Report on the Historical Summary

We have audited the accompanying statement of revenue and certain expenses (the Historical Summary) of Walnut Hill (the Property) for the year ended December 31, 2013, and the related notes to the Historical Summary.

Management's Responsibility for the Historical Summary

Management is responsible for the preparation and fair presentation of the Historical Summary in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Historical Summary that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the Historical Summary based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Historical Summary is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Historical Summary. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Historical Summary, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the Historical Summary in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Historical Summary.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the Historical Summary referred to above presents fairly, in all material respects, the revenue and certain expenses described in Note 1 to the Historical Summary of the Property for the year ended December 31, 2013, in accordance with accounting principles generally accepted in the United States of America.

Basis of Presentation

As described in Note 1 to the Historical Summary, the accompanying Historical Summary was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission (for inclusion in Form 8-K/A of Independence Realty Trust, Inc.) and is not intended to be a complete presentation of the Property's revenue and expenses. Our opinion is not modified with respect to this matter.

Walnut Hill	Multi-family	360	Cordova, TN

On August 28, 2014, Independence Realty Trust (IRT) acquired the Property for a purchase price equal to \$27.9 million.

The Historical Summary has been prepared for the purpose of complying with the provisions of Article 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission (the SEC), which requires certain information with respect to real estate operations to be included with certain filings with the SEC. The Historical Summary includes the historical revenue and certain expenses of the Property, exclusive of items which may not be comparable to the proposed future operations of the Property. Material amounts that would not be directly attributable to future operating results of the Property are excluded, and the Historical Summary is not intended to be a complete presentation of the Property's revenue and expenses. Items excluded consist principally of interest on mortgages and depreciation for the Property.

The Historical Summary presents the revenue and certain expenses of the Property during the identified periods and may not be comparable to future periods. Management is not aware of any material factors relating to the Property other than those already described above that would cause the reported financial information not to be necessarily indicative of future operating results. In the opinion of management, all adjustments, consisting only of normal recurring adjustments, necessary to present fairly the interim periods results of operations are included. The results of operations for the interim periods presented are not necessarily indicative of the results for the full year.

In the preparation of the accompanying Historical Summary, subsequent events were evaluated through October 10, 2014, the date the financial statements were available to be issued.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES***a. Revenue Recognition***

Rental income attributable to residential leases is recorded when due from residents, generally upon the first day of the month. d. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported periods. Actual results could differ from those estimates.

NOTE 3: COMMITMENTS AND CONTINGENCIES

On November 24, 2014 Independence Realty Trust (IRT) acquired the Property for a purchase price equal to \$17.5 million.

The Historical Summary has been prepared for the purpose of complying with the provisions of Article 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission (the SEC), which requires certain information with respect to real estate operations to be included with certain filings with the SEC. The Historical Summary includes the historical revenue and certain expenses of the Property, exclusive of items which may not be comparable to the proposed future operations of the Property. Material amounts that would not be directly attributable to future operating results of the Property are excluded, and the Historical Summary is not intended to be a complete presentation of the Property's revenue and expenses. Items excluded consist principally of interest on mortgages and depreciation for the Property.

The Historical Summary presents the revenue and certain expenses of the Property during the identified periods and may not be comparable to future periods. Management is not aware of any material factors relating to the Property other than those already described above that would cause the reported financial information not to be necessarily indicative of future operating results. In the opinion of management, all adjustments, consisting only of normal recurring adjustments, necessary to present fairly the interim periods results of operations are included. The results of operations for the interim periods presented are not necessarily indicative of the results for the full year.

In the preparation of the accompanying Historical Summary, subsequent events were evaluated through December 22, 2014, the date the financial statements were available to be issued.

Report on the Combined Historical Summary

We have audited the accompanying combined statement of revenue and certain expenses (the Combined Historical Summary) of the Southeast Portfolio (including properties commonly referred to as Prospect Park, Brookside, Jamestown, Meadows and Oxmoor Apartments) for the year ended December 31, 2013, and the related notes to the Combined Historical Summary.

Management's Responsibility for the Combined Historical Summary

Management is responsible for the preparation and fair presentation of the Combined Historical Summary in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Combined Historical Summary that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the Combined Historical Summary based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Combined Historical Summary is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Combined Historical Summary. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Combined Historical Summary, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the Combined Historical Summary in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Combined Historical Summary.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the Combined Historical Summary referred to above presents fairly, in all material respects, the revenue and certain expenses described in Note 1 to the Combined Historical Summary of the Southeast Portfolio for the year ended December 31, 2013, in accordance with accounting principles generally accepted in the United States of America.

Basis of Presentation

As described in Note 1 to the Combined Historical Summary, the accompanying Combined Historical Summary was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission (for inclusion in Form 8-K/A of Independence Realty Trust, Inc.) and is not intended to be a complete presentation of the Southeast Portfolio's revenue and expenses. Our opinion is not modified with respect to this matter.
