ABOUT PATHEON

We are a leading provider of commercial manufacturing outsourcing services (CMO) and outsourced pharmaceutical development services (PDS) to the global pharmaceutical industry. We believe we are the world's second-largest CMO provider and the world's largest PDS provider based on calendar year 2011 revenues provided by PharmSource, a provider of pharmaceutical outsourcing business information. We offer a wide range of services from developing drug candidates at the pre-formulation stage through the launch, commercialization and production of approved drugs. During the fiscal year ended October 31, 2011 (fiscal 2011), we provided services to approximately 300 customers throughout the world, including 18 of the world's 20 largest pharmaceutical companies, nine of the world's 10 largest biotechnology companies and seven of the world's 10 largest specialty pharmaceutical companies. In fiscal 2011, we manufactured 12 of the top 100 selling drug compounds in the world based on revenues for the products reported by Evaluate Pharma, a provider of pharmaceutical industry data, and our products were distributed in approximately 60 countries. We are also currently developing 17 of the top 100 developmental stage drugs in the world on behalf of our customers based on projected potential revenues for the products reported by Evaluate Pharma.

Our CMO business focuses primarily on prescription products in sterile dosage forms and solid, semi-solid and liquid conventional dosage forms. We have also developed a wide range of specialized capabilities in high potency, controlled substances and sustained release products. Our PDS business provides a broad range of development services, including finished dosage formulation across approximately 40 dosage forms, clinical trial

packaging and associated analytical services. We have established our position as a market leader by leveraging our scale, global reach, specialized capabilities, broad service offerings, scientific expertise and track record of product quality and regulatory compliance to provide cost-effective solutions to our customers.

The heritage of our company dates back to 1974, when we established Custom Pharmaceuticals Ltd., a contract manufacturing business, in Fort Erie, Canada. Since that time, we have expanded operations through the acquisition of contract manufacturing facilities in Canada, Europe, Puerto Rico and the United States, and we have entered into the PDS business. Our principal executive offices are c/o Patheon Pharmaceuticals Services Inc., 4721 Emperor Blvd., Suite 200, Durham, NC 27703, and our telephone number is (919) 226-3200. Our corporate website address is www.patheon.com. We do not incorporate the information on, or accessible through, our website into this prospectus, and you should not consider any information on, or that can be accessed through, our website as part of this prospectus.

USE OF PROCEEDS

Except as described in the applicable prospectus supplement, we anticipate using the net proceeds from the sale of our securities for general corporate purposes, including capital expenditures, working capital, repayment of any outstanding indebtedness, financing of possible acquisitions and other business opportunities. Pending such uses, the net proceeds may be temporarily invested in short-term securities.

THE SECURITIES WE MAY OFFER

The descriptions of the securities contained in this prospectus, together with the applicable prospectus supplements, summarize the material terms and provisions of the various types of securities that we may offer. We may also include in the applicable prospectus supplement information about material income tax considerations relating to the securities, and the securities exchange or market, if any, on which the securities will be listed.

We may offer and sell from time to time, in one or more registered offerings, the following securities:

restricted voting shares;

warrants;

subscription rights;

subscription receipts; or

units of any of the securities described in this prospectus.

The descriptions of the securities in this prospectus are not complete. The statements made in this prospectus relating to the securities to be issued under this prospectus are summaries of certain provisions thereof and do not purport to be complete and are subject to, and are qualified in their entirety by reference to the applicable governing documents. This prospectus may not be used to consummate a sale of securities unless it is accompanied by a prospectus supplement.

Restricted Voting Shares

General

We are authorized to issue an unlimited number of restricted voting shares. Our authorized capital also includes an unlimited number of Class I Preferred Shares, issuable in series, of which four series have been designated as Class I Preferred Shares, Series A shares, Class I Preferred Shares, Series B Shares, Class I Preferred Shares, Series C shares and Class I Preferred Shares, Series D shares. We have currently authorized 150,000 Class I Preferred Shares, Series C and 150,000 Class I Preferred Shares, Series D, of which 150,000 Class I Preferred Shares, Series D are outstanding.

Our restricted voting shares are subject to the provisions of the Canada Business Corporations Act (CBCA) and our articles of amalgamation, as amended, including the rights, privileges, restrictions and conditions attaching to the issued Class I Preferred Shares, Series D as set forth in such articles. As of September 28, 2012, there were 129,167,926 restricted voting shares outstanding. Holders of restricted voting shares are entitled to receive notice of and attend all annual and special meetings of our shareholders, other than separate meetings of holders of any other class or series of shares, and to one vote at shareholders' meetings in respect of the election of some, but not all, of our directors. As set forth below, specific rights to elect certain of our directors are available only to the holders of the Class I Preferred Shares, Series D. Under the CBCA, our shareholders also have the right to appoint our independent auditor and, so long as they comply with certain requirements of the CBCA, submit notice of matters to be raised at such meetings. The CBCA also provides that holders of not less than 5% of our shares that carry the right to vote at a meeting sought to be requisitioned may requisition our directors to call a shareholder meeting for the purposes stated in the requisition. Holders of our restricted voting shares do not have cumulative voting rights. The holders of the special voting Class I, Preferred Shares, Series D are entitled to elect up to three of our directors, subject to ownership levels. Holders of our restricted voting shares are entitled to dividends on a *pro rata* basis if, and as when, declared by our Board. Subject to the rights of the holders of any other class of our shares entitled to receive dividends in priority to or ratably with the holders of restricted voting shares, our Board may declare dividends on our restricted voting shares to the exclusion of any other class of our shares.

On our liquidation, dissolution or winding-up, holders of our restricted voting shares are entitled to participate ratably in any distribution of our assets after we have paid or provided for payment of all of our debts and liabilities, subject to the rights of the holders of any other class of our shares entitled to receive our assets on such a distribution in priority to or ratably with the holders of restricted voting shares. Holders of our restricted voting shares have no preemptive, subscription, redemption or conversion rights. The rights, preferences and privileges of holders of our restricted voting shares are subject to, and may be adversely affected by, the rights of the holders of shares of any series of preferred shares which we may designate and issue in the future.

The CBCA provides that our shareholders may amend certain provisions of our articles of amalgamation by a special resolution to, among other things, create new classes of shares; add, change or remove any rights, privileges, restrictions and conditions, including rights to accrued dividends, in respect of all or any of our shares, whether issued or unissued; or to add, change or remove restrictions on the issue, transfer or ownership of our shares.

Certain Canadian Regulatory Requirements

There generally is no law or governmental decree or regulation in Canada that restricts the export or import of capital or affects the remittance of dividends or interest to non-resident holders of our restricted voting shares, other than withholding tax requirements.

There is no limitation imposed by Canadian law or by our articles of amalgamation on the right of a non-resident to hold or vote restricted voting shares, other than as provided by the Investment Canada Act, the North American Free Trade Agreement Implementation Act (Canada), the World Trade Organization Agreement Implementation Act and the CBCA, which permits our shareholders, by special resolution, to amend our articles of amalgamation to constrain the issue or transfer of any class or series of our securities to persons who are not residents of Canada in certain limited circumstances.

The Investment Canada Act requires notification and, in certain cases, advance review and approval by the Government of Canada of the acquisition by a non-Canadian of control of a Canadian business, all as defined in the Investment Canada Act. Generally, the threshold for review will be higher in monetary terms for a member of the World Trade Organization or North American Free Trade Agreement.

Summary of Applicable Canadian Take-over Bid Regulations

In the event of an attempted take-over of our company, we are also subject to certain Canadian securities laws pertaining to take-over bids as a result of our status as a reporting issuer in Canada. Compliance with Canadian take-over bid regulations may make it more difficult for a third party, including an insider, to acquire our company or could increase the cost of acquiring our company, whether or not the acquisition is desired by, or beneficial to, our shareholders.

Warrants

We may issue warrants for the purchase of our restricted voting shares. Warrants may be issued independently or together with other securities, and may be attached to or separate from any other securities. We will evidence each series of warrants by warrant certificates that we will issue under a separate warrant agreement. We may enter into the warrant agreement with a warrant agent and, if so, we will indicate the name and address of the warrant agent in the prospectus supplement relating to the particular series of warrants.

If warrants are issued, the applicable prospectus supplement will describe the terms of the warrants, including the following, if applicable to the particular offering:

the designation and aggregate number of such warrants;

the price or prices at which such warrants will be issued;

the price at which the restricted voting shares issuable upon exercise of such warrants may be acquired;

the dates on which the right to exercise such warrants will commence and expire;

any provisions for adjustment of the number or amount of securities receivable upon exercise of the warrants or the exercise price of the warrants;

if applicable, the minimum or maximum amount of such warrants that may be exercised at any one time;

if applicable, the designation and terms of the securities with which such warrants are issued and the number of such warrants issued with each such security or principal amount of such security;

if applicable, the date on and after which such warrants and the related securities will be separately transferable;

information with respect to book-entry procedures, if any; and

any other material terms of such warrants, including terms, procedures and limitations relating to the exchange or exercise of such warrants.

Prior to the exercise of their warrants, holders of warrants will not have any of the rights of holders of restricted voting shares.

Subscription Rights

Edgar Filing: PATHEON INC - Form S-3

We may distribute to holders of our restricted voting shares on a pro rata basis as of a certain record date, at no charge, rights to purchase our restricted voting shares. The rights will be issued under a rights agreement to be entered into between us and such bank, trust company or other rights agent as will be named as rights agent in the prospectus supplement relating to the particular issue of rights. The rights agent will act solely as an agent of ours in connection with the rights and will not assume any obligation or relationship of agency or trust for or with any holders of rights or beneficial owners of rights.

If rights are issued, the applicable prospectus supplement will describe the terms of the rights, including the following, if applicable to the particular offering:

the title of the rights;

the method of issuance and distribution to our shareholders of the rights;

the number of restricted voting shares purchasable upon exercise of the rights and the price at which such shares may be purchased upon such exercise, as well as antidilution provisions, if any;

whether the rights will be transferable;

the terms of any stand-by purchase commitment;

whether the rights will include an over-subscription privilege;

whether the rights will be listed or quoted for trading on a stock exchange or other market;

the date on which the right to exercise rights shall commence and the date on which such right shall expire;

whether the rights will be issued in registered or bearer form;

information relating to book-entry procedures, if any;

the method and terms of exercising the rights; and

any other material terms of the rights.

Before the exercise of rights, holders of rights will not have any of the rights of holders of the restricted voting shares purchasable upon such exercise, including the right to receive payments of dividends, if any, on the restricted voting shares purchasable upon such exercise or to exercise any applicable right to vote.

Subscription Receipts

We may issue subscription receipts that may be exchanged for restricted voting shares or other securities that we may offer, all as set forth in the prospectus supplement relating to the particular issue of subscription receipts. Each series of subscription receipts will be issued under a separate subscription receipts agreement to be entered into between us and a transfer agent, as subscription receipts agent, all as set forth in the prospectus supplement relating to the particular issue of subscription receipts. The subscription receipts agent will act solely as our agent in connection with the certificates relating to the subscription receipts of such series and will not assume any obligation or relationship of agency or trust for or with any holders of subscription receipts certificates or beneficial owners of subscription receipts. The subscription receipts agreement and the subscription receipts certificates relating to each series of subscription receipts will be filed with the SEC and other applicable regulatory authorities and incorporated by reference as an exhibit to the registration statement of which this prospectus is a part.

If subscription receipts are distributed, the applicable prospectus supplement will describe the terms of the subscription receipts, including the following, if applicable to the particular offering:

the number of subscription receipts;

Edgar Filing: PATHEON INC - Form S-3

the price at which the subscription receipts will be offered;

the procedures for the exchange of the subscription receipts into other securities;

the number of securities that may be exchanged upon exercise of each subscription receipt;

the designation and terms of any other securities with which the subscription receipts will be offered, if any, and the number of subscription receipts that will be offered with each security;

terms applicable to the gross proceeds from the sale of the subscription receipts plus any interest earned thereon; and

any other material terms of such subscription receipts, including terms, procedures and limitations relating to the distribution, exchange and exercise of such subscription receipts.

Units

We may, from time to time, issue units comprised of two or more of the other securities described in this prospectus in any combination. The prospectus supplement relating to the particular issue of units will describe the specific terms of the units offered and any special considerations applicable to investing in those units.

PLAN OF DISTRIBUTION

We may sell the securities offered by this prospectus from time to time:

through agents;

through underwriters or dealers;

directly to one or more purchasers;

through a combination of any of these methods of sale; or

through any other methods described in the applicable prospectus supplement.

We will identify the specific plan of distribution, including any underwriters, dealers, agents or direct purchasers and their compensation, in the applicable prospectus supplement.

If we use underwriters in the sale, the securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions, including:

negotiated transactions;

at a fixed public offering price or prices, which may be changed;

at market prices prevailing at the time of sale; or

at prices related to prevailing market prices.

Except as described in the applicable prospectus supplement, the obligations of the underwriters to purchase any securities will be conditioned on customary closing conditions.

We may sell the securities through agents from time to time. The applicable prospectus supplement will name any agent involved in the offer or sale of the securities and any commissions we pay to them. Except as described in the applicable prospectus supplement, any agent will be acting on a best efforts basis for the period of its appointment.

Underwriters and agents may be entitled under agreements entered into with us to indemnification by us against certain civil liabilities, including liabilities under the Securities Act, or to contribution with respect to payments that the underwriters or agents may be required to make. Item 15. Indemnification of Directors and Officers.

Our by-laws provide that we will indemnify any of our directors, former directors, officers, former officers and other parties specified by the by-laws against all costs reasonably incurred by them for any civil, criminal or administrative action or proceeding to which they are or may be made a party by reason of having been a director or officer. The indemnity covers amounts paid to settle actions or to satisfy judgments. However, we may only indemnify these persons if they acted honestly and in good faith with a view to our best interests and, in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, if they had reasonable grounds for believing that their conduct was lawful. The CBCA provides that court approval is required for the payment of any indemnity in connection with an action brought by or on our behalf.

In addition, we have entered into indemnification agreements with Messrs. Levy and Watchorn. Among other things, these agreements generally provide that we will indemnify each of these individuals for expenses incurred in connection with any proceedings in connection with service as our director or officer or as a director or officer of any other entity to the extent that such person is serving in such capacity at our request (Indemnified Capacity). Additionally, we have agreed to indemnify these individuals for expenses they incur solely by reason of their service in an Indemnified Capacity. These indemnification agreements also provide that, upon written request, we will advance expenses within 30 days of such request. Our obligations under these agreements will survive until six years after such individuals cease to serve in an Indemnified Capacity. Pursuant to our employment agreement with Mr. Mullen, we have agreed to indemnify him to the fullest extent permitted by the laws of the State of New York.

Item 16. Exhibits.

The list of exhibits filed as a part of this registration statement on Form S-3 is set forth in the Exhibit Index immediately preceding the exhibits hereto and is incorporated herein by reference.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration

statement. Notwithstanding the

foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Durham, State of North Carolina, on October 2, 2012.
