**Item 1.01 Entry into a Material Definitive Agreement.**  
***Agreement and Plan of Merger***

On July 8, 2015, The Coast Distribution System, Inc., a Delaware corporation (the *Company*), entered into an Agreement and Plan of Merger (the *Merger Agreement*) with LKQ Corporation, a Delaware corporation (*LKQ*), Keystone Automotive Operations, Inc., a Pennsylvania corporation and a direct or indirect wholly-owned subsidiary of LKQ (*Parent*), and KAO Acquisition Sub, Inc., a Delaware corporation and a direct or indirect wholly-owned subsidiary of Parent (*Acquisition Sub*). The Merger Agreement provides that, on the terms and subject to the conditions set forth therein, Acquisition Sub will commence a tender offer (*Offer*) as soon as practicable, but in no event later than ten business days, after the date of the Merger Agreement, to acquire all of the outstanding shares of common stock of the Company (the *Company Shares*) at a purchase price of \$5.50 per Company Share, net to the holders thereof, in cash (the *Offer Price*), subject to reduction for any applicable withholding taxes, without interest. The Offer is not subject to a financing condition.

Acquisition Sub's obligation to purchase the Company Shares validly tendered pursuant to the Offer is subject to the satisfaction or waiver of certain conditions set forth in the Merger Agreement, including (i) that the number of Company Shares validly tendered and not withdrawn in accordance with the terms of the Offer, together with the Company Shares then owned (if any) by Parent, Acquisition Sub and their respective controlled affiliates, represents at least a majority of all of the then outstanding Company Shares (not including Company Shares tendered pursuant to guaranteed delivery procedures), (ii) the absence of any law or order of any governmental authority that would make illegal or otherwise prohibit the Offer, the acquisition of Company Shares by Parent or Acquisition Sub or the Merger (as defined below) within the United States, (iii) the accuracy of the representations and warranties of the Company contained in the Merger Agreement, subject to customary exceptions, (iv) the Company's material compliance with its covenants contained in the Merger Agreement, (v) there not having been a material adverse effect on the Company following the execution of the Merger Agreement that is continuing, and (vi) other customary conditions.

The Merger Agreement also provides, in each case subject to certain fiduciary duties of the Company's board of directors (the *Board*) under applicable law, for (i) the Company to cease any existing, and refrain from soliciting or initiating any additional, discussions with third parties regarding other proposals to acquire the Company (*Third Party Acquisition Proposals*), (ii) the Company's Board to recommend to the Company's stockholders that they tender their Company Shares to Acquisition Sub in the Offer (the *Board Recommendation*), and to not recommend any Third Party Acquisition Proposals, furnish non-public information to, or participate or engage in discussions or negotiations or enter into a letter of intent with any third parties in connection with any Third Party Acquisition Proposal, and (iii) the Company and its directors and officers to comply with certain other restrictions on the Company's ability to respond to such Proposals. However, subject to the satisfaction of certain conditions, the Company and its board of directors, as applicable, are permitted to take certain actions which may, as more fully described in the Merger Agreement, include changing the Board Recommendation, following receipt of a superior proposal if the Company's board of directors has concluded in good faith after consultation with its outside counsel that the failure to effect a change of recommendation would reasonably be expected to be inconsistent with the fiduciary duties owed by the board of directors to the stockholders of the Company under applicable law.

Following the completion of the Offer and subject to the satisfaction or waiver of certain conditions set forth in the Merger Agreement, Acquisition Sub will merge with and into the Company, with the Company surviving as a wholly-owned subsidiary of Parent, pursuant to the procedure provided for under Section 251(h) of the Delaware General Corporation Law, or DGCL, without any stockholder approvals (the *Merger*). At the effective time of the Merger (the *Effective Time*), by virtue of the Merger and without any action on the part of the Company's stockholders, each outstanding Company Share, other than any shares owned by Parent, Acquisition Sub, or the Company or any of their respective wholly-owned subsidiaries, or any stockholders who are entitled to and who properly exercise appraisal rights under Delaware law, will be canceled and converted into the right to receive an amount in cash equal to the Offer Price, subject to reduction for any applicable withholding taxes, without interest.

The Merger Agreement further provides that immediately prior to the Effective Time, (i) each outstanding Company stock option will automatically be canceled and terminate effective as of the Effective Time, and (ii) the holder of any Company stock option with a per share exercise price that is less than the per share Offer Price (such options, In-the-Money Options ) will become entitled to receive an amount in cash, without interest (and less the

amount of any tax withholding), equal to the product of (A) the number of Company Shares that are issuable upon exercise of the In-the-Money Option and (B) the Offer Price less the per share exercise price of such Option. Immediately prior to the Effective Time, but subject to the consummation of the Merger, all unvested restricted shares issued under the Company's Equity Incentive Plans will become vested, as a result of which each holder thereof will receive the Offer Price for each of those shares in the Merger. As of July 8, 2015, In-the-Money Options to purchase an aggregate of 52,000 shares of Company common stock and a total of 165,491 unvested restricted shares were outstanding.

The Merger Agreement contains customary representations, warranties and covenants, including covenants obligating the Company to continue to conduct its business in the ordinary course and to cooperate in seeking any regulatory approvals that the parties determine are required to be, or should be made, in connection with the Merger and the other transactions contemplated thereby.

The Merger Agreement contains certain customary termination rights in favor of each of the Company and Parent.

The board of directors of the Company unanimously (i) believes that it is in the best interests of the Company and its stockholders that the Company enter into the Merger Agreement and therefore that it is advisable that it do so, (ii) approved the execution and delivery by the Company of the Merger Agreement, the performance by the Company of its covenants and agreements contained in the Merger Agreement and the consummation of the Offer and the Merger upon the terms and subject to the conditions contained in the Merger Agreement, and (iii) resolved, subject to the terms and conditions set forth in the Merger Agreement, to recommend that the holders of Company Shares accept the Offer, and tender their Company Shares to Acquisition Sub pursuant to the Offer. LKQ and the board of directors of Parent have also unanimously approved the Merger Agreement and the transactions contemplated thereby. The Company expects the Offer to be consummated and the Merger to be completed in the third calendar quarter of 2015, subject to the satisfaction of the closing conditions.

The foregoing description of the Merger Agreement is not complete and is qualified in its entirety by reference to the Merger Agreement, which is attached as Exhibit 2.1 to this Current Report and incorporated herein by this reference. The Merger Agreement and the foregoing description of the Merger Agreement have been included to provide investors and stockholders with information regarding the terms of the Merger Agreement. They are not intended to provide any other factual information about the Company. The representations, warranties and covenants contained in the Merger Agreement were made only as of specified dates for the purposes of the Merger Agreement, were solely for the benefit of the parties to that Agreement and may be subject to qualifications and limitations agreed upon by the parties. In particular, in reviewing the representations, warranties and covenants contained in the Merger Agreement and discussed in the foregoing description, it is important to bear in mind that such representations, warranties and covenants were negotiated with the principal purpose of allocating risk between the parties, rather than establishing matters as facts. Those representations, warranties and covenants also may be subject to a contractual standard of materiality different from those generally applicable to stockholders and reports and documents filed with the U.S. Securities and Exchange Commission (the "SEC"), and also are qualified in important part by a confidential disclosure letter delivered by the Company to Parent in connection with the Merger Agreement. Investors and stockholders should not rely on such representations, warranties and covenants as characterizations of the actual state of facts or circumstances described therein. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement and those changes may not be fully reflected in the parties' public disclosures.

### ***Tender and Support Agreement***

In connection with the parties' entry into the Merger Agreement, certain of the Company's stockholders have entered into a Tender and Support Agreement (the "Tender and Support Agreement"), effective as of July 8, 2015, with Parent and Acquisition Sub. Pursuant to the Tender and Support Agreement, such stockholders have agreed to, among other

things, tender their Company Shares to Acquisition Sub pursuant to the Offer and, if necessary, vote such Company Shares against any alternative acquisition proposal. An aggregate of 948,261 shares of the Company's common stock are subject to the Tender and Support Agreement which, as of the date hereof, represent approximately 18.2% of the outstanding shares of the Company's common stock.

The foregoing description of the Tender and Support Agreement is not complete and is qualified in its entirety by reference to the Tender and Support Agreement, which is attached to as Exhibit 10.1 to this Current Report and is incorporated herein by this reference.
