The Corporation entered into an agreement with the Federal Reserve Bank of New York (the FED) dated June 3, 2010 (the Written Agreement), and FirstBank Puerto Rico (FirstBank) agreed to an order issued by the Federal Deposit Insurance Corporation (the FDIC) and the Office of the Commissioner of Financial Institutions of the Commonwealth of Puerto Rico dated June 2, 2010 (the FDIC Order, and together with the Written Agreement, the Regulatory Agreements). Pursuant to the Regulatory Agreements, the Corporation and FirstBank agreed to take certain actions designed to improve our financial condition. These actions include the adoption and implementation of various plans, procedures and policies related to our capital, lending activities, liquidity and funds management and strategy. In addition, the FDIC Order required FirstBank to develop and adopt a plan to attain and maintain a leverage ratio of at least 8%, a Tier 1 capital to risk-weighted assets ratio of at least 10%, and a total capital to risk-weighted assets ratio of at least 12%, and obtain FDIC approval prior to issuing, increasing, renewing or rolling over brokered deposits. The Written Agreement also requires the Corporation to obtain the approval of the FED prior to paying dividends, receiving dividends from FirstBank, incurring, increasing or guaranteeing any debt, or purchasing or redeeming any stock, to comply with certain notice provisions prior to appointing any new directors or senior executive officers, and to comply with certain restrictions on severance payments and indemnification.

In 2011, the Corporation entered into an investment agreement with an affiliate of Thomas H. Lee Partners, L.P. (THL) and two funds managed by Oaktree Capital Management, L.P. (together Oaktree) to purchase shares of Common Stock of

the Corporation. These agreements provide THL and Oaktree with various rights. Each of THL and Oaktree has the right to designate a person to serve on the Board of Directors of the Corporation for as long as it owns at least 25% of the number of shares it acquired in October 2011. On October 27, 2011, the Board of Directors of the Corporation elected Thomas M. Hagerty and Michael P. Harmon to serve as directors on the Corporation's Board of Directors. Messrs. Hagerty and Harmon are managing directors at THL and Oaktree, respectively. Pursuant to the agreements, we are required to use our best efforts to nominate two additional directors to the Board of Directors. In this regard, on October 30, 2012, the Board elected Robert T. Gormley to serve as a director until the next annual meeting of stockholders. Additionally, a majority of our directors must be either investor designees or independent directors with banking or related financial management expertise. Currently, four out of our eight directors are either investor designees or independent directors with banking or related financial management expertise. Our investment agreements with THL and Oaktree also include certain indemnification provisions. Finally, we have agreed to permit each of THL and Oaktree to acquire additional shares of Common Stock in the following circumstances: (a) for as long as each of THL and Oaktree, as applicable, owns at least 25% of the number of shares of Common Stock that it originally acquired, each will have the right to acquire from us at such time as we sell (i) any Common Stock or securities that are convertible into or exchangeable for Common Stock, or include a Common Stock component, an amount of securities up to the amount of the new securities required to maintain its percentage Common Stock-equivalent interest in us at the same level as it was before the issuance of those securities and (ii) any Common Stock or securities that are convertible into or exchangeable for Common Stock, or include a Common Stock component, to any investor to which we sold Common Stock in our capital raise in October 2011, an amount of securities up to the amount of new securities equal to the aggregate amount of new securities that we offer to sell to such other investor or its affiliates for the same price and on the same terms as such other offer or sale to such other investor or its affiliates; and (b) for as long as each of THL and Oaktree, as applicable, owns in the aggregate at least as many shares of Common Stock as any other entity or group of affiliated entities, if we offer to sell to any entity or group of affiliated entities Common Stock or securities that are convertible into or exchangeable for Common Stock, or include a Common Stock component, that would cause that entity or group of affiliated entities to own more shares of Common Stock than THL or Oaktree, as applicable, we will offer to sell to each of THL and Oaktree, for the same price and on the same terms, a number of new securities such that THL or Oaktree, as applicable, will own an amount of shares of Common Stock, after giving effect to the conversion or exercise of such new securities into Common Stock, equal to the number of shares of Common Stock owned by such other entity or group of affiliated entities. We are required to maintain an effective registration statement for THL and Oaktree to sell their shares under the Securities Act of 1933, as amended (the Securities Act) and they may transfer their shares in private or offshore transactions in compliance with Securities Act rules, and may transfer shares in accordance with conditions of the agreements.

In 2011, the Corporation entered into an investment agreement with several institutional investors advised by Wellington Management Company, L.L.P. (collectively, Wellington) to purchase shares of Common Stock. This agreement provides Wellington with various rights, including certain indemnification provisions. Additionally, we also agreed to permit Wellington to acquire additional shares of Common Stock for as long as it owns at least 60% of the number of shares of Common Stock that it acquired in 2011 at such time as we sell any Common Stock or securities convertible into or exchangeable for Common Stock, or that include a Common Stock component, up to the amount of the new securities required to maintain its percentage Common Stock equivalent interest in us at the same level as it was before the issuance of those securities. Wellington may sell its shares in private or offshore transactions in compliance with Securities Act rules, and may transfer shares in accordance with conditions of the investment agreement.

In 2011, we also entered into subscription agreements with a number of additional institutional investors for the issuance and sale to them of shares of Common Stock. The investors may sell their shares in private or offshore transactions in compliance with Securities Act rules, and may transfer shares in compliance with conditions of the agreements.

In 2011, the Corporation issued 32,941,797 shares of Common Stock to the U.S. Department of the Treasury (Treasury) upon conversion of all of the Corporation's then outstanding Fixed Rate Cumulatively Convertible Preferred Stock, Series G. Treasury has sole dispositive and voting power over its shares but may vote the shares only in accordance with the terms of its exchange agreement with the Corporation. In addition, Treasury has a warrant that entitles it to purchase up to 1,285,899 shares of Common Stock at an exercise price of \$3.29 per share. The exercise price and the number of shares issuable upon exercise of the warrant are subject to further adjustments under certain circumstances to prevent dilution. The warrant, which expires in October 2021, is exercisable in whole or in part at any time. We were required to register Treasury's shares and the warrant for sale under the Securities Act and registered such shares and the warrant on a Form S-3 that went effective on November 8, 2012. Treasury may transfer, sell, assign or otherwise dispose of its shares at any time, subject to applicable securities laws.

We were required to register Mr. Herencia's shares for sale under the Securities Act and registered such shares on a Form S-3 that went effective on November 8, 2012.

The First BanCorp 2008 Omnibus Incentive Plan (the Omnibus Plan) was initially approved by stockholders on April 29, 2008 and amended with stockholder approval on December 9, 2011 to increase the number of shares reserved for issuance under the Omnibus Plan. The Omnibus Plan provides for equity-based compensation incentives through the grant of stock options, stock appreciation rights, restricted stock, restricted stock units, performance shares, and other stock-based awards. This plan allows for the issuance of up to 8,169,807 shares of common stock, subject to adjustments for stock splits, reorganization and other similar events. Securities have been issued under the Omnibus Plan to officers and directors.

On June 28, 2012, upon the recommendation of the Compensation & Benefits Committee, the Board of Directors of the Corporation approved the following equity compensation structure for non-employee directors, effective July 1, 2012. Each non-employee director will be awarded an annual equity grant of Restricted Stock, which grant will be awarded subject to the terms and conditions set forth in the Omnibus Incentive Plan, as amended December 9, 2011, and subject to a one-year vesting period. The Board of Directors also approved a reduction in the director stock ownership requirements from shares of the Corporation's Common Stock having a fair market value of \$250,000 to shares having a fair market value of \$150,000, which ownership must be attained within a three-year period from commencement of Board services.
