Item 1.01. Entry into a Material Definitive Agreement.

Merger Agreement

On May 17, 2015, GrafTech International Ltd. (the Company) entered into an Agreement and Plan of Merger (the Merger Agreement) with BCP IV GrafTech Holdings LP, a Delaware limited partnership (Parent), and Athena Acquisition Subsidiary Inc., a Delaware corporation and a wholly owned subsidiary of Parent (Acquisition Sub), pursuant to which, among other things, Parent has agreed to make a cash tender offer (the Offer) to purchase any and all of the outstanding shares of the Company's common stock, par value \$0.01 per share (the Shares), at a purchase price of \$5.05 per Share in cash (the Offer Price). Parent and Acquisition Sub are indirect wholly owned subsidiaries of Brookfield Capital Partners Ltd. (Brookfield).

The Offer is expected to commence on May 26, 2015. Unless the Offer is extended in accordance with the Merger Agreement, the Offer will expire at midnight, New York Time, on July 7, 2015. Parent's obligation to accept for payment and pay for Shares, is subject to various conditions, including satisfaction of applicable antitrust and other regulatory approval requirements and a condition (the Minimum Condition) that there be validly tendered and not withdrawn prior to the expiration date of the Offer that number of Shares that, together with the Shares then owned by Brookfield and its controlled affiliates (including Shares issuable upon the conversion of the Preferred Stock (as defined below) to be issued to Parent pursuant to the Investment Agreement (as defined below)), would represent at least 30% of the then outstanding Shares plus the Shares issuable upon conversion of the Preferred Stock. Assuming consummation of the transactions contemplated by the Investment Agreement prior to the expiration of the tender offer, as of the date hereof, satisfaction of the Minimum Condition would require the tender of approximately 15% of the currently outstanding Shares. There is no financing condition to the obligations to consummate the Offer.

Pursuant to the Merger Agreement, if Shares validly tendered and not withdrawn in the Offer, together with the Shares then owned by Brookfield and its controlled affiliates (including Shares issuable upon conversion of the Preferred Stock, represent at least 80% of the then outstanding Shares plus the Shares issuable upon conversion of the Preferred Stock (the Merger Condition), Parent will transfer the Preferred Stock held by Parent to Acquisition Sub, Acquisition Sub (instead of Parent) will accept the Shares for purchase in the Offer and Acquisition Sub will merge with and into the Company, the separate corporate existence of Acquisition Sub will cease and the Company will continue as the surviving corporation and a wholly owned subsidiary of Parent (the Merger). Assuming consummation of the transactions contemplated by the Investment Agreement prior to the expiration of the tender offer, as of the date hereof, satisfaction of the Merger Condition would require the tender of approximately 75% of the currently outstanding Shares. If the Merger Condition is satisfied, each Share that is not tendered and accepted pursuant to the Offer (other than cancelled shares, dissenting shares and shares held by the Company's subsidiaries or Parent's subsidiaries (other than Acquisition Sub)) will thereupon be cancelled and converted into the right to receive cash consideration in an amount equal to the Offer Price. The Merger Agreement contemplates that the Merger would be effected pursuant to Section 251(h) of the General Corporation Law of the State of Delaware (the DGCL) pursuant to which no stockholder vote will be required to consummate the Merger.

Under the terms of the Merger Agreement, each Company stock option outstanding at the effective time of the Merger, whether vested or unvested or exercisable or unexercisable, will be cancelled and converted into the right to receive (without interest) an amount in cash (less applicable tax withholdings) equal to the product of the Offer Price (less the per share exercise price of such Company stock option) and the aggregate number of Shares that were issuable upon exercise of the option immediately prior to the effective time of the Merger. Under the terms of the Merger Agreement, each Company restricted stock unit outstanding at the effective time of the Merger, whether vested or unvested, will be cancelled and converted into the right to receive (without interest) an amount in cash, equal to the product of the Offer Price and the number of Shares subject to the cancelled restricted stock unit (with the number of shares subject to each outstanding restricted stock unit subject to performance-based vesting criteria being determined based on target level of achievement of applicable performance goals) immediately prior to the effective time of the Merger.

The Merger Agreement includes customary representations, warranties and covenants of the Company, Parent and Acquisition Sub. Until the earlier of the termination of the Merger Agreement and the initial acceptance for payment by Parent or Acquisition Sub, as applicable, of Shares, the Company has agreed to operate its business and the business of its subsidiaries in the ordinary course consistent with past practice and has agreed to certain other

operating covenants, as set forth more fully in the Merger Agreement. The Company also agreed to cooperate as is reasonably necessary to assist Parent in commencing the Offer, including providing all information necessary to be included in the documentation for the Offer. The Company has agreed to file with the U.S. Securities and Exchange Commission (the SEC) a Solicitation/Recommendation Statement on Schedule 14D-9 and a Transaction Statement on Schedule 13E-3 concurrently with the filing of a Schedule TO by Parent and Acquisition Sub.

The Merger Agreement contains a 35 day go-shop period, which commences on the date of the Merger Agreement and may be extended for 15 days if the Company receives an alternative acquisition proposal during the initial period (as may be extended, the Go-Shop Period). Following the Go-Shop Period, the Company is subject to standard exclusivity and non-solicitation covenants, subject to customary exceptions that would permit the Company to respond to a bona fide, written and unsolicited offer that either constitutes or is reasonably expected to lead to a proposal that is more favorable, from a financial point of view, to the holders of Shares than the Offer and the Merger (a Superior Proposal), if the Board determines in good faith (after consultation with the Company's financial advisor and outside legal counsel) that a failure to do so would be inconsistent with the Board's fiduciary duties. The Board may change its recommendation in favor of the Offer and the Merger or terminate the Merger Agreement in order to enter into a definitive agreement for such Superior Proposal if the Board determines in good faith (after consultation with the Company's financial advisor and outside legal counsel) that a failure to do so would be inconsistent with the Board's fiduciary duties; *provided*, that prior to such change in recommendation or termination, Parent has the right to propose adjustments to the terms and conditions of the Merger Agreement so that such Superior Proposal ceases to constitute a Superior Proposal. If the Company terminates the Merger Agreement to enter into an agreement for a Superior Proposal, the Company would be required to pay to a designee of Parent a \$7.5 million termination fee if such termination occurs during the Go-Shop Period, or a \$20 million termination fee if such termination occurs after the Go-Shop Period.

Amended and Restated Stockholder Rights Agreement

The Merger Agreement contains a form of Amended and Restated Stockholder Rights Agreement (the Amended and Restated Stockholder Rights Agreement), which will be executed by the Company and Parent if the number of Shares tendered and accepted for payment pursuant to the Offer is equal to or greater than the Minimum Condition but less than the Merger Condition. The Amended and Restated Stockholder Rights Agreement is intended to amend and restate the Stockholder Rights Agreement that the Company and Parent agreed to enter into upon the closing of the previously announced Investment Agreement, dated May 4, 2015, between the Company and Parent (the Investment Agreement).

Pursuant to the Amended and Restated Stockholder Rights Agreement, Parent and its permitted transferees holding a majority of the Company's Series A Convertible Preferred Stock (the Series A Preferred Stock) (excluding any shares of Series A Preferred Stock issued upon conversion of the Company's Series B Convertible Preferred Stock (the Series B Preferred Stock), and, together with the Series A Preferred Stock, the Preferred Stock) issued pursuant to the Investment Agreement and/or Shares issuable or actually issued upon conversion of the Series A Preferred Stock (the Original Preferred Shares), would have the right to designate two members (Holder Designees) for election to the Board for so long as Parent and its permitted transferees own at least 75% of the Original Preferred Shares. Parent and its permitted transferees would have the right to appoint one such member of the Board for so long as such holders own at least 25%, but less than 75%, of the Original Preferred Shares. In addition, if and for so long as Parent and its affiliates own at least 35% of the outstanding Shares, on a fully diluted, as-converted basis, Parent would have the right to designate for nomination to the Board the number of directors (Initial Stockholder Designees) (rounded down to the nearest whole number) that is (i) proportionate to the aggregate percentage ownership of Parent and its affiliates less (ii) the number of Holder Designees.

In addition, for so long as at least 25% of the Original Preferred Shares remain outstanding, the Company would not increase the size of the Board to more than 11 members without the prior written consent of the holders of a majority

of the outstanding shares of Series A Preferred Stock.

The Amended and Restated Stockholder Rights Agreement also provides that, for so long as Parent, its permitted transferees and affiliates own 25% or more of the Preferred Stock, such holders would have preemptive rights with respect to equity offerings to enable the holders to maintain their proportionate equity ownership interests, subject to certain exceptions. In addition, the Amended and Restated Stockholder Rights Agreement would prohibit Parent, its permitted transferees and affiliates from selling or transferring any of the Preferred Stock to any competitor, key supplier or vendor of the Company.

Pursuant to the Amended and Restated Stockholder Rights Agreement, for so long as (i) an Initial Stockholder Designee is on the Board, (ii) a Holder Designee is on the Board and Parent and its affiliates hold a majority of the Original Preferred Shares or (iii) the aggregate percentage ownership of Parent and its affiliates of outstanding Shares is equal to or greater than 35%, and in each case for a six (6) month period thereafter (the Standstill Period), Parent and its affiliates would be subject to a standstill provision which would prohibit Parent and its affiliates from, among other things, acquiring any additional Shares for 90 days following the closing of the Tender Offer, thereafter acquiring additional Shares that would increase the beneficial ownership of Parent and its affiliates in the Company to more than forty-five (45%) of the outstanding Shares (any such shares, Additional Shares), the making of or participating in the solicitation of proxies (other than in accordance with the Board's recommendation), the initiation of stockholder proposals and the acquisition of, or public offer to acquire, any of the assets of the Company or its affiliates, without the Board's prior approval.

Pursuant to the Amended and Restated Stockholder Rights Agreement, for so long as Parent has Board designation rights, it will, and will cause its affiliates to, vote all Shares and Shares underlying the Preferred Stock in favor of election of each of the Board's nominees for election at any special or annual stockholder meeting. If Parent or its affiliates acquire Additional Shares, Parent will, and will cause its affiliates, to vote such Additional Shares, either in proportion to the votes of all stockholders entitled to vote (other than Parent and its Affiliates) or in accordance with the recommendation of a majority of the non-designated Directors.

Pursuant to the Amended and Restated Stockholder Rights Agreement, other than for arm's-length transactions approved by the Board's Audit and Finance Committee, transactions between the Company and Parent and/or its affiliates would require approval of either (i) a majority of the Company's directors not appointed by Parent or its affiliates or permitted transferees or (ii) holders of a majority of the outstanding Shares (excluding Shares held by Purchaser and/or its affiliates).

Limited Guarantee

Concurrently with the execution of the Merger Agreement, Brookfield Capital Partners IV L.P. (Capital Partners) delivered a limited guarantee (the Limited Guarantee) in favor of the Company, pursuant to which Capital Partners guaranteed the payment, performance and discharge of the obligations of Parent and Acquisition Sub under the Merger Agreement until the Limited Guarantee is terminated pursuant to its terms.

Support Agreement

Concurrently with the execution of the Merger Agreement, Nathan Milikowsky, a member of the Board and a stockholder of the Company, and his affiliates entered into a Tender and Support Agreement (the Support Agreement) with Parent and Acquisition Sub, pursuant to which, among other things, they agreed to tender all of their Shares in the Offer and take certain other actions in furtherance of the Merger. The Support Agreement will terminate automatically upon (i) the effective time of the Merger, (ii) the termination of the Merger Agreement in accordance with its terms, (iii) the acquisition by Parent of all of the Shares owned by Mr. Milikowsky and his affiliates, (iv) any modification or amendment to the Merger Agreement that adversely effects the consideration payable to the Company's stockholders or (v) the Board's approval, endorsement or recommendation of a Superior Proposal.

The foregoing descriptions of the Merger Agreement, the Amended and Restated Stockholder Rights Agreement, the Limited Guarantee and the Support Agreement do not purport to be complete and are qualified in their entirety by reference to Merger Agreement, the Amended and Restated Stockholder Rights Agreement, the Limited Guarantee and the Support Agreement, copies of which are filed as exhibits to this Current Report on Form 8-K.
