Certain statements in the exhibits to this Current Report on Form 8-K/A may constitute forward-looking statements as defined in the Private Securities Litigation Reform Act of 1995 that are based on the Company's present beliefs and assumptions and on information currently available to the Company. You can identify forward-looking statements by terminology such as may, will, should, could, would, targets, goal, expect, intend, plan, anticipate, predict, potential, continue, or the negative of these terms or other comparable terminology. These statements relate to future events or the Company's future financial performance and involve known and unknown risks, uncertainties and other factors that may cause the Company's actual results, levels of activity, performance or achievements to differ materially from those expressed or implied by these forward-looking statements. These risks and other factors include those set forth in the joint proxy statement/prospectus of the Company filed on April 30, 2013 (File No. 333-187402) and under Item 1(A) under the caption Risk Factors in ICE's Annual Report on Form 10-K for the year ended December 31, 2012. The forward-looking statements included in this report are only predictions based on the Company's current expectations and projections about future events. Other sections of this report describe additional factors that could adversely impact the Company's business and financial performance. Moreover, the Company operates in a very competitive and rapidly changing environment. New risks and uncertainties emerge from time to time, and it is not possible to predict all risks and uncertainties, nor can the Company assess the impact of all factors on the Company's consolidated business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements. Although the Company believes the expectations reflected in the forward-looking statements are reasonable, the Company cannot guarantee future results, level of activity, performance or achievements. Moreover, neither the Company nor any other person assumes responsibility for the accuracy or completeness of any of these forward-looking statements. You should not rely upon forward-looking statements as predictions of future events. The Company is under no duty to update any of these forward-looking statements after the date of this report to conform its prior statements to actual results or revised expectations and the Company does not intend to do so. The Company cautions you not to place undue reliance on any forward-looking statement, which speak only as of the date on which it was made. The Company expressly qualifies in their entirety all forward-looking statements attributable to the Company or any person acting on the Company's behalf by the cautionary statements contained or referred to in this section.
