Section 8 Other Events

Item 8.01. Other Events.

Attached as Exhibit 99.1 to this Current Report on Form 8-K and incorporated herein by reference is a press release issued by Greif, Inc. on December 10, 2014.

The press release included the following non-GAAP financial measure (the non-GAAP Measure):

- (i) A preliminary estimate of operating profit of the Company on a consolidated basis before special items, which is equal to the operating profit of the Company plus restructuring charges plus acquisition-related costs plus non-cash asset impairment charges less timberland gains, each on a consolidated basis; Management of the Company uses the non-GAAP Measure to evaluate ongoing operations and believes that this non-GAAP Measure is useful to enable investors to perform meaningful comparisons of current and historical performance of the Company. Management of the Company also believes that this non-GAAP Measure provides a more stable platform on which to compare the historical performance of the Company than the most nearly equivalent GAAP data.
