Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

1. At a meeting held on February 21, 2012, the Compensation and Organization Committee of the Board of Directors of the registrant (the Committee) established corporate performance criteria that will be used to determine the aggregate maximum amount of 2012 incentive compensation awards under the Senior Executive Incentive Compensation Plan (the Plan). The Plan participants consist of the Chief Executive Officer and those officers reporting directly to him. At the same meeting, the Committee established 2012 individual participant percentages of the aggregate incentive amount, corporate performance goals and individual incentive target amounts. Under the Plan, the Committee may use its discretion to reduce an individual participant's share of the aggregate maximum amount based on the results under the corporate performance goals and individual performance ratings. For 2012, the aggregate maximum amount has been set by the Committee equal to 2% of the registrant's 2012 net income, and the corporate performance goals established by the Committee for 2012 are specific Cash Flow Return on Gross Capital and Earnings Per Share targets, weighted equally. The individual percentage shares of the aggregate maximum amount for the currently serving executive officers who were named in the summary compensation table of the registrant's 2011 Proxy Statement (the Named Executive Officers) and who will participate in the Plan in 2012, range from 13% to 25%. Participants in the Plan are not eligible to participate in the registrant's Executive Incentive Compensation Plan (the EIC Plan), which covers the remaining officers and approximately 2,000 other employees of the registrant.

2. Also on February 21, 2012, the Committee approved grants and established individual targets for the 2012-2015 Award Period under the long-term Executive Strategic Incentive Plan (the ESIP). The aggregate amounts at target for the Named Executive Officers who will participate in the 2012-2015 Award Period range from \$1,000,000 to \$4,250,000. Awards are expressed in the form of phantom common share units, although payouts, if any, will be made in cash, unless the participant has elected to defer receipt of such payment. On February 22, 2012, the Committee established corporate performance objectives for the 2012-2015 Award Period under the ESIP, consisting of specific Cash Flow Return on Gross Capital and Earnings Per Share targets. The actual amount of the payments will depend upon the performance of the registrant against these targets and the market value of the registrant's common shares. The registrant has maintained the ESIP for many years in order to provide key senior executives with incentives to achieve demanding long-term corporate objectives and in order to attract and retain executives of outstanding ability.
