Item 7.01 Regulation FD.

On April 18, 2012, Trans Energy, Inc. presented at the IPAA Oil and Gas Investment Symposium at the Sheraton New York Hotel and Towers in New York City. Speaking on behalf of Trans Energy were John G. Corp, President, and Stephen P. Lucado, Director.

The presentation focused on the Company's development efforts in Marcellus Shale, specifically in Marion, Marshall, Tyler and Wetzel counties in Northern West Virginia. The presentation covered the following topics:

- * General information about Trans Energy, Inc.
- * Discussion of drilling results
- * Production history and future drilling plans
- * Wet gas economics
- * SEC Reserves
- * Debt financing Credit Agreement
- * Other information

A summary of the presentation made at the IPAA Symposium is included as an exhibit to this report. Persons desiring additional information may visit Trans Energy's website at <http://www.transenergyinc.com>. Also attached as an exhibit is a press release issued by Trans Energy.

Notes about Forward-looking Statements

Statements contained in this current report which are not historical facts, may be considered forward-looking statements, which term is defined by the Private Securities Litigation Reform Act of 1995. Forward-looking statements are based on current expectations and the current economic environment. We caution readers that such forward-looking statements are not guarantees of future performance. Unknown risks and uncertainties as well as other uncontrollable or unknown factors could cause actual results to materially differ from the results, performance or expectations expressed or implied by such forward-looking statements.
