Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

Agreement and Plan of Merger

On June 3, 2013, the Issuer entered into an Agreement and Plan of Merger, dated as of June 3, 2013 (the Merger Agreement), by and among the Issuer, COIN Merger Sub, Inc., a Delaware corporation and wholly-owned subsidiary of the Issuer (Merger Sub), and Finjan, Inc., a Delaware corporation (Finjan). Pursuant to the Merger Agreement, Merger Sub merged with and into Finjan, with Finjan remaining as the surviving corporation and a wholly-owned subsidiary of the Issuer (the Reverse Merger). The Reverse Merger was effective as of June 3, 2013, upon the filing of a certificate of merger with the Secretary of State of the State of Delaware.

At the effective time of the Reverse Merger (the **Effective Time**), the legal existence of Merger Sub ceased and (i) each share of common stock, par value \$0.001 per share, of Merger Sub that was outstanding immediately prior to the Effective Time was converted into the right to receive one (1) share of common stock, par value \$0.01 per share, of the surviving corporation, (ii) each share of common stock, par value \$0.01 per share, of Finjan that was outstanding immediately prior to the Effective Time was converted into the right to receive 247,087.147 shares of the Issuer's common stock, par value \$0.0001 per share, with fractional shares rounded to the nearest whole number (such number of shares of the Issuer's common stock issuable for each share of Finjan common stock, the **Exchange Ratio**), and (iii) each share of common stock of Finjan held in the treasury of Finjan immediately prior to the Effective Time was cancelled in the Merger and ceased to exist. In addition, each option to purchase shares of Finjan common stock that was outstanding immediately prior to the Effective Time (whether or not vested or exercisable) (the **Pre-Closing Finjan Options**) was converted into an option (the **Post-Closing Company Options**) to purchase the number of shares of the Issuer's common stock, rounded to the nearest whole share, determined by multiplying the number of shares of Finjan common stock subject to the Finjan option immediately prior to the Effective Time by the Exchange Ratio, on the same terms and conditions as were applicable to such Pre-Closing Finjan Option, subject to adjustment of the exercise price. The exercise price per share of each Post Closing Company Option was determined by dividing the exercise price of each Pre-Closing Finjan Option by 247,087.147, and rounding up to the nearest whole cent. Upon completion of the Reverse Merger, the former stockholders of Finjan held approximately 91.5% of the outstanding shares of capital stock of the Issuer on a fully-diluted basis, after giving effect to the Reverse Merger and assuming the exercise or conversion of all outstanding warrants, options, preferred stock, debentures, promissory notes or other obligations or securities convertible, exercisable or exchangeable for or into shares of the Issuer's common stock as of the Effective Time (but excluding any shares underlying options to purchase Finjan common stock which were converted into options to purchase the Issuer's common stock). Accordingly, the Reverse Merger represents a change in control of the Issuer. The Merger Agreement contained customary representations and warranties made by Finjan and the Issuer, including, but not limited to, representations and warranties regarding their respective capitalizations as of the Effective Time. In the event that, at any time prior to the one year anniversary of the closing of the Reverse Merger, it is discovered that the number of shares of Issuer common stock issued to former stockholders of Finjan in the Reverse Merger constituted less than 91.5% of the outstanding capital stock of the Issuer on a fully-diluted basis immediately following the Effective Time (excluding any shares underlying options to purchase Finjan common stock which were converted into options to purchase common stock), the Issuer is required to issue to the former stockholders of Finjan an aggregate number of shares (the **True Up Shares**) sufficient to provide the former stockholders of Finjan the number of shares that would have been necessary to provide the former stockholders of Finjan such percentage ownership of the Issuer, subject to exceptions for derivative securities convertible into or exercisable or exchangeable for (i) shares of Issuer common stock at an exercise price of greater than \$100 per share or (ii) less than 500 shares of Issuer common stock when aggregated with all other such derivative securities (in each case subject to applicable adjustment for any split, combination, exchange or similar change affecting the Issuer common stock occurring after the Reverse Split).

The foregoing description of the Merger Agreement and the transactions contemplated thereby do not purport to be complete and are qualified in their entirety by reference to the full text of the Merger Agreement, a copy of which is filed as an Exhibit to this Schedule 13D.

Registration Rights Agreement

On June 3, 2013, in connection with the Reverse Merger, the Issuer entered into a registration rights agreement (the **Registration Rights Agreement**) with former stockholders of Finjan, including the Reporting Persons, who hold, in the aggregate, 237,203,659 (or approximately 96.6%) of the shares of the common stock issued in the Reverse Merger, as well as Hudson Bay and Iroquois. Pursuant to the Registration Rights Agreement, the Issuer agreed to file a registration statement on Form S-1 with the SEC covering the resale of all shares of the Issuer's common stock held by such stockholders, on or before the 45th calendar day following the date of the Registration Rights Agreement, and to use commercially reasonable efforts to have such registration statement declared effective by the SEC as soon as reasonably practicable following its filing with the SEC.

The Issuer is also obligated to maintain the effectiveness of the registration statement to be filed pursuant to the Registration Rights Agreement until the earliest of (1) the first date on which all the securities covered by such registration statement have been sold, and (2) the first date on which none of the securities included in the registration statement constitute **Registrable Securities** (as such term is defined in the registration rights agreement), including by virtue of the eligibility of such shares to be sold pursuant to Rule 144(b)(1) under the Securities Act without volume restrictions. All expenses incurred in connection with the registration of securities pursuant to the Registration Rights Agreement will be borne by the Issuer.

The foregoing description of the Registration Rights Agreement and the transactions contemplated thereby do not purport to be complete and are qualified in their entirety by reference to the full text of the Registration Rights Agreement, a copy of which is filed as an Exhibit to this Schedule 13D.

Lock-Up Agreement

On June 3, 2013, in connection with the Reverse Merger, the Issuer entered into Lock-Up Agreements with former Finjan stockholders, including the Reporting Persons, who hold, in the aggregate, 237,203,659 (or approximately 96.6%) of the shares of common stock issued in the Reverse Merger. Pursuant to the Lock-Up Agreements, each stockholder party thereto agreed that, for the period commencing on the date of the closing of the Reverse Merger until the ten-month anniversary of the date that the SEC declares the registration statement filed pursuant to the Registration Rights Agreement effective, such stockholder will not offer, sell, contract to sell, pledge, give, donate, transfer or otherwise dispose of, directly or indirectly, any shares of the common stock or securities convertible into or exercisable for the common stock that the Issuer issued to such stockholder (which we refer to collectively as the Lock-Up Shares) or securities or rights convertible into or exchangeable or exercisable for any Lock-Up Shares, enter into a transaction which would have the same effect, or enter into any swap, hedge or other arrangement that transfers, in whole or in part, any of the economic consequences of ownership of such securities, whether any such aforementioned transaction is to be settled by delivery of the Lock-Up Shares or such other securities, in cash or otherwise.

Ten percent of each stockholder's Lock-Up Shares will be automatically released from the restrictions set forth in the Lock-Up Agreements on the date the registration statement filed pursuant to the Registration Rights Agreement is declared effective and on each monthly anniversary of such date; provided, however, that until the six-month anniversary of the Reverse Merger, the release of the stockholder's Lock-Up Shares will be suspended to the extent (but only to the extent) that the percentage of each stockholder's Lock-Up Shares available for sale under the Lock-Up release provisions exceeds the percentage of shares issuable to Hudson Bay and Iroquois under the Exchange Agreement that are eligible for resale pursuant to an effective registration statement. In addition, notwithstanding the restrictions contained in the Lock-Up Agreements, stockholders party thereto are permitted to sell Lock-Up Shares to the Issuer, to affiliates of the selling stockholder, and to any party in open market sales at a per share sales price of \$0.56 or above (subject to appropriate adjustment for any stock split, reclassification, recapitalization or other similar events). Lock-Up Shares sold in compliance with the Lock-Up Agreements will thereafter not be subject to the Lock-Up Agreement.
