2013 Short Term Incentive Plan

On January 17, 2013, the compensation committee of the board of directors of the Company also approved a 2013 short-term cash incentive arrangement for executive officers, referred to herein as the cash incentive program. The cash incentive program is designed to motivate the Company's executive officers to achieve specified performance objectives for fiscal 2013 and to reward them for their achievement assuming those objectives are met.

Eligibility. To be eligible, an executive officer must be designated by the compensation committee or independent board members as eligible to receive payments under the cash incentive program, must be serving as an executive officer at the time the award is paid and must have achieved a performance evaluation at a meets expectations or higher level within the Company's evaluation framework. The compensation committee has determined that as of the date of the adoption of the plan, the following executive officers are eligible to participate in the cash incentive program: Daniel R. Passeri, Chief Executive Officer and President, Maurizio Voi, M.D., Chief Medical and Chief Development Officer, Michael P. Gray, Chief Operating and Chief Financial Officer, and Mark Noel, Vice President Technology Management and Intellectual Property.

Administration. The cash incentive program is administered by the compensation committee. The compensation committee has the authority and discretion to modify performance goals under the cash incentive program and has the right to amend, modify or terminate the cash incentive program at any time.

Awards. The compensation committee has established the following target short-term incentive payment amounts, referred to herein as target amounts, for each executive officer:

Designated Executive Officer	2013 Annual Base Salary	Target Incentive Compensation Payment as a Percentage of 2013 Annual Base Salary, Assuming Performance at the 100% Level	
		(%)	(\$)
Daniel R. Passeri	\$ 465,000	45%	\$ 209,250
Maurizio Voi	\$ 410,000	35%	\$ 143,500
Michael P. Gray	\$ 360,000	35%	\$ 126,000
Mark Noel	\$ 230,000	25%	\$ 57,500
Total	\$ 1,465,000	100%	\$ 536,250

The compensation committee has established four weighted categories of corporate goals for 2013. The four categories of corporate goals for 2013 generally relate to the following:

the advancement of planned clinical trials of CUDC-427, both as a single agent and in combination in solid tumors and hematologic malignancies;

the advancement of planned clinical trials of CUDC-907, both as a single agent in advanced lymphomas and multiple myeloma and in a clinical study of CUDC-907 in combination in solid tumors;

completing the ongoing phase I clinical trial of CUDC-101 in locally advanced head and neck cancer patients and progressing preclinical efforts on establishing an oral formulation of CUDC-101; and

financial performance objectives, including cash management and capital objectives.

Each of the foregoing four categories has been further delineated into three levels of potential achievement: Threshold; Target; and Maximum. Cash incentive payments may be paid based upon the degree to which each category of corporate goals has been achieved on this continuum, if at all. For each of the four categories, achievement of performance at the Threshold level results in a weighted payment of no less than 50% of the target amount set forth above, achievement of performance at the Target level results in a weighted payment equal to 100% of the target amount set forth above, and achievement of performance at the Maximum level results in a weighted payment of no more than 150% of the target amount set forth above.

Distribution. The awards generally will be paid in cash. The compensation committee has sole discretion, however, to pay an award using a combination of cash and equity or all equity, any such equity being issued pursuant to the Company's 2010 Stock Incentive Plan. If the compensation committee determines that such payment will be made in whole or in part in the form of equity, the compensation committee shall have the sole discretion to determine the nature, amount and other terms of such equity award. Payment of the awards, if any, will be made after the completion of fiscal year 2013 and no later than March 15, 2014.

Effect of Change in Control. In the event of the consummation of a change in control of the Company on or before December 31, 2013, short-term incentive amounts shall be paid out at 100% of target upon such change in control.
