Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On March 23, 2017, Power Solutions International, Inc. (the Company) (Nasdaq: PSIX) received a notice from the staff of The Nasdaq Stock Market (Nasdaq) stating that, because the Company did not timely file its Annual Report on Form 10-K for the year ended December 31, 2016 with the Securities and Exchange Commission, the Company was not in compliance with Nasdaq Listing Rule 5250(c)(1), which requires timely filing of periodic reports. As previously reported, the Company received similar notices on August 16, 2016 and November 11, 2016 due to the delay in filing its Form 10-Q for the second quarter ended June 30, 2016 and the third quarter ended September 30, 2016, respectively. Nasdaq's latest notice has no immediate effect on the listing of the Company's common stock on Nasdaq.

As previously disclosed, the Company requested a hearing before the Nasdaq Hearings Panel (the Panel), which was held on March 9, 2017. At this hearing, the Company requested an automatic stay of suspension in trading in the Company's common stock, which was granted pending the issuance of a final Panel decision. The Company also shared its plan to evidence full compliance with Nasdaq's filing requirement and requested an extension of time to do so. The Panel has the discretion to grant the Company an extension through August 7, 2017; however, there can be no assurance that the Panel will ultimately grant the Company's request for continued listing on Nasdaq.

On March 29, 2017, the Company issued a press release regarding the foregoing matters. A copy of the press release is filed herewith as Exhibit 99.1 to this Form 8-K and is incorporated herein by reference.
