**Southeast Power \$4.25 Million Loan Agreement**

On September 17, 2012, The Goldfield Corporation (the Company), the Company's wholly owned subsidiaries, Southeast Power Corporation (Southeast Power), Bayswater Development Corporation (Bayswater), and Pineapple House of Brevard, Inc. (Pineapple House), and Branch Banking and Trust Company (BB&T) entered into a \$4,250,000 Loan Agreement (the Southeast Power \$4.25 Million Loan Agreement) and related ancillary agreements, to provide financing for purchases of equipment and vehicles to be owned by Southeast Power. The Company, Pineapple House, and Bayswater agreed to guarantee Southeast Power's obligations under any and all notes, draft, debts, obligations, and liabilities or agreements evidencing any such indebtedness, obligation, or liability including all renewals, extensions and modifications thereof. The Southeast Power \$4.25 Million Loan Agreement will mature, and all amounts due to BB&T under the loan and the related Promissory Note will be due and payable in full on September 19, 2016. Accrued interest is payable monthly commencing on October 19, 2012 and continuing on the same day of each calendar period thereafter, until February 19, 2013. Subsequently, commencing March 19, 2013, payments of principal in the amount of \$98,000 plus accrued interest will be made each month through and including August 19, 2016.

The obligations of Southeast Power pursuant to the Southeast Power \$4.25 Million Loan Agreement and the Promissory Note are secured by the grant of a continuing security interest in all now owned and hereafter acquired and wherever located personal property as follows: (i) machinery and equipment, including all accessions thereto, all manufacturers' warranties, parts and tools therefore; (ii) all vehicles owned by Southeast Power as more specifically described in the Security Agreement between Southeast Power and BB&T dated September 17, 2012; and (iii) all proceeds (cash and non-cash) and products of the foregoing.

The Southeast Power \$4.25 Million Loan Agreement and the related Promissory Note include covenants and agreements that are customary for loan agreements and promissory notes of this type, including provisions which accelerate the repayment of outstanding amounts in the event of a material default under the Promissory Note.
