(acting through its Canada branch), Citibank N.A. and Barclays Bank PLC, as swing line lenders. The New Credit Facility replaced the Company s existing \$1.3 billion five-year senior unsecured revolving credit facility, dated as of September 23, 2011 (the Existing Credit Facility), which was filed with the Securities and Exchange Commission on October 25, 2011 as Exhibit 10.1 to McKesson s Quarterly Report on Form 10-Q. There were no borrowings outstanding under the Existing Credit Facility at the time of its termination. By entering into the New Credit Facility and terminating certain of its other facilities including the Existing Credit Facility, its \$1.35 billion accounts receivable facility as described below and its 500 million five-year senior unsecured revolving credit facility, the Company aims to consolidate its global liquidity resources.

Under the New Credit Facility, which is scheduled to mature in October 2020, the Company has a revolving line of credit available of up to \$3.5 billion and a \$3.15 billion aggregate sublimit of availability in Canadian Dollars, British Pounds Sterling and Euros. The New Credit Facility requires that the Company maintain a debt to capital (excluding accumulated other comprehensive income or loss) ratio of no greater than 65%. The remaining terms and conditions of the New Credit Facility are substantially similar to those previously in place under the Existing Credit Facility.

Borrowings under the New Credit Facility bear interest based upon the London Interbank Offered Rate, Canadian Dealer Offered Rate for credit extensions denominated in Canadian Dollars, a prime rate or alternative overnight rates as applicable plus agreed margins.

In the event of default under the New Credit Facility, the lenders may elect, among other things, to declare any unpaid amounts obtained under the New Credit Facility to be immediately due and payable.

The Company can use funds obtained under the New Credit Facility for general corporate purposes.

In the ordinary course of their respective businesses, the lenders under the New Credit Facility and their affiliates have engaged, and may in the future engage, in commercial banking and/or investment banking transactions with the Company and its affiliates.

The above description of the New Credit Facility does not purport to be complete and is qualified in its entirety by reference to the executed copy of the New Credit Facility, which is attached hereto as Exhibit 10.1 and incorporated herein by reference.

Item 1.02 Termination of a Material Definitive Agreement.

As a result of such notice, the agreement will terminate on January 21, 2016 in accordance with its terms, provided that the parties may agree to an earlier termination.
