Explanatory Note

On November 14, 2012, pursuant to Securities Exchange Act of 1934 Release No. 68224, the Securities and Exchange Commission (the SEC) issued an Order under Section 17A and Section 36 of the Securities Exchange Act of 1934 Granting Exemptions from Specified Provisions of the Exchange Act and Certain Rules Thereunder (the Hurricane Sandy Order). Under the Hurricane Sandy Order, the SEC granted exemption from any requirement to file or furnish materials with the SEC for the period from and including October 29, 2012 to November 20, 2012 for registrants not able to meet a filing deadline due to Hurricane Sandy and its aftermath, where certain conditions are satisfied (the Hurricane Sandy Order Conditions).

As explained below, Loral Space & Communications Inc. (the Company) satisfies the Hurricane Sandy Order Conditions, and is relying on the Hurricane Sandy Order, with respect to the filing of the unaudited pro forma financial information required pursuant to Item 9.01(b) of Form 8-K (the Pro Forma Financial Information) in the Current Report on Form 8-K (the SS/L Sale Form 8-K) filed by the Company on November 8, 2012 reporting the completion of the Company's sale of its wholly-owned subsidiary, Space/Systems Loral, LLC (formerly known as Space/Systems Loral, Inc.) (SS/L).

As a result of the effects of Hurricane Sandy and its aftermath, the Company was unable to include in the SS/L Sale Form 8-K the Pro Forma Financial Information. The Company's headquarters are located in New York City. In anticipation of the Hurricane's arrival, New York area public transportation systems were shutdown starting on Sunday, October 28, 2012 and remained either shutdown completely or with only limited service for much of the entire week of October 28, 2012, which made it impossible or exceedingly difficult for employees to travel to the Company's offices. Moreover, the Company determined that it would not be safe for its employees to travel to the Company's headquarters in advance of the arrival of Hurricane Sandy. After the Hurricane, although some of the Company's personnel were able to return to their offices, the Company's telephone and computer systems remained inoperable for a few days following the storm. In addition, certain employees of the Company who were critical to the preparation of the Pro Forma Financial Information were personally affected by the Hurricane such that they were unable to work on the Pro Forma Financial Information for a number of days following the storm and thus were inhibited in their ability to devote the substantial amount of time necessary to complete the Pro Forma Financial Information.

In addition, the Pro Forma Financial Information is derived from and dependent upon the financial statements of the Company contained in the Company's Quarterly Report on Form 10-Q for the quarter ended September 30, 2012 (the Affected Form 10-Q). Because of the effects of Hurricane Sandy and its aftermath, the Company was unable to file the Affected Form 10-Q by the prescribed due date (November 9, 2012). Prior to issuance of the Hurricane Sandy Order, the Company filed a Notification of Late Filing on Form 12b-25 with respect to the Affected Form 10-Q and did, in fact, timely file the Affected Form 10-Q on November 14, 2012. The Affected Form 10-Q having been filed, the Company is now filing the Pro Forma Financial Information in this Current Report on Form 8-K/A.

As more fully discussed below, the Company is filing this Current Report on Form 8-K/A to amend Item 9.01 of the SS/L Sale Form 8-K to present the Pro Forma Financial Information.

**Item 2.01. Completion of Acquisition or Disposition of Assets.**

This Current Report on Form 8-K/A is being filed as an amendment to the SS/L Sale Form 8-K filed by the Company with the Securities and Exchange Commission on November 8, 2012 reporting the completion of the Company's sale of its wholly-owned subsidiary, SS/L. In the SS/L Sale Form 8-K, the Company stated that it intended to file the required pro forma financial information by amendment. This Current Report on Form 8-K/A amends and restates Item 9.01 of the SS/L Sale Form 8-K to present the required Pro Forma Financial Information, which is filed as an exhibit hereto and is incorporated herein by reference. All other items in the SS/L Form 8-K remain the same and are hereby incorporated by reference into this Current Report on Form 8-K/A.

**Item 9.01. Financial Statements and Exhibits.**
