The Board approved the combination of the existing Nominating Committee of the Board and the existing Corporate Governance Committee of the Board to form a single combined Nominating and Corporate Governance Committee of the Board, which will be governed by the charters of the existing Nominating Committee and Governance Committee, which are available on the Company's website at [investor.trimble.com/documents.cfm](http://investor.trimble.com/documents.cfm), until such time as a new charter is approved. Directors Merit E. Janow, Ronald S. Nersesian and Ulf J. Johansson were appointed to serve as the members of the Nominating and Corporate Governance Committee, with Mr. Johansson serving as chairperson of the committee.

Directors Ulf J. Johansson, Mark S. Peek and Nickolas W. Vande Steeg were appointed to serve as the members of the Audit Committee of the Board, with Mr. Peek continuing to serve as the chairperson of the committee and as the audit committee financial expert.

The Board also approved a change to the Board of Directors Compensation Policy for non-employee directors. The following summary of the Board Compensation Policy, as amended, is qualified in its entirety by the text of the Board Compensation Policy, which is filed as an exhibit to this Form 8-K.

Under the Board Compensation Policy, each non-employee director receives an annual cash retainer of \$60,000, payable in quarterly installments, commencing with the Companies third quarter.

Non-employee directors are reimbursed for local travel expenses or paid a travel allowance based on the distance to the meeting, and reimbursed for other necessary business expenses incurred in the performance of their services as directors of the Company. In addition, directors are eligible to participate in the Company's Non-Qualified Deferred Compensation Plan.

The Board Compensation Policy also provides for an annual equity grant to directors, in the form of a grant of restricted stock units (in an amount to be determined based upon a target dollar amount of \$277,000 divided by the fair market value of a share of Trimble common stock on the date of grant) under the Trimble Amended and Restated 2002 Stock Plan upon initial appointment or election to the Board or re-election by the shareholders at the Company's annual meeting. The target dollar amount may be revised based upon appropriate compensation benchmarks presented to and approved by the Compensation Committee and the Board. If a director is appointed or elected to the Board at a time other than the annual meeting, the initial equity grant will be pro-rated based upon the number of months since the last annual meeting divided by twelve. Equity grants are at fair market value on the date of grant and will vest after one year. If a board member resigns or voluntarily terminates service as a board member, any unvested equity grant shall vest at such time on a pro-rata basis based upon the number of months of service since the last annual meeting divided by twelve.
