Notice Regarding the Acquisition of Axis Shares and Making Axis

a Wholly Owned Subsidiary

At a Board of Directors meeting held today, Canon Inc. (Canon) passed a resolution to acquire shares of Axis AB (Axis ; Headquarters: Lund, Sweden; President and CEO: Ray Mauritsson) and make consolidated subsidiary Axis a wholly owned subsidiary.

Canon has today entered into a share purchase agreement with Elliott International, L.P. and The Liverpool Limited Partnership (together Elliott) under which Canon has agreed to purchase 7,825,516 shares in Axis from Elliott (the Transaction).

As a result of the Transaction, Canon will hold more than 90 percent (97.9 percent; 68,000,798 shares) of the total number of shares and votes in Axis and intends to request that the Axis Board resolves to apply for delisting of Axis shares from the Nasdaq Stockholm. Canon also intends to initiate a compulsory acquisition procedure under the Swedish Companies Act to acquire all remaining shares in Axis.

Going forward, Canon and Axis will continue to provide innovative network video solutions.

This notice contains forward-looking statements with respect to future results, performance and achievements that are subject to risk and uncertainties and reflect management's views and assumptions formed by available information. All statements other than statements of historical fact are statements that could be considered forward-looking statements. When used in this document, words such as anticipate, believe, estimate, expect, intend, may, plan, and similar expressions, as they relate to Canon, are intended to identify forward-looking statements. Many factors could cause the actual results, performance or achievements of Canon to be materially different from any future results, performance or achievements that may be expressed or implied by such forward-looking statements, including, among others, changes in general economic and business conditions, changes in currency exchange rates and interest rates, introduction of competing products by other companies, lack of acceptance of new products or services by Canon's targeted customers, inability to meet efficiency and cost reduction objectives, changes in business strategy and various other factors, both referenced and not referenced in this notice. A detailed description of these and other risk factors is included in Canon's annual report on Form 20-F, which is on file with the United States

Securities and Exchange Commission. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those described herein. Canon does not intend or assume any obligation to update these forward-looking statements.
