# COMPANY PERFORMANCE HIGHLIGHTS

We are pleased with our strong performance in 2016 as well as the progress we made in furthering our strategic objectives. We achieved a number of significant milestones during the course of the year, in large part due to the continuing leadership of our executive officers and Board of Directors ( Board ), as well as the dedication and hard work of our employees. Key highlights of 2016 include:

Repositioned our Pacific Northwest portfolio through the acquisition of 61,000 acres of well-stocked, mature timberlands and the concurrent disposition of 55,000 acres of predominantly pre-merchantable timber;

In total, acquired 111,000 acres of high-quality timberlands in the U.S. for \$366.5 million, thereby improving our long-term sustainable yield and cash flow potential;

In total, completed Large Dispositions totaling 117,000 acres and \$250 million, the proceeds of which were used (or remain available to use) for capital allocation purposes;

Completed a recapitalization of our New Zealand joint venture, thereby lowering our overall cost of debt and increasing our equity stake in the JV from 65% to 77%;

Closed on a new 10-year, \$300 million dollar incremental term loan with a weighted average interest rate of approximately 2.8% (including the impact of interest rate swaps and estimated patronage payments), resulting in no significant debt maturities until 2022 and a weighted average debt maturity of 7 years;

Implemented an internal restructuring and changes to our legacy defined-benefit pension plan, resulting in projected annual cost savings of approximately \$5 million;

Made significant progress on the Wildlight mixed-use community development project north of Jacksonville, which we expect will add significant value to our surrounding HBU land portfolio over time;

Announced the consolidation of three offices into one newly-constructed headquarters building to be located in Wildlight and scheduled for completion in Summer 2017; and

Returned \$122.8 million to shareholders through dividends of \$1.00 per share.

#### SHAREHOLDER ENGAGEMENT

We value shareholder engagement and each year interact with and seek input from our shareholders through various shareholder outreach activities. In 2016, our key shareholder engagement activities included five investor road shows, eight investor conferences, an Investor Day and our 2016 Annual Meeting of Shareholders (2016 Annual Meeting). These engagement activities are informative and help us to better understand our shareholders views and perspectives on our financial performance, business strategy, capital allocation strategy and public disclosures. We welcome investor input and we invite shareholder feedback. Our Investor Relations department is the point of contact for shareholder interaction with the Company. Shareholders may also access investor information about the Company in the Investor Relations section of our website (www.rayonier.com).

2017 Proxy Statement 3

# PROPOSAL NO. 1 ELECTION OF DIRECTORS

# **ELECTION PROCESS**

The Board is responsible for establishing overall corporate strategy and for overseeing management and the ultimate performance of the Company. The Board held eleven (11) meetings during fiscal year 2016. During fiscal year 2016, all directors attended at least 75% of the combined total of all Board meetings and all meetings of committees of the Board of which the director was a member. The Nominating and Corporate Governance Committee (Nominating Committee) of the Board has nominated the persons whose names are set forth below, all of whom are current directors. In the absence of a vote by a signed proxy, shares represented by the proxy will be voted FOR the election of each of these nominees to the Board.

# **DIRECTOR QUALIFICATIONS**

We believe the members of our Board have the proper mix of relevant experience and expertise given the Company s businesses and REIT structure, together with a level of demonstrated integrity, judgment, leadership and collegiality, to effectively advise and oversee management in executing our strategy. There are no specific minimum qualifications for director nominees other than, as required by our Corporate Governance Principles, no director nominee may stand for election after he or she has reached the age of 72. However, in identifying or evaluating potential nominees, it is the policy of our Nominating Committee to seek individuals who have the knowledge, experience, diversity and personal and professional integrity to be most effective, in conjunction with the other Board members, in collectively serving the long-term interests of our shareholders. The criteria for Board membership are periodically evaluated by the Nominating Committee, taking into account the Company s strategy, geographic markets, regulatory environment and other relevant business factors, as well as changes in applicable laws or listing standards.

# **DIRECTOR NOMINATIONS**

Shareholders are being asked to vote on the election of nine (9) directors to serve until the 2018 Annual Meeting of Shareholders and until their successors are duly elected and qualified. The Board has no reason to believe that any nominee will be unable to serve as a director. If, however, a nominee should be unable to serve at the time of the Annual Meeting, shares of Rayonier common stock (Common Shares) properly represented by valid proxies will be voted in connection with the election of a substitute nominee recommended by the Board. Alternatively, the Board may either allow the vacancy to remain unfilled until an appropriate candidate is located or may reduce the authorized number of directors to eliminate the unfilled seat.

If any incumbent nominee for director should fail to receive the required affirmative vote of a majority of the votes cast with regard to his or her election, our Corporate Governance Principles require the director to tender his or her resignation to the Board. The Nominating Committee would then consider such resignation and make a recommendation to the Board as to whether to accept or reject the resignation. The Company would publicly disclose the Board s decision and rationale within 90 days after receipt of the tendered resignation.
