Item 1.01. Entry into a Material Definitive Agreement.
Underwriting Agreement

On March 6, 2017, Enable Midstream Partners, LP (the Partnership) entered into an underwriting agreement (the Underwriting Agreement) for the public offering of \$700,000,000 aggregate principal amount of its 4.400% Senior Notes due 2027 (the Notes), at a price to the public of 99.615% of their face value. The offering closed on March 9, 2017.

The offering of the Notes was registered under the Securities Act of 1933, as amended (the Securities Act), pursuant to the Partnership's Registration Statement on Form S-3 (Registration No. 333-204002), as amended, and to the prospectus dated May 8, 2015, as supplemented by the prospectus supplement dated March 6, 2017 (the Prospectus Supplement).

The Underwriting Agreement contains customary representations and warranties of the parties as well as indemnification and contribution provisions under which the Partnership, on one hand, and the underwriters, on the other, have agreed to indemnify each other against certain liabilities, including liabilities under the Securities Act.

The Partnership intends to use the net proceeds from this offering for general partnership purposes, including to repay amounts outstanding under its revolving credit facility.

The foregoing description of the Underwriting Agreement is qualified in its entirety by reference to the full text of the agreement, a copy of which is filed herewith as Exhibit 1.1 to this report and is incorporated by reference herein.

As more fully described under the caption Underwriting in the Prospectus Supplement, the underwriters and their affiliates have, from time to time, performed, and may in the future perform, various financial advisory and investment banking services for the Partnership, for which they received or will receive customary fees and reimbursement of expenses. Affiliates of certain of the underwriters are lenders, and in some case agents or managers for the lenders, under our revolving credit facility and, as a result, will receive a portion of the net proceeds of this offering. U.S. Bancorp Investments, Inc., one of the underwriters, is an affiliate of the trustee.

Second Supplemental Indenture for 4.400% Senior Notes due 2027

The Notes are to be issued pursuant to the Indenture (the Base Indenture) dated May 27, 2014 by and between the Partnership, on one hand, and U.S. Bank National Association as trustee (the Trustee) on the other, as supplemented by the Second Supplemental Indenture thereto, dated March 9, 2017 (as so supplemented, the Indenture). The Indenture contains covenants that limit the Partnership's ability to, among other things, incur certain liens securing indebtedness, engage in certain sale and leaseback transactions, and enter into certain consolidations, mergers, conveyances, transfers or leases of all or substantially all of the Partnership's assets.

The descriptions of the Notes and the Indenture are included in the Prospectus Supplement and are incorporated herein by reference. The foregoing description of the Indenture is qualified in its entirety by reference to the full text of the Indenture, copies of which are filed herewith as Exhibits 4.1 and 4.2 to this report and are incorporated by reference herein.
