### **About Intertape Polymer Group Inc.**

Intertape Polymer Group Inc. is a recognized leader in the development, manufacture and sale of a variety of paper and film-based pressure sensitive and water activated tapes, specialized polyolefin films, woven fabrics and complementary packaging systems for industrial and retail use. Headquartered in Montreal, Quebec and Sarasota, Florida, the Company employs approximately 1,800 employees with operations in 16 locations, including 10 manufacturing facilities in North America and one in Europe.

### **Safe Harbor Statement**

This press release contains forward-looking information within the meaning of applicable Canadian securities legislation and forward-looking statements within the meaning of United States federal securities legislation (collectively, forward-looking statements ). All statements other than statements of historical facts included in this press release, including statements regarding the Company s industry and the Company s prospects, plans, financial position and business strategy may constitute forward-looking statements. These forward-looking statements are based on current expectations, estimates, forecasts and projections about the industries in which the Company operates as well as beliefs and assumptions made by the Company s management. Such statements include, in particular, statements about the Company s plans, prospects, financial position and business strategies. Words such as may, will, expect, continue, intend, estimate, anticipate, plan, foresee, believe or seek or the negatives of these variations of them or similar terminology are intended to identify such forward-looking statements. Although the Company believes that the expectations reflected in these forward-looking statements are reasonable, these statements, by their nature, involve risks and uncertainties and are not guarantees of future performance. Such statements are also subject to assumptions concerning, among other things: the Company s anticipated business strategies; anticipated savings from the Company s manufacturing plant rationalization initiatives; anticipated trends in the Company s business; anticipated cash flows from the Company s operations; availability of funds under the Company s Asset-Based Loan facility; and the Company s ability to control costs. The Company can give no assurance that these estimates and expectations will prove to have been correct. Actual outcomes and results may, and often do, differ from what is expressed, implied or projected in such forward-looking statements, and such differences may be material. Readers are cautioned not to place undue reliance on any forward-looking statement. For additional information regarding some important factors that could cause actual results to differ materially from those expressed in these forward-looking statements and other risks and uncertainties, and the assumptions underlying the forward-looking statements, you are encouraged to read Item 3. Key Information Risk Factors in the Company s annual report on Form 20-F for the year ended December 31, 2012 and the other factors contained in the Company s filings with the Canadian securities regulators and the US Securities and Exchange Commission. Each of these forward-looking statements speaks only as of the date of this press release. The Company will not update these statements unless applicable securities laws require it to do so.
