facility (the 2012 Credit Facility) American Tower Corporation (the Company) entered into a loan agreement with JPMorgan Chase Bank, N.A., as Administrative Agent, CitiBank, N.A., The Royal Bank of Scotland plc and TD Securities (USA) LLC, as Co-Syndication Agents, J.P. Morgan Securities LLC, TD Securities (USA) LLC, CitiGroup Global Markets Inc. and RBS Securities Inc., as Joint Lead Arrangers and Joint Bookrunners, Barclays Bank plc, Morgan Stanley MUFG Loan Partners, LLC, Mizuho Corporate Bank, Ltd. and RBC Capital Markets, as Joint Bookrunners, and lenders that are signatories thereto (the Loan Agreement). The 2012 Credit Facility has a term of five years and matures on January 31, 2017. The 2012 Credit Facility does not require amortization of payments and may be repaid prior to maturity in whole or in part at the Company s option without penalty or premium.

At closing, the Company borrowed \$700 million under the 2012 Credit Facility and used the proceeds, together with \$625 million in borrowings from the Company s \$1.0 billion unsecured revolving credit facility entered into in April 2011 and cash on hand, to repay all amounts outstanding and accrued interest and related fees under the Company s existing \$1.25 billion senior unsecured revolving credit facility (the 2007 Credit Facility) and \$325.0 million term loan (the Term Loan). Upon repayment, the Company terminated the 2007 Credit Facility without penalty or premium.

Amounts borrowed under the Loan Agreement will bear interest, at the Company s option, at a margin above LIBOR or a defined base rate. For LIBOR based borrowings, interest rates will range from 1.075% to 2.400% above the LIBOR rate. For base rate borrowings, interest rates will range from 0.075% to 1.400% above the defined base rate. In each case, the applicable margin is based upon the Company s debt ratings. In addition, the Loan Agreement provides for a quarterly commitment fee on the undrawn portion of the 2012 Credit Facility ranging from 0.125% to 0.450% per annum, based upon the Company s debt ratings. The current margin over LIBOR that the Company would incur on borrowings is 1.625% and the current commitment fee on the undrawn portion of the 2012 Credit Facility is 0.225%.

The Company s ability to borrow under the Loan Agreement will be subject to its ongoing compliance with various affirmative and negative covenants, including with respect to indebtedness, guaranties, mergers and asset sales, liens, dividends, corporate existence and financial reporting obligations. In addition, the Loan Agreement requires that the Company satisfy the following three financial maintenance tests (each of the capitalized terms, as defined in the Loan Agreement):

a consolidated total leverage ratio (Total Debt to Adjusted EBITDA) of not greater than 6.00 to 1.00 for the Company and its subsidiaries (other than unrestricted subsidiaries);

a consolidated senior secured leverage ratio (Senior Secured Debt to Adjusted EBITDA) of not greater than 3.00 to 1.00 for the Company and its subsidiaries (other than unrestricted subsidiaries); and

an interest coverage ratio (Adjusted EBITDA to Interest Expense) of not less than 2.50 to 1.00 for the Company and its subsidiaries (other than unrestricted subsidiaries).

Any failure to comply with the financial and operating covenants of the Loan Agreement would not only prevent the Company from being able to borrow additional funds, but would constitute a default, which could result in, among other things, the amounts outstanding, including all accrued interest and unpaid fees, becoming immediately due and payable. In addition, the Loan Agreement contains customary events of default, in certain cases subject to customary cure periods.

The Loan Agreement allows the Company to use borrowings for working capital needs, to finance acquisitions and for other general corporate purposes of the Company and its subsidiaries (including, without limitation, to refinance or repurchase other indebtedness and to repurchase the Company s equity securities, in each case without additional lender approval).

Certain of the lenders under the 2012 Credit Facility and other parties to the 2012 Credit Facility or their affiliates have provided, and may in the future provide, commercial banking, underwriting, lending, investment banking, and financial advisory services in the ordinary course of business for the Company, its subsidiaries and certain of its affiliates, for which they have received or will receive customary fees and commissions.

The foregoing description is only a summary of certain provisions of the 2012 Credit Facility and is qualified in its entirety by the terms of the Loan Agreement, a copy of which will be filed as an exhibit to the Company's Annual Report on Form 10-K for the year ended December 31, 2011. A copy of the press release announcing the 2012 Credit Facility is filed herewith as Exhibit 99.1.
