- .. Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

**Item 8.01. Other Events.**

On December 6, 2012, First PacTrust Bancorp, Inc. (the Company) completed the issuance and sale of \$45,000,000 aggregate principal amount of its 7.50% Senior Notes due April 15, 2020 (the Notes) at a price to the public of \$25.00 per Note, plus accrued interest from October 15, 2012 (the Notes Offering). The Notes Offering was completed pursuant to the Prospectus, filed as a part of the Company's Registration Statement on Form S-3 with the Securities and Exchange Commission, dated November 23, 2010, as supplemented by a prospectus supplement in preliminary form dated December 3, 2012 and in final form dated December 3, 2012, and the free writing prospectus dated December 3, 2012. In connection with the Notes Offering, the Company entered into a Purchase Agreement, dated December 3, 2012, with UBS Securities LLC and Raymond James & Associates, Inc., as representatives of the several underwriters named therein (the Purchase Agreement). The Notes were sold to the underwriters at a price of \$24.2125 per Note. Under the Purchase Agreement, the underwriters have a 30-day option to purchase up to an additional \$6,750,000 aggregate principal amount of the Notes, solely for the purpose of covering over-allotments. The Notes were issued under the Senior Debt Securities Indenture, dated as of April 23, 2012 (the Base Indenture), as supplemented by the First Supplemental Indenture, dated as of April 23, 2012 (the Supplemental Indenture, and together with the Base Indenture, the Indenture), between the Company and U.S. Bank National Association, as trustee (the Trustee).

The Notes are the Company's senior unsecured debt obligations and rank equally with all of the Company's other present and future unsecured unsubordinated obligations. The Notes were offered as additional notes under the Indenture, pursuant to which the Company previously issued \$33,000,000 in aggregate principal amount of 7.50% Senior Notes due April 15, 2020 (the Original Notes). The Notes constitute a further issuance of, and will be fungible and rank equally with, the Original Notes and form a single class of debt securities with the Original Notes for all purposes under the Indenture. The Notes bear interest at a per-annum rate of 7.50%. The Company will make interest payments on the Notes quarterly in arrears on January 15, April 15, July 15 and October 15 of each year, beginning on January 15, 2013. Interest on the Notes will be computed on the basis of a 360-day year comprised of twelve 30-day months.

The Notes will mature on April 15, 2020. However, the Company may, at the Company's option, on April 15, 2015, or on any scheduled interest payment date thereafter, redeem the Notes in whole or in part on not less than 30 nor more than 60 days' prior notice. The Notes will be redeemable at a redemption price equal to 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest to the date of redemption.

The Indenture contains several covenants which, among other things, restrict the Company's ability and the ability of the Company's subsidiaries to dispose of or to incur liens on the voting stock of certain subsidiaries and also contains customary events of default.

From time to time, certain of the underwriters and their affiliates have provided, and may in the future provide, various financial advisory, investment banking, commercial banking or investment management services to the Company or its affiliates, for which they have received and may continue to receive customary fees and commissions, including, but not limited to, their services in connection with the Notes Offering. The underwriters may, from time to time, engage in transactions with or perform services for the Company in the ordinary course of business. From time to time, certain of the underwriters and their affiliates may effect transactions for their

own account or the account of customers, and hold on behalf of themselves or their customers, long or short positions in the Company's debt or equity securities or loans, and may do so in the future.

The foregoing summary of the terms of the Purchase Agreement and the Notes does not purport to be complete and is subject to, and qualified in its entirety by, the full text of (i) the Purchase Agreement, filed as Exhibit 1.1 hereto; (ii) the Base Indenture, filed as Exhibit 4.1 hereto; (iii) the Supplemental Indenture, filed as Exhibit 4.2 hereto, and (iv) the form of the Notes, filed as Exhibit 4.3 hereto, each of which is incorporated herein by reference.

**Item 9.01. Financial Statements and Exhibits.**

(d) Exhibits.

<b>Exhibit Number</b>	<b>Description</b>
1.1	Purchase Agreement, dated December 3, 2012, between First PacTrust Bancorp, Inc., UBS Securities LLC and Raymond James & Associates, Inc., as representatives of the several underwriters named therein.
