PROXY STATEMENT FOR

2012 ANNUAL MEETING OF STOCKHOLDERS

INFORMATION CONCERNING PROXY SOLICITATION AND VOTING

Our Board of Directors is soliciting proxies for the 2012 annual meeting of stockholders and any adjournment or postponement of such meeting. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters brought before the meeting. Please read it carefully.

The annual meeting will be held on May 31, 2012, at 2:00 p.m., local time, at our principal executive offices, located at 601 108th Avenue NE, Suite 1200, Bellevue, Washington 98004. All proxies are solicited for the purposes set forth herein and in the notice of annual meeting of stockholders that accompanies this Proxy Statement. Voting materials, which include the Proxy Statement, form of proxy, and Annual Report on Form 10-K for the year ended December 31, 2011, will be sent or otherwise distributed on or about April 25, 2012 to Stockholders of Record (as defined below).

Important Notice Regarding the Availability of Proxy Materials for Stockholders Meeting to be Held on May 31, 2012

This Proxy Statement and the Annual Report on Form 10-K for the year ended December 31, 2011 are also available at www.proxyvote.com.

Stockholders of Record and beneficial owners may access the form of proxy on the Internet by following the instructions on the proxy card or voting instruction card. Please note that you will not be required to provide any personal information, other than the identification number provided on the proxy card or voting instruction card, to execute a proxy.

This solicitation of proxies is made on behalf of InfoSpace, and we will pay for all related costs. In addition, we will reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of our directors, officers, and regular employees, without additional compensation, personally or by telephone.

We do not expect any matters not listed in the Proxy Statement to come before the annual meeting. For Stockholders of Record, if any other matter is presented, your signed proxy card or submission of your proxy by telephone or via the Internet gives the individuals named as proxy holders the authority to vote your shares to the extent authorized by Rule 14a-4(c) under the Securities Exchange Act of 1934, as amended (the *Exchange Act*). If any other matters come before the meeting, it is the intention of the persons named in the accompanying proxy card to vote the shares they represent as the Board of Directors may recommend.

Important Note Regarding Discretionary Voting by Brokers

If you hold your shares in a brokerage or bank account in your broker's or bank's name (this is called *Street Name*), it is critical that you instruct your broker or bank to cast your vote if you want it to count in the election of directors (Proposal One), in the advisory vote to approve the compensation of the officers discussed in the Compensation Discussion and Analysis and Compensation of Named Executive Officers sections below (the *Named Executive Officers*) (Proposal Three), on the approval of an amendment to the Company's Restated Certificate of Incorporation to change the Company's name to Blucora, Inc. (Proposal Four), or on the approval of an amendment to the Company's Restated Certificate of Incorporation to eliminate the old common stock from the Company's authorized capital stock (Proposal Five). Due to regulatory changes in recent years, no votes will be cast on your behalf on these proposals if you hold your shares in Street Name and you do not instruct your bank or broker how to vote. In such a case, your shares will be considered "broker non-votes" with regard to such proposals because the broker or bank will not have discretionary authority to vote such shares.

Questions and Answers

Q: Who is entitled to vote?

A: All stockholders who owned InfoSpace common stock at the close of business on the record date of April 2, 2012 (*Stockholders of Record*) are entitled to receive notice of the annual meeting and to vote the shares they own as of the record date. Each stockholder is entitled to one vote for each share of common stock held on all matters properly brought before the meeting to be voted on. 39,901,012 shares of our common stock were outstanding and entitled to vote on April 2, 2012. Shares of our common stock were held of record by 460 stockholders on the record date. If, as of the record date, your shares were registered directly in your name with the Company's transfer agent, Computershare Shareowner Services, you are considered the Stockholder of Record with respect to those shares. The number of holders of record does not include beneficial owners of our common stock who hold their shares through brokers, banks, or other holders of record.

Q: How many votes do you need at the meeting to transact business?

A: A majority of InfoSpace's outstanding shares as of the record date must be present at the meeting in order to hold the meeting and conduct business. This is called a quorum. Shares that are voted on any matter or voted "abstain", as well as broker non-votes (defined below), will be considered present at the meeting for purposes of establishing a quorum.

Q: What proposals will be voted on at the meeting?

A: There are five proposals scheduled to be voted on at the meeting:

Proposal One: Election of the two Class I directors nominated by the Board of Directors of the Company to serve for three-year terms;

Proposal Two: Ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for 2012;

Proposal Three: Approval, on an advisory basis, of the compensation of the Company's Named Executive Officers, as disclosed in this Proxy Statement;

Proposal Four: Approval of an amendment to the Company's Restated Certificate of Incorporation to change the Company's name to Blucora, Inc.; and

Proposal Five: Approval of an amendment to the Company's Restated Certificate of Incorporation to eliminate the old common stock from the Company's authorized capital stock.

Q: What are the voting options for each proposal?

A: In the election of the directors (Proposal One), you may vote *FOR* each of the nominees or your vote may be *WITHHELD* with respect to any nominee. On the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm (Proposal Two), on the approval of the compensation of the Company's Named Executive Officers, as disclosed in this Proxy Statement (Proposal Three), on the approval of an amendment to the Company's Restated Certificate of Incorporation to change the Company's name to Blucora, Inc. (Proposal Four), and on the approval of an amendment to the Company's Restated Certificate of Incorporation to eliminate the old common stock from the Company's authorized capital stock (Proposal Five) you may vote *FOR*, *AGAINST*, or *ABSTAIN*.

Q: What are the Company's voting recommendations?

A: Our Board of Directors recommends that you vote your shares *FOR* each nominee to the Board of Directors listed in this Proxy Statement, *FOR* the ratification of Ernst & Young LLP as InfoSpace's

independent registered public accounting firm, *FOR* the approval of the compensation of the Company's Named Executive Officers, as disclosed in this Proxy Statement, *FOR* the approval of an amendment to the Company's Restated Certificate of Incorporation to change the Company's name to Blucora, Inc., and *FOR* the approval of an amendment to the Company's Restated Certificate of Incorporation to eliminate the old common stock from the Company's authorized capital stock.

Q: What is the voting requirement to approve each of the proposals?

A: For the election of directors (Proposal One), the two Class I nominees of the Board of Directors of the Company who receive the greatest number of *FOR* votes from shares present and entitled to vote at the meeting will be elected. Withheld votes and broker non-votes will have no effect on the outcome of the election.

The proposed ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm (Proposal Two) requires the affirmative *FOR* vote of a majority of the shares voted at the meeting and entitled to vote with respect to such proposal in order for it to be approved. Abstentions will have the same effect as a vote *AGAINST* Proposal Two.

The approval, on an advisory basis, of the compensation of the Company's Named Executive Officers, as disclosed in this Proxy Statement, (Proposal Three) requires the affirmative *FOR* vote of a majority of the shares cast at the meeting and entitled to vote with respect to such proposal in order for it to be approved. Abstentions will have the same effect as a vote *AGAINST* Proposal Three. Broker non-votes will have no effect on the outcome of the vote.

The approval of an amendment to the Company's Restated Certificate of Incorporation to change the Company's name to Blucora, Inc. (Proposal Four) requires the affirmative *FOR* vote of a majority of the shares of common stock outstanding as of the record date in order for it to be approved. Accordingly, abstentions and broker non-votes have the same effect as a vote *AGAINST* Proposal Four.

The approval of an amendment to the Company's Restated Certificate of Incorporation to eliminate the old common stock from the Company's authorized capital stock (Proposal Five) requires the affirmative *FOR* vote of a majority of the shares of common stock outstanding as of the record date in order for it to be approved. Accordingly, abstentions and broker non-votes have the same effect as a vote *AGAINST* Proposal Five.

Q: What if I do not vote for some of the items listed on my proxy card or voting instruction card?

A: If you provide specific voting instructions, your shares will be voted as you have instructed. If you are a Stockholder of Record, execute the proxy card, and do not provide voting instructions on certain matters, your shares will be voted in accordance with the Board's recommendations. If you hold your shares in street name and do not provide voting instructions, your broker or bank will have discretionary authority to vote such shares *ONLY* on the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm (Proposal Two) and your shares will not be counted on any of the other proposals.

Q: How can I vote my shares without attending the meeting?

A: Whether you hold shares directly as a Stockholder of Record or beneficially through a broker, bank, or other nominee, you may vote without attending the meeting. You may vote by granting a proxy or, for shares held through a broker, bank, or other nominee, by submitting voting instructions to your broker, bank, or other nominee. In most cases, you will be able to do this by telephone, via the Internet, or by mail. For Stockholders of Record, please refer to the summary instructions included on your proxy card. For shares held through a broker, bank, or other nominee, please refer to the voting instruction card that will be provided by your broker, bank, or other nominee.

If your shares are registered under different names, or if they are in more than one account, you may receive more than one proxy card or voting instruction card. Please follow the instructions on each proxy card or voting instruction card to ensure that all of your shares are represented at the meeting. Please sign each proxy card exactly as your name or names appear on the proxy card. For joint accounts, each owner should sign the proxy card. When signing as executor, administrator, attorney, trustee, or guardian, etc., please print your full title on the proxy card.

BY TELEPHONE OR THE INTERNET If you have telephone or Internet access, you may submit your vote by following the instructions on the proxy card or voting instruction card.

BY MAIL You may submit your proxy by mail by signing your proxy card or, for shares held through a broker, bank, or other nominee, by following the voting instruction card included by your broker, bank, or other nominee and mailing it in the enclosed, postage-paid envelope.

Q: How may I vote my shares in person at the meeting?

A: Shares held directly in your name as the Stockholder of Record may be voted in person at the meeting. If you hold your shares through a bank, broker, or other holder of record, and you wish to vote at the meeting, you must present a legal proxy from your broker or other holder of record in order to vote at the meeting. If you choose to attend the meeting, please bring proof of identification for entrance to the meeting. If you hold your shares through a bank, broker, or other holder of record, please also bring your proof of ownership, such as a brokerage statement. Even if you currently plan to attend the annual meeting, we recommend that you submit your proxy card or voting instruction card as described above so that your vote will be counted if you later decide not to attend the meeting.

Q: How can I change my vote?

A: You may change your vote at any time before the final vote at the meeting. If you are a Stockholder of Record, you may change your vote by signing and submitting a new proxy card with a later date, voting by telephone or via the Internet as instructed above (only your latest telephone or Internet proxy is counted), or by attending the meeting and voting in person (as described above). Attending the meeting will not revoke your proxy unless you specifically request it.

If you hold your shares through a broker, bank, or other nominee, you should contact your broker, bank, or other nominee prior to the time such voting instructions are exercised.

Q: Where can I find the voting results of the meeting?

A: The preliminary voting results will be announced at the meeting. The final results will be published in a Current Report on Form 8-K within four business days of the end of the meeting, which will be filed with the Securities and Exchange Commission and will also be available at www.infospaceinc.com. If final results are not available within four business days of the end of the meeting, preliminary results will be published in a Current Report on Form 8-K at that time, and the final results will be published in an amended Current Report on Form 8-K/A when they are available.

Q: Is a list of registered stockholders available?

A: The Company's list of stockholders as of April 2, 2012, will be available for inspection for 10 days prior to the 2012 annual meeting and at the annual meeting for any purpose reasonably relevant to the meeting. If you want to inspect the stockholder list, please call the office of the General Counsel at (425) 201-6100 to schedule an appointment.

Householding of Proxy Materials

We have adopted a procedure approved by the U.S. Securities and Exchange Commission called householding. Under this procedure, Stockholders of Record who have the same address and last name and who do not participate in electronic delivery of proxy materials will receive only one set of our proxy materials, unless one or more of these stockholders notifies us that they wish to continue receiving individual copies. We believe this will provide greater convenience for our stockholders, as well as cost savings for us by reducing the number of duplicate documents that are mailed.

Stockholders who participate in householding will continue to receive separate proxy cards. Householding will not in any way affect your rights as a stockholder.

If you are eligible for householding, but you and other Stockholders of Record with whom you share an address currently receive multiple copies of our proxy materials, or if you hold stock in more than one account, and in either case you wish to receive only a single copy of each of these documents for your household, please contact Broadridge, either by calling toll-free (800) 542-1061, or by writing to Broadridge Financial Solutions, Inc., Householding Department, 51 Mercedes Way, Edgewood, New York 11717.

If you participate in householding and wish to receive a separate copy of our Annual Report on Form 10-K for the year ended December 31, 2011, or this Proxy Statement, or if you do not wish to participate in householding and prefer to receive separate copies of these documents in the future, please contact Broadridge as indicated above.

Beneficial stockholders can request information about householding from their banks, brokers, or other holders of record.

PROPOSAL ONE

ELECTION OF DIRECTORS

General

Effective as of the 2012 annual meeting of stockholders, the Board of Directors has set the size of the Board at eight members, with members in each class serving staggered three-year terms. A director serves in office until his or her respective successor is duly elected and qualified unless the director resigns or by reason of death or other cause is unable to serve in the capacity of director. If a director resigns before the end of his or her term, the Board of Directors may appoint a director to fill the remainder of that term or leave the position vacant. Stockholder election of directors may only take place at the annual meeting at which the three-year term of that director would expire or at a special meeting of stockholders called for such purpose.

Nominees for Directors

Two Class I directors are nominated for election at the annual meeting for three-year terms ending in 2015. The Board of Directors has nominated John Cunningham and William Ruckelshaus for re-election as Class I directors. For further information on the director nominees, see Information Regarding the Board of Directors and Committees below. For further information on the process of director nominations and criteria for selection of director nominees, see Director Nomination Process below.

Unless otherwise instructed, the proxy holders will vote the proxies received by them *FOR* the two nominees listed in this Proxy Statement. Each of the director nominees have consented to be named in this Proxy Statement and agreed to continue to serve as a director if elected by stockholders. In the event that either of these nominees to the Board of Directors is unable or declines to serve as a director at the time of the annual meeting, the proxies will be voted for a nominee who may be designated by the present Board of Directors to fill the vacancy. It is not expected that either of the nominees will be unable or will decline to serve as a director. Alternatively, the Board of Directors may reduce the size of the Board of Directors or maintain such vacancy.

If a quorum is present, the two Class I nominees receiving the highest number of votes will be elected to the Board of Directors. Votes withheld from any nominee and broker non-votes will be counted for purposes of determining the presence or absence of a quorum, but will not otherwise have an effect on the outcome of the vote. Proxies cannot be voted for a greater number of persons than the number of nominees named in this Proxy Statement and on the proxy card or the voting instruction card.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE NOMINEES

NAMED HEREIN

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING

FIRM FOR 2012

The Audit Committee of the Board of Directors has appointed Ernst & Young LLP as the Company's independent registered public accounting firm for 2012, and recommends that stockholders vote *FOR* ratification of this appointment. Although stockholder approval of this appointment is not required by law and is not binding on the Company, the Audit Committee will take your vote on this proposal into consideration when appointing our independent registered public accounting firm in the future. Even if you ratify the appointment of Ernst & Young LLP, the Audit Committee may in its sole discretion terminate such engagement and direct the appointment of another independent registered public accounting firm at any time during the year, although it has no current intention to do so.

Ernst & Young LLP, was appointed by the Audit Committee in March 2012 and replaces the Company's previous independent registered public accounting firm, Deloitte & Touche LLP (for further detail on Ernst & Young LLP and Deloitte & Touche LLP, see Engagement of Ernst & Young and Dismissal of Deloitte & Touche below). Representatives of Ernst & Young LLP are expected to be present at the meeting, with the opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate questions. We do not expect representatives of Deloitte & Touche LLP to be present at the meeting.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE
RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS THE COMPANY'S
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2012**

PROPOSAL THREE

ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION

In accordance with Section 14A of the Securities Exchange Act, the Company is providing stockholders with an advisory (non-binding) vote to approve the compensation programs for our Named Executive Officers. Accordingly, you may vote on the following resolution at the 2012 annual meeting of stockholders:

Resolved, that the stockholders approve, on an advisory basis, the compensation of the Named Executive Officers of InfoSpace, Inc., as disclosed in the Company's Proxy Statement for the 2012 annual meeting of stockholders, including the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure in the Proxy Statement.

This vote is nonbinding. The Board of Directors and the Compensation Committee expect to consider the outcome of the vote when considering future executive compensation decisions to the extent they can determine the cause or causes of any significant negative voting results.

The compensation of the Named Executive Officers is described in detail under Compensation Discussion and Analysis. Stockholders are encouraged to read the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure. The Company holds advisory votes on Named Executive Officer compensation on an annual basis, and the next such vote will be at the 2013 annual meeting of stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THE COMPENSATION DISCUSSION AND ANALYSIS, THE ACCOMPANYING COMPENSATION TABLES, AND THE RELATED NARRATIVE DISCLOSURE

PROPOSAL FOUR

AMENDMENT TO THE RESTATED CERTIFICATE OF INCORPORATION TO CHANGE THE COMPANY S NAME BLUCORA, INC.

In March 2012, the Board of Directors adopted a resolution approving an amendment to the Company s Restated Certificate of Incorporation to change the name of the Company from InfoSpace, Inc. to Blucora, Inc. and recommending that the name change amendment be submitted to stockholders for approval.

Reasons for the name change

The name change is intended to reflect the evolution of the Company into the owner of multiple technology businesses and to distinguish between the parent company and its individual business units. The name Blucora, Inc. was selected as an extensible corporate brand that encompasses the Company s current operations and can provide a platform for future opportunities. The Company s existing business operations will retain their current branding, including the InfoSpace search business and the TaxACT tax preparation service.

Effects of the name change

If the name change amendment is approved by stockholders, the name change will be effective when the amendment to the Restated Certificate of Incorporation is filed with the Secretary of State of the State of Delaware. The Company has reserved the NASDAQ stock symbol BCOR. If the name change amendment is approved, the Company intends to request that its common stock be listed on the NASDAQ and trade under this new stock symbol, rather than under the current INSP symbol.

If the name change amendment is approved by stockholders, Article 1 of the Company s Restated Certificate of Incorporation will be amended to read in its entirety as follows:

ARTICLE 1. NAME

The name of the corporation is Blucora, Inc.

If the name change becomes effective, the rights of stockholders holding certificated shares under currently outstanding stock certificates and the number of shares represented by those certificates will remain unchanged. The name change will not affect the validity or transferability of any currently outstanding stock certificates nor will it be necessary for stockholders with certificated shares to surrender or exchange any stock certificates they currently hold as a result of the name change. Uncertificated shares currently held in direct registration accounts and any new stock certificates that are issued after the name change becomes effective will bear the name Blucora, Inc. Approval of this Proposal Four requires the affirmative vote of a majority of the shares of common stock outstanding as of the record date. Any abstentions or broker non-votes will have the same effect as a vote against this Proposal Four.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL OF AN AMENDMENT TO THE RESTATED CERTIFICATE OF INCORPORATION OF INCOSPACE, INC. TO CHANGE THE COMPANY S NAME TO BLUCORA, INC.

PROPOSAL FIVE

AMENDMENT TO THE RESTATED CERTIFICATE OF INCORPORATION TO ELIMINATE THE OLD COMMON STOCK FROM THE COMPANY S AUTHORIZED CAPITAL STOCK

At the Company s 2009 annual meeting of stockholders, upon the recommendation of the Board of Directors, the stockholders approved an amendment to our Certificate of Incorporation that, among other things, created a new class of common stock (the *New Common Stock*) and converted each share of our original common stock (the *Old Common Stock*) into ownership of New Common Stock on a one-to-one basis. After that conversion occurred, the Old Common Stock remained authorized, but there were no shares outstanding. The Company does not need the Old Common Stock and there are no holders of the Old Common Stock, and thus, as a matter of corporate housekeeping, the Company is requesting that the stockholders approve an amendment to Section 4.1 of the Restated Certificate of Incorporation to remove the authorization of, and all reference to, the Old Common Stock, leaving the New Common Stock as the only authorized class of common stock.

In March 2012, the Board adopted a resolution approving an amendment to Section 4.1 of the Company s Restated Certificate of Incorporation to eliminate the Old Common Stock from the Company s authorized capital stock and recommending that the amendment set forth in this Proposal Five be submitted to stockholders for approval. If this amendment is approved by stockholders, the amendment will be effective when the amendment to the Restated Certificate of Incorporation is filed with the Secretary of State of the State of Delaware.

The first sentence of Section 4.1 of the Company s Restated Certificate of Incorporation currently reads in its entirety as follows:

The total authorized stock of the Corporation shall consist of three classes: (i) 900,000,000 shares of existing Common Stock having a par value of \$0.0001 per share (**Old Common Stock**); (ii) 900,000,000 shares of Common Stock having a par value of \$0.0001 per share (**Common Stock**); and (iii) 15,000,000 shares of Preferred Stock having a par value of \$0.0001 per share (**Preferred Stock**).

If this Proposal Five is approved by the stockholders, the first sentence of Section 4.1 of the Company s Restated Certificate of Incorporation will be amended to read in its entirety as follows:

The total authorized stock of the Corporation shall consist of two classes: (i) 900,000,000 shares of Common Stock having a par value of \$0.0001 per share (**Common Stock**) and (ii) 15,000,000 shares of Preferred Stock having a par value of \$0.0001 per share (**Preferred Stock**).

If this amendment becomes effective, the rights of stockholders who hold shares of our Common Stock will remain unchanged. The amendment will not effect a reclassification of or other modification to the shares of common stock currently outstanding. Approval of this Proposal Five requires the affirmative vote of a majority of the shares of Common Stock outstanding as of the record date. Any abstentions or broker non-votes will have the same effect as a vote against this Proposal Five.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL OF AN AMENDMENT TO THE RESTATED CERTIFICATE OF INCORPORATION TO ELIMINATE THE OLD COMMON STOCK FROM THE COMPANY S AUTHORIZED CAPITAL STOCK

INFORMATION REGARDING THE BOARD OF DIRECTORS AND COMMITTEES

The Director Nominees and Continuing Directors sections below set forth the business experience during at least the past five years for each nominee and each of the directors whose term of office will continue after the 2012 annual meeting of stockholders. In addition, these sections include a brief discussion of the specific experience, qualifications, attributes, and skills that led to the conclusion that each of the directors and nominees should continue to serve on the Board of Directors at this time. The Board of Directors believes that the directors and nominees have an appropriate balance of knowledge, experience, attributes, skills, and expertise as a whole to ensure the Board of Directors appropriately satisfies its oversight responsibilities and acts in the best interests of stockholders.

Board of Directors and Committee Information

The Board of Directors has general oversight responsibility for the Company's affairs and, in exercising its fiduciary duties, the Board represents and acts on behalf of the stockholders. Although the Board does not have responsibility for the Company's day-to-day management, it stays regularly informed about its business and provides oversight and guidance to management through periodic meetings and other communications. The Board is significantly involved in, among other things, the Company's strategic planning process, leadership development, and succession planning, as well as other functions carried out through the Board committees as described below.

Leadership Structure. The leadership structure of the Board of Directors of InfoSpace consists of Chairman John Cunningham and the chairs of each of the principal committees of the Board of Directors. In the current structure, the Chairman position is not combined with the Chief Executive Officer position, which is filled by William Ruckelshaus. It is the policy of the Board of Directors that at all times it will either have an independent Chairman or a Lead Independent Director. The Board of Directors believes that the current leadership structure is appropriate for the Company because it balances the operational and day-to-day management leadership of our CEO with the independent oversight provided by our independent Chairman of the Board and the independent chairs of each of the principal committees. This structure ensures that oversight of risk management and the Company's management is distributed among multiple independent directors. The

Board of Directors currently believes that this distribution of oversight is the best method of ensuring optimal Company performance and risk management.

Risk Management. The Board of Directors oversees the Company's risk management, both as a full Board of Directors and through its committees. This oversight is administered primarily through the following:

the Board of Directors' periodic review and approval of management strategic plans, including the projected opportunities and challenges facing the business;

the Board of Directors' oversight of succession planning;

the Board of Directors' oversight of capital spending, cash management, and investment in marketable securities and, if any, financings;

the Audit Committee's quarterly review of financial statements and its oversight of the Company's accounting and financial reporting functions, including internal control over financial reporting, its discussions with management and the independent accountants regarding the quality and adequacy of internal controls and financial reporting (and related reports to the full Board of Directors), and its oversight of legal and regulatory compliance, compliance with our Code of Business Conduct and Ethics, and any related person transactions;

the Nominating and Governance's oversight of governance policies and the self-evaluation assessments of the Board of Directors and committees; and

the Compensation Committee's review and recommendations or approvals regarding executive officer compensation and its relationship to the Company's business plan, as well as its review of compensation plans generally and the related risks and risk mitigants.

Independence. NASDAQ listing standards require that a majority of the members of the Board of Directors be independent directors. The Board of Directors recently undertook its annual review of director independence in accordance with the applicable rules of NASDAQ. The independence rules include a series of objective tests, including that the director is not employed by the Company and has not engaged in various types of business dealings with the Company. In addition, the Board of Directors is required to make a subjective determination as to each independent director that no relationships exist that, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

The Board of Directors has affirmatively determined that each of John Cunningham, Jules Haimovitz, Richard Hearney, Steven Hooper, Elizabeth Huebner, Andrew Snyder, and Lewis Taffer (whose term expires as of the 2012 annual meeting and who is not standing for re-election) is an independent director as defined in the NASDAQ rules. In determining independence, the Board considered, among other factors, the fact that Mr. Cunningham's brother is a non-executive, at-will employee of the Company and that CIG, of which Andrew Snyder is CEO, entered into an investment agreement with the Company pursuant to which CIG purchased warrants and common stock (see "Transactions with Related Persons" below).

Each of the members of the Audit Committee, Compensation Committee, and Nominating and Governance Committee are independent under the NASDAQ rules. In addition, the Board of Directors has affirmatively determined that each of the members of the Audit Committee qualifies as independent under the audit committee independence rules established by the SEC.

Meeting Attendance. The Board of Directors of InfoSpace held a total of 11 meetings during 2011. For 2011, all directors attended at least 75% of the aggregate number of meetings of the Board of Directors and committees thereof, if any, on which such director served during the period for which he or she has been a director or committee member. Our Board of Directors has not adopted a formal policy regarding directors

attendance at our annual meetings of stockholders. The following directors attended the 2011 annual meeting of stockholders on June 8, 2011 at our corporate offices in Bellevue, Washington: John Cunningham, Jules Haimovitz, Elizabeth Huebner, William Ruckelshaus, and James Voelker.

Communication with the Board of Directors. The Board of Directors believes that management speaks for InfoSpace. Individual Board members may occasionally meet or otherwise communicate with our stockholders and other constituencies that are involved with InfoSpace, but it is expected that Board members would do this with the advance knowledge of management and at the request of management, absent unusual circumstances or as contemplated by Board committee charters. Stockholders who wish to communicate with the Board of Directors, or with any individual member of the Board of Directors, may do so by sending such communication in writing to the attention of the Corporate Secretary at the address of our principal executive office with a request to forward to the intended recipient. The Corporate Secretary will generally forward such communication to the Board of Directors or the specific Board member. However, the Corporate Secretary reserves the right to not forward any material that is inappropriate. In addition, employees may communicate with the Board through, among other processes, the Company's internal whistleblower hotline process administered under the Code of Business Conduct and Ethics.

Corporate Website. Our corporate website, located at www.infospaceinc.com, contains information regarding our Company, including information regarding our directors, executive officers, and corporate governance documents. That information includes our Certificate of Incorporation, Bylaws, Committee Charters, Director Nomination Policy, Code of Business Conduct and Ethics (which is applicable to all of our employees, executive officers, and members of our Board of Directors), and our Corporate Governance Guidelines. We use our corporate website to provide current information to investors, including information on recent developments and upcoming events.

Committees. The Board of Directors' committee structure currently consists of four principal committees (the Audit Committee, the Compensation Committee, the Nominating and Governance Committee, and the Mergers and Acquisitions Committee). The Board may also convene other minor, ad hoc, or sub committees, the composition, number, and membership of which the Board of Directors may revise from time to time, as appropriate. Copies of the charters for the Audit, Compensation, Nominating and Governance, and Mergers and Acquisitions Committees can be found on our corporate website at www.infospaceinc.com. You may also request copies of these documents and other corporate governance documents available on our website from our investor relations department at (425) 201-6100 or (866) 438-4677.

The current membership and leadership of each of the committees of the Board of Directors is set forth in the table below, as is the number of 2011 meetings for those committees:

The Audit Committee. The Audit Committee currently consists of the following independent directors: Jules Haimovitz, Elizabeth Huebner, and John Cunningham. Ms. Huebner is Chair of the Audit Committee. The Audit Committee is responsible for providing independent, objective oversight and review of the Company's auditing, accounting, and financial reporting processes. Among other functions, the Audit Committee's duties include the following:

Reviewing and approving the appointment, compensation, oversight, and retention of our independent registered public accounting firm;

Pre-approving all services (audit and non-audit) to be performed by the independent registered public accounting firm;

Monitoring the adequacy and effectiveness of our accounting and financial controls, including internal control over financial reporting;

Establishing procedures for receiving and reviewing accounting-related complaints and concerns by whistle blowers;

Reviewing and monitoring compliance with our risk management and investment policies;

Reviewing and pre-approving related person transactions; and

Reviewing, approving, and monitoring compliance with our Code of Business Conduct and Ethics.

The Board of Directors has determined that each Committee member has sufficient knowledge in reading and understanding financial statements to serve on the Committee. The Board of Directors has further determined that Mr. Haimovitz and Ms. Huebner qualify as audit committee financial experts in accordance with SEC rules and the professional experience requirements of NASDAQ. The designation of an audit committee financial expert does not impose upon such persons any duties, obligations, or liabilities that are greater than those that are generally imposed on each of them as a member of the Committee and the Board of Directors, and such designation does not affect the duties, obligations, or liability of any other member of the Committee or the Board of Directors. Under the terms of the Audit Committee Charter, the Audit Committee is authorized to engage independent advisors, at the Company's expense, to advise the Audit Committee on any matters within the scope of the Committee's duties. The committee may also form subcommittees and delegate its authority to those subcommittees as it deems appropriate.

Under the terms of the Compensation Committee Charter, the Compensation Committee is authorized to engage independent advisors, at the Company's expense, to advise the Compensation Committee on any matters within the scope of the Committee's duties. The committee may also form subcommittees and delegate its authority to those subcommittees as it deems appropriate. A description of the considerations and determinations of the Compensation Committee regarding the compensation of our Named Executive Officers is contained in Compensation Discussion and Analysis below. A description of the compensation program for our non-employee directors is set forth in Director Compensation below.

The Nominating and Governance Committee. The Nominating and Governance Committee currently consists of the following independent directors: Richard Hearney, Elizabeth Huebner, and Lewis Taffer. Mr. Taffer is Chair of the Nominating and Governance Committee. The Nominating and Governance Committee's duties include:

Assisting the Board of Directors by identifying prospective director nominees to fill vacancies and recommending to the Board of Directors the director nominees for the next annual meeting of stockholders;

Considering stockholder nominees for election to the Board of Directors as described below under Director Nomination Process.

Director Nomination Process

Edgar Filing: INFOSPACE INC - Form DEF 14A

The Nominating and Governance Committee is responsible for reviewing and recommending nominees to the Board of Directors for election at the annual meeting and for reviewing and recommending director appointments to fill any vacancies on the Board of Directors. The Nominating and Governance Committee's objective, pursuant to its charter, is to ensure that the Board of Directors is properly constituted to meet its fiduciary obligations to InfoSpace and its stockholders.

In considering director candidates, the Nominating and Governance Committee seeks the following minimum qualifications, as set forth in the Company's Corporate Governance Guidelines and Director Nomination Policy:

Commitment to InfoSpace's business success, consistent with the highest standards of responsibility and ethics;

Representation in the best interests of all of InfoSpace's stockholders and not any particular constituency;

Conscientious preparation for, attendance at, and participation in Board of Directors and applicable committee meetings;

No personal or professional commitments that would interfere or conflict with his or her obligations to InfoSpace and its stockholders;

An established record of professional accomplishment in his or her chosen field; and

No material personal, financial, or professional interest in any InfoSpace competitor that would interfere or conflict with his or her obligations to InfoSpace and its stockholders.

The Nominating and Governance Committee also considers the professional and personal experience of each nominee and whether that nominee has expertise relevant to InfoSpace's business objectives. Although the Board of Directors does not have a formal diversity policy, the Board of Directors desires candidates that contribute to the Board of Directors' overall diversity, with diversity being broadly construed to mean a variety of personal and professional experiences, opinions, perspectives, and backgrounds. The Board of Directors and the Nominating and Governance Committee implement this goal during the nomination process that applies to both new nominees and incumbent directors, per the Company's Director Nomination Policy. The Board assesses its effectiveness in achieving this goal during its annual self-assessment process.

The Nominating and Governance Committee's general view is to re-nominate incumbent directors who continue to satisfy the Committee's criteria for membership on the Board of Directors, continue to make important contributions to the Board of Directors, and consent to continue their service on the Board of Directors. If a vacancy on the Board of Directors occurs or the Board of Directors increases in size, the Nominating and Governance Committee will actively seek individuals who satisfy its criteria for membership on the Board of Directors, and the Nominating and Governance Committee may solicit ideas for possible Board of Directors candidates from a variety of sources, including members of the Board of Directors, Company executives, stockholders, or individuals known to the members of the Board of Directors or Company executives through personal or professional relationships. The Nominating and Governance Committee has the authority to retain a search firm, at the Company's expense, to identify or evaluate director candidates at its discretion. The Nominating and Governance Committee did not pay a third party to identify or evaluate potential nominees in 2011 with respect to the current slate of nominees, but it did engage Houser Martin Morris to assist in managing the process that led to the addition of Andrew Snyder to the Board of Directors in August 2011.

Any stockholder may recommend candidates for election as directors by following the procedures set forth in our Bylaws and Director Nomination Policy, including the applicable notice, information, and consent provisions. For further information regarding these procedures, see [Deadline for Receipt of Stockholder Proposals and Director Nominations](#) below. Copies of our Bylaws and Director Nomination Policy are available on our corporate website at www.infospaceinc.com.

In addition, pursuant to our Director Nomination Policy, any single stockholder, or group of stockholders, that has beneficially owned more than 5% of our outstanding common stock for at least one year may propose a director candidate for evaluation by the Nominating and Governance Committee by delivering a written notice to the Nominating and Governance Committee that satisfies the notice, information, and consent requirements of our Bylaws and the Director Nomination Policy. The Committee will evaluate such recommended nominees using the same criteria that it uses to evaluate other nominees. Any such Board of Directors candidate must be independent of the stockholder in all respects and must also qualify as an independent director under applicable NASDAQ rules. The notice must be received by the Nominating and Governance Committee no later than the date that is 120 calendar days before the anniversary of the date that our Proxy Statement was released to stockholders in connection with the previous year's annual meeting. The notice must include, among other things, proof of the required stock ownership, proof of identification of the stockholder(s) submitting the

proposal, and information regarding the proposed Board of Directors candidate. The notice should be sent to the following address:

Chair, Nominating and Governance Committee

InfoSpace, Inc.

c/o Corporate Secretary

601 108th Avenue NE, Suite 1200

Bellevue, WA 98004

The Nominating and Governance Committee did not receive any recommendations for director candidates for the 2012 annual meeting from any non-management stockholder or group of stockholders that beneficially owns more than 5% of InfoSpace's common stock.

Director Compensation

Non-employee director compensation consists of a mix of cash and equity. The combination of cash and equity compensation is intended to provide incentives for non-employee directors to continue to serve on the Board of Directors, to further align the interests of the Board of Directors and stockholders, and to attract new non-employee directors with outstanding qualifications. Mr. Ruckelshaus, as an employee of the Company, does not receive any compensation for serving on the Board of Directors and therefore is excluded from the director compensation table below. His compensation is included in the Summary Compensation Table for Named Executive Officers. The Compensation Committee reviews the non-employee director compensation program on a regular basis and makes recommendations to the Board of Directors as appropriate.
