Item 1.01 Entry into a Material Definitive Agreement.

On November 3, 2014, Quality Distribution, Inc. (the Company) and its wholly owned subsidiary, Quality Distribution, LLC (QD LLC), entered into an amended and restated Credit Agreement with Bank of America, N.A., as administrative agent and collateral agent, JPMorgan Chase Bank, N.A. and Suntrust Bank, as co-syndication agents, and the lenders party thereto from time to time (the Amended and Restated Credit Agreement), which amends and restates the existing Credit Agreement, dated August 19, 2011, among the Company, QD LLC, Bank of America, N.A., as administrative agent and collateral agent, and the lenders party thereto from time to time, as amended. The Amended and Restated Credit Agreement provides for a \$350.0 million senior secured asset-based revolving credit facility (the ABL Facility) and a \$17.5 million senior secured FILO term loan facility (the Term Loan Facility).

Borrowings under the ABL Facility bear interest at a rate equal to an applicable margin plus, at the Company's option, either a base rate or LIBOR. The initial applicable margin is 0.75% for base rate borrowings and 1.75% for LIBOR borrowings. The applicable margin for borrowings will be reduced or increased as follows: if the average borrowing base availability under the ABL Facility is greater than or equal to 50% and QD LLC satisfies a fixed charge coverage ratio of 1.20:1.00 or greater, the applicable margin is 0.50% for base rate borrowings and 1.50% for LIBOR borrowings; if the average borrowing base availability under the ABL Facility is greater than or equal to 25% and less than 50%, the applicable margin is 0.75% for base rate borrowings and 1.75% for LIBOR borrowings; and if the average borrowing base availability under the ABL Facility is less than 25%, the applicable margin is 1.00% for base rate borrowings and 2.00% for LIBOR borrowings. In addition to paying interest on outstanding principal under the ABL Facility, the Company will be required to pay a quarterly unutilized commitment fee to the lenders at an initial rate of 0.25%, with the rate remaining at 0.25% if the average utilization of the ABL Facility during a quarter is greater than or equal to 50% with the rate increasing to 0.375% if the average utilization of the ABL Facility during a quarter is less than 50%. The Company must also pay customary letter of credit fees quarterly. The Company may voluntarily repay outstanding loans under the ABL Facility at any time without premium or penalty, other than customary breakage costs with respect to LIBOR loans. The ABL Facility will mature at the earlier of November 3, 2019 and such date that is 91 days prior to the maturity of the Company's currently outstanding second lien notes or any future second lien notes of the Company or any permitted refinancing of such currently outstanding or future notes if the outstanding amount of such debt is above a certain threshold.

Borrowings under the Term Loan Facility also bear interest at a rate equal to an applicable margin plus, at the Company's option, either a base rate or LIBOR. The initial applicable margin is 2.00% for base rate borrowings and 3.00% for LIBOR borrowings, with a potential step-down after three months to 1.75% for base rate borrowings and 2.75% for LIBOR borrowings, if QD LLC achieves a senior secured leverage ratio of 3.50:1.00 or less. Obligations under the Term Loan Facility will mature at the earlier of November 3, 2017 and such date on which the ABL Facility terminates.

The Amended and Restated Credit Agreement contains a number of covenants that, among other things, restrict, subject to certain exceptions, the Company's ability, and the ability of the Company's subsidiaries, to sell assets; incur additional indebtedness; prepay other indebtedness; pay dividends and distributions or repurchase their capital stock; create liens on assets; make investments; make certain acquisitions; engage in mergers or consolidations; engage in certain transactions with affiliates; amend certain charter documents and material agreements governing subordinated indebtedness; change the business conducted by it and its subsidiaries; and enter into agreements that restrict dividends from subsidiaries. The Amended and Restated Credit Agreement also contains certain customary affirmative covenants and events of default.

All obligations under the Amended and Restated Credit Agreement are guaranteed by the Company and the Company's wholly-owned domestic restricted subsidiaries (other than certain excluded subsidiaries) pursuant to a Guarantee and Collateral Agreement, dated as of August 19, 2011, among the Company, QD LLC, each of the Company's subsidiaries party thereto, and Bank of America, N.A., as administrative agent and collateral agent (as amended and supplemented, the Guarantee and Collateral Agreement). Further, pursuant to the Guarantee and

Collateral Agreement, obligations under the Amended and Restated Credit Agreement, and the guarantees of those obligations (as well as cash management obligations and any interest hedging or other swap agreements), are secured by a first priority lien on substantially all of the assets of QD LLC and the guarantors.

On November 3, 2014, in connection with the Company and QD LLC entering into the Amended and Restated Credit Agreement, the subsidiary guarantors under the Amended and Restated Credit Agreement entered into a subsidiary loan party acknowledgement with Bank of America, N.A. (the Acknowledgement), pursuant to which they agreed to be bound by the terms set forth in the Amended and Restated Credit Agreement and affirm their obligations under the Guarantee and Collateral Agreement. The foregoing description of the Acknowledgement does not purport to be complete and is qualified in its entirety by reference to the full text of the Acknowledgement, a copy of which is filed herewith as Exhibit 10.2 and is incorporated in this Item 1.01 by reference.
