**Item 1.01. Entry into a Material Definitive Agreement.
The Agreement and Plan of Merger**

On October 7, 2015, BioMed Realty Trust, Inc. (the Company), BRE Edison Holdings L.P. (Parent), BRE Edison L.P. (Merger Sub I), BRE Edison Acquisition L.P. (Merger Sub II) and BioMed Realty, L.P. (the Partnership), entered into an Agreement and Plan of Merger (the Merger Agreement). The Merger Agreement provides that, upon the terms and subject to the conditions set forth therein, Merger Sub II will merge with and into the Partnership (the Partnership Merger), and, immediately following the Partnership Merger, the Company will merge with and into Merger Sub I (the Company Merger and, together with the Partnership Merger, the Mergers). Upon completion of the Partnership Merger, the Partnership will survive and the separate existence of Merger Sub II will cease. Upon completion of the Company Merger, Merger Sub I will survive and the separate corporate existence of the Company will cease. The Mergers and the other transactions contemplated thereby were unanimously approved by the Company's Board of Directors (the Company Board). Parent, Merger Sub I and Merger Sub II are affiliates of Blackstone Real Estate Partners VIII L.P., an affiliate of The Blackstone Group L.P.

Pursuant to the terms and conditions in the Merger Agreement, at the effective time of the Company Merger (the Company Merger Effective Time), each share of common stock, par value \$0.01 per share, of the Company (each, a Company Share), other than shares held by any of the Company's subsidiaries or Parent, Merger Sub I or any of their respective subsidiaries, if any, that is issued and outstanding immediately prior to the Company Merger Effective Time will automatically be converted into the right to receive an amount in cash equal to \$23.75 (plus, if the Mergers are consummated after January 1, 2016, a per diem amount of approximately \$0.003 for each day from and after such date until (but not including) the closing date) (the Per Company Share Merger Consideration), without interest. Such per diem amount is in addition to the common stock dividend of \$0.26 per Company Share previously declared on September 15, 2015 and payable on October 15, 2015.

Pursuant to the terms and conditions in the Merger Agreement, at the effective time of the Partnership Merger (the Partnership Merger Effective Time), each outstanding partnership unit in the Partnership, other than partnership units held by the Company or any of the Company's subsidiaries or Parent, Merger Sub II or any of their respective subsidiaries, if any, that is issued and outstanding immediately prior to the Partnership Merger Effective Time will automatically be converted into, and will be canceled in exchange for, the right to receive an amount in cash equal to the Per Company Share Merger Consideration, without interest, provided that, in lieu of receiving the Per Company Share Merger Consideration, each qualifying holder of partnership units may elect to receive one newly created Series B Cumulative Preferred Unit in the surviving partnership per partnership unit for all or a portion of such holder's partnership units.

In addition, immediately prior to the Company Merger Effective Time, each outstanding restricted stock award of the Company will automatically become fully vested and non-forfeitable, and all Company Shares represented thereby will be considered outstanding and subject to the right to receive the Per Company Share Merger Consideration (less any applicable income and employment taxes). In addition, immediately prior to the Company Merger Effective Time, each outstanding performance unit of the Company will automatically become earned and

vested with respect to the number of Company Shares subject to such performance unit based on the achievement of the applicable performance goals set forth in the award agreement governing such performance unit as of such date. Such earned and vested performance units will be canceled and, in exchange therefor, Parent will cause the surviving entity in the Company Merger to pay to each former holder an amount in cash, without interest, and less any applicable income and employment withholding taxes, equal to the Per Company Share Merger Consideration for each such performance unit. Each performance unit that does not become earned and vested based on achievement of the applicable performance goals will terminate without consideration immediately prior to the Company Merger Effective Time.

In connection with the transaction, the parties intend that the Partnership will, at the request of Parent, use its commercially reasonable efforts to commence offers to purchase and related consent solicitations for one or more series of the Partnership's 3.85% Senior Notes due 2016, 2.625% Senior Notes due 2019, 6.125% Senior Notes due 2020 and/or 4.25% Senior Notes due 2022 (collectively, the Senior Notes) and/or reasonably cooperate in effecting the giving of notices of optional redemption and the satisfaction and discharge or covenant defeasance of the Senior Notes on the closing date, in each case conditioned upon, among other things, the consummation of the Mergers. Details with respect to any such offers to purchase and related consent solicitations or redemptions will be set forth in the documents relating to any such transactions. This Current Report on Form 8-K is not an offer to purchase, a solicitation of consents or a notice of redemption, nor the solicitation of an offer to sell securities or to deliver consents.

The Merger Agreement also contains customary representations, warranties and covenants, including, among others, covenants by the Company to conduct its business in all material respects in the ordinary course of business consistent with past practice, subject to certain exceptions, during the period between the execution of the Merger Agreement and the consummation of the Mergers. The obligations of the parties to consummate the Mergers are not subject to any financing condition or the receipt of any financing by Parent, Merger Sub I or Merger Sub II.

The consummation of the Mergers is subject to certain customary closing conditions, including, among others, approval of the Company Merger and the other transactions contemplated by the Merger Agreement by the affirmative vote of a majority of the outstanding Company Shares (the Company Requisite Vote) as of the record date for the special meeting of stockholders.

The Merger Agreement requires the Company to convene a stockholders' meeting for purposes of obtaining the Company Requisite Vote and to prepare and file a proxy statement with the Securities and Exchange Commission (the SEC) with respect to such meeting as promptly as practicable after the date of the Merger Agreement, which proxy statement will contain, subject to certain exceptions, the Company Board's recommendation that the Company's stockholders vote in favor of the Company Merger and the other transactions contemplated by the Merger Agreement.

The Company has agreed not to solicit or enter into an agreement regarding a Company Acquisition Proposal (as defined in the Merger Agreement), and, subject to certain exceptions, is not permitted to enter into discussions or negotiations concerning, or provide non-public information to a third party in connection with, any Company Acquisition Proposal. However, the Company may, prior to obtaining the Company Requisite Vote, engage in discussions or negotiations and provide non-public information to a third party which has made an unsolicited written *bona fide* Company Acquisition Proposal if the Company Board determines in good faith, after consultation with outside legal counsel and financial advisors, that such Company Acquisition Proposal constitutes, or could reasonably be expected to lead to, a Superior Proposal (as defined in the Merger Agreement).

Prior to the approval of the Company Merger and the other transactions contemplated by the Merger Agreement by the Company's stockholders, the Company Board may, in certain circumstances, effect an Adverse Recommendation Change (as defined in the Merger Agreement), subject to complying with specified notice and other conditions set forth in the Merger Agreement.

The Merger Agreement may be terminated under certain circumstances by the Company, including prior to obtaining the Company Requisite Vote, if, after following certain procedures and adhering to certain restrictions, the Company Board has effected an Adverse Recommendation Change in connection with a Superior Proposal and the Company enters into a definitive agreement providing for the implementation of a Superior Proposal. In addition, Parent may terminate the Merger Agreement under certain circumstances and subject to certain restrictions, including if the Company Board effects, or has resolved to effect, an Adverse Recommendation Change. Upon a termination of the Merger Agreement, under certain circumstances, the Company will be required to pay a termination fee to Parent of \$160 million. In certain other circumstances, Parent will be required to pay the Company a termination fee of \$460 million upon termination of the Merger Agreement. Blackstone Real Estate Partners VIII L.P. has guaranteed certain payment obligations of Parent under the Merger Agreement up to \$460 million.

The foregoing description of the Merger Agreement is only a summary, does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, which is filed as Exhibit 2.1 hereto, and is incorporated herein by reference. The Merger Agreement has been attached as an exhibit to provide stockholders with information regarding its terms. It is not intended to provide any other factual or financial information about the Company, Parent or any of their respective affiliates or businesses. The representations, warranties, covenants and agreements contained in the Merger Agreement were made only for the purposes of such agreement and as of specified dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties. The representations and warranties have been qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Stockholders should not rely on the representations, warranties, covenants and agreements contained in the Merger Agreement or any descriptions thereof as characterizations of the actual state of facts or condition of the Company, the Partnership, Parent, Merger Sub I, Merger Sub II or any of their respective affiliates or businesses. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding the Company, the Partnership, Parent, Merger Sub I and Merger Sub II and their respective affiliates and the transactions contemplated by the Merger Agreement that will be contained in or attached as an annex to the proxy statement that the Company will file in connection with the transactions contemplated by the Merger Agreement, as well as in the other filings that the Company will make with the SEC.
