JOINT PROXY STATEMENT

For

2014 Joint Annual Meeting of Stockholders

To be held on February 4, 2014

This document will give you the information you need to vote on the matters listed on the accompanying Notice of Joint Annual Meeting of Stockholders (Notice of Annual Meeting). Much of the information in this Joint Proxy Statement is required under the rules and regulations of the Securities and Exchange Commission (the SEC), and some of it is technical in nature. If there is anything you do not understand, please contact us at 212-905-1000.

This Joint Proxy Statement is furnished in connection with the solicitation of proxies by the Boards of Directors (each, a Board and together, the Boards) of PennantPark Investment Corporation (PNNT) and PennantPark Floating Rate Capital Ltd. (PFLT and PNNT each, a Company and together, the Companies, we, us or our) for use at the Companies 2014 Joint Annual Meeting of Stockholders (the Meeting) to be held on Tuesday, February 4, 2014 at 9:30 a.m., Eastern Time, at the offices of Dechert LLP, located at 1095 Avenue of the Americas, New York, New York, and at any postponements or adjournments thereof. This Joint Proxy Statement and each Company s Annual Report for the fiscal year ended September 30, 2013 are being provided to the stockholders thereof (the Stockholders) via the Internet on or about December 18, 2013. In addition, a Notice of Annual Meeting and a Notice of Internet Availability of Proxy Materials are being sent to Stockholders of record of PNNT and Stockholders of record of PFLT as of December 9, 2013.

Although each Company is a separate business development company that holds an annual meeting of stockholders, the Companies Proxy Statements have been combined into this Joint Proxy Statement to reduce expenses to the Companies of soliciting proxies for the Meeting.

We encourage you to vote your shares, either by voting in person at the Meeting or by voting by proxy (i.e., authorizing someone to vote your shares). Shares represented by duly executed proxies will be voted in accordance with your instructions. If you execute a proxy without specifying your voting instructions, your shares will be voted in accordance with the recommendation of your Company s Board. If any other business is brought before the Meeting, your shares will be voted by the appropriate proxy s discretion unless you specifically state otherwise on your proxy.

You may revoke a proxy at any time before it is exercised by notifying the Companies Secretary in writing, by submitting a properly executed, later-dated proxy or by voting in person at the Meeting. Any Stockholder entitled to vote at the Meeting may attend the Meeting and vote in person, whether or not he or she has previously voted his or her shares via proxy or wishes to change a previous vote.

You will be eligible to vote your shares electronically via the Internet, by telephone or by mail.

Purpose of Meeting

At the Meeting, you will be asked to vote on the following proposals:

1. (a) *For Stockholders of PNNT*: to elect two directors to the Board of PNNT, who will each serve for a term of three years or until his successor is duly elected and qualifies; and
- (b) *For Stockholders of PFLT*: to elect one director to the Board of PFLT, who will serve for a term of three years or until his successor is duly elected and qualifies (together with clause (a) above, Proposal 1); and
2. *For Stockholders of each Company*: to ratify the selection of McGladrey LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2014 (Proposal 2).

Voting Securities

You may vote your shares at the Meeting only if you were a Stockholder of record of PNNT and/or a Stockholder of record of PFLT at the close of business on December 9, 2013 (the Record Date). There were 66,546,734 shares of PNNT common stock and 14,898,056 shares of PFLT common stock (the Common Stock) outstanding on the Record Date. Stockholders are entitled to one vote for each share of Common Stock of their Company held. Stockholders can vote only on matters affecting the Company (or Companies) in which they hold shares of Common Stock. Because the proposals stated above and in the Notice of Annual Meeting are separate for each Company, it is essential that Stockholders who own shares in both Companies vote by Internet, telephone or mail in accordance with the instructions on the proxy card(s), with respect to each proxy card they receive.

Quorum Required

For a Company to conduct business at the Meeting, a quorum of Stockholders of that Company must be present at the Meeting. The presence at the Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock of a Company outstanding on the Record Date will constitute a quorum of such Company. Abstentions and Broker Non-Votes (as defined below) will be treated as shares present at the Meeting for quorum purposes. If there are not enough votes for a quorum of a Company, the chairman of the Meeting will adjourn the Meeting with respect to that Company to permit the further solicitation of proxies.

Votes Required

Election of Director

For PNNT, the election of a director to the Board of the Company requires the affirmative vote of a majority of the Company's outstanding shares of Common Stock. If you vote *Withhold Authority* with respect to a nominee, your shares will not be voted with respect to the person indicated. Because a director is elected by a majority of the votes of the outstanding Common Stock of PNNT, votes to withhold authority, as well as abstentions and Broker Non-Votes or no votes, will have the effect of a vote against the nominee.

For PFLT, the election of a director to the Board of the Company requires the affirmative vote of a majority of the votes cast for and affirmatively withheld at the Meeting in person or by proxy. If you vote *Withhold Authority* with respect to a nominee, your shares will not be voted with respect to the person indicated. Votes to withhold authority with respect to a nominee will be included in determining the number of votes cast and, as a result, will have the effect of a vote against the nominee. Abstentions and Broker Non-Votes will have no effect on the result of the vote.

Stockholders of a Company may not cumulate their votes.

Ratification of Independent Registered Public Accounting Firm

For each Company, the affirmative vote of a majority of the votes of that Company cast at the Meeting in person or by proxy is required to ratify the appointment of McGladrey LLP to serve as such Company's independent registered public accounting firm. Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal.

Broker Non-Votes

Broker Non-Votes are votes that are not cast by a broker, bank or other nominee (the Broker) on a non-routine matter because the shares entitled to cast the vote are held in street name, the Broker lacks discretionary authority to vote the shares and the Broker has not received voting instructions from the beneficial owner. Proposal 1 is a non-routine matter for both Companies. As a result, if you hold shares of a Company's Common Stock in street name, your Broker will **not** be permitted to exercise voting discretion with respect to Proposal 1 for that Company. Thus, if you are a Stockholder of PNNT and you do not vote or give your Broker specific instructions on how to vote for you, your shares will have the effect of a vote against Proposal 1.

For this reason, it is imperative that Stockholders of PNNT vote or provide instructions to their Brokers as to how to vote with respect to Proposal 1.

Proposal 2 is a routine matter for both Companies. As a result, if you beneficially own shares of Common Stock of a Company and you do not vote or provide your Brokers with proxy instructions, your Brokers will be able to vote your shares for you on Proposal 2.

Adjournment and Additional Solicitation. As to each Company, if there appears not to be enough votes to approve a proposal at the Meeting, the chairman of the Meeting or the Stockholders of such Company who are represented in person or by proxy may vote to adjourn the Meeting with respect to that Company to permit further solicitation of proxies. If a vote to adjourn is submitted to the Stockholders, Messrs. Adam Bernstein and Jeffrey Flug are the persons named as proxies for the Companies and will vote proxies held by them for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

A Stockholder vote may be taken on any of the proposals in this Joint Proxy Statement prior to any such adjournment if there are sufficient votes for approval of such proposal.

Information Regarding This Solicitation

Each Company will bear the expense of its solicitation of proxies for the Meeting, including the cost of preparing and posting this Joint Proxy Statement and the Annual Report to the Internet and the cost of mailing the Notice of Annual Meeting, the Notice of Internet Availability of Proxy Materials and any requested proxy materials to its respective Stockholders. The Companies intend to use the services of Broadridge Financial Solutions, Inc., a leading provider of investor communications solutions, to aid in the distribution and collection of proxy votes. The Companies expect to pay market rates for such services. If brokers, trustees or fiduciaries and other institutions holding shares in their own names or in the names of their nominee, which shares are beneficially owned by others, forward the Joint Proxy Statement and relevant proxy card(s) to, and obtain proxies from, such beneficial owners, the applicable Company will reimburse such persons for their reasonable expenses in so doing.

In addition to the solicitation of proxies by the use of the Internet, proxies may be solicited in person and/or by telephone, mail or facsimile transmission by directors or officers of the Companies, officers or employees of PennantPark Investment Advisers, LLC, the Companies investment adviser (the Adviser), PennantPark Investment Administration, LLC, the Companies administrator (the Administrator), and/or by a retained solicitor. No additional compensation will be paid to such directors, officers or regular employees for such services. If the Companies retain a solicitor, the Companies have estimated that they will pay an aggregate of approximately \$60,000 for such services. If the Companies engage a solicitor, you could be contacted by

telephone on behalf of your Company and be urged to vote. The solicitor will not attempt to influence how you vote your shares, but will only ask that you take the time to cast a vote. You may also be asked if you would like to vote over the telephone and to have your vote transmitted to our proxy tabulation firm. The address of each of the Adviser and the Administrator is 590 Madison Avenue, 15th Floor, New York, New York 10022.

Stockholders may provide their voting instructions through the Internet, by telephone or by mail by following the instructions on the Notice of Internet Availability of Proxy Materials. These options require Stockholders to input the Control Number, which is provided with the Notice of Internet Availability of Proxy Materials. If you vote using the Internet, after visiting www.proxyvote.com and inputting your Control Number, you will be prompted to provide your voting instructions. Stockholders will have an opportunity to review their voting instructions and make any necessary changes before submitting them and terminating their Internet link. Stockholders who vote via the Internet, in addition to confirming their voting instructions prior to submission, also will receive upon request an e-mail confirming their instructions.

If a Stockholder wishes to participate in the Meeting, but does not wish to give a proxy by Internet, the Stockholder may attend the Meeting in person or request and submit a proxy card by following the instructions on the Notice of Internet Availability of Proxy Materials.

Any proxy authorized pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised. A revocation may be effected by resubmitting voting instructions via the Internet voting site, by telephone, by obtaining and properly completing another proxy card that is dated later than the original proxy and returning it, by mail, in time to be received before the Meeting, by attending the Meeting and voting in person or by a notice, provided in writing and signed by the Stockholder, delivered to the Companies' Secretary on any business day before the date of the Meeting.

Security Ownership of Certain Beneficial Owners and Management

As of the Record Dates, to our knowledge, no person would be deemed to control (as such term is defined in the Investment Company Act of 1940, as amended (the "1940 Act")) either Company.

An interested director is an interested person of the Companies, as defined in the 1940 Act, and independent directors are all other directors (the Independent Directors).

Specific due dates for those reports have been established, and the Companies are required to report herein any failure to file such reports by those due dates. Based on the Companies' review of Forms 3, 4 and 5 filed by such persons and information provided by the Companies' directors and other executive officer, the Companies believe that, during the fiscal year ended September 30, 2013, all Section 16(a) filing requirements applicable to such persons were met in a timely manner.

PROPOSAL 1: ELECTION OF DIRECTORS

In accordance with its bylaws, each of the Companies currently has five members on its Board. Directors are divided into three classes and are elected for staggered terms of three years each, with a term of office of one of the three classes of directors expiring each year. Each director will hold office for the term to which he is elected or until his successor is duly elected and qualifies. After this election, the terms of Class I, II and III will expire as follows:

Companies	Class I	Class II	Class III
PennantPark Investment Corporation	2017	2015	2016
PennantPark Floating Rate Capital Ltd.	2015	2016	2017

A Stockholder can vote for, or withhold his or her vote from, any nominee for his or her Company's Board. In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of each nominee named below. If a nominee should decline or be unable to serve as a director, it is intended that the proxy will be voted for the election of such person as is nominated by the relevant Board as a replacement. The Boards have no reason to believe that either of their nominees will be unable or unwilling to serve.

EACH BOARD, INCLUDING ITS INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF THE NOMINEES NAMED IN THIS JOINT PROXY STATEMENT.

Corporate Governance

Each Company believes that maintaining the highest standards of corporate governance is a crucial part of its business, and is committed to having in place the necessary controls and procedures designed to ensure compliance with applicable laws, rules and regulations, as well as its own ethical standards of conduct.

Director Independence

NASDAQ corporate governance rules require listed companies to have a board of directors with at least a majority of independent directors. Under NASDAQ corporate governance rules, in order for a director to be deemed independent, the Board of each Company must determine that the individual does not have a relationship that would interfere with the director's exercise of independent judgment in carrying out his responsibilities. On an annual basis, each director is required to complete an independence questionnaire designed to provide information to assist the Companies' Boards in determining whether the director is independent under NASDAQ corporate governance rules, the 1940 Act and applicable corporate governance guidelines. The Boards have determined that each of their directors, other than Mr. Penn, is independent under the applicable listing standards of the NASDAQ Global Select Market and the New York Stock Exchange and under the Exchange Act and the 1940 Act. Each Company's governance guidelines require any director who has previously been determined to be independent to inform the Chairman of the Board, the Chairman of the Nominating and Corporate Governance Committee and the Company's Corporate Secretary of any change in circumstance that may cause his status as an Independent Director to change. Each Board limits membership on its Audit Committee, its Nominating and Corporate Governance Committee and its Compensation Committee to Independent Directors.

Boards' Oversight Role in Management

Each Board performs its risk oversight function primarily through (1) its three standing committees, which report to the entire Board and are comprised solely of Independent Directors and (2) monitoring by the Company's Chief Compliance Officer (the CCO) in accordance with the Company's compliance policies and procedures.

As described below in more detail under *Audit Committees*, *Nominating and Corporate Governance Committees* and *Compensation Committees*, each Board's Audit Committee, Nominating and Corporate Governance Committee and Compensation Committee assist the Board in fulfilling its risk oversight responsibilities. Each Audit Committee's risk oversight responsibilities include overseeing the Company's accounting and financial reporting processes, including the annual audit of the Company's financial statements, the Company's systems of internal controls regarding finance and accounting, pre-approving the engagement of an independent registered public accounting firm to render audit and/or permissible non-audit services and evaluating the qualifications, performance and independence of the independent registered public accounting firm. Each Nominating and Corporate Governance Committee's risk oversight responsibilities include selecting, researching and nominating directors for election by the Company's Stockholders, developing and recommending to its Board a set of corporate governance principles and overseeing the evaluation of the Board and the Company's management. Each Compensation Committee's risk oversight responsibilities include determining, or recommending to its Board for determining, the compensation of the Company's chief executive officer and all other executive officers, paid directly by the Company, if any, and assisting its Board with matters related to compensation, as directed by each Board. The Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee of each Board consist solely of Independent Directors.

Each Board also performs its risk oversight responsibilities with the assistance of a CCO, who is the same individual for both Companies. The Companies' CCO prepares a written report annually discussing the adequacy and effectiveness of the compliance policies and procedures of the Companies and certain of their service providers. The CCO's report, which is reviewed by the Boards, addresses, at a minimum: (1) the operation of the compliance policies and procedures of the Companies and certain of their service providers since the last report; (2) any material changes to such policies and procedures since the last report; (3) any recommendations for

material changes to such policies and procedures as a result of the CCO's annual review; and (4) any compliance matter that has occurred since the date of the last report about which the Boards would reasonably need to know to oversee the Companies' compliance activities and risks. In addition, the CCO meets separately in executive session with the Independent Directors at least once each year.

Each Company believes that its Board's role in risk oversight is effective and appropriate given the extensive regulation to which it is already subject as a business development company. Specifically, as a business development company, each Company must comply with certain regulatory requirements that control the levels of risk in its business and operations. For example, the ability of each Company to incur indebtedness is limited by the asset coverage requirements set forth in the 1940 Act and each Company generally must invest at least 70% of its total assets in qualifying assets. Each Company also has elected to be treated as a regulated investment company (a RIC) under Subchapter M of the Internal Revenue Code of 1986, as amended. As a RIC, each Company must, among other things, meet certain income source and asset diversification requirements.

Each Company believes that the extent of its Board's and its committees' roles in risk oversight complements the Board's leadership structure. Because they are comprised solely of Independent Directors, the Audit Committees, the Nominating and Corporate Governance Committees and Compensation Committees are able to exercise their oversight responsibilities without any conflict of interest that might discourage critical questioning and review. Through regular executive session meetings with the Companies' independent registered public accounting firms, their CCO and their Chief Executive Officer, the Independent Directors have similarly established direct communication and oversight channels that the Boards believe foster open communication and early detection of issues of concern.

Each Company believes that its Board's role in risk oversight must be evaluated on a case by case basis and that the current configuration and allocation of responsibilities among the Board and its committees with respect to the oversight of risk is appropriate. However, each Board and its committees continually re-examine the manner in which they administer their respective risk oversight functions, including through formal annual assessments of performance, to ensure that they meet their Company's needs.

Boards' Composition and Leadership Structure

The 1940 Act requires that at least a majority of each Company's directors not be interested persons (as defined in the 1940 Act) of the Company. Currently, four of the five directors on each Board are Independent Directors; however, the Chairman of the Boards is an interested person of each Company. The Independent Directors believe that the combined position of Chief Executive Officer of the Companies and Chairman of the Boards of the Companies results in greater efficiencies in managing the Companies, by eliminating the need to transfer substantial information quickly and repeatedly between the Chief Executive Officer and the Chairman, and the ability to capitalize on the specialized knowledge acquired from the duties of the roles. The Boards have not identified a lead Independent Director; however, each Board has determined that its leadership structure, in which 80% of the directors are Independent Directors and, as such, are not affiliated with the Adviser or the Administrator, is appropriate in light of the services that the Adviser and the Administrator provide to the Company and the potential conflicts of interest that could arise from these relationships.

Information about Each Director's Experience, Qualifications, Attributes or Skills

Below is additional information about each director (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes and/or skills that each director possesses, and which each Board believes has prepared each director to be an effective director. Each Board believes that the significance of each director's experience, qualifications, attributes and/or skills is an individual matter (meaning that experience that is important for one director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single director, or particular factor, being indicative of Board effectiveness. However, each Board believes that directors need to have the ability to review,

evaluate, question and discuss critical information provided to them, and to interact effectively with management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties. Each Board believes that its members satisfy this standard. Experience relevant to having this ability may be achieved through a director's educational background, business or professional training or practice (e.g., finance, accounting or law), public service or academic positions, experience from service as a board member (including the Boards of the Companies) or as an executive of investment companies, public companies or significant private or not-for-profit entities or other organizations and/or other life experiences. To assist them in evaluating matters under federal and state law, the Independent Directors have their own independent legal counsel, who participates in Board meetings and interacts with the Adviser and the Companies' counsel. Both the Independent Directors and the Companies' counsels have significant experience advising funds and fund board members. Each Board and its committees have the ability to engage other experts as appropriate. Each Board evaluates its performance on an annual basis.

Experience, Qualifications, Attributes and/or Skills that Led to the Boards Conclusion that such Members Should Serve as Directors of the Companies

Each Board believes that, collectively, the directors have balanced and diverse experience, qualifications, attributes and skills, which allow the Board to operate effectively in governing the Company and protecting the interests of its Stockholders. Below is a description of the various experiences, qualifications, attributes and/or skills with respect to each director considered by the Boards.

Committees of the Boards

Each Board has established an Audit Committee, a Nominating and Corporate Governance Committee and a Compensation Committee. For the fiscal year ended September 30, 2013, the Board of PNNT held four board meetings, four Audit Committee meetings and one Nominating and Corporate Governance Committee meeting and the Board of PFLT held five board meetings, four Audit Committee meetings and one Nominating and Corporate Governance Committee meeting. Each Board's Compensation Committee was established in November 2013. All directors attended at least 75% of the aggregate number of meetings of the respective Board and of the respective committees on which they served. The Companies require each director to make a diligent effort to attend all Board and committee meetings, and encourage directors to attend the Companies' joint annual stockholders' meetings. Last year, all of the members of the Boards attended the joint annual stockholders' meeting.

Audit Committees

The members of the Audit Committee of each Company are Messrs. Bernstein, Brozost, Flug and Katz, each of whom is independent for purposes of the 1940 Act and the NASDAQ corporate governance rules. Messrs. Flug and Katz serve as Co-Chairmen of the Audit Committees. Each Audit Committee operates pursuant to a separate Audit Committee Charter approved by its Board. Each charter sets forth the responsibilities of the Audit Committee, which include: selecting or retaining each year an independent registered public accounting firm (the auditors) to audit the accounts and records of the Company; reviewing and discussing with management and the auditors the annual audited financial statements of the Company, including disclosures made in management's discussion and analysis of financial condition and results of operations, and recommending to the Board whether the audited financial statements should be included in the Company's annual report on Form 10-K; reviewing and discussing with management and the auditors the Company's quarterly financial statements prior to the filings of their quarterly reports on Form 10-Q; pre-approving the auditors' engagement to render audit and/or permissible non-audit services; and evaluating the qualifications, performance and independence of the auditors. The Audit Committees are also responsible for aiding the Boards in fair value pricing of debt and equity securities for their respective funds. The Boards and Audit Committees use the services of nationally recognized independent valuation firms to help them determine the fair value of certain securities held by the Companies. The Boards have determined that each of Messrs. Flug and Katz is an audit committee financial expert as that term is defined under Item 407 of Regulation S-K under the Exchange Act. Each Audit Committee Charter is available on the Companies' website (<http://www.pennantpark.com>).

Nominating and Corporate Governance Committees

The members of the Nominating and Corporate Governance Committee of each Company are Messrs. Bernstein, Brozost, Flug and Katz, each of whom is independent for purposes of the 1940 Act and the NASDAQ corporate governance rules. Messrs. Bernstein and Brozost serve as Co-Chairmen of the Nominating and Corporate Governance Committees. Each Nominating and Corporate Governance Committee is responsible for selecting, researching and nominating directors for election by the Company's Stockholders, selecting nominees to fill vacancies on the Board or a committee of the Board, developing and recommending to the Board a set of corporate governance principles and overseeing the evaluation of the Board and the Company's management. The Nominating and Corporate Governance Committee of each Company has adopted a written Nominating and Corporate Governance Committee Charter that is available on the Companies' website (<http://www.pennantpark.com>).

Each Nominating and Corporate Governance Committee will consider Stockholder recommendations for possible nominees for election as directors when such recommendations are submitted in accordance with the Company's bylaws, the Nominating and Corporate Governance Committee Charter and any applicable law, rule or regulation regarding director nominations. Nominations should be sent to Thomas J. Friedmann, Secretary, c/o PennantPark, 590 Madison Avenue, 15th Floor, New York, New York 10022. When submitting a nomination to a Company for consideration, a Stockholder must provide all information that would be required under applicable SEC rules to be disclosed in connection with election of a director, including the following minimum information for each director nominee: full name, age and address; principal occupation during the past five years; directorships on publicly held companies and investment companies during the past five years; number of shares of the Company's Common Stock owned, if any; and a written consent of the individual to stand for election if nominated by the Board and to serve if elected by the Stockholders.

Criteria considered by the Nominating and Corporate Governance Committees in evaluating the qualifications of individuals for election as director of the Boards include: compliance with the independence and other applicable requirements of the NASDAQ corporate governance rules and the 1940 Act, and all other applicable laws, rules, regulations and listing standards; the criteria, policies and principles set forth in the Companies' Nominating and Corporate Governance Committee Charters; and the ability to contribute to the effective management of the Companies, taking into account the needs of the Companies and such factors as the individual's experience, perspective, skills and knowledge of the industry in which the Companies operate.

Neither Nominating and Corporate Governance Committee has adopted a formal policy with regard to the consideration of diversity in identifying individuals for election as members of the Board, but the Nominating and Corporate Governance Committees will consider such factors as they may deem are in the best interests of the Companies and their Stockholders. Those factors may include a person's differences of viewpoint, professional experience, education and skills, as well as his or her race, gender and national origin. In addition, as part of each Board's annual-self assessment, the members of the Nominating and Corporate Governance Committee evaluates the membership of the Board and whether the Board maintains satisfactory policies regarding membership selection.

Compensation Committees

The Compensation Committee is responsible for determining, or recommending to the Board for determining, the compensation of the Company's chief executive officer and all other executive officers, paid directly by the Company, if any. The Compensation Committee also assists each Board with all matters related to compensation, as directed by each Board. The current members of the Compensation Committee are Messrs. Bernstein, Brozost, Flug and Katz, each of whom is not an interested person of us for purposes of the 1940 Act and the NASDAQ corporate governance rules. As discussed below, none of our executive officers is directly compensated by either Company and, as a result, the Compensation Committees do not produce and/or review and report on executive compensation practices. Each Compensation Committee Charter is available on the Companies' website (<http://www.pennantpark.com>).

Stockholders with questions about a Company are encouraged to contact the Companies' Investor Relations Department at 590 Madison Avenue, 15th Floor, New York, New York 10022 or by visiting the investor relations web page on our website (<http://www.pennantpark.com>). Certain Relationships and Related Party Transactions

Each Company's investment activities are managed by the Adviser and supervised by its Board, 80% of who are Independent Directors. Each Company's Investment Management Agreement with the Adviser was re-approved by its Board, including a majority of the Independent Directors, in February 2013. Under each Company's Investment Management Agreement, the Adviser, subject to the overall supervision of the Board, manages the day-to-day operations of and provides investment advisory services to the Company. For providing these services, the Adviser receives a fee from each Company, consisting of two components: a base management fee and an incentive fee. For the fiscal year ended September 30, 2013, the Adviser earned a base management fee of \$21.3 million and an incentive fee of \$16.8 million from PNNT, and a base management fee of \$2.2 million and an incentive fee of \$1.9 million from PFLT.

In connection with PFLT's initial public offering, the Adviser paid to the underwriters 2% of the sales load, or approximately \$2.1 million in the aggregate, with respect to the offering of shares of PFLT's Common Stock. PFLT (and indirectly its Stockholders) agreed to repay this amount (a) if during any four consecutive calendar quarter-periods ending on or after April 13, 2012 its Pre-Incentive Fee Net Investment Income equaled or exceeded 1.75% (7.0% annualized) of its net assets at the beginning of such period (as adjusted for any issuances or repurchases of shares of its Common Stock) or (b) upon its liquidation. Based on actual returns, PFLT met the conditions for repayment to the Adviser at the end of the quarter ended December 31, 2012 and repaid approximately \$2.1 million to the Adviser, which then used such amounts to purchase shares of PFLT's Common Stock in the secondary market.

Each Company's Administration Agreement with the Administrator was re-approved by its Board, including a majority of the Independent Directors, in February 2013. Under each Company's Administration Agreement, the Company has agreed to reimburse the Administrator for its allocable portion of overhead and other expenses incurred by the Administrator in performing its obligations under the Administration Agreement, including rent and the Company's allocable portion of the costs of compensation and related expenses of the CCO, Chief Financial Officer and their respective staffs. Aviv Efrat, each Company's Chief Financial Officer, is the Managing Director of the Administrator. For the fiscal year ended September 30, 2013, the Adviser and the Administrator, collectively, were reimbursed \$2.9 million from PNNT and \$0.3 million from PFLT, for the services described above.

The Adviser has granted a non-exclusive, royalty-free license to each Company to use the name PennantPark.

In addition, pursuant to the terms of each Administration Agreement, the Administrator provides the Companies with the office facilities and administrative services necessary to conduct their day-to-day operations. The Adviser is the sole member of, and controls, the Administrator.

The Audit Committee of each Company, in consultation with the Companies' Chief Executive Officer, CCO and legal counsel, has established a written policy to govern the review of potential related party transactions. The Audit Committee of each Company conducts quarterly reviews of any potential related party transactions and, during these reviews, it also considers any conflicts of interest brought to its attention pursuant to the Company's Joint Code of Conduct or Joint Code of Ethics.

PROPOSAL 2: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The respective Audit Committees and the non-interested directors have selected McGladrey LLP (McGladrey) to serve as the independent registered public accounting firm for the Companies for the fiscal year ending September 30, 2014. This selection is subject to ratification or rejection by the stockholders of the Companies.

On November 21, 2013, the Board of each Company dismissed KPMG LLP (KPMG) as the Companies independent registered public accounting firm. The Boards decision to dismiss KPMG was recommended by each Audit Committee.

KPMG served as the Companies independent registered public accounting firm for the Company s fiscal years ended September 30, 2012 and 2013. The reports of KPMG on the financial statements of each Company for the years ended September 30, 2012 and 2013 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

Prior to its dismissal, there were no disagreements with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of KPMG would have caused it to make reference to the subject matter of the disagreements in connection with its report, nor were there any reportable events as such term as described in Item 304(a)(1)(v) of Regulation S-K, promulgated under the Exchange Act.

On November 21, 2013, upon the recommendation of its Audit Committee, each Board, including a majority of the Independent Directors, engaged McGladrey to serve as the independent registered accounting firm to audit the applicable Company s consolidated financial statements for the fiscal year ending September 30, 2014, and directed that the selection of McGladrey should be submitted to the Companies Stockholders for ratification.

During the two most recent fiscal years and through November 21, 2013, the date of the engagement of McGladrey, neither the Companies nor any person on their behalf has consulted with McGladrey with respect to either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Companies consolidated financial statements or (ii) any matter that was either the subject of a disagreement or a reportable event as such terms are described in Items 304(a)(1)(iv) or 304(a)(1)(v), respectively, of Regulation S-K promulgated under the Exchange Act.

McGladrey has advised the Companies that neither the firm nor any present member or associate of it has any material financial interest, direct or indirect, in the Companies or their respective its affiliates. It is expected that a representative of McGladrey will be present at the Annual Meeting and will have an opportunity to make a statement if he or she chooses and will be available to answer questions.

Audit Fees: Audit fees consist of fees billed for professional services rendered for the audit of our year-end financial statements and services that were normally provided by KPMG in connection with statutory and regulatory filings.

Audit-Related Fees: Audit-related services consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under Audit Fees. These services include attestation services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards.

Tax Fees: Tax fees consist of fees billed for professional services for tax compliance. These services include assistance regarding federal, state and local tax compliance.

All Other Fees: Other fees would include fees billed for products and services other than the services reported above.

Each Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by McGladrey, as the Company's independent registered public accounting firm. The policy requires that the Audit Committee pre-approve the audit and permissible non-audit services performed by the independent registered public accounting firm in order to assure that the provision of such service does not impair the auditors' independence with respect to the Company. In addition, all audit-related, tax and other services provided by KPMG to the Companies during the fiscal year ended September 30, 2013 were approved by the Audit Committees in accordance with such policy.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee of the relevant Company for specific pre-approval and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committees. However, each Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committees do not delegate their responsibilities to pre-approve services performed by the independent registered public accounting firm to Company management.

EACH BOARD, INCLUDING ITS INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR RATIFICATION OF MCGLADREY AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM TO YOUR COMPANY FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2014.

Audit Committee Report⁽¹⁾

The following is the joint report of the Audit Committees with respect to each Company's audited financial statements for the fiscal year ended September 30, 2013.

Each Audit Committee has reviewed and discussed the Company's audited financial statements with management and KPMG, the Companies' independent registered public accounting firm, with and without management present. Each Audit Committee included in its review results of KPMG's audits, the Company's internal controls and the quality of the Company's financial reporting. Each Audit Committee also reviewed the Company's procedures and internal control processes designed to ensure full, fair and adequate financial reporting and disclosures, including procedures for certifications by the Company's Chief Executive Officer and Chief Financial Officer that are required in periodic reports filed by the Company with the SEC. The Audit Committees are satisfied that the Companies' internal control systems are adequate and that the Companies employ appropriate accounting procedures.

Each Audit Committee also has discussed with KPMG matters relating to KPMG's assessment about the quality, as well as the acceptability, of the Company's accounting principles as applied in its financial reporting as required by PCAOB Auditing Standard 16 (Communications with Audit Committees). In addition, each Audit Committee has discussed with KPMG its independence from management and the Company, as well as the matters in the written disclosures received from KPMG and required by Public Company Accounting Oversight Board Rule 3520 (Auditor Independence). Each Audit Committee received a report from KPMG confirming its independence and discussed the report with KPMG. Each Audit Committee discussed and reviewed with KPMG the Company's critical accounting policies and practices, internal controls, other material written communications to management and the scope of KPMG's audits and all fees paid to KPMG during the fiscal year. Each Audit Committee adopted guidelines requiring review and pre-approval by the Audit Committee of audit and non-audit services performed by KPMG for the Company. Each Audit Committee has reviewed and considered the compatibility of KPMG's performance of non-audit services with the maintenance of KPMG's independence as the Company's independent registered public accounting firm.

Based on each Audit Committee's review and discussions referred to above, each Audit Committee recommended to its Board (and the Board has approved) that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2013 for filing with the SEC.
