for the

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON OCTOBER 7, 2016

INTRODUCTION

General

This Proxy Statement is being furnished to the shareholders of Schmitt Industries, Inc., an Oregon corporation (the "Company" or "Schmitt"), as part of the solicitation of proxies by the Company's Board of Directors from holders of the outstanding shares of Schmitt common stock (the "Common Stock") for use at the Company's Annual Meeting of Shareholders to be held on October 7, 2016, at 3:00 p.m. local time, at the Company's offices located at 2765 N.W. Nicolai Street, Portland, Oregon 97210, and at any postponements or adjournments thereof (the "Annual Meeting"). This Proxy Statement and the enclosed proxy card are first being mailed to shareholders of Schmitt entitled to vote at the Annual Meeting on or about August 26, 2016.

Purpose of the Annual Meeting

The purpose of the meeting is to vote on the following matters:

1. **Election of Directors.** To elect two directors to serve three-year terms expiring in 2019;
2. **Approval of Executive Compensation.** To approve, on an advisory basis, the compensation of the Company's Named Executive Officers (as defined in the paragraph immediately preceding the Summary Compensation Table below); and

Solicitation, Voting and Revocability of Proxies

Edgar Filing: SCHMITT INDUSTRIES INC - Form DEF 14A

The Board of Directors has fixed the close of business on August 15, 2016 as the record date for the determination of the shareholders entitled to notice of and to vote at the Annual Meeting. Accordingly, only holders of record of shares of Common Stock at the close of business on such date will be entitled to vote at the Annual Meeting, with each such share entitling its owner to one vote on all matters properly presented at the Annual Meeting. On the record date, there were approximately 66 beneficial holders of the 2,995,910 shares of Common Stock then outstanding. The presence, in person or by proxy, of a majority of the total number of outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining whether a quorum exists at the Annual Meeting, but are not counted and have no effect on the outcome of any of the proposals to be voted upon.

If the enclosed form of proxy is properly executed and returned in time to be voted at the Annual Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. *Executed but*

unmarked proxies will be voted (1) FOR the election of the two nominees to the Board of Directors and (2) FOR the approval of the compensation paid to the Company's Named Executive Officers. The Board of Directors does not know of any matters other than those described in the Notice of Annual Meeting that are to come before the Annual Meeting. If any other matters are properly brought before the Annual Meeting, the persons named in the proxy will vote the shares represented by such proxy upon such matters as determined by a majority of the Board of Directors.

The presence of a shareholder at the Annual Meeting will not automatically revoke such shareholder's proxy. A shareholder may, however, revoke a proxy at any time prior to its exercise by filing a written notice of revocation with, or by delivering a duly executed proxy bearing a later date to, Corporate Secretary, Schmitt Industries, Inc., 2765 N.W. Nicolai Street, Portland, Oregon 97210, or by attending the Annual Meeting and voting in person. However, a shareholder who attends the Annual Meeting need not revoke a previously executed proxy and vote in person unless such shareholder wishes to do so. All valid, unrevoked proxies will be voted at the Annual Meeting.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Shareholders to be held on October 7, 2016: The notice of annual meeting of shareholders, this proxy statement, and our annual report on Form 10-K are available at www.schmitt-ind.com.

ELECTION OF DIRECTORS

At the Annual Meeting, two Directors will be elected for three-year terms expiring in 2019. Unless otherwise specified on the proxy, it is the intention of the persons named in the proxy to vote the shares represented by each properly executed proxy for the election as Director of the persons named below as nominees. The Board of Directors believes that the nominees will stand for election and will serve if elected as Director. However, if the persons nominated by the Board of Directors fail to stand for election or are unable to accept election, the number of Directors constituting the Board of Directors may be reduced prior to the Annual Meeting or the proxies may be voted for the election of such other persons as the Board of Directors may recommend.

Under the Company's Articles of Incorporation and Restated Bylaws, the Directors are divided into three classes. The term of office of only one class of Directors expires in each year, and their successors are elected for terms of three years and until their successors are elected and qualified. There is no cumulative voting for election of Directors.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends that shareholders vote FOR the election of its nominees for Director. If a quorum is present, the Company's Restated Bylaws provide that Directors are elected by a plurality of the votes cast by the shares entitled to vote.

CORPORATE GOVERNANCE AND RELATED MATTERS

Shareholder Communications with the Board of Directors

Any shareholder may contact the Board of Directors in writing by addressing the communication to the Board of Directors of Schmitt Industries, Inc., c/o Corporate Secretary, 2765 N.W. Nicolai Street, Portland, Oregon 97210.

Our Corporate Secretary has undertaken to forward all written shareholder correspondence to the appropriate director(s), except for spam, junk mail, mass mailings, customer complaints or inquiries, job inquiries, surveys, business solicitations or advertisements, or patently offensive or otherwise inappropriate material. Our Corporate Secretary will determine, in her discretion, whether any response is necessary and may forward certain correspondence, such as customer-related inquiries, elsewhere within our company for review and possible response. Comments or questions regarding our accounting, internal controls or auditing matters will be referred to the Audit Committee. Comments or questions regarding the nomination of directors will be referred to the Nominating Committee. Comments or questions regarding executive compensation will be referred to the Compensation Committee. Comments or questions regarding other corporate governance matters will be referred to the appropriate Committee.

Board Leadership Structure and Role in Risk Oversight

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. The Company faces a number of risks, including credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputation risk. Management is responsible for the day-to-day management of risks the Company faces, while the Board of Directors, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. To do this, the Chairman of the Board meets regularly with management to discuss strategy and the risks facing the Company. Senior management attends the Board of Directors meetings and is available to address any questions or concerns raised by the Board of Directors on risk management and any other matters. The Chairman of the Board and independent members of the Board of Directors work together to provide strong, independent oversight of the Company's management and affairs through its standing committees and, when necessary, special meetings of independent directors.

The Board of Directors does not have a policy on whether or not the roles of Chairman of the Board and Chief Executive Officer should be separate. The Board of Directors believes that it should be free to make a choice from time to time in any manner that is in the best interests of the Company and the shareholders. Currently, the Company separates the roles of Chairman and Chief Executive Officer, with Mr. Case serving as the Chairman of the Board and Mr. Hudson serving as Chief Executive Officer. The Board of Directors believes that this separation is appropriate as it allows the Chief Executive Officer to focus primarily on leading the day-to-day operations of the Company, while the Chairman can focus on leading the Board of Directors in its consideration of strategic issues and monitoring corporate governance and other shareholder issues.

The Board of Directors does not have a lead independent director.

Given our current size and operating history, we believe that the Board's existing leadership structure is appropriate. The Board will continue to evaluate its role and the appropriateness of its structure in the future.

Meetings

During Fiscal 2016, the Company's Board of Directors held six meetings. With the exception of Mr. Davidson, who was appointed on May 31, 2016, each incumbent Director attended 75% or more of the aggregate of the total number of meetings held by the Board of Directors and the total number of meetings held by all committees of the Board on which he served during the period that he served. While the Company does not have a formal policy with regard to Directors' attendance at annual meetings, all members of the Company's Board of Directors, with the exception of Mr. Davidson, attended the 2015 Annual Meeting of Shareholders.

Board of Director Committees

The Board of Directors has standing Audit, Compensation and Nominating Committees. The Audit, Compensation and Nominating Committees operate pursuant to written charters. The charters may be viewed online at www.schmitt-ind.com. Each committee may obtain advice and assistance from internal or external legal, accounting and other advisors. The members of the committees, each of whom has been determined to be independent as defined by applicable rules of the Securities and Exchange Commission (the SEC) and the NASDAQ Stock Market, are identified in the following table. Neither Mr. Case nor Mr. Hudson is independent as defined by applicable SEC and NASDAQ Stock Market rules. Mr. Case serves as the Company's Chairman of the Board, and Mr. Hudson serves as its President and Chief Executive Officer.

Name	Audit	Compensation	Nominating
Maynard E. Brown	X	Chair	X
Charles Davidson	X	X	X
Michael J. Ellsworth	Chair	X	Chair

Audit Committee. The Audit Committee currently consists of Messrs. Brown, Davidson and Ellsworth. Mr. Ellsworth chairs the committee. The Board has determined all current members of the Audit Committee are independent under the rules of the SEC and the NASDAQ Stock Market, and each of them is able to read and understand fundamental financial statements. The Board has determined that Mr. Ellsworth qualifies as an audit committee financial expert as defined by the rules of the SEC and the NASDAQ Stock Market. The Audit Committee is responsible for, among other things, the engagement, compensation and oversight of the Company's independent certified public accountants, the review of the scope and results of the audit, and the review and evaluation of accounting procedures and internal controls within the Company. The Audit Committee operates pursuant to a written charter which is available on the Company's website (www.schmitt-ind.com). The Audit Committee held four meetings in Fiscal 2016.

Compensation Committee. The Compensation Committee currently consists of Messrs. Brown, Davidson and Ellsworth. Mr. Brown chairs the committee. The Board has determined that all members of the Compensation Committee are independent under the rules of the SEC and the NASDAQ Stock Market. The Compensation Committee reviews executive compensation, establishes executive compensation levels, and administers the Company's stock option plans. The Compensation Committee held two meetings in Fiscal 2016. The Compensation Committee operates pursuant to a written charter which is available on the Company's website (www.schmitt-ind.com).

Nominating Committee. The Nominating Committee currently consists of Messrs. Brown, Davidson, and Ellsworth. Mr. Ellsworth chairs the committee. The Board has determined that all members of the Nominating Committee are independent under the rules of the SEC and the NASDAQ Stock Market. The Nominating Committee assists the Board in director selection, identifying and assessing each candidate based upon his or her background, skills and experience and in light of the needs of the Board of Directors at that time. The committee operates pursuant to a written charter which is available on the Company's website (www.schmitt-ind.com). The Nominating Committee held one meeting in Fiscal 2016.

Director Qualifications

There are certain minimum qualifications for Board membership that director candidates should possess, including strong values and discipline, high ethical standards, a commitment to full participation on the Board and its committees, and relevant career experience. The Nominating Committee also evaluates candidates for Board membership based on individual skills, experience and demonstrated abilities that help meet the current needs of the Board, such as experience or expertise in some of the following areas: global business, science and technology, finance and/or economics, competitive positioning, corporate governance, public affairs, and experience as an executive officer. Other factors that are considered include independence of thought, meeting applicable director independence standards (where independence is desired) and absence of conflicts of interest. The Nominating Committee may modify the minimum qualifications and evaluation guidelines from time to time as it deems appropriate. The Nominating Committee does not have a formal policy with respect to diversity; however, the Board of Directors and the Nominating Committee believe that it is essential that Board members represent diverse viewpoints. In the context of the existing composition and needs of the Board and its committees, the Nominating Committee considers various factors, including, but not limited to, independence, age, diversity (which, in this context, means race, ethnicity and gender), integrity, skills, financial and other expertise, breadth of experience and knowledge about our business or industry.

Shareholder Nominations for Director and Related Procedures

The Nominating Committee will consider recommendations by shareholders of individuals to consider as candidates for election to the Board of Directors. Any such recommendations should be submitted to Schmitt Industries, Inc., c/o Corporate Secretary, 2765 N.W. Nicolai Street, Portland, Oregon 97210. Historically, the Company has not had a formal policy concerning shareholder recommendations to the Nominating Committee (or its predecessors) because it believes that the informal consideration process in place to date, based in part on the minimum criteria as described in Director Qualifications above, has been adequate given that the Company has never received any Director recommendations from shareholders. The absence of such a policy does not mean, however, that a recommendation would not have been considered had one been received. The Nominating Committee intends to periodically review whether a more formal policy should be adopted.

The Company's Restated Bylaws permit shareholders to make nominations for the election of directors, if such nominations are made pursuant to timely notice in writing to the Company's Secretary. To be timely, notice must be delivered to, or mailed to and received at, the principal executive offices of the Company not less than 60 days nor more than 90 days prior to the date of the meeting, provided that at least 60 days notice or prior public disclosure of the date of the meeting is given or made to shareholders. If less than 60 days notice or prior public disclosure of the date of the meeting is given or made to shareholders, notice by the shareholder to be timely must be received by the Company not later than the close of business on the tenth business day following the date on which such notice of the meeting was mailed or such public disclosure was made. Public disclosure of the date of the Annual Meeting was made by the issuance of a press release on July 27, 2016. A shareholder's notice of nomination must also set forth certain information specified in Section 2.3.2 of the Company's Restated Bylaws concerning each person the shareholder proposes to nominate for election and the nominating shareholder.

Director Compensation

The Company's general philosophy towards Directors' compensation is that Directors should be paid fairly for the work, time and effort required to serve on the Board of Directors, and that Directors' compensation should be competitive relative to comparable companies. The Board of Directors believes that it is appropriate for all of the non-employee Directors to receive a monthly retainer, and for the Chairman and members of the Board committees to receive additional compensation on a per meeting basis for their services in those positions. A non-employee Director who does not serve on any committee may receive a monthly retainer that is greater than the monthly retainer for committee members in recognition of efforts made outside of committee and Board meetings.

Under a policy adopted by the Board of Directors, Messrs. Brown, Davidson and Ellsworth are paid a monthly retainer of \$500. Each non-employee Director is paid a \$1,500 fee for each Board meeting attended either in person or by phone. The chairman and members of the Audit Committee each receive a fee of \$3,500 and \$2,500 per quarter, respectively; the chairman and members of the Compensation Committee each receive a fee of \$1,000 for each meeting attended either in person or by phone; and the chairman and members of the Nominating Committee each receive a fee of \$500 for each meeting attended either in person or by phone. Non-employee Directors also receive either monthly compensation of \$500 or, at the non-employee Director's option, an annual award of nonstatutory options to purchase 5,000 shares of common stock pursuant to the Company's Stock Option Plan. As of May 31, 2016, all outside directors had elected monthly compensation. Cash fees paid to the non-employee Directors are recommended annually by the Compensation Committee for Board approval and paid quarterly beginning on the date the non-employee Director is elected by shareholders at our annual meeting of shareholders. The Company also reimburses travel and lodging expenses incurred in connection with attending meetings of the Board and its committees.

Corporate Governance

As part of the Schmitt's Code of Ethics and Business Conduct, the Company has adopted a code of ethics that applies to all officers and employees, including the Company's principal executive, financial and accounting officers.

Schmitt maintains a Corporate Governance page on its website that includes key information about its corporate governance initiatives, including Schmitt's Code of Ethics and Business Conduct and charters for the Audit, Compensation and Nominating Committees of the Board of Directors. The Corporate Governance page can be found at www.schmitt-ind.com within the Investor Relations segment of the website.

Schmitt's policies and practices reflect corporate governance initiatives that are compliant with the listing requirements of the NASDAQ Stock Market and the corporate governance requirements of the Sarbanes-Oxley Act of 2002, including: (1) a majority of the Board members are independent of Schmitt and its management; (2) all members of the Board committees—the Audit, Compensation and Nominating Committees—are independent; (3) Schmitt has a Code of Ethics and Business Conduct that is monitored by its Corporate Secretary, who acts as the Company's ethics officer; and (4) the charters of the Audit, Compensation and Nominating Committees of the Board clearly establish their respective roles and responsibilities.

MANAGEMENT
Executive Officers

The executive officers of the Company are as follows:

Name	Age	Position
Wayne A. Case	76	Chairman of the Board of Directors
David M. Hudson	64	President, Chief Executive Officer and Director
David W. Case	52	Vice President, Operations
Ann M. Ferguson	47	Chief Financial Officer and Treasurer, Corporate Secretary

Information concerning the principal occupation of Wayne A. Case and David M. Hudson is set forth under Board of Directors. Information concerning the principal occupation during the last five years of the executive officers of the Company who are not also Directors of the Company is set forth below.

David W. Case has been Vice President of Operations of the Company since 1996, and before then was Production Manager. He has been responsible for many of the design features of the SBS Dynamic Balance System. His duties include manufacturing, engineering and quality assurance. Mr. Case holds a B.S. degree in Economics from the University of Oregon. Mr. Case is the son of Wayne A. Case.

Ann M. Ferguson has been Chief Financial Officer and Treasurer of the Company since April 2013 and Corporate Secretary since April 2016. Ms. Ferguson is a certified public accountant (inactive) with over 25 years of experience in finance and accounting. Ms. Ferguson is also the Managing Director of Schmitt Europe Ltd. Until June 2012, Ms. Ferguson was a partner at Deloitte & Touche LLP, where she had been employed since 1991 and served in various roles of increasing responsibility until she was admitted to the partnership in 2006. Ms. Ferguson served as lead audit partner for two significant manufacturing clients, including one publicly traded company, as well as serving several other clients in other industries. Ms. Ferguson holds a B.S. degree in Business with an emphasis in accounting from the University of Oregon.

EXECUTIVE COMPENSATION

The Board of Directors has delegated the responsibility for fixing the compensation of the Named Executive Officers (as defined in the paragraph immediately preceding the Summary Compensation Table below) to the Compensation Committee. The Compensation Committee consists entirely of independent, non-employee Directors. No former employees of the Company serve on the Compensation Committee. The Compensation Committee approves all compensation and awards to executive officers, which include the President and Chief Executive Officer, Chief Financial Officer and Treasurer, Vice President for Operations and Corporate Secretary.

The Compensation Committee annually reviews the performance and compensation of the executive officers, or more often if necessary, and establishes their compensation. Wayne A. Case and/or David M. Hudson may participate in certain discussions with the Compensation Committee and the Company's Board of Directors concerning executive officer compensation, but Mr. Case does not participate in the decisions with respect to his own or David W. Case's compensation. Mr. Hudson does not participate in decisions with respect to his own compensation.

The Compensation Committee has not prepared tally sheets for executive officers because the compensation structure for these executive officers has consisted primarily of base salary, cash bonuses, and stock options and has not included many of the hidden costs (such as retirement benefits, perquisites and deferred compensation plans) that tally sheets are typically designed to reveal. Similarly, because of the overall size of the Company and the small number of executive officers, the Compensation Committee has not deemed it necessary to retain outside compensation consultants or conduct formal internal or external pay equity studies.

The key components of the Company's compensation program are base salary, personal performance bonuses and potential long-term compensation through stock options. These components are administered with the goal of providing total compensation that is competitive in the marketplace, rewards successful financial performance and aligns executive officers' interests with those of shareholders. The Company generally does not adhere to rigid formulas or necessarily react to short-term changes in business performance in determining the amount and mix of compensation elements for our executives, although changes in business performance do affect individual performance bonus awards.

The Company's executive compensation programs are designed to attract, retain, motivate and appropriately reward its executive officers, as well as to align the interests of executive officers with those of shareholders of the Company. The objectives of the Company's compensation programs are to:

provide competitive compensation opportunities that attract and retain top executives;

inspire the executive team to achieve superior performance in order to deliver results above the Company's business plan and those of its peers; and

continue to align the interests of executives and shareholders through the use of long-term and short-term incentives, while effectively managing dilution.

Compensation levels should be sufficiently competitive to attract and retain the talent needed

The Company's overall compensation levels are designed to attract and retain the type of talent needed to enable the Company to achieve and maintain a leadership position in the businesses in which it competes.

Compensation should be related to performance

In general, the Company's compensation policy is designed to reward the achievement of individual and company objectives. The Company has followed a practice of linking executive compensation to individual levels of performance, as well as to the performance of the Company as a whole. Cash bonuses are tied to individual performance, as well as to the performance of the Company. In addition, the value of long-term incentive compensation (stock options) is tied to corporate performance over the long term.

Incentive compensation should strike a balance between short-term and long-term performance

The Company's compensation policy is designed to focus management on achieving strong short-term (annual) performance objectives as well as ensuring that the necessary steps are taken to achieve long-term success and profitability. To reward a balanced approach, the Company uses both short-term performance bonuses and long-term incentives in structuring the compensation of its executive officers.

Setting Executive Compensation

The Compensation Committee awarded Fiscal 2016 compensation to the Named Executive Officers based on its review and analysis of their positions, responsibilities and performance as well as their anticipated responsibilities and potential contributions to growth in shareholder value. In establishing the compensation of the Named Executive Officers, the Committee based the amounts primarily on the individual performance of each Named Executive Officer in recent periods, and each Named Executive Officer's level of responsibility for the Company's key objectives and potential for future responsibility and promotion. The Committee also examined the outstanding stock options held by such executive officer for the purpose of considering the retention value of additional equity awards.

Because base compensation, annual cash bonuses, and equity awards are such basic elements of compensation within the Company's industry, as well as the high tech and software industries in general, and are generally expected by employees, the Committee believes that these components must be included in the Company's compensation mix in order for the Company to compete effectively for talented executives.

The Company has historically used stock options as an element of executive compensation for several reasons. First, stock options facilitate retention of executives. Stock options will provide a return to the executive only if he or she remains in the Company's employ. Second, stock options align executive compensation with the interests of the Company's shareholders and thereby focus executives on increasing value for the shareholders. Third, stock options are performance based. Stock options will provide a return to executives only to the extent that the market price of the Company's common stock appreciates over the option term. Fourth, stock options create incentive for increases in shareholder value over a longer term. In determining the number of options to be granted to executives, the Committee takes into account the individual's position, scope of responsibility, ability to affect profits and shareholder value, the individual's historic and recent performance, and the estimated value of stock options at the time of grant.

The Company does not believe there are risks arising from its compensation policies and practices for employees that are reasonably likely to have a material adverse effect on it.

Employment Agreements

The Company does not have employment agreements, written or unwritten, with its Named Executive Officers.

Base Salary

The Fiscal 2016 base salary for each Named Executive Officer was set on the basis of personal performance, skill set and experience, position criticality, the salary levels in effect for comparable positions with other companies in the industry, and internal comparability considerations.

Benefits and Perquisites

Benefits are established based upon an assessment of competitive market factors and a determination of what is needed to attract and retain talent. The primary benefits received by the Company's Named Executive Officers are the same as for all other employees and include participation in the Company's health, dental and vision plans, 401(k) plan and the Company's disability and life insurance plans. Wayne A. Case is also provided with use of an automobile.

Annual Cash Performance Compensation

Our executives' performance is reviewed annually in October, and executives may receive annual cash bonuses, generally based upon the Compensation Committee's evaluation of individual performance and the Company's performance generally. These executives are responsible for establishing strategic direction or are responsible for major functional or operating units and have an impact on bottom-line results. During Fiscal 2016, David W. Case and Ann M. Ferguson were each paid a cash bonus of \$10,000.

Stock Options

In Fiscal 2016, our Named Executive Officers received no stock options grants.

The following table sets forth amounts of cash and certain other compensation paid by the Company to Wayne A. Case, Chairman of the Board; David M. Hudson, President and Chief Executive Officer; Ann M. Ferguson, Chief Financial Officer and Treasurer; and David W. STOCK OPTION PLANS AND OPTION GRANTS IN FISCAL 2016

The Board of Directors adopted the 2014 Equity Incentive Plan (2014 Plan) in August 2014, the 2004 Stock Option Plan (2004 Plan) in August 2004 and the 1995 Stock Option Plan (1995 Plan) in December 1995, which was amended in August 1996 and restated in August 1998. The 2014 Plan provides for the grant of (i) stock options (both nonqualified and incentive stock options), (ii) stock appreciation rights or SARs, (iii) restricted stock, (iv) restricted stock units or RSUs, (v) performance awards, and (vi) other share-based awards. An incentive stock option (NSO) granted under the 2014 Plan is intended to qualify as an incentive stock option (ISO) and a nonstatutory stock option granted under the 2014 Plan is not intended to qualify as an ISO. An option

granted under the 2004 Plan and/or 1995 Plan might be either an ISO, or an NSO. ISOs may be granted only to employees and members of the Board of Directors of the Company and are subject to certain limitations, in addition to restrictions applicable to all stock options under the 2004 Plan or 1995 Plan. Options not meeting these limitations will be treated as NSOs. The purchase price of ISOs is fair market value on the date of grant; the purchase price of NSOs may vary from fair market value. Vesting is at the discretion of the Compensation Committee of the Board of Directors, but generally is either 50% at grant date and 16.7% on each anniversary thereafter; 25% at grant date and 25% on each anniversary thereafter or 0% at grant date and 33% on each anniversary thereafter. The Company initially reserved 400,000 shares for issuance under the 1995 Plan and 300,000 shares for issuance under the 2004 Plan and the 2014 Plan. The 1995 Plan expired in December 2005 and no additional options may be issued under the 1995 Plan, although expiration of the 1995 Plan did not affect the rights of persons who received stock grants under the 1995 Plan. The 2004 Plan expired in August 2015 and no additional options may be issued under the 2004 Plan, although expiration of the 2004 Plan did not affect the rights of persons who received stock grants under the 2004 Plan. Stock-based compensation recognized in the Company's Consolidated Financial Statements for the years ended May 31, 2016 includes compensation cost for stock-based awards granted.

ADVISORY VOTE ON THE APPROVAL OF EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and Section 14A of the Exchange Act entitle the Company's shareholders to vote to approve, on an advisory basis, the compensation of the Company's Named Executive Officers as disclosed in this Proxy Statement pursuant to the SEC's rules.

The Company's executive compensation programs are designed to (1) attract and retain executive officers, (2) reward the achievement of the Company's short-term and long-term performance goals, (3) establish an appropriate relationship between executive pay and short-term and long-term performance, and (4) align executive officers' interests with those of the Company's shareholders. This proposal, commonly known as a "say-on-pay" proposal, gives the Company's shareholders the opportunity to express their views on the Company's executive compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company's named executive officers and the philosophy, policies and practices described in this Proxy Statement. RESOLVED, that the compensation paid to the Company's Named Executive Officers, as disclosed in the Company's Proxy Statement for the 2016 Annual Meeting of Shareholders pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion, is hereby APPROVED.
