**\* Note: A securities rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time.**

**\*\* It is expected that delivery of the Depositary Shares will be made against payment therefor on or about June 4, 2018, which is the third business day following the date hereof (such settlement cycle being referred to as T+3 ). Pursuant to Rule 15c6-1 under the Exchange Act, trades in the secondary market generally are required to settle in two business days unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the Depositary Shares prior to their date of delivery may be required, by virtue of the fact that the Depositary Shares initially will settle in T+3, to specify an alternative settlement cycle at the time of any such trade to prevent failed settlement. Purchasers of the Depositary Shares who wish to trade such Depositary Shares prior to their date of delivery should consult their own advisors.**
