Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On July 25, 2014, Korn/Ferry International, a Delaware corporation (the **Company**) entered into an Amended and Restated Employment Agreement (the **A&R Employment Agreement**) with Gary Burnison, the Company's current Chief Executive Officer. The A&R Employment Agreement supersedes Mr. Burnison's prior employment agreement with the Company, dated as of April 24, 2007 (the **Prior Employment Agreement**). The A&R Employment Agreement generally contains the same terms as the Prior Employment Agreement as described in the proxy statement of the Company filed with the Securities and Exchange Commission in connection with its annual meeting on September 26, 2013, except as noted below.

The A&R Employment Agreement eliminates the payment to Mr. Burnison of a gross-up for any excise tax imposed on him by Section 4999 (and Section 280G) of the Internal Revenue Code. Accordingly, the Company no longer provides any excise tax gross-ups to its executives.

Pursuant to the A&R Employment Agreement, the Company has agreed to provide Mr. Burnison with an annual base salary of \$910,000, an increase from his current base salary of \$700,000, and has maintained his annual target bonus payout at 100% of his annual base salary.

The A&R Employment Agreement provides Mr. Burnison with the opportunity to receive annual equity awards at the discretion of the Compensation and Personnel Committee of the Company's Board of Directors. It does not include provisions relating to target grant values for such awards.

Pursuant to the A&R Employment Agreement, if Mr. Burnison's employment is terminated by the Company without cause or by Mr. Burnison for good reason other than in connection with a change in control, then any pro-rata annual bonus and any pro-rata vesting of performance shares granted on or after July 25, 2014 to which Mr. Burnison is entitled in connection with such termination will be based on actual Company performance, rather than target performance as provided under the Prior Agreement. If such a termination of employment occurs in connection with a change in control, then any pro rata vesting of performance shares granted on or after July 25, 2014 to which Mr. Burnison is entitled in connection with such termination for the period prior to the change in control will be based on the greater of the Company's actual performance and target performance, rather than based on actual performance as provided under the Prior Agreement.

The definition of change in control in the A&R Employment Agreement was conformed to the corresponding definition in the Company's 2008 Stock Incentive Plan.

A copy of the A&R Employment Agreement is attached as Exhibit 10.1 to this Report.
