Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

2016 Long-Term Incentive Plan

The Potash Corporation of Saskatchewan Inc. (the Company) 2016 Long-Term Incentive Plan (the 2016 Plan) was adopted by the Company's Board of Directors (the Board) on February 22, 2016 and approved by the shareholders of the Company on May 10, 2016 at the Company's Annual and Special Meeting of Shareholders (the Meeting). The purpose of the 2016 Plan is to advance the interests of the Company by supporting the Company's compensation philosophy of providing selected employees and officers with an opportunity to: (1) promote the growth and profitability of the Company; (2) align their interest with shareholders; and (3) earn compensation commensurate with corporate performance. In addition, the Company believes that the Plan will directly assist in supporting the Company's compensation philosophy by providing participants the opportunity to acquire common shares of the Company.

The 2016 Plan permits the grant to eligible employees of awards of (1) performance share units (PSUs), and (2) options to purchase common shares of the Company at an exercise price based on the market value of the shares on the date of grant. A maximum aggregate of 21,000,000 common shares may be issued pursuant to PSUs and stock options granted under the 2016 Plan, subject to adjustment as described in the 2016 Plan. Subject to certain limitations described in the 2016 Plan, if, on or after May 10, 2016, any common shares issued pursuant to an award under the 2016 Plan are forfeited, or if any award granted under the 2016 Plan terminates, expires, is cancelled or forfeited, or is settled in cash (in whole or in part), then the common shares subject to such award will, to the extent of such termination, expiration, cancellation, forfeiture or cash settlement, again be available for issuance under the 2016 Plan. A copy of the 2016 Plan is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

On May 11, 2016, the Board approved the forms of award agreement to be used in connection with grants of awards under the 2016 Plan. Also on May 11, 2016, the Board approved the grant of the following PSU and stock option awards under the 2016 Plan:

Performance Share Units

Pursuant to the 2016 Plan and the recommendations of the Human Resources and Compensation Committee of the Board (the Committee), the Board approved the grant of a target number of PSUs to eligible employees, including the Company's Named Executive Officers, as evidenced by and subject to the Performance Share Unit Agreement (2016-2018 Phased Grant), the form of which is filed herewith as Exhibit 10.2 and is incorporated herein by reference. Each PSU represents one common share and will be settled (to the extent earned) in the form of (1) common shares for grantees subject to the Company's share ownership guidelines, and (2) cash for all other grantees. On May 10, 2016, the day prior to the grant of the PSUs, the closing prices of the Company's common shares on the Toronto Stock Exchange and the New York Stock Exchange were Cdn \$20.87 and US \$16.15 per share, respectively. The following table sets forth information regarding target awards granted to the Company's Named Executive Officers identified below:

Name and Position	Target Performance Share	
	Unit Award Value	Target Performance Share Units (#) (1)
Jochen E. Tilk	Cdn \$ 3,622,500	173,574
Wayne R. Brownlee	Cdn \$ 1,682,701	80,628
Stephen F. Dowdle	US \$ 651,000	40,310
Joseph A. Podwika	US \$ 651,000	40,310

- (1) Each grant of PSUs is comprised of three tranches, with each tranche vesting based on the achievement of performance metrics over a separate performance period (i.e., a 1-year performance period for the first tranche, a 2-year performance period for the second tranche, and a 3-year performance period for the third tranche, with each performance period beginning on January 1, 2016). Performance for each tranche of the PSUs is measured, and the applicable payouts will be determined, at the end of the applicable performance period. Performance is measured using two equally-weighted metrics: (1) the Company's total shareholder return relative to an industry comparator group of companies during the applicable performance period and (2) the

Company's average annual Cash Flow Return on Investment (CFROI) minus its average annual Weighted Average Cost of Capital (WACC) during the applicable performance period. Between 0% and 200% of the target number of PSUs subject to each tranche may be earned based on performance achievement during the applicable performance period. It is currently anticipated that, for future fiscal years, PSU awards will be established with only one tranche that will vest based on the two equally-weighted performance metrics listed above over a three-year performance period, subject to the Form of Performance Share Unit Agreement, the form of which is filed herewith as Exhibit 10.3 and is incorporated herein by reference.

Stock Options

Pursuant to the 2016 Plan and the recommendations of the Committee, the Board approved the grant of stock options to eligible employees, including the Company's Named Executive Officers, as evidenced by and subject to the Option Agreement, the form of which is filed herewith as Exhibit 10.4 and is incorporated herein by reference. The following table sets forth information regarding target awards granted to the Company's Named Executive Officers identified below:

Name and Position	Number of Common Shares	
	Subject to Option (1)	Exercise Price per Common Share (2)
Jochen E. Tilk	351,792	Cdn \$ 20.87
Wayne R. Brownlee	163,412	Cdn \$ 20.87
Stephen F. Dowdle	72,678	US \$ 16.15
Joseph A. Podwika	72,678	US \$ 16.15

- (1) Subject to the terms of the 2016 Plan and any applicable Award Agreement, such options will vest on the third anniversary of the date hereof, subject to continuous employment with the Corporation or a subsidiary of the Corporation until such date, and will generally expire no later than the tenth anniversary of the date hereof.
- (2) Such options were granted at a price per common share equal to the closing price quoted on the Toronto Stock Exchange or the New York Stock Exchange, as applicable, for the common shares of the Company at the close of business on May 10, 2016, being the Fair Market Value (as defined in the 2016 Plan) of the common shares of the Corporation at the date of this grant.
